What We Want To Do

Hmm?

I was just thinking maybe I'd help you vent.

...W-Why're you here? You need something...?

Fresh out of the bathtub...

What a nice bath!

Ha

There we go.

On your mother's advice, I used your bathtub for the first time in ages.

Yeah... I mean, it's not like I don't have a chance but... The problem is when is that chance going to come, y'know?

...I see. You're having a hard time getting anywhere in the industry you want to work in...

Huh...?

Ba-dump

...Alright.

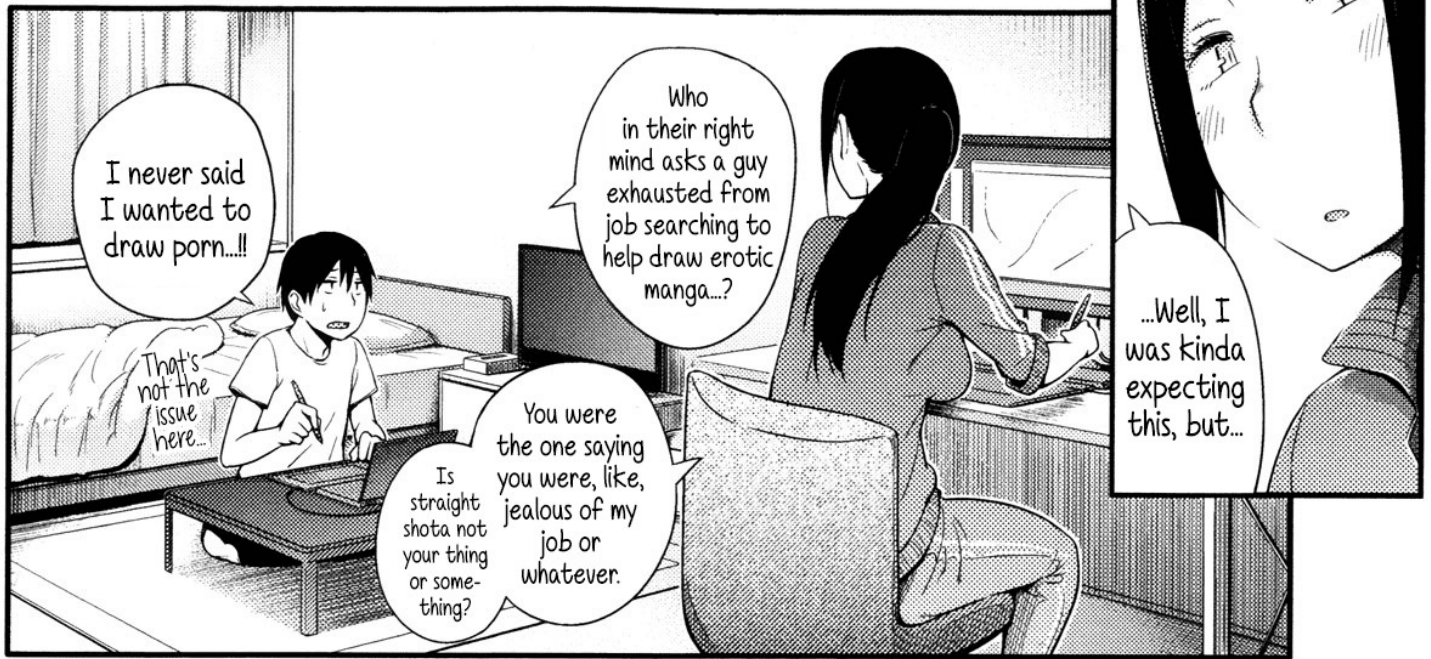

Then come to my house for a sec.

Sigh

...I'm kinda jealous of people like you, who actually managed to get a job doing what they like.

I never said I wanted to draw porn...!!

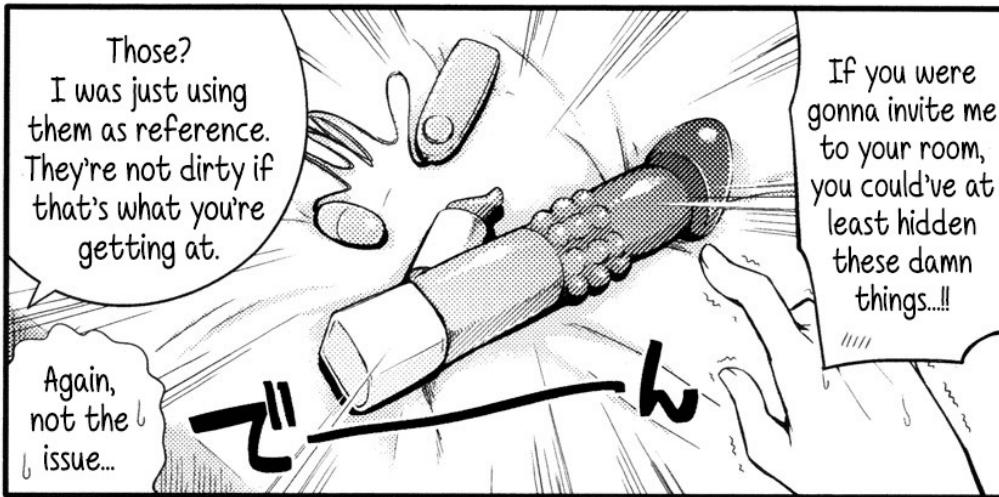

That's not the issue here...

