

Alright, how about we get started too?

Oh, "Into the Year, Out of the Year" has started!

So?

Haven't you been listening to me?

Are you ready?!

I told you I was okay to go ages ago.

Wanting to cum inside me precisely as the clock strikes midnight on new year's... Nh!

Good grief...

What goes on inside that head of yours? Nnh!

Can't say I have.

You've done that before, haven't you, Shouko?

Is it that weird?

I mean it's not much different than jumping in time with the passing of the year.

"May Shouko never be interested in a cock other than my own!" Or something like that.

Like it's a Shinto prayer just between us.

Whatever. Let's just say we're doing it so we get along for all of next year as well.

No! Nh!

Aah!

ha

Don't screw me so hard!

H-Hey!

Wha-?!

You're gonna make me cum too soon...!

No! Ah!

What do you think you're doing?! Nn!

23:52

It's a little hard when you keep thrusting like that!!

Ah!

Just hold on?! Ah!

It's almost midnight! Just hold on a little bit longer!

23:55

you're gonna have flashbacks to this until the end of next year!

I'm gonna creampie and make you cum so hard...

We're Okay! nearly there!

Huh? I didn't know you were that worried about losing to a cock so handily.

Huu!

Y-You idiot... It's only because it's yours that...!
