MAYONAKA YONAKA NO ACCEPT
presented by
ONO HIROYUKI 小乃ヒロキ

The last
train of
the night is
gone!!

But I'm
not prepared
for any
of this...

No way!

It's
a bunch
of daily
necessities.

You think
so!?

What a
horrificing
cycle for a
corporate
slave...

I'll take the
first train home
in the morning
to shower, and
then come back
to work.

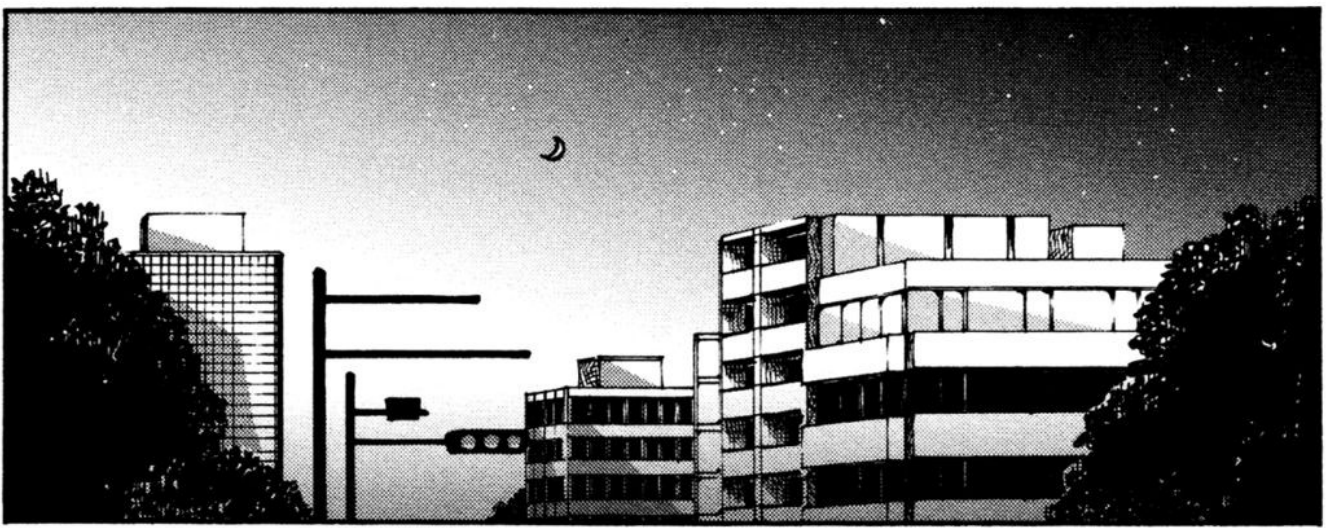

That's
all you're
buying,
Senpai!?

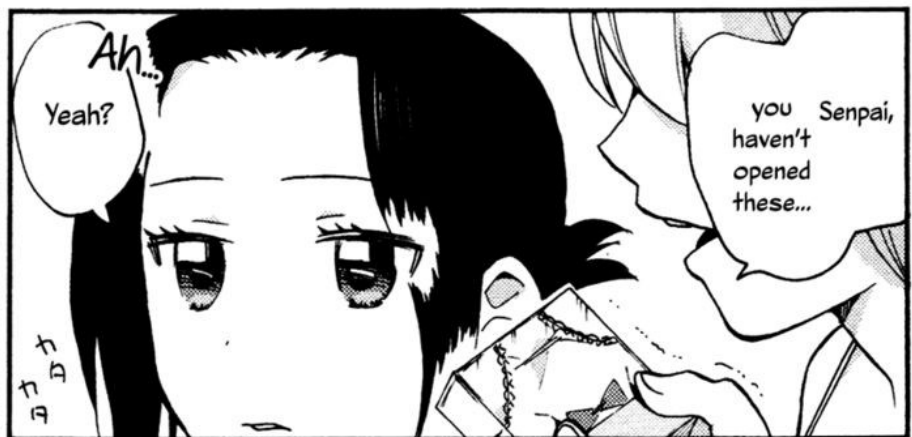

I wonder if
she considers
not caring
about all those
expenses a
part of "being
a girl".

Hmm...

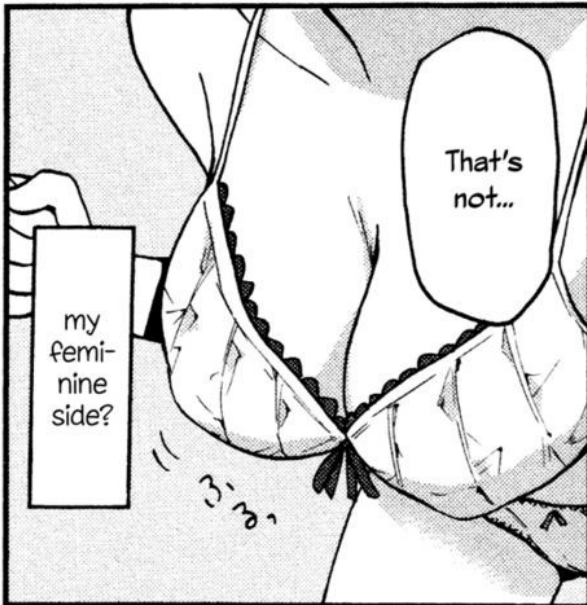

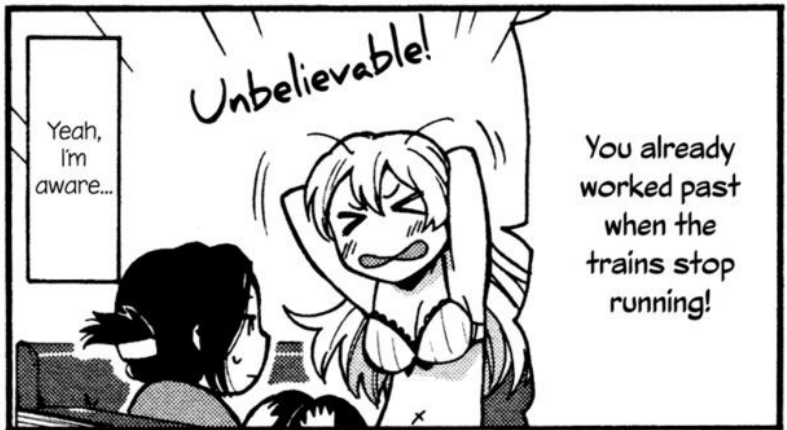

Eh!?