Who in their right mind asks a guy exhausted from job searching to help draw erotic manga...?

You were the one saying you were, like, jealous of my job or whatever.

Is straight shota not your thing or something?

...Well, I was kinda expecting this, but...

Those? I was just using them as reference. They're not dirty if that's what you're getting at.

Again, not the issue...

If you were gonna invite me to your room, you could've at least hidden these damn things...!!

...Not to mention...

I actually wanted to ask for your assistance on something, Junya.

My assistance...?

...Speaking of drawing materials.

Come on, there's no need to get upset.

Hmm?  
You agreed  
to help me,  
didn't you?

Shiho-  
nee...

E-Er...

This is  
kind of...  
I really think  
we should  
stop...!!

I know,  
but I never  
thought this  
was what  
you meant...

I'll make you  
feel good, so  
just leave your  
body in my  
hands!!

Look, there's  
no need to be  
embarrassed!  
It's not like  
we're  
strangers!

B-But...

I need to see  
a boy ejaculate  
up close to use  
as reference.  
Come on, just  
help me out. ♡

Well...  
This is  
seriously  
not...!!

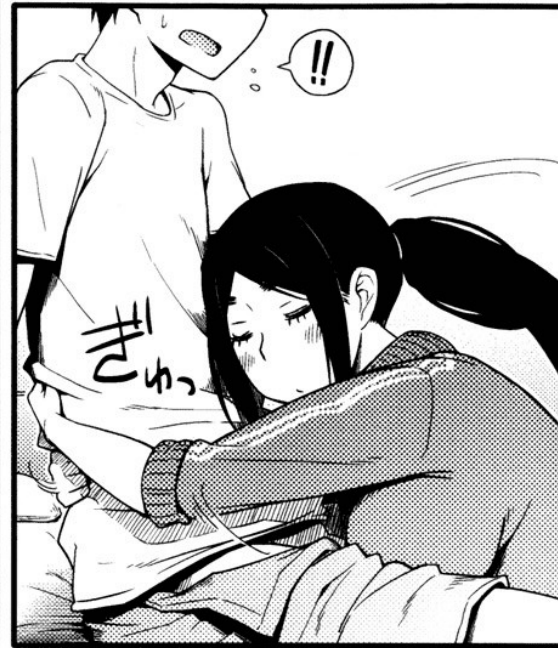

Being a mangaka is a one-man job. Plus, you have no stable income. And your future is completely up in the air.

But honestly, there's nothing enviable about what I do.

...Before, you said you were jealous of me for getting a job doing what I liked.

So I kinda just jumped straight into it without hesitating.

...Despite all that, it was my dream since I was little. I felt as if I'd regret it in the future if I didn't pursue it.

Worst come to worst, I'll become a famous author and hire you in as my assistant slash housekeeper.

Well, that's how it is, so work as hard as you can without working yourself to death.

If you do, you'll just end up regretting it for the rest of your life.

Junya, if there's something you want to do in your life, you should never give up on it as long as the circumstances allow it.

Shiho-nee...

Ah, erm...

Did I cheer you up a little too much...?

Now, then!

I've said all I wanted to say, so you can go back home. You have another job interview tomorrow, right?

Huh?

Hey... What're you-?!

Wah...?!

...Huh?

...Also... If my job hunting goes well and I land a job in a good company, would you let me support your living?

...Shiho-nee, thank you.

...I'm going to try working a little harder towards my dream...

Wyat?!

That certainly was the trigger, but I've liked you for a long time now.

W-What are you talking about? You only feel that way because of what we did just now!

Shiho-nee, I've always gotten the impression that you put drawing manga first and foremost on your priority list, so I've always kept my feelings in check.

H-Hey, don't start groping me...!

Ah!  
♡

But after hearing your advice, I realized that if I didn't act now, I'd regret it for as long as I live.

I get that, but... Ah!♡ what does it have to do with this... Nnh!♡

Ah! Moron!! Not there...!

Ahn!  
♡

もに

I'll... I'll be your reward, so you better work like you mean it... ♡

If you get into a good company... ♡

..... !!

...I can't?

Gosh... What am I gonna do with you...

Nnh! ♡

Nnh! ♡

は

That's the plan.

...Kay. ♡

...Can we go all the way?

は...

は

SO...

I haven't had much exercise lately...

Have you gained weight?

さへ

You stupid idiot! Don't say it!! Have some tact!!

アハ...

さへ

C-

Could you stop staring so much...

I-Idiot... ♡

Well, I find girls with this much meat on their bones hot, so I'm not complaining.

