# Forced to Cum While Needing to Stay Quiet

Translated By: Kusanyagi

He said he would never work with us again...!

Now he's extremely pissed off!

Why would you do something like that?

He kept feeling up my butt over and over...

But...

**SWEET ARMOR**

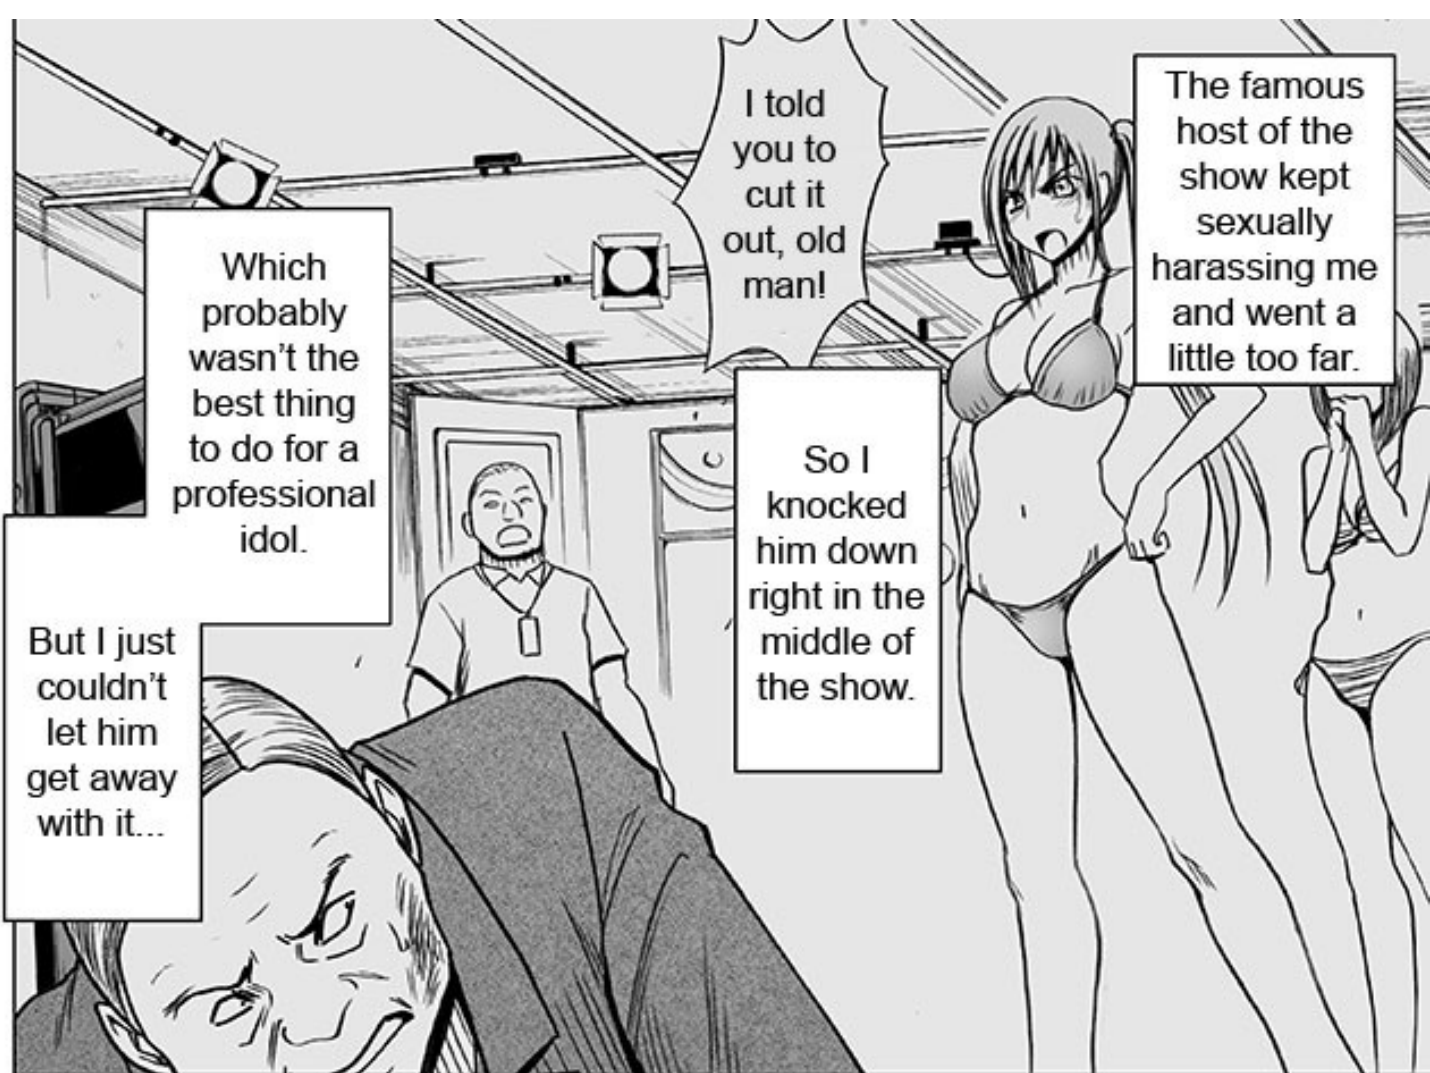

**encial blast blast**

**Bikini Model Nagumo Sayuki**

All of that happened during the production of a certain TV show...

What were you thinking?

That's no excuse for getting violent in the middle of a shot!

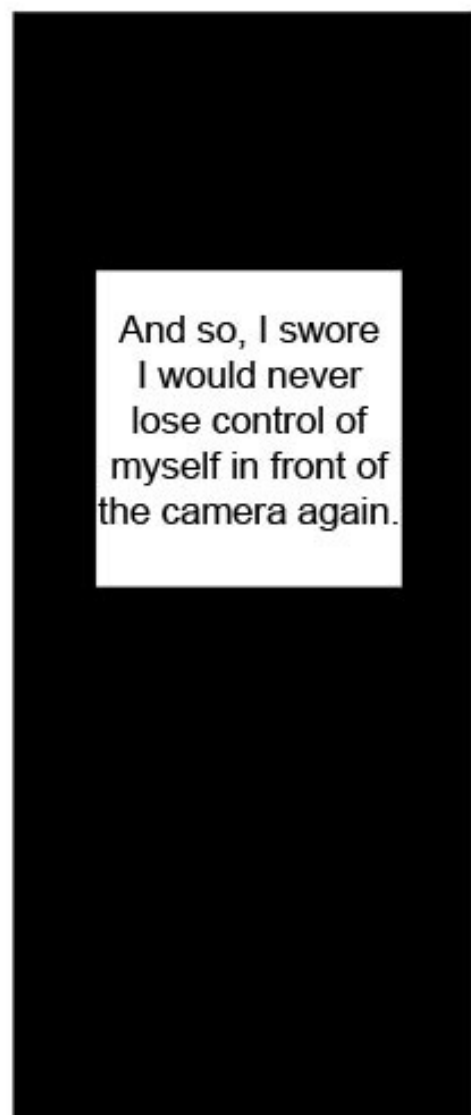

Which probably wasn't the best thing to do for a professional idol.

But I just couldn't let him get away with it...

I told you to cut it out, old man!

So I knocked him down right in the middle of the show.

The famous host of the show kept sexually harassing me and went a little too far.

And so, I swore I would never lose control of myself in front of the camera again.

I do regret doing it though ...

This incident caused trouble for my company and other idols who work with me.

Although sexual harassment shouldn't be condoned,

**Nagumo Sayuki**

**A Bikini Model  
is Forced to Cum  
in Secret While  
on a TV Show**

Let's begin.

Alright.

Today, I'm going to make a report on a famous chiropractor from a very old family, who even has royalty among his clients.

Right now, I'm working on a show that introduces famous spots in our town.

Okay, we're rolling!

Which I realize might have some sexual connotations.

I will be filmed getting massaged in a swimsuit.

And this is my first TV job in a month.

But I've been getting less job offers after that incident.

But ...

This guy is actually pretty good ...

The way he's touching me is a little weird ...

Why does he keep grabbing my breasts...

