This girl is Anna Harding, a student in my class.
She's in the... sixth grade now.
She moved here from America because of her parents' jobs.
However, her chest is gigantic compared to all the girls around her.
I wonder if that's just the regular size in America.

I mean, those could endanger a healthy mental and physical development for all the boys in class! They might even provoke some malicious adult to attack her! And above all, they're dangerous to my rationality!
And to make matters worse, Annie comes to school dressed as if to emphasize her sexy bod.

A CLASH BETWEEN CIVILIZATIONS ...Or something like that?

That outfit is much too exciting for the boys!
This time you got off with a light prank from Muroi, but there's no telling what might happen next time!
However! As I've said before, you're not completely without fault when you come to school dressed like that!
'Why'?!
I didn't do anything wrong!!

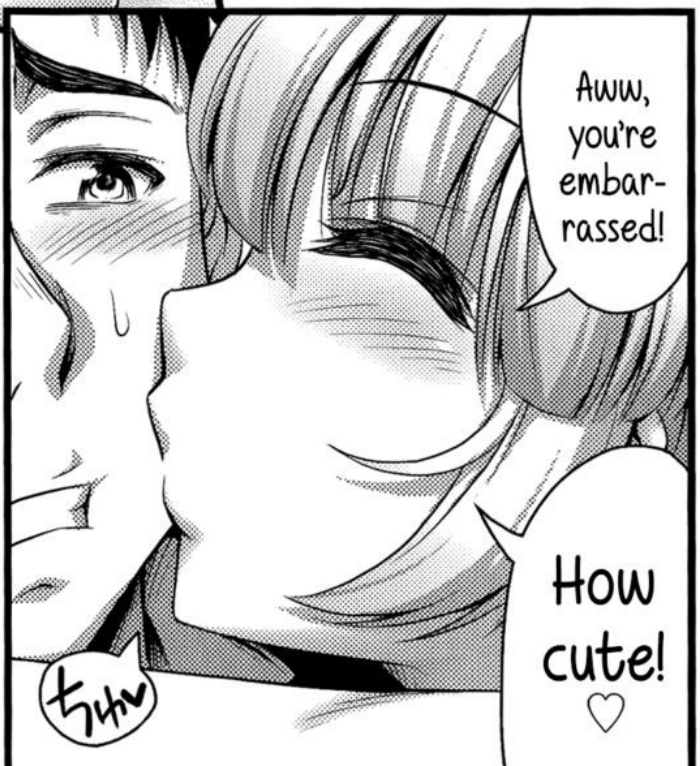

Gulp
...Yeah.
Really?
I don't feel like that about my students...
D-Don't be stupid...
Does it excite you too, Kohei?

Do you hate me, Kohei...?
Y-You... It's not a matter of love or hate....
...What was that?
Mmr...
But I only wear these outfits because I thought they made you happy!

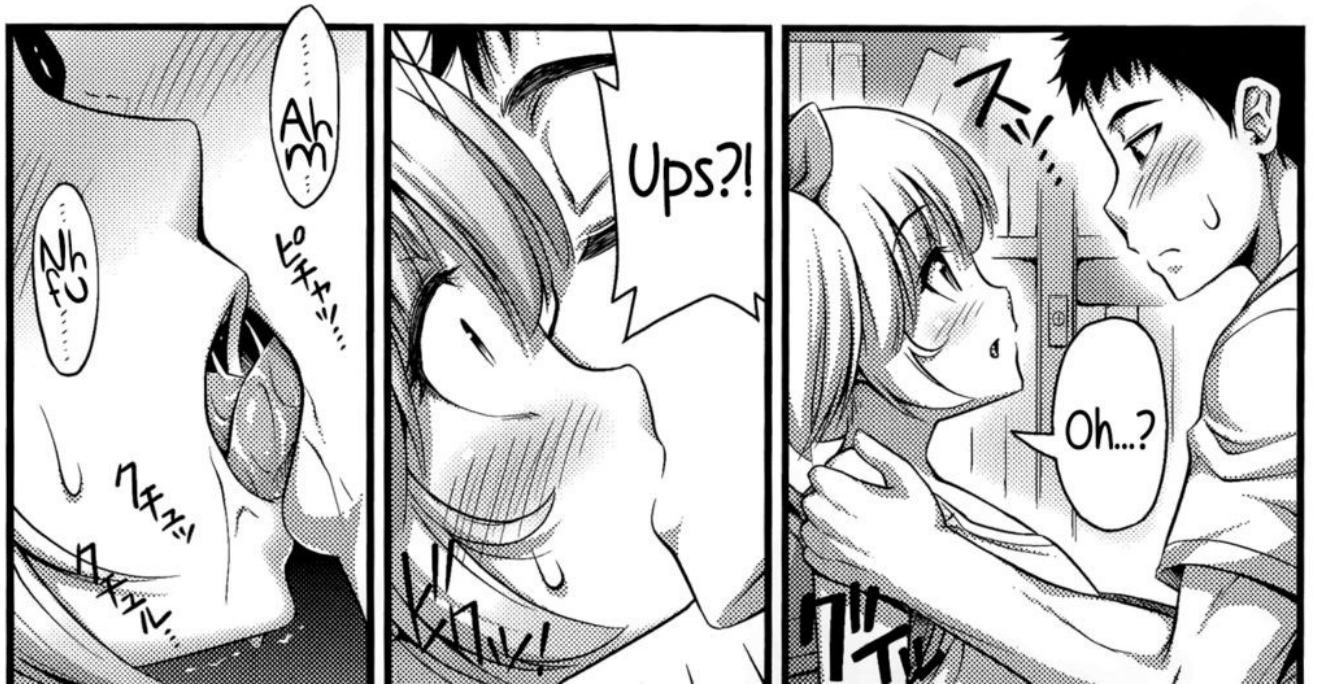

So you say. But didn't you call me here just so we could be alone together?
I don't care about something that petty!
I'm a teacher, and you're my pupil, alright?!
Of course I didn't!
Well, I care!