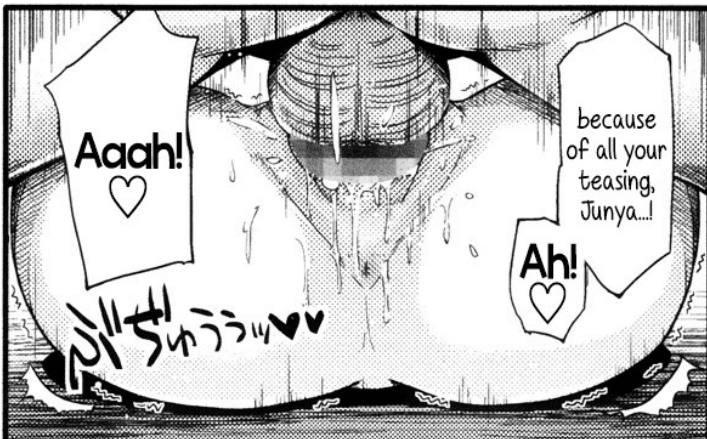

Shiho-nee's insides are soaked from beginning to end!!!

Junya!

Aah!

nh!

Ah!

Aaah!

because of all your teasing, Junya...!

Ah!

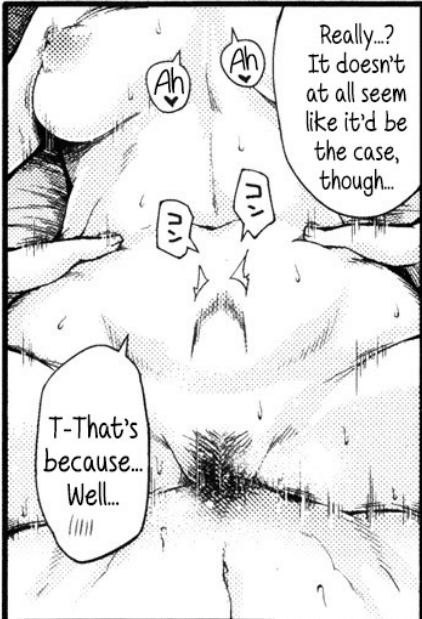

nh!

T-That's ...!

Ah!

...Shiho-nee, as soon as I put my penis inside you, your pussy flooded with love juices.

Really...? It doesn't at all seem like it'd be the case, though...

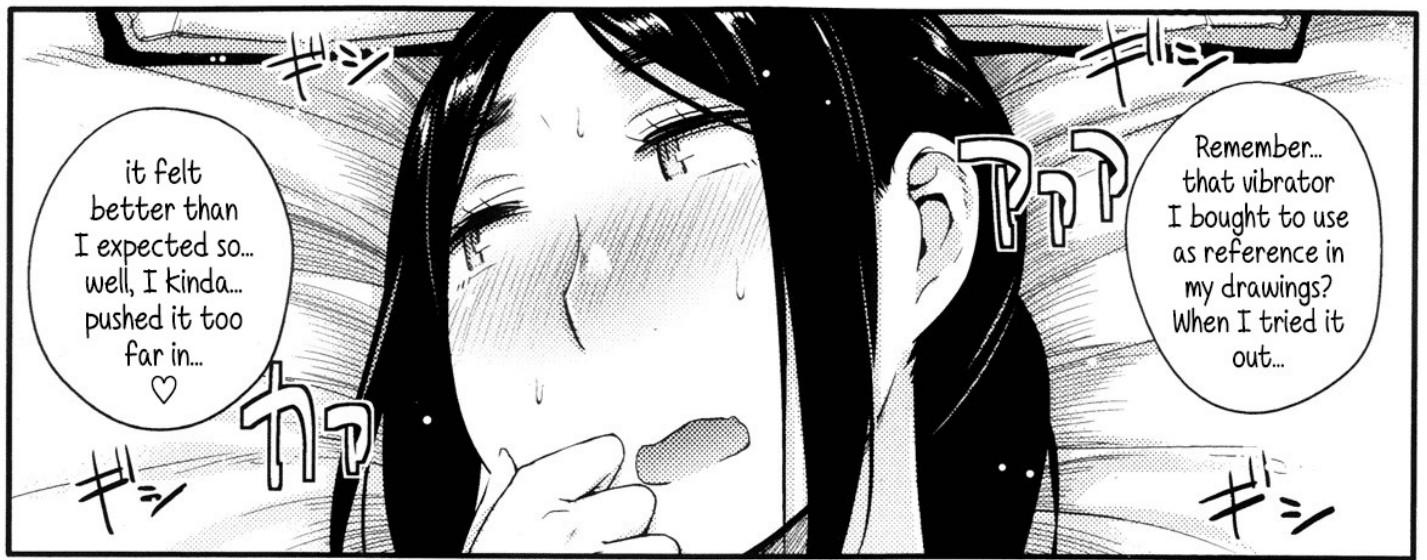

Ah

T-That's because... Well...  
///

I-Idiot!  
...It's my first time... all right?  
You're the only man I've ever been with, so...  
Ah!  
Don't worry...  
Nnnh!

...Shiho-nee, I guess you must have had a lot of experience already, huh...?

it felt better than I expected so... well, I kinda... pushed it too far in... ♡

Remember... that vibrator I bought to use as reference in my drawings? When I tried it out...

Ah ♡

She must've used that thing like it was going out of business...

Nh...

...Not just that...