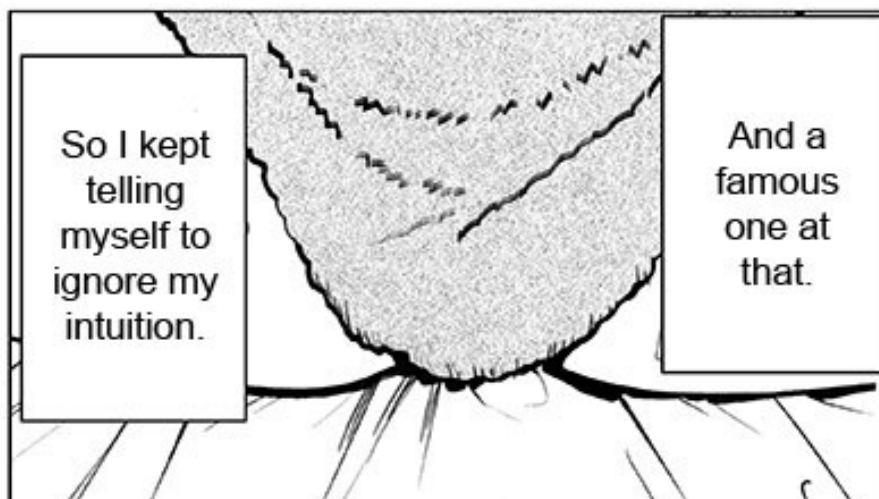

You know, if I press this spot right here, I can get rid of the stiffness in your shoulders.

There, that feels a lot better, right? ?

Uh, ya... you're right~

I can't afford to screw this up ...

スッ

That I  
was right  
to feel  
uneasy...

But in  
the end,  
it turned  
out...

ウフ!!

アッ

Wait...  
What's  
he  
doing...!?

.....

Or maybe this is just part of the treatment?

Could it have been an accident...?

That guy caught a moment when my upper body wasn't on camera.

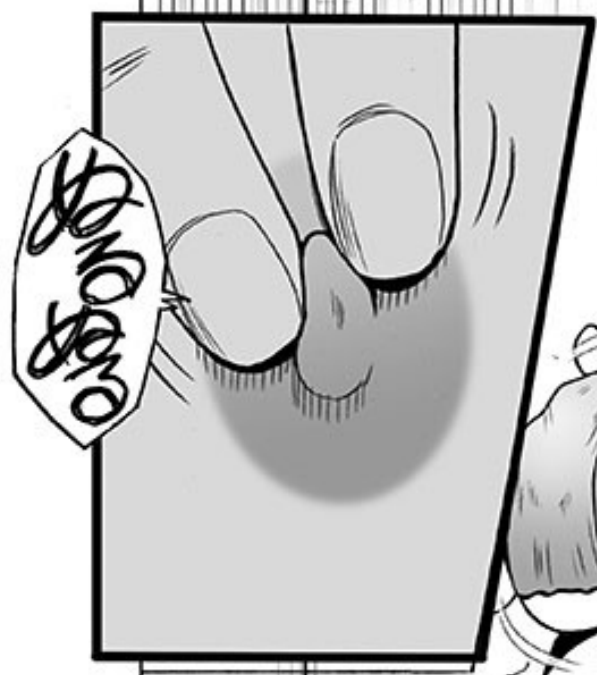

Then slipped his hands into my swimsuit and fondled my nipples directly.

