Well it can't be helped!  
The ones that don't believe in magic

It will be all down to my acting ability.

The cloth over Tomata-san is the only thing hiding the support desk.

I wonder if this will be a surprise for everyone?

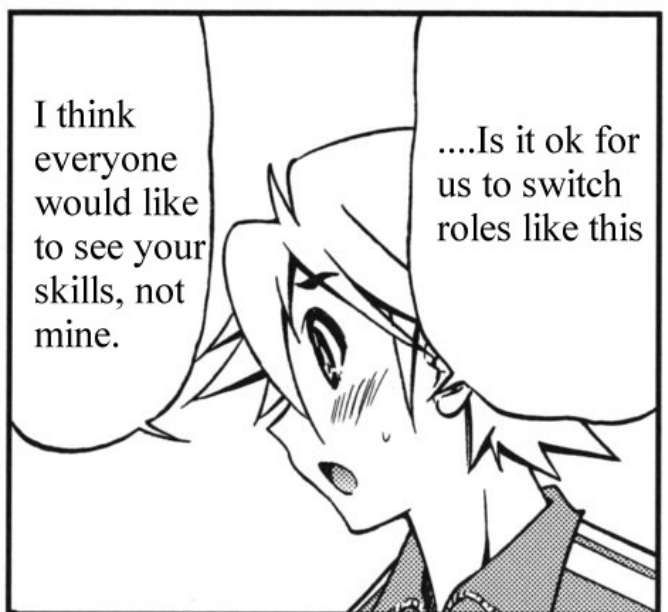

And that is why I'm practicing.

I have to use this show to find new members for the Magic Club.