S-She gave her virginity to a god'damn vibrator...?!

to to to

Hmm... You looked so serious and direct when you were giving me advice, but you can be pretty irresponsible sometimes, or simply just slovenly...

Ah! Hey! Don't pinch me!

Having sex with you beats using a vibrator by a country mile, so you don't have to worry, Junya... ♡

...B-But your penis is a lot better than that vibrator...!

Ah ♡

Ah ♡

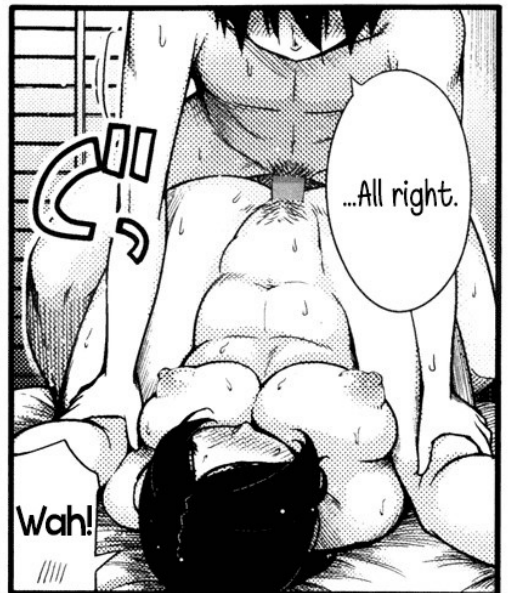

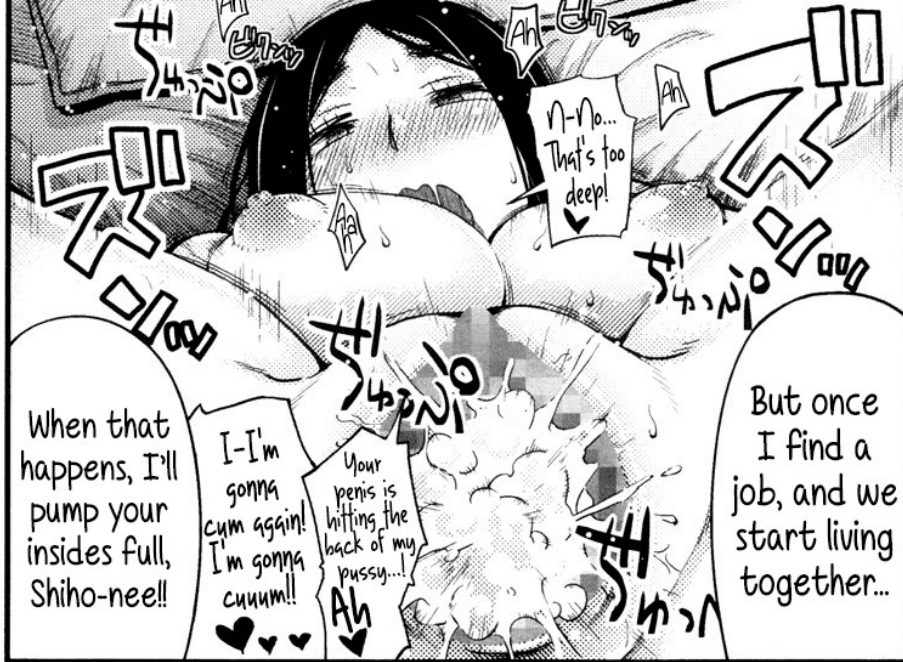

Shiho-nee, looks like it's not just your stomach, your front and rear are plenty slovenly themselves!

Ah  
Haha...

When that happens, I'll pump your insides full, Shiho-nee!!

I-I'm gonna cum again! I'm gonna cum!!

Your penis is hitting the back of my pussy...!

But once I find a job, and we start living together...

Wah!

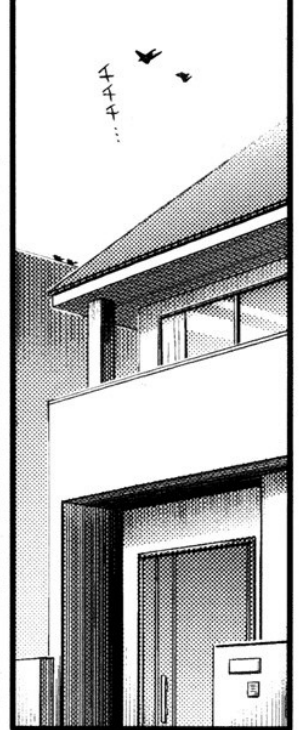

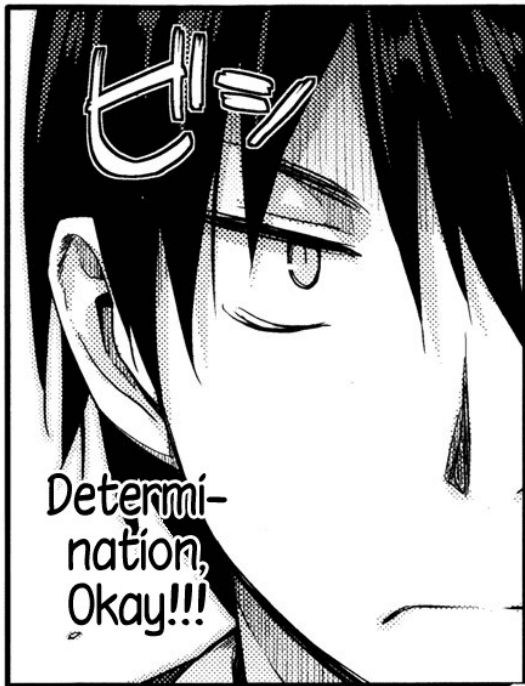

I'm cumming toooo!!