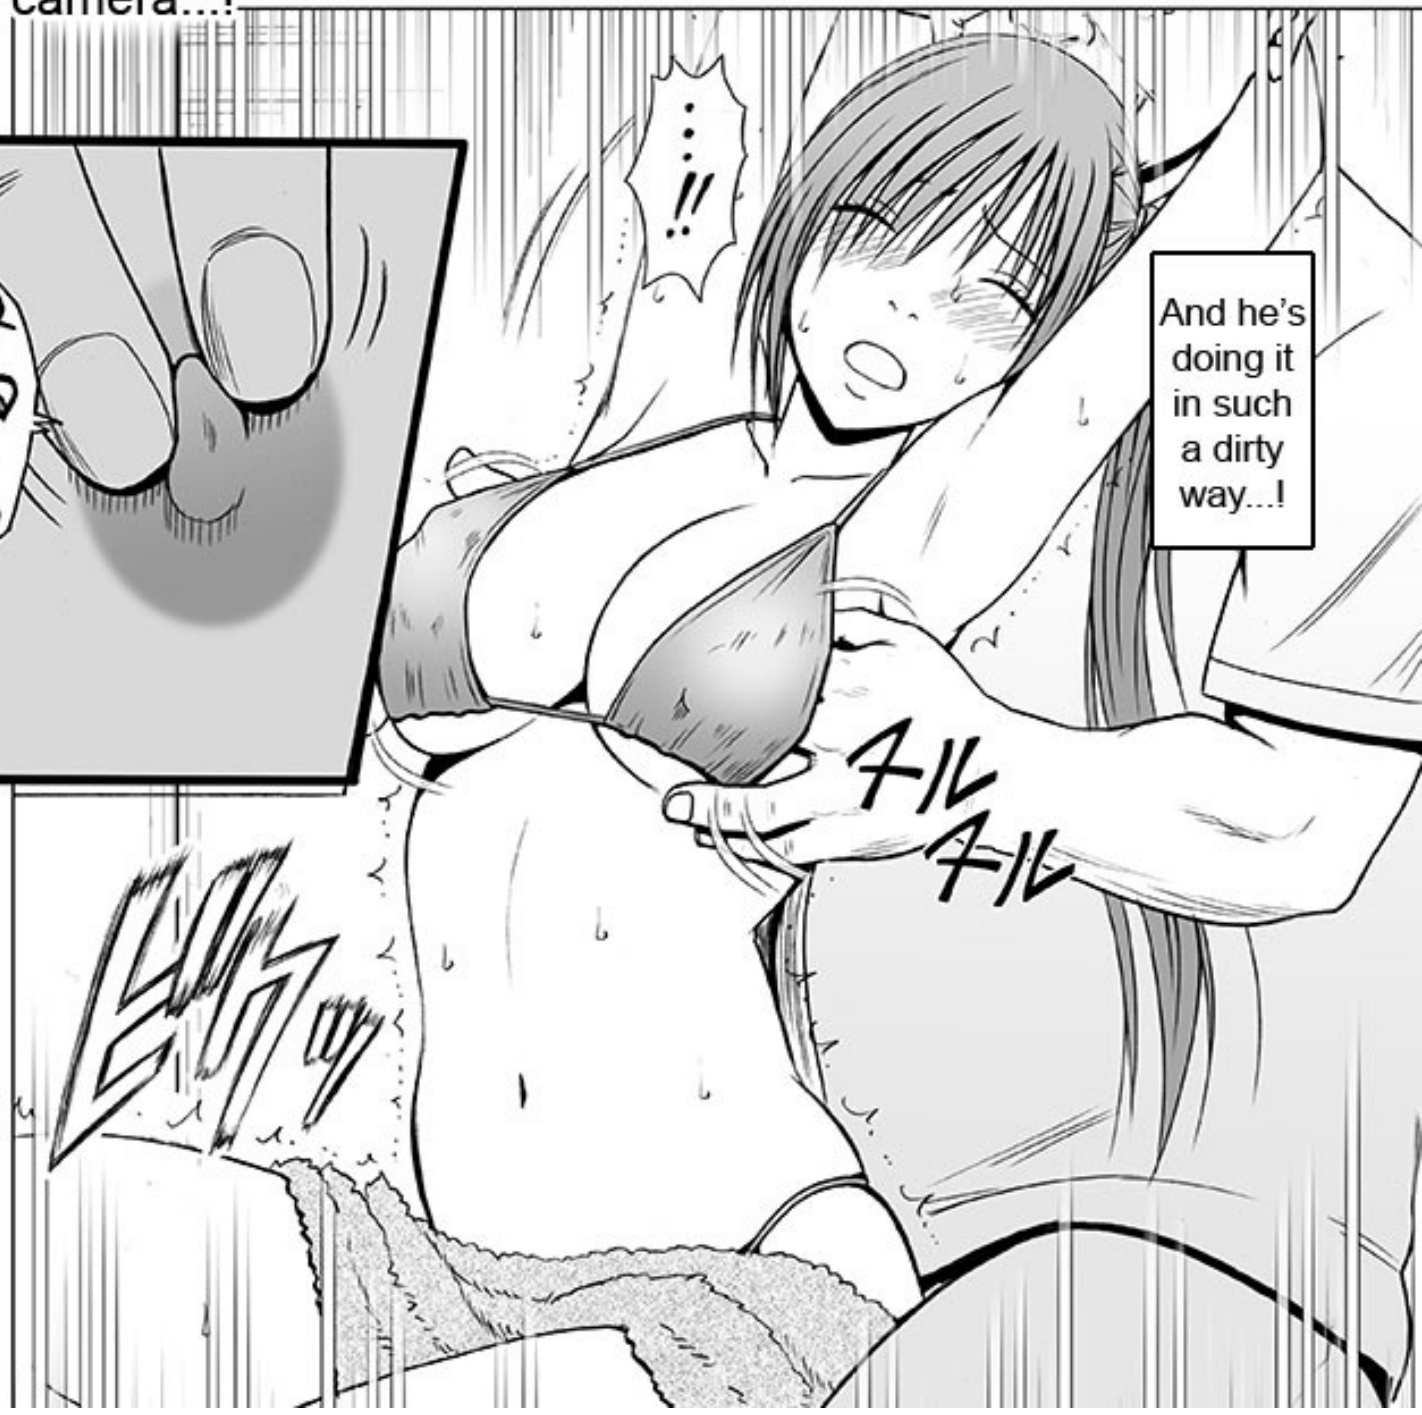

He's clearly just playing with my nipples whenever they're off camera...!

No... That's not it...!

And he's doing it in such a dirty way...!

He told me to lie on my stomach and started massaging my butt.

After toying with my nipples all he wanted...

シシ

ウツウツ

