Family
Head!?

Wha-
Huh!?

Fa-

Don't be so
reserved.

Indeed.
I am the
current
head of
the
Kaname
family.

But...

I'm not
very fond
of being
addressed
in such a
formal
manner..

You can
call me
Suzuri.

Say,
Kouta...

Aaaaah! the Present Master♥

あああああっ!

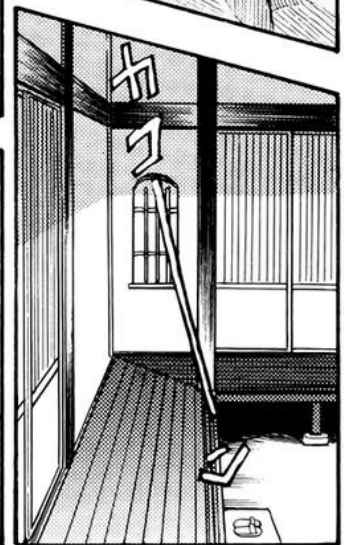

ご当主さまっ

You are my
husband,
after all.

Ehhhh!?

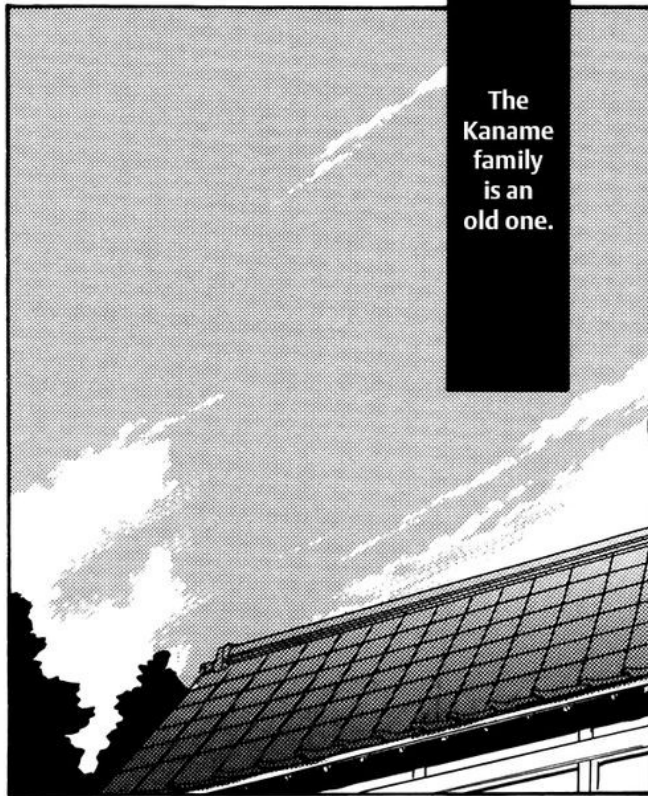

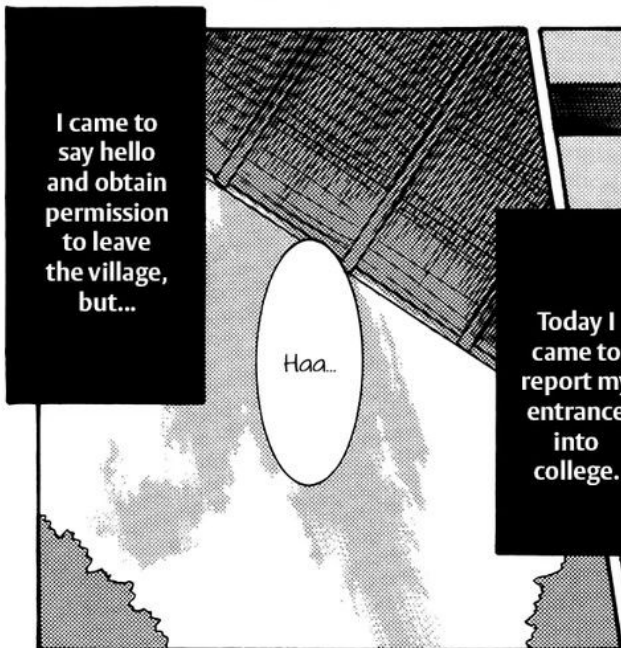

Just wait here for a little bit!

