W-Wait... Really? I can touch them?

HUH ?!

Sure. Why?

?

I mean... Okay, then...

Just kidding! ...Can I touch them?

I don't really mind. it was just a joke! a joke, okay?! What?

I can't believe this girl is only in the fifth grade! Whoa... They're so smushy! See? They're huge, right?

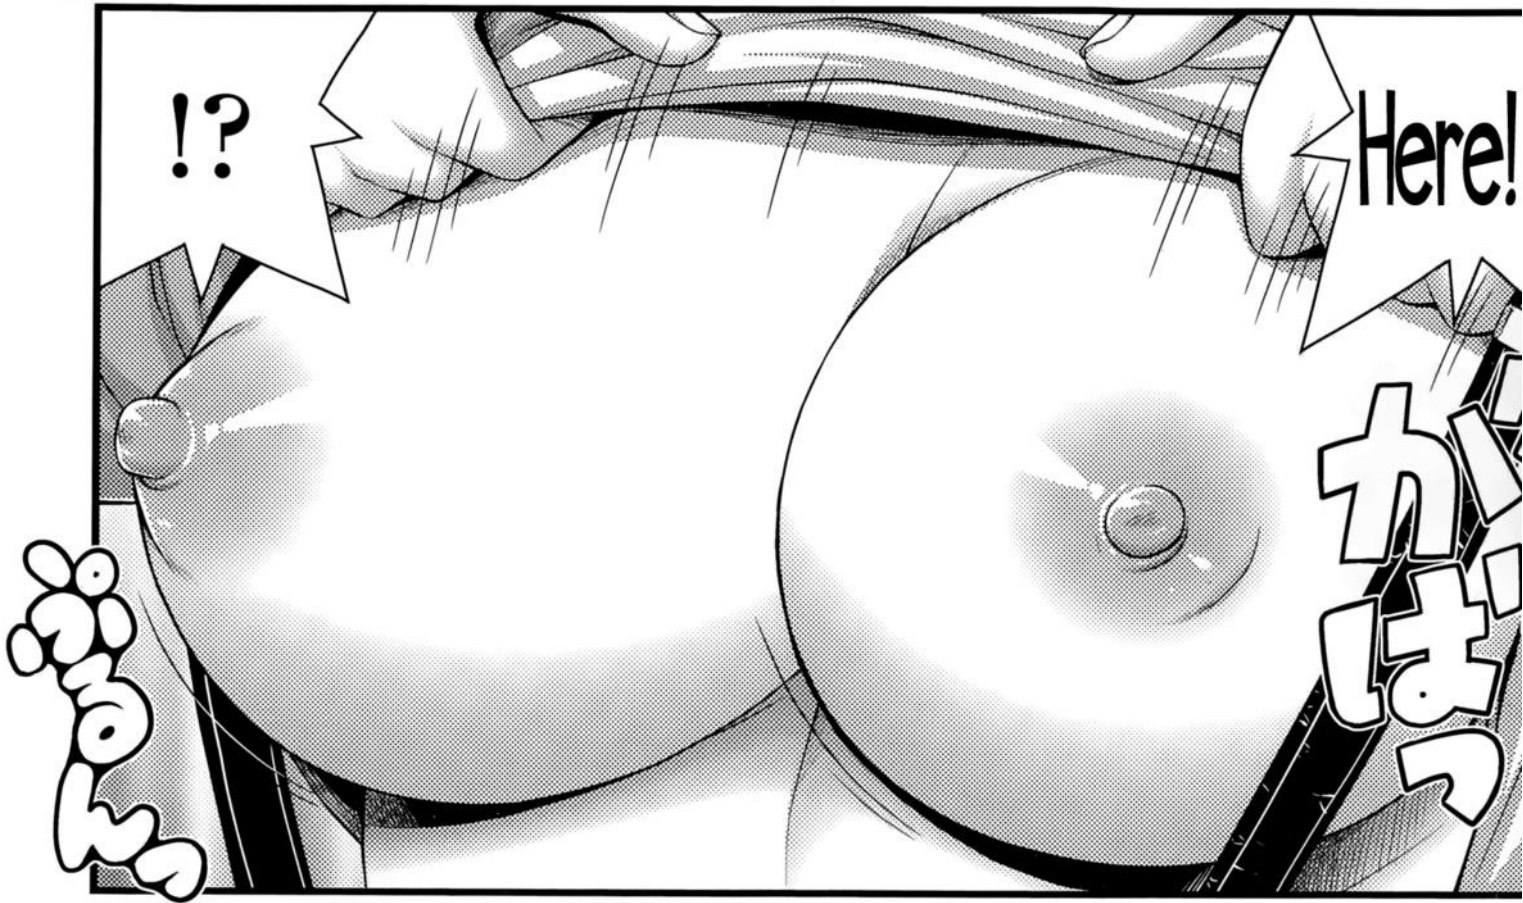

...What if I told you I knew a way to shrink them?