!!

Everything he did was to stimulate my pussy.

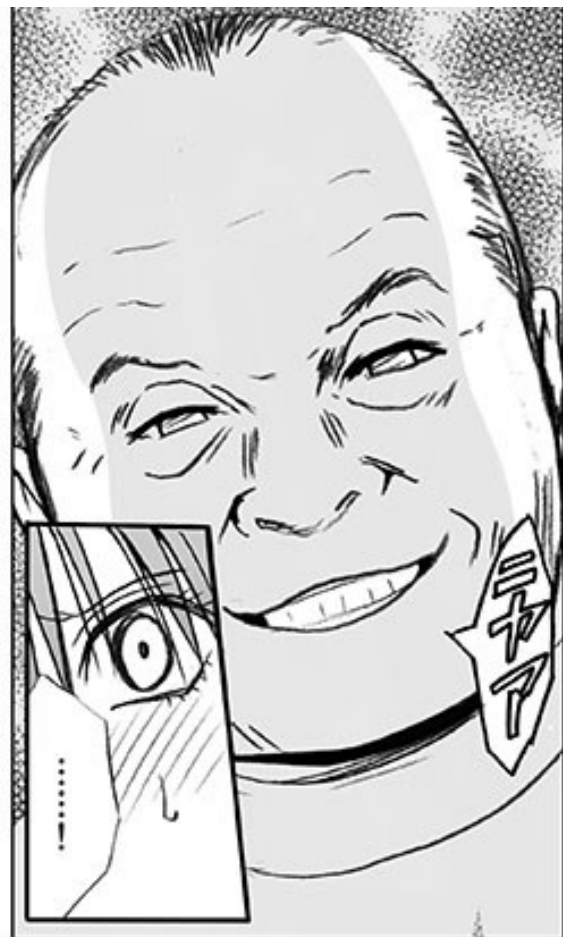

But he was touching me in a very erotic way...

It may have looked like a regular massage.

シシ

シシ

And whenever the camera was focused on something else

He skillfully traced my pussy with his fingers...

Crap ...!