Aah...!  
Cu... Cumming...!

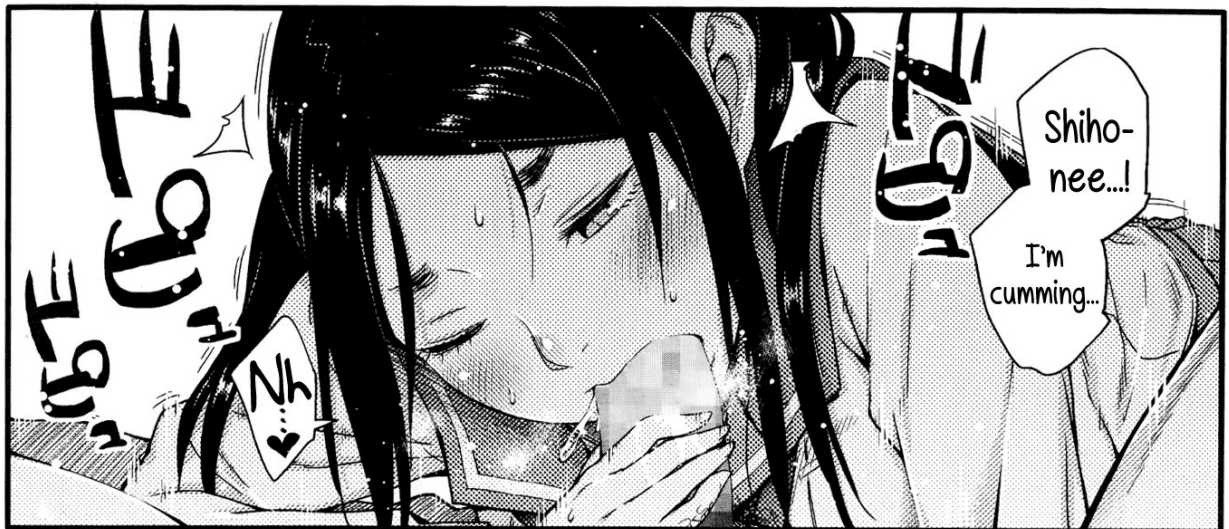

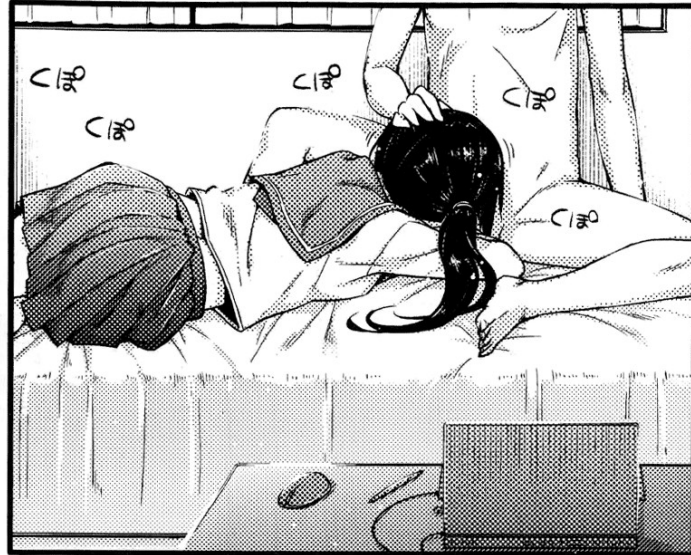

...Shiho-nee! I'm cumming...!!