The Kaname family is an old one.

Time to make a plan!

I came to say hello and obtain permission to leave the village, but...

Haa...

Today I came to report my entrance into college.

My name is included amongst those of the lowest branch family.

The bloodline from the Muromachi Era continued unabated through the Heisei Era.

The patriarchal system remained as it was, pushing aside the branch families to maintain their control.

In a manner of speaking it's a wonder that this meeting was actually arranged...

But I didn't think...

Since I'm from the lowest branch family...

But...

If not for a chance like this I wouldn't have been able to meet the Family Head.

I guess I shouldn't have come to say hello before leaving the village like an honest fool.

My old man did say I didn't really have to come, too...

Sigh

How about this!

I just don't get it...

Ah, geez...

That our first meeting would turn into a full-nude solicitation...!

I thought it would be nice if I could meet the Family Head, if only once, before leaving the village...

Pull yourself together and give a proper greeting this time...!

Okay!

Was a childish girl, younger than myself, who had inherited the family position.

Thank you for waiting

The Family Head that I longed to meet...

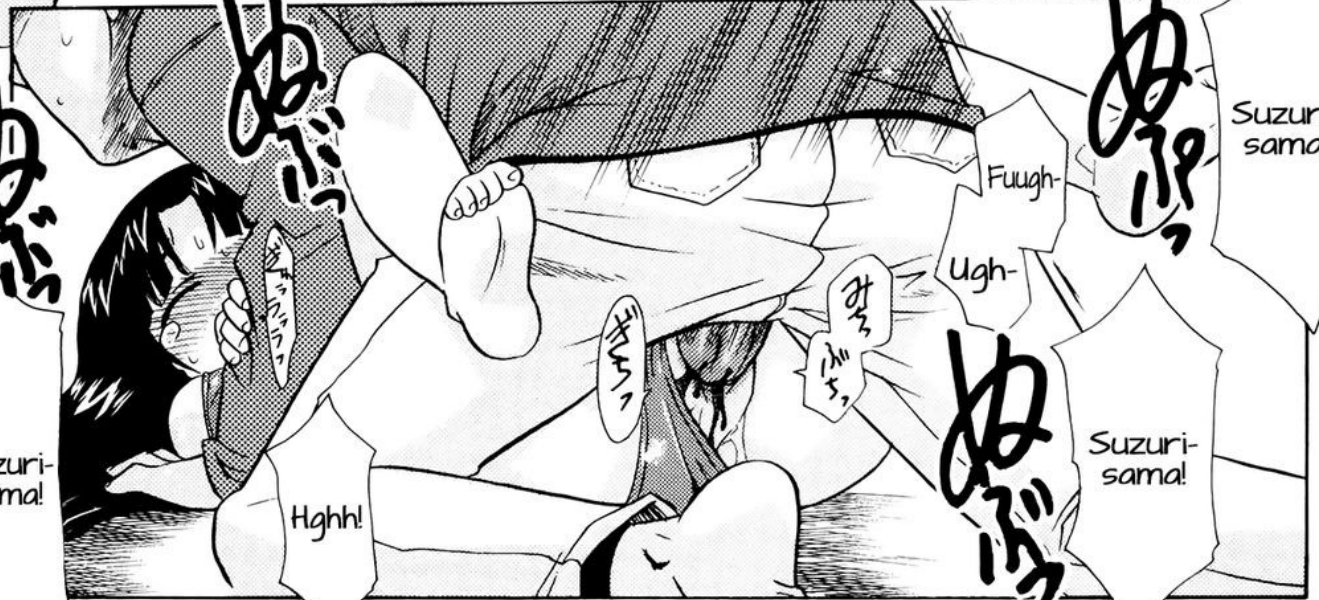

You're
really
sexy
and cute.

apple and
bring it to
you.

Ah-

Don't go!

In the

Onii-cha~n~

Onii-cha-n!

I don't need
a candy apple,
Onii-chan.