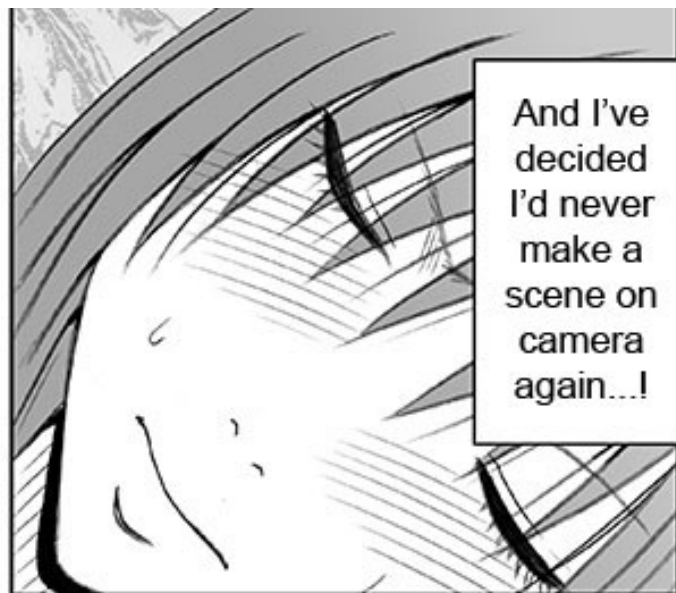

This bastard thinks he can do whatever he wants to me, just because I'm an idol no one wants to hire...!

I knew it... He's doing this on purpose ...!

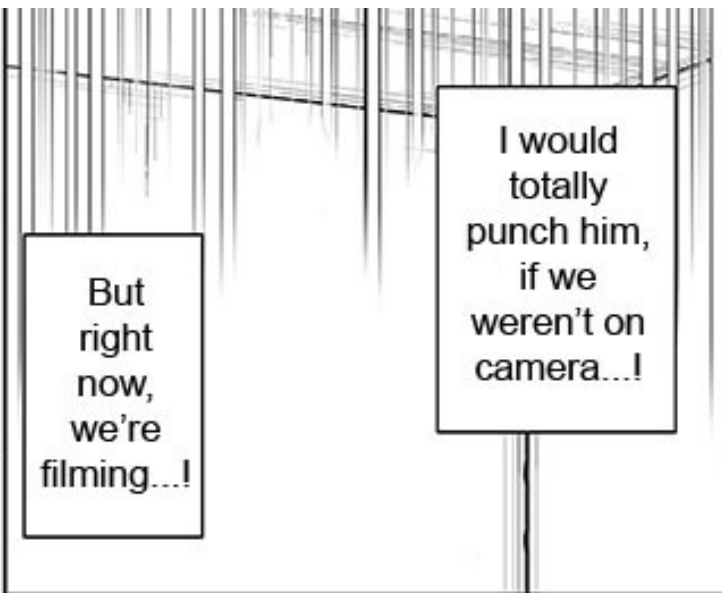

ズ  
ズ

ズ  
ズ

!!

And I've decided I'd never make a scene on camera again...!

But right now, we're filming...!

I would totally punch him, if we weren't on camera...!

So I just have to ignore the fact that this bastard is sexually harassing me!

But I also  
can't cum,  
moan, or  
make any  
sexy  
expressions  
...!

I can't  
fight  
back  
on  
camera  
...!

I have to make  
a professional  
report about  
my experience  
here, and  
that's what I  
intend on  
doing!

My body  
started  
getting  
really  
turned  
on.

So after a  
while of  
being  
massaged  
here and  
there,

Even though  
I was being  
touched  
against my  
will, he was  
really good  
at his job.

Well,  
that's  
what I  
thought,  
but...

As soon as we take care of this knot in your neck, you'll start feeling much more relaxed.

While he was working on my neck, the camera focused on my face, so he could keep stimulating my pussy.

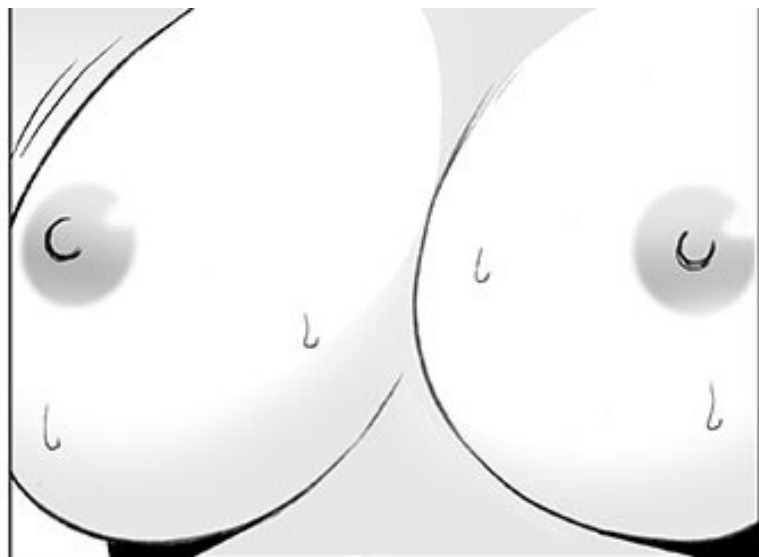

And it felt so good that if it wasn't for the show staff being there,

I would probably be cumming already...