Let me guess, "if only they were smaller"?

Hmm, I'm too embarrassed to. Not that I'd know, but wouldn't it be better to wear a bra when you're this, well, large?

You got it.

...Ehehe. Y-Yeah... They're, like, adult size...

Uh-huh.

...First, let's prepare your breasts by relaxing them.

もにゅ

...Oh, boy. Now what?

Uh, forget about that! Let's see here...

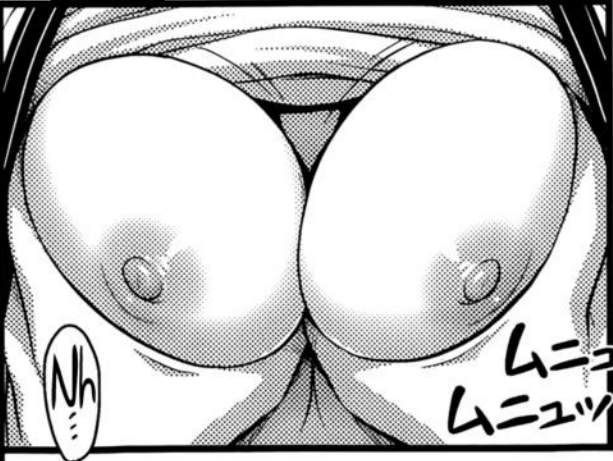

...Okay, I've come this far, now let's see how much further I can take it!

That just means they're relaxing... Endure it!

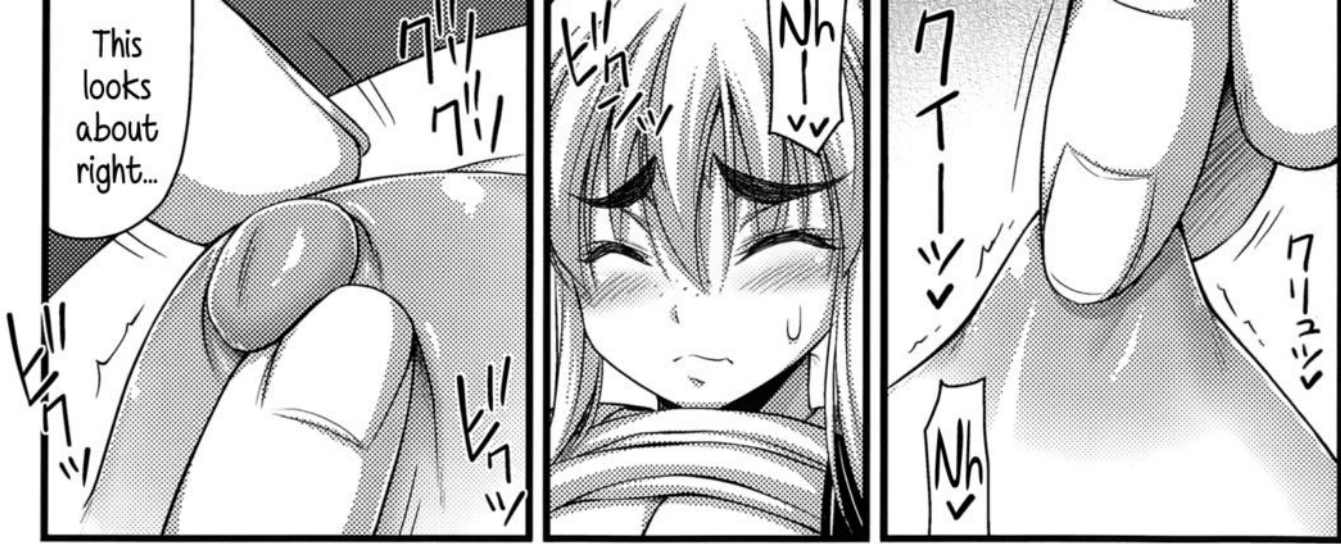

Okay... Nnnh!

Onii-chan... This feels pretty weird.

We must be particularly thorough with the tips of the nipples.

Okay... Nh!

This looks about right...

Nh

Yeah, that's right.

Okay, I'm going to suck on them now.

...Actually, because of how I massaged them, they're relaxed enough that I can use a special sucking technique to vacuum them out.

Nothing's gonna come out, y'know?!

...What?! On my boobs?!

Woah!!

Ye... Yeah.

Onii-chan, have you done this before?

Okay, I'm gonna start sucking!

Nh! ♡
Nnnh!
♡

Yes! Please!!