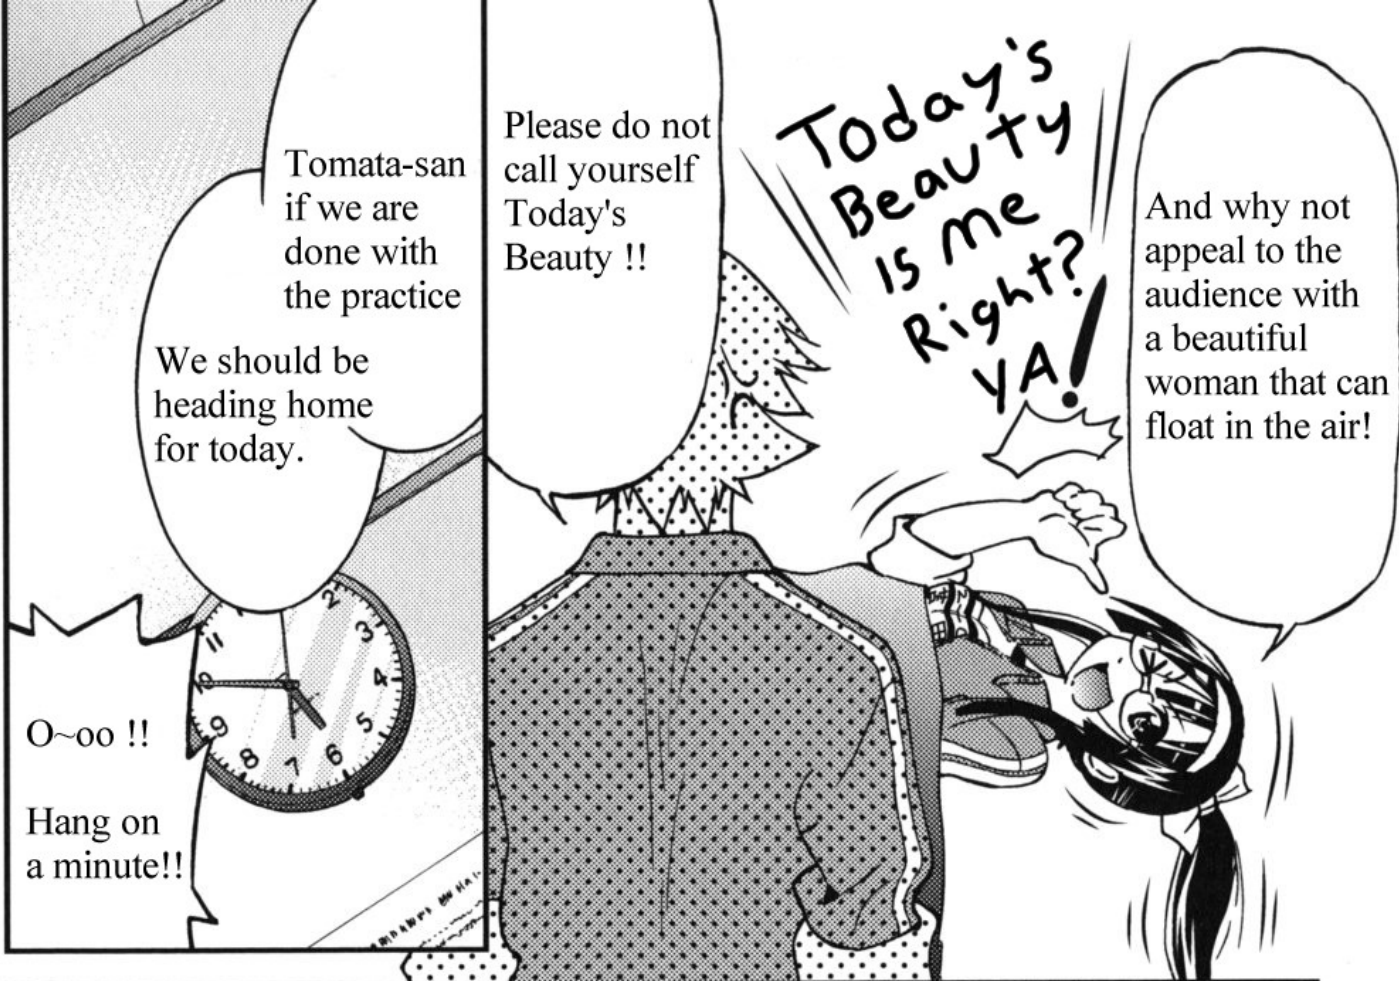

The Magician has to be a man!  
The assistant has to be a beautiful woman!

What are you saying?

I think everyone would like to see your skills, not mine.

....Is it ok for us to switch roles like this

Tomata-san if we are done with the practice

Please do not call yourself Today's Beauty !!

Today's Beauty is me Right? YA!

And why not appeal to the audience with a beautiful woman that can float in the air!

We should be heading home for today.

O~oo !!

Hang on a minute!!

Ha!?

Yea.

Miharu-kun today your sumiting the application into the student council ....Tsu

See? For the show I will have to try harder...Tsu

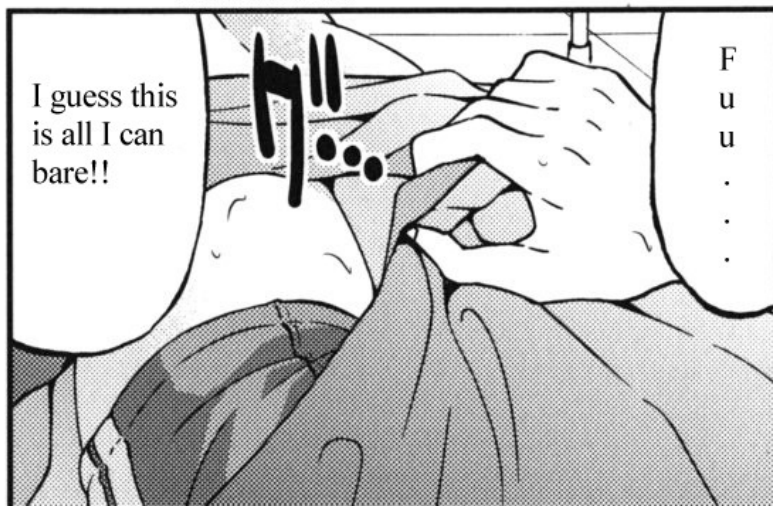

I...can barely stay in this position. I will try to endure it ...Tsu!

Note: Figgit

In this..Tsu pose...

I can feel my inner thigh muscles pushing against my pussy..Tsu!!

Note Sound Effect: Squish

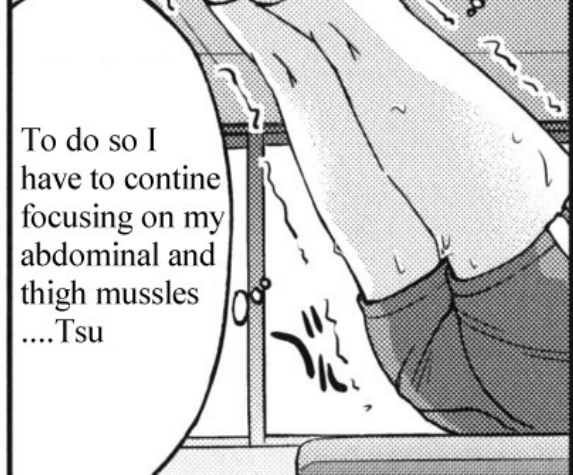

— To appear to be floating to the audience I have to stretch and hold my body.... ..Tsu

I always Masturbate in this position.

My one weakness!!

To do so I have to continue focusing on my abdominal and thigh muscles ....Tsu

In this pose  
my shorts are  
bitting into me!!

The shorts  
are bitting into  
my wet pussy!!!

It feels good!!  
It feels so good!!  
Aaaha !!!!

by the devil  
and made to

by an evil  
magician.....

Moreover, the thighs that remain stretched and pinned, for the magic floating show.
