作・画 大塚麗夏

A month has passed since Arisa-chan and I started dating.

Recently, it's been on my mind that...

Nh!

just like other children, must want to do other things. I can't help but think she's holding back from playing because of me.

In reality, Arisa-chan...

Is this really all she wants?

every time we meet, we end up like this... Why is that?

...Cum-ming...!

Uuuh!

Ahn!

...Do it!

Ah, sorry!  
I'll listen, but... First I gotta cum...!

W-

Getting back to what I want to do.

Is that okay?

I want to watch you "squirt", Koichi!

Hold on,  
there!

Arisa-chan, the  
only sex related  
squirting I know  
has another  
mean-

Woah!  
Wait!

parently...

After they  
cum, if you make  
the tip of their  
penis feel really  
good...

squirt!♥  
Let's try it!  
Come on!  
♥

You want  
me to s-

Sto...!

...Ugh!

That's...!

Arisa-chan!  
Sto...! Stop!  
This is... too  
much!

Wait...!  
I'm really  
sensitive...  
right...  
now!

Hey!

Let it  
out~!

Wait,  
Arisa-  
chan!

Okay,

Really

The  
stimulation  
is so strong  
it hurts...!

W-Wait

Huh?!

I think  
something's  
happening...!

...It's  
coming!

Wah...  
Aaah!

Well?  
Are you
