SHOWING AND BEING SEEN

Good,

That's

because I

That's
because I

July 28
Sunny

...it's not as if
it's my
objective for
seeing her so
it's ok!

I didn't
get to see
her
boobs or
down
there

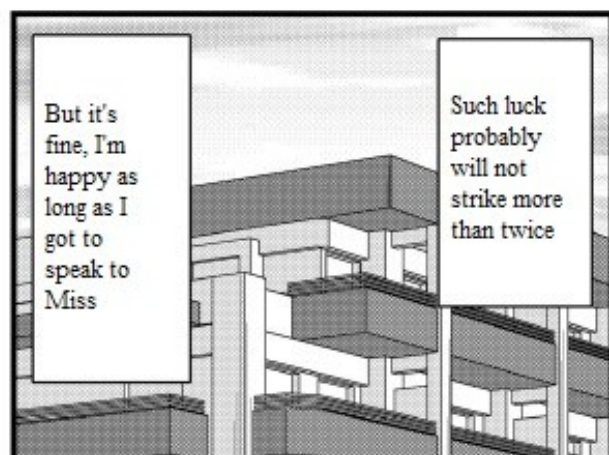

Even though
I got to meet
Miss a few
times after
that,

Alright!
I got to
speak to
Miss
today!

加キキ

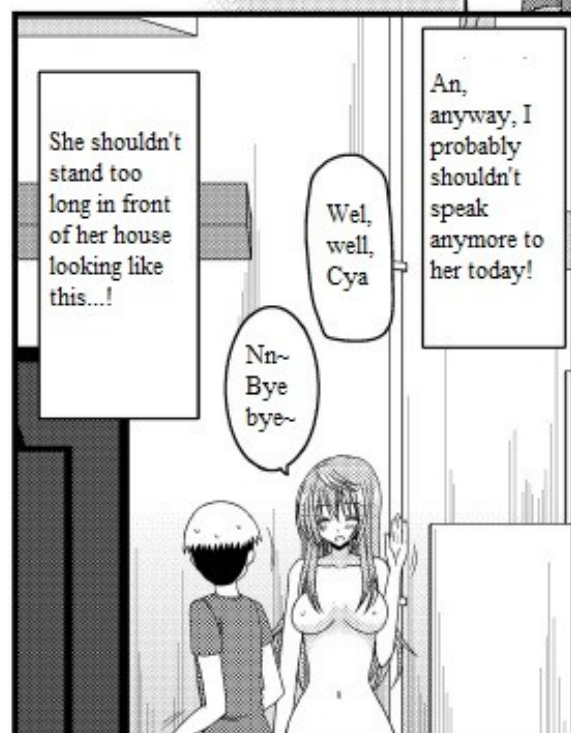

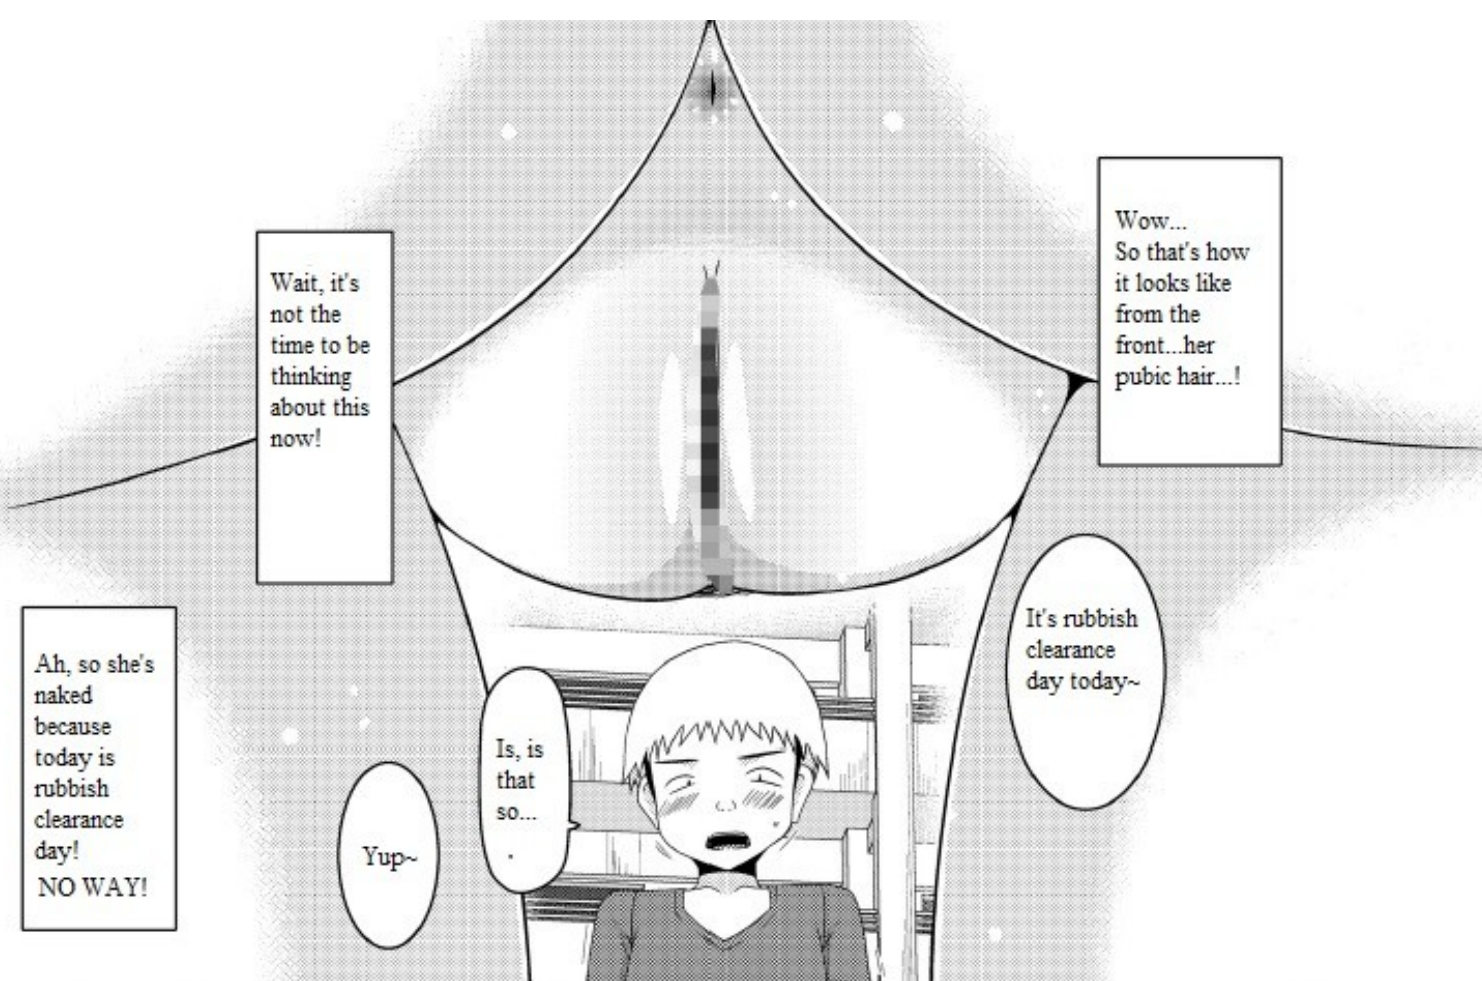

!