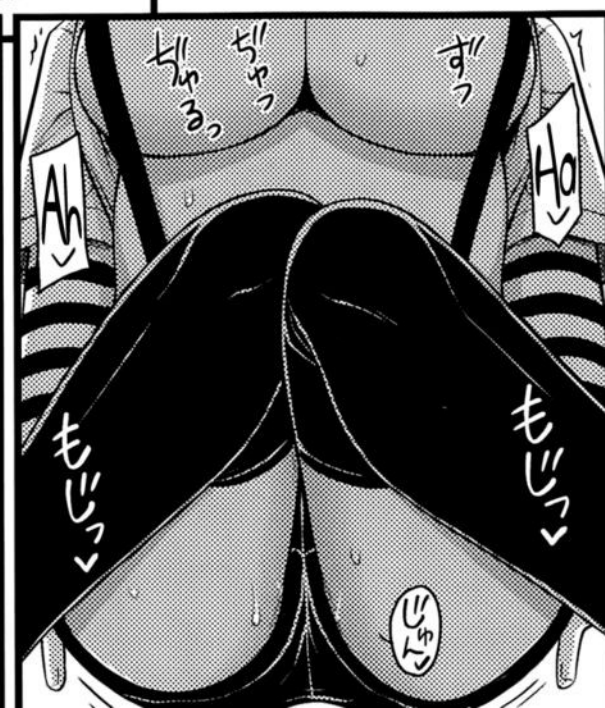

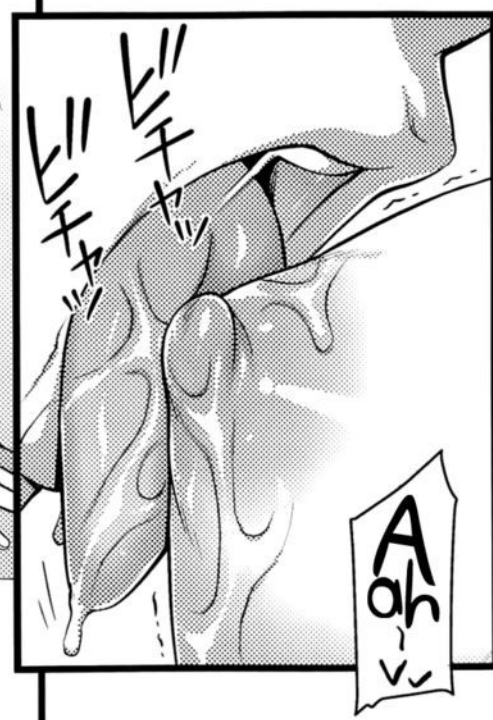

Endure it!
That just
means a
bunch
is being
vacuumed
out!

Onii-
chan...
That
tickles!

They're
ridiculously
springy...
These really
are a grade
schooler's
tits.

♡♡
Ah!♡
Aah!
♡♡

Yep! A teensy tiny bit!

Yeah! They're a teensy bit smaller!

...Maybe you're right.

...Are you sure?

Yeah, that'll happen.

Hah! Hah!

Are they any smaller...?

I... I felt some sort of jolt...

Yeah, all the nutrients I vacuumed out of your breasts accumulated here.

Are you gonna be alright?

I am, but we need to get these nutrients back inside your body as soon as possible!

Take a look at this!

Your penis got super swollen, Onii-chan!!

Huh?! What happened?!

Mmh?

...By the way...

What? What problem?

We've run into a bit of a problem.

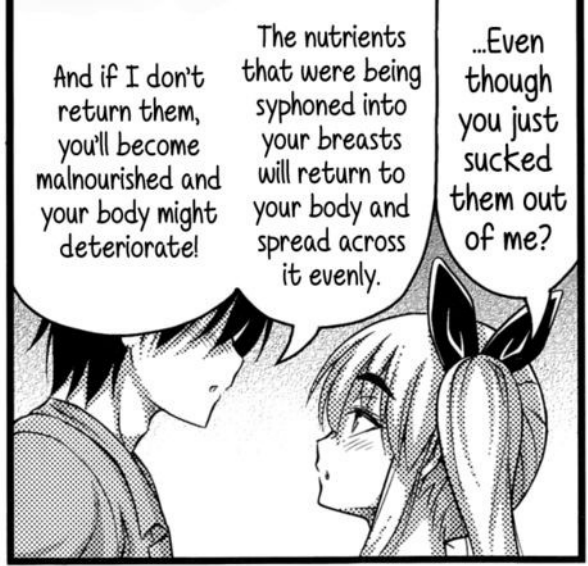

...I see.

That convinced her?!

Even I don't understand what I just said

And if I don't return them, you'll become malnourished and your body might deteriorate!

The nutrients that were being syphoned into your breasts will return to your body and spread across it evenly.

...Even though you just sucked them out of me?

Nnh!♥ Onii-chan... That place is dirty, y'know...?

Spread your legs for me.

But how do we go about returning them?

Huh?! ...Okay.

Well, let's see...

...Onii-chan?

