HAD THE
CHANCE TO
BE TOUCHED
BY THE ONE
I ADMIRE.

I CAN
JUST BE
MYSELF.

THE
FACT THAT
YOU CARE
FOR ME...

...MAKES ME
HAPPIER THAN

IN THE WORLD.

JOIN YOU?

CLATTER

ALL

...
GUESS
I'LL HIT
THE
SHOWERS.

Hello to those of you I've met before and those of you I haven't yet had the chance to meet! This is Kamishima of 7Men Zippo. I buy Weekly Shounen Jump every week, so I've been reading KuroBasu in the magazine since a while back. I only ever thought of it as a pure-hearted sports manga without any yaoi undertones, but the anime changed my mind. Moreover, thanks to my deadlines in the middle of July, I didn't have time to read the manga even after the tankoubon were published. So I thought that I would at least read the fanbook, but it was sold out everywhere just ten days after it was released. ;;;;

I remember wondering when KuroBasu had become so popular. I was rooting for Aomine in the manga, and I was ecstatic when I heard that he would be voiced by Suwabe-san...!

I had originally planned to publish some other books, but when I realized they would take too much time to complete, I rushed through a KuroBasu book...! Well, even this book was barely finished in time. ; As a result, I could only draw Aomine as he's presented in the anime, so please let it slide if anything seemed strange about him. ;; (Even though the story is set during their time at Teikou, Aomine is not pure at all! Personally, it was easier for me to draw him this way.)

Since I was so rushed, the composition and the backgrounds are not as good as they could be, so I tried to make the book as sexy as possible. But AoKise is somewhat more serious than sexy—is that a result of Kise being a model or of the darkness of Aomine's character...?! AoKise reminds me of summer. Like a dangerous summer fling...!! I think I've rambled on long enough, so I'll end this here! Thank you so much for buying this book!