But it's
fine, I'm
happy as
long as I
got to
speak to
Miss

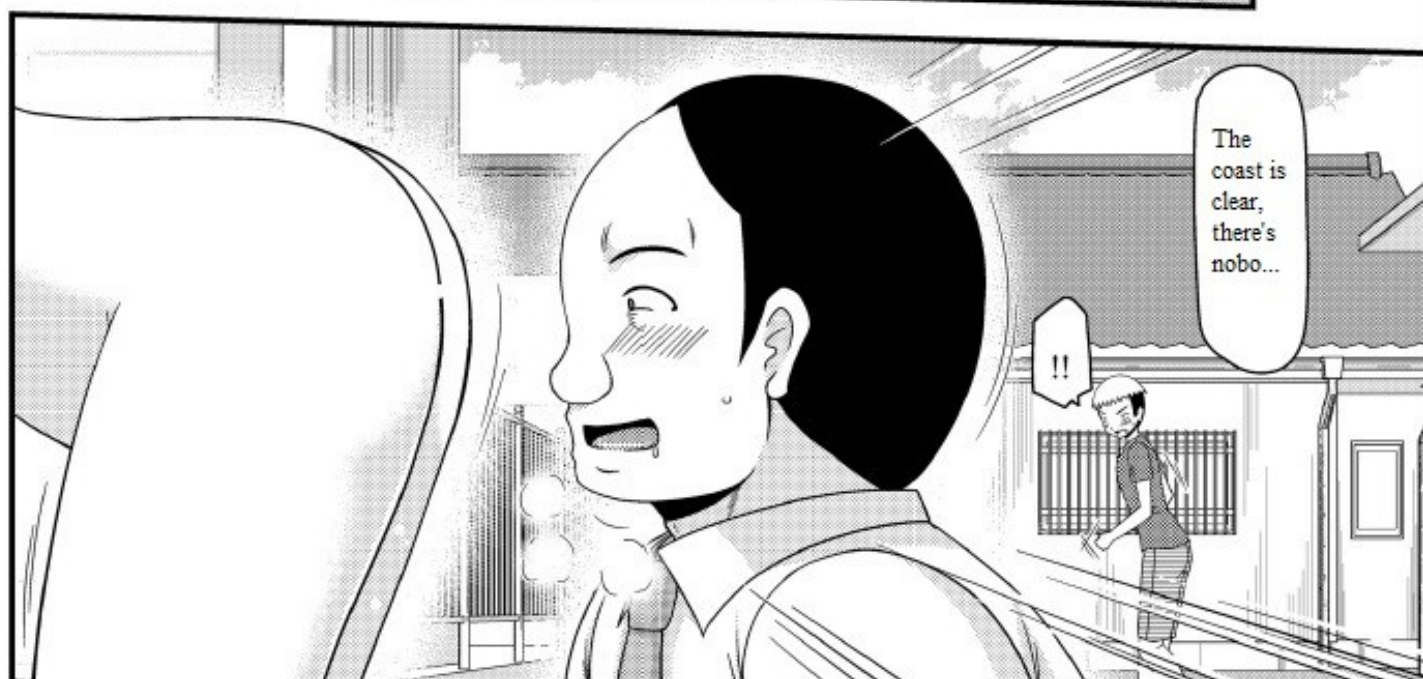

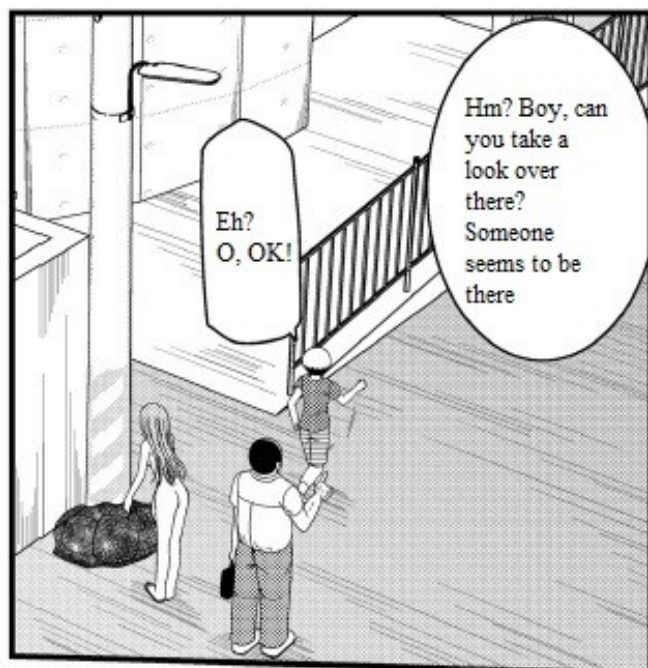

Such luck
probably
will not
strike more
than twice

Would you like to join me? This vagina of hers is so pretty

I'm keeping a lookout. Someone got to protect this defenceless girl's butt from danger

What are you doing, old man!

?

Leave what ...

Just leave this to me, Boy

Ayame, can you spread out a bit for me to see?