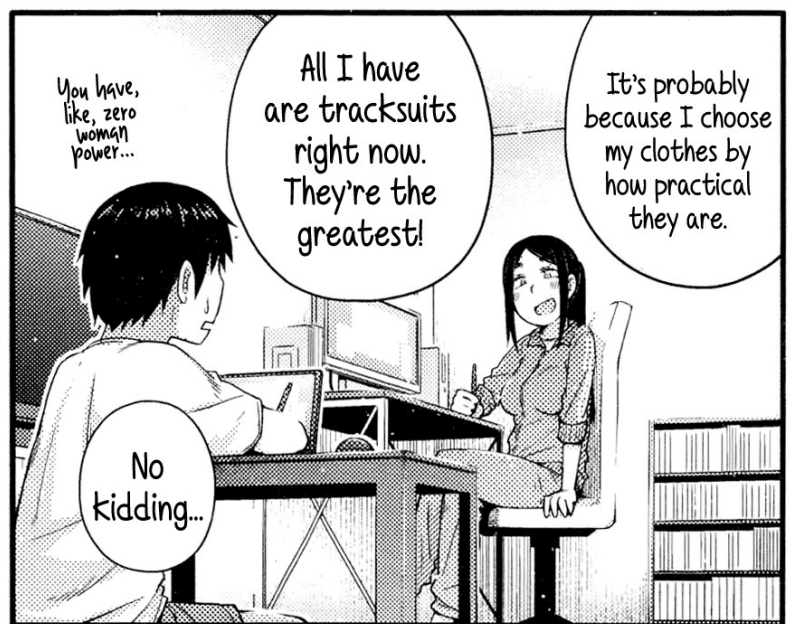

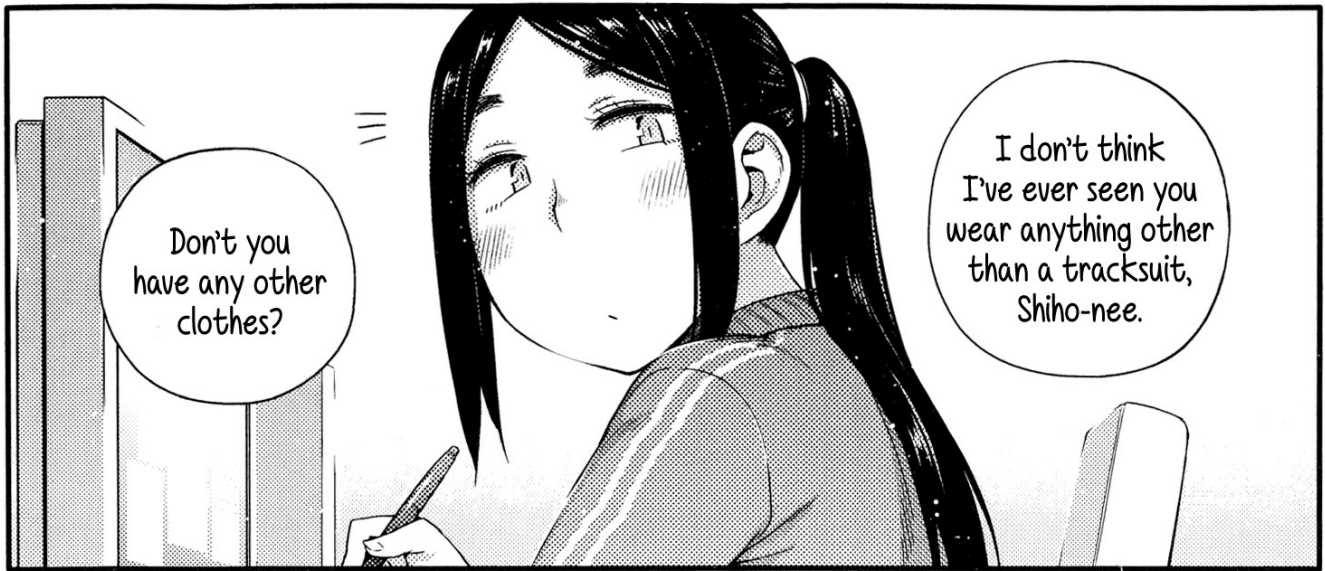

Hih!  
♡

あらすじ >>> エロマンガ家の紫穂と、内定が貰えない就活大学生の淳也。  
二人の関係は順調に続いているものの、淳也には"ある"不満があるようで……。

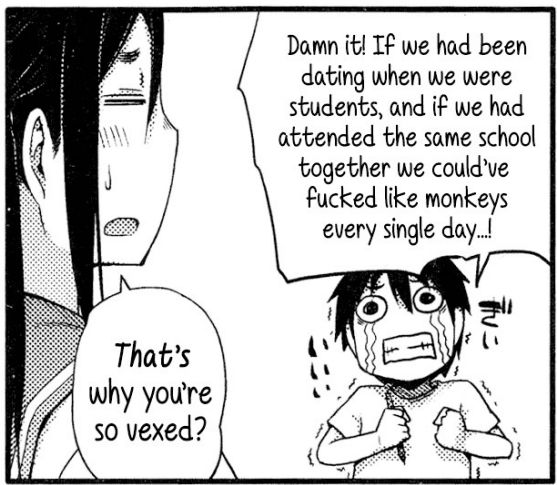

because there's an age gap between us, we never attended the same school together, see? I was just thinking how much of a pity that was...

Well, I mean, we lived in the same neighbourhood, and yet...

!

Damn it! If we had been dating when we were students, and if we had attended the same school together we could've fucked like monkeys every single day...!

That's why you're so vexed?

That's true, but...

...Besides, what would you have me do with that information? It's not like I can turn back time.

Like monkeys, I mean.

We could always just do it, you know?

Today's a safe day anyway.

!!

Here you go.

It's my high school uniform. I held on to it to serve as reference.

は、あ、ん

Woah....!!

You even reproduced the hairstyle...!!