The camera crew showed some courtesy and moved behind us, but...

After that, he told me to take off my top so he could give my chest an oil massage...

Now he could keep teasing my breasts as much as he wanted to...

That just meant that most of my body was in their blind spot.

Uhh!  
It felt like he was trying to get some kind of reaction out of me ...

He kept teasing my breasts and twisting my nipples.

だるだる

Eh

This was no longer your usual sexual harassment.

How is it? Do you feel your body getting hot?

I felt like I was being violated ...

Uhh!

\*pant\*

\*gasp\*

Uhh!

FIV  
FIV

Eh

So he kept giving me embarrassing orders like putting my hands behind my head and spreading my legs...

And he knew I was in no position to resist him.

That's it, keep them there and relax~

But having to meekly obey every order while being sexually harassed was very frustrating...

I knew I had to listen to him while we were rolling.

I really didn't want to cum.

But in the end, I just couldn't resist his techniques.

I came hard, even though I was on camera ...

Mn  
nnnn!  
Uhhn  
ngh~

Mn  
.... nnn  
Uhhhh ...  
!!

Gyuuu

And came up with some vague explanation.

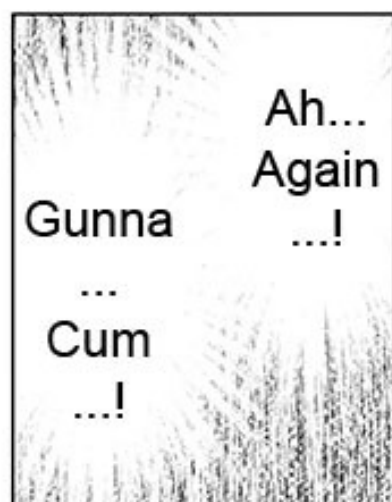

He took out an "electric massager".

And decided to really humiliate me.

After that, he really started to get carried away.

Then pressed it directly against my pussy.

Uhh  
hkh~

In the end, I couldn't resist at all.

And he made me cum in the blink of an eye.

And they all left the room.

So they said they would take a break.

After that, my crew had to change the tape...

Now I was all alone with the chiropractor.

But, as soon as I thought that...

And now, we're not on camera anymore and no one can see us...!

There's no way I'm going to let him get away with what he did...!

I just won't feel good until I slap him at least once...!

...  
Uh  
!!

アルッ

Ah  
hhh

I...

アッ

was  
pene-  
trated.

Ahh  
hhh  
!!! hhhh

I guess you just couldn't help it. huh?

You came quite a few times while they were taping you, right?

Wait a second!

I can't believe it...!

Did he drug me at some point...!?

But my body's numb and I can't move!  
He's fucking me ...!

He was planning this from the start ...!

This old bastard

But I guess you were just saying quiet because we were on camera, huh?

I thought you were just really slutty...

You were so quiet while I was massaging you that

Oh my... Are you trying to fight back?

!!

This is so frustrating!

That's quite admirable.

Mn nnn!

If only I started resisting straight from the start ...!

Guh!

!!

my body was already incredibly turned on.

And since I let him tease me so much while we were on camera,

or will to resist him.

But now that he was fucking me, I no longer had the strength

He tied my hands, although it was completely unneeded at that point...

Mnn ngh!

Mnn nnn...

Huh!

Ah  
hhh!  
♡

Crap!

Haa  
ahh!

Damn  
it!

Ah  
hhh  
hh!  
♡

There's  
nothing

...  
I can  
do!

\*pant\*

ギシ

It's  
...  
Useless  
...!

\*gasp\*

Ah!

So he kept raping me for over 30 minutes

and I was helpless on my own...

my staff never came back in,

In the end,

Maybe this was a trap to being with.

Heh heh heh, we should probably end this soon.

was my punishment for that earlier incident...

Who knows, maybe this entire thing