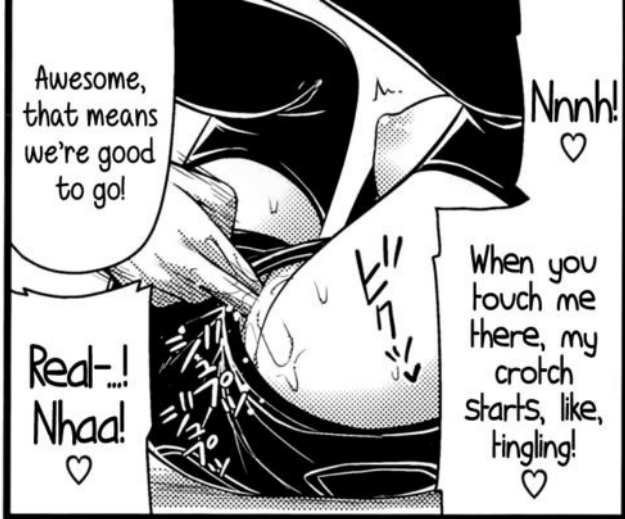

Does that mean she was eating it up despite being completely oblivious?!

Woohh!! She's just a fifth grader, but she's as wet as the morning dew!

Hmm? Oh, yeah!

I'm just making sure everything's ready.

Ready for what?

Done? We haven't even started yet... Alright, here I go.

Yeah... Are we done yet?

You okay?

...? Okay.

It hurts a little, but I can take it.

Hmm... Looks like you're very mature down here as well.

You think...? Ehehe!

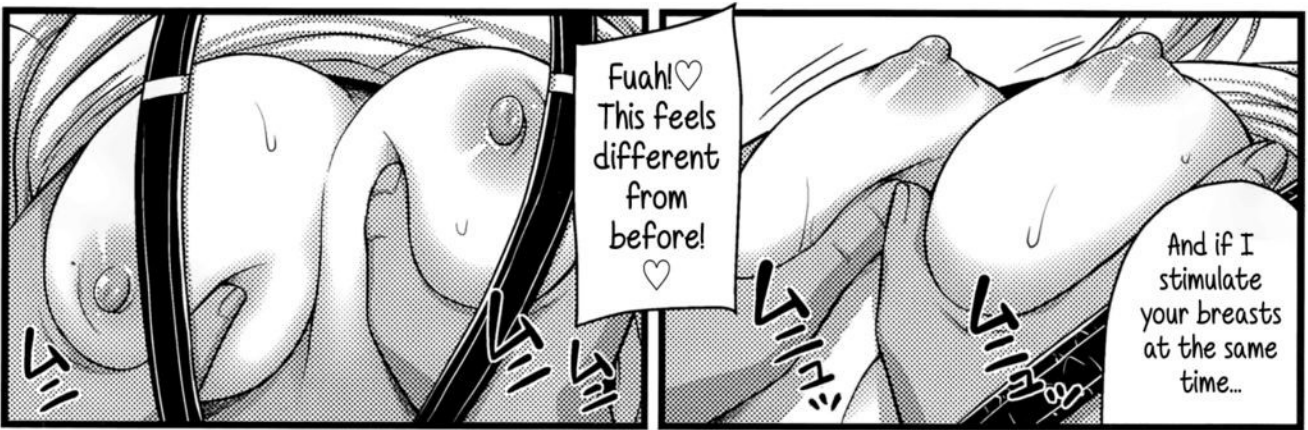

Nh!♡
Nnnh!
♡

Really? It doesn't hurt?

This feels pretty great!♡

Whash gonna happen to my lady bitsh?!

Yeah!
We gotta
do it again
some other

I'm glad
you liked
it.

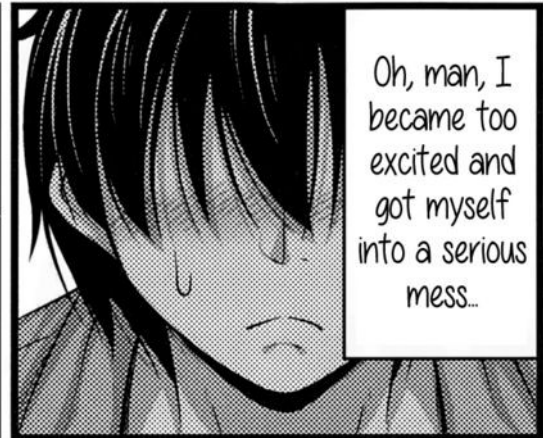

Still, this is
unbelievable!

I never
thought having
my boobs
vacuumed would
feel this good!

Huh?
I thought
you wanted
them to be
smaller.

Say, do
you also know
how to make
them larger?

Oh, man, I
became too
excited and
got myself
into a serious
mess...

Yeah, but if
they got smaller,
then I wouldn't be
able to ask you
to vacuum them
again, right?