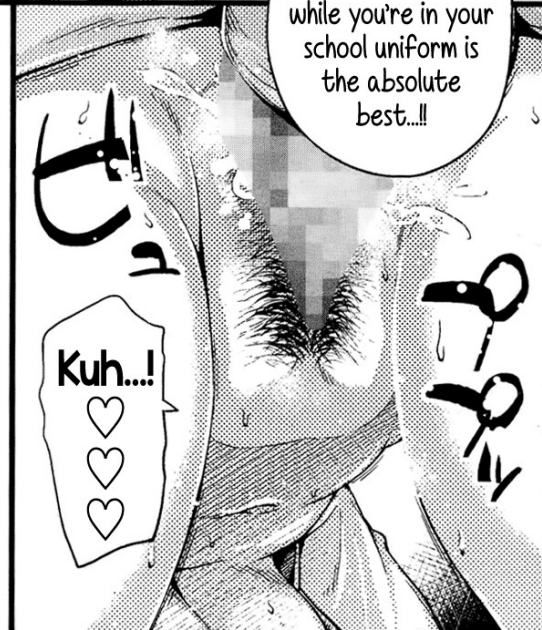

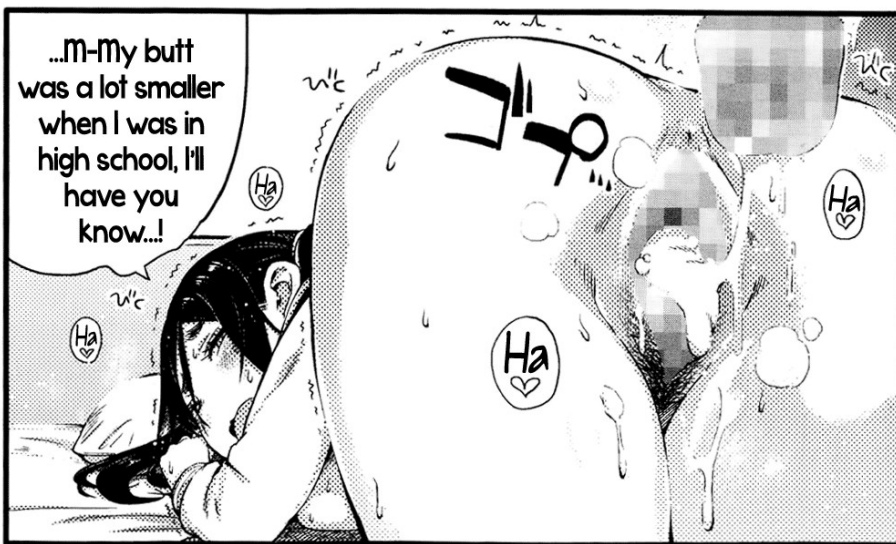

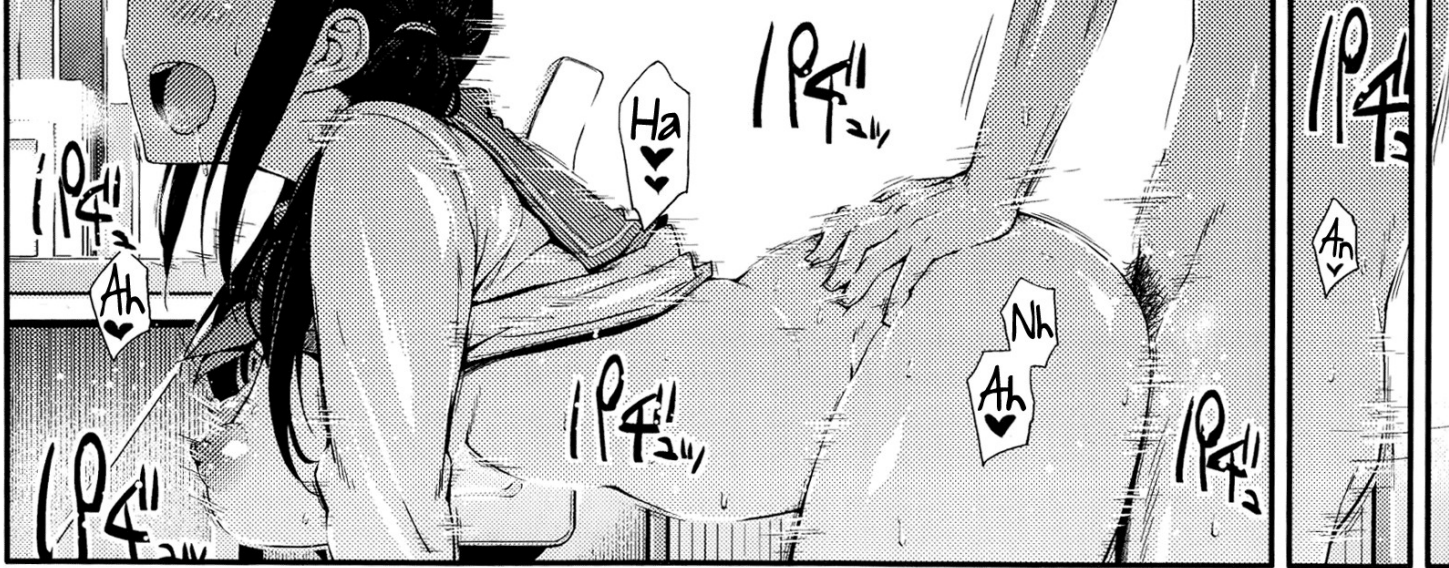

は、あ、ん

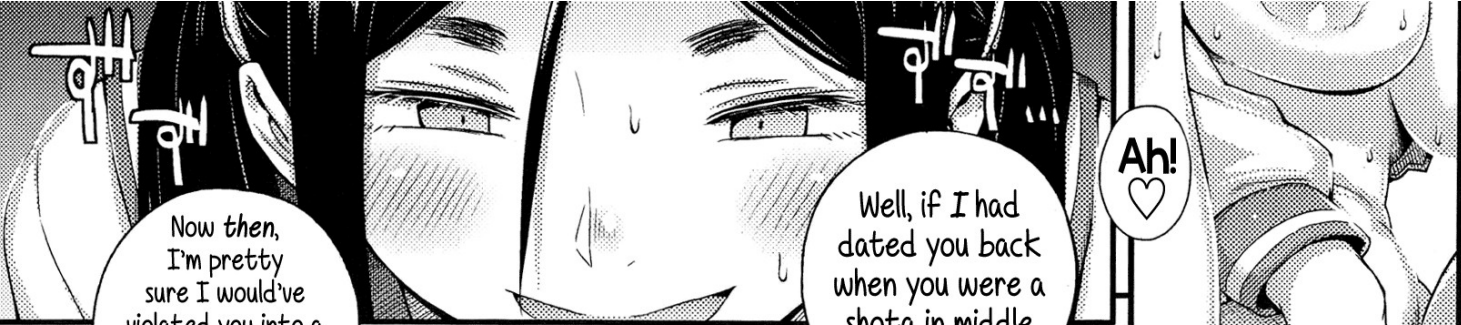

This was enough to bring you to tears?!

Good!!

は、あ、ん

Now then, I'm pretty sure I would've violated you into a shivering mess like a monkey each day of the week...!

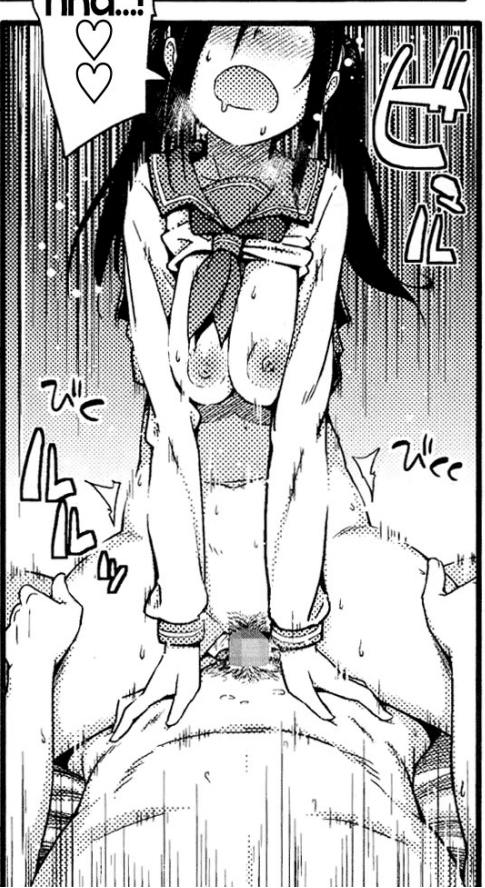

Well, if I had dated you back when you were a shota in middle school...

Ah!

Hahe...

I'm sorry for growing such an adult cock, Shiho-nee!

Nha...!

Ha Listen...

Ha

With highschool romances, both the people involved and their surroundings are constantly changing, so they often don't work out, right...?

Not that!

...Well, I still think it's best the way things are now.

So you prefer how adult cocks feel?

I mean our current situation.

Ahn!

we can simply go back and do it together, like we are now.

And if there's something we want to do that we missed back in our highschool days...

That's why being with the man I love like I am right now is the ultimate happiness.

Wait...! Junya!

That's too rough...!

In that case, I just thought of another thing! Something else we missed that I'd like to go back and do!

Okay?

Nh...!

Shiho-nee...!

Eh?!

Ah!  
Ah!  
♡

アッ  
アッ

To make  
it back for  
all the times  
I didn't cum  
inside you when  
you were in  
highschool,  
Shiho-nee...

I'm going  
to fill your  
pussy to the  
brim with my  
semen!!

nnnha!!  
♡♡♡♡

Ah!  
♡♡♡

It'll seep  
into my  
womb!  
♡

Ah!  
♡

If you  
release  
so much,  
that  
deep...!  
♡

Ha!  
♡

H-  
Hey!  
♡

...You were right, Shiho-nee, now's the best time...

Told you...  
♡

I'd love to see you wear something else. Excluding your uniform, of course.

Say...  
Practicality aside, aren't there any clothes you'd like to wear?

A few days later...

Ah, but I'd be happier if I got to wear it as soon as possible...!!

Well, I'll be happy as long as I get to wear one once before I die.

I'll try my best to find a job...!!

Something like this.

There is something I'd like to wear.

Oh? Like what? Tell me!
