Ahaha,
came again, huh?

What was that,
your eighth time?

These dry orgasms
wearing you thin?

Your poor cock...
I've made a total mess of it.

The violent spasms,
it's like it's grown
a mind of its own...

Hmm, shall we move on
to the last bit then?

I'm going to mark you as being Mine.

Because you're My slave even if it's just for tonight.

Geeze, I can feel the heat even with insulated gloves...

And I'm using this to burn My name onto your cock.

sst...

Get ready, because here it comes!

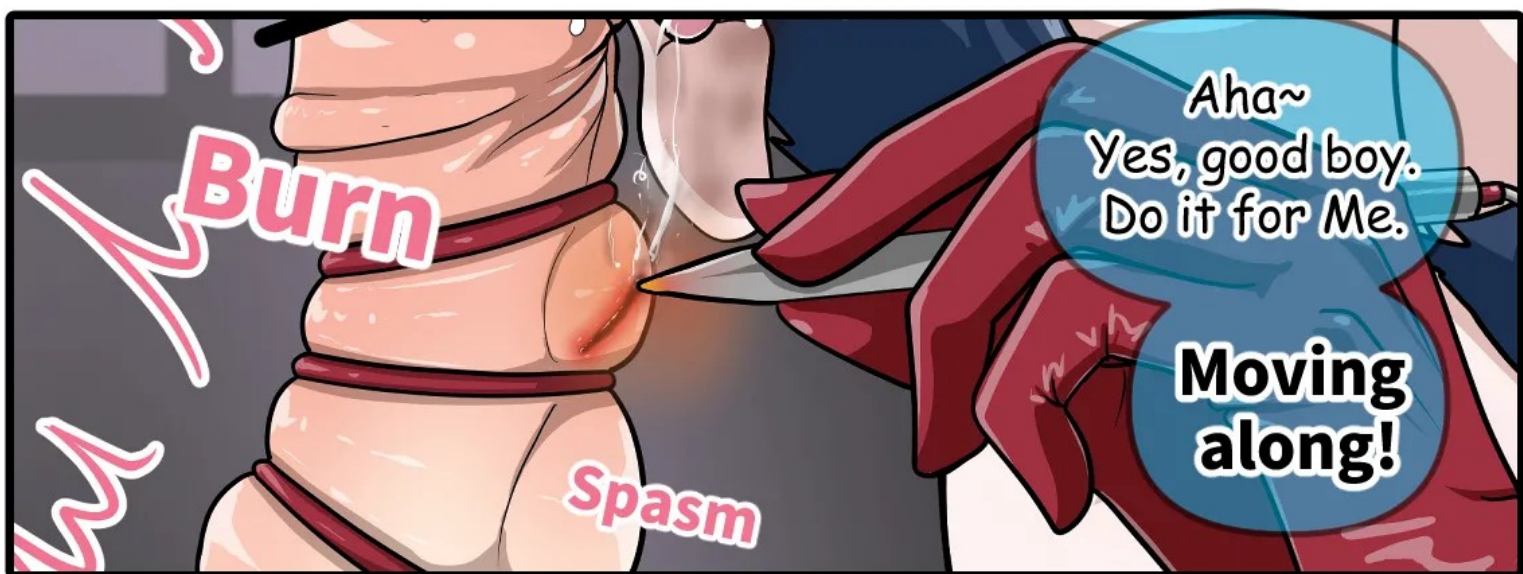

Ahh... Splendid...
I'm searing your cock...

Sizzle

Eugh... and that
smell of burning flesh...

Jolt

Spasm

Mercy? Again?

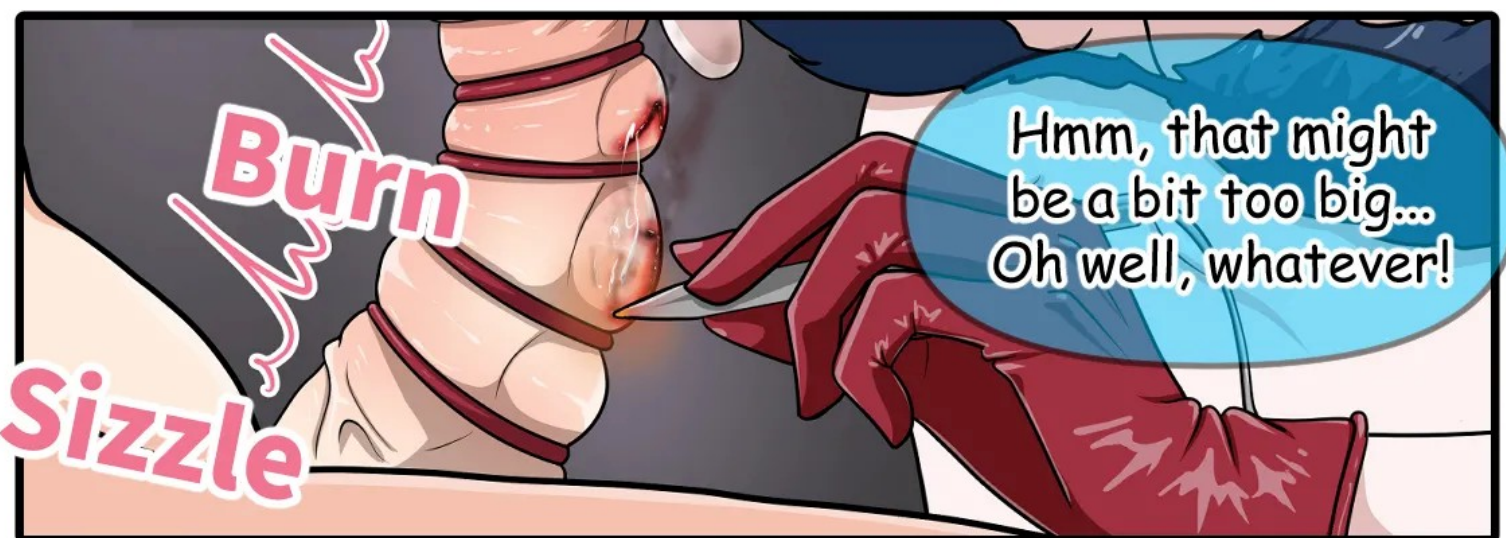

No no no!

Sizzle

You suffer way less
if we do it all in one
go, you know!

Twitch

Jolt

Geeze... You wail
like a brute...

At least try
to sound cuter!

Sizzle

I'm almost done marking
you as My property.

Yes yes, I know it hurts...

But since this is the
last letter, I'm going
to go slowly. Revel in
becoming Mine.

Wha?

Twitch

Wha...
why are you cumming?

✂

Your cock malfunctioning
from all the pain?

... Not to mention, how
the heck did you manage to
cum while tied up so tightly?

Heh,
but you really don't get to
experience getting burned
while cumming. Lucky you~

Sizzle

All done!

You're now
Mistress Mia's
property!

Aren't you glad you
got marked
as My slave?

... Hey you,
quit whining and
answer Me already...

You've done nothing
but cry in pain...

... Well I'm happy...
Really happy...
actually...

So much that the thought of
Miss Aria healing it away
makes me kind of sad...

What...?
You're going to
keep it this way
... forever...?

Really?!

Yay!!

**You're all Mine
forever, then**