Is she really a sixth grader?!
Kuh... Oh, boy... How can something be this soft?!

...She's irresistible!!
Her lips are really soft too... And her skin is so tender...

Aww, you're embarrassed!
How cute! ♡

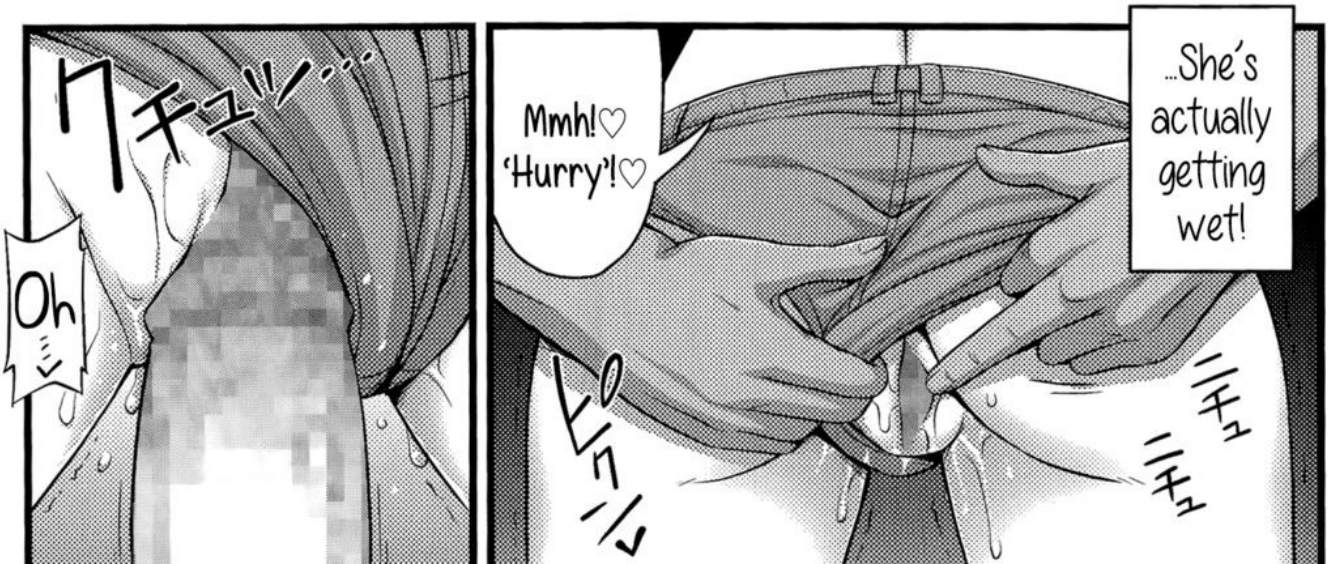

HAHAHA
You don't have to hide it!
It makes me happy!
さわ さわ
Aha! I knew you were getting horny, Kohei! ♡

In my country, America, wearing this is normal!
If a country like that exists then I'm moving there!!
In that case, do you want to go to the student coun-selling room alone with me again?

AMERICAN STYLE
season.2
I've come to Annie's hometown in the west coast of the United States.
Annie is one of the students in the fifth grade class I teach, but for family related reasons she's currently back in her home country.
She took advantage of this opportunity to invite me to visit her in her home turf.
And so, I was fortunate enough to catch a string of holidays while she was there so Annie and I decided on a meeting place. The bench I'm sitting on in this ridiculously sprawling public park.
...Even the parks are super-sized in America.
で――――ん

I haven't seen you in so long!
Yeah, me too.
I've missed you so much, Kohei!
They've gotten bigger, haven't they?
Still, even after coming back to your country, you're still wearing the same outrageous outfits as ever.
Huh?
In America, this is pretty much the norm.
Hahaha! This is America, you know?
No one dresses like that here...
Lots of people do, though.
...Seriously?
Yes
Well, leaving your bikini aside, what's with the schoolbag?
Not to mention it's a Japanese model.

...Seri-ously?
It's the truth!
Yes
HaHaHa
You're so behind, Kohei!
The Japanese schoolbag is in vogue now!
Not just in America, but in Europe too! Even adults use them as regular handbags.
Now you're just messing with me...
...I'm sorry.
I never realized America was such a surreal country.
Do you believe me now?
Yeah. I can't deny what I've seen with my own two eyes.
Let's get started, then.

Then, please treat me to a hot-dog as an apology for doubting me?

Sure, I'd be glad to, if that's what you want.
Hot-dogs, huh? Feels so authentic.

Honey!
I am going to pour it on the hot-dog!
...Since when have you been carrying that around?
HONEY
...The honey?
Yes!
Dwah?! What are you doing?!
I am preparing a hot-dog!
Preparing...? You don't mean...
HONEY

Hey!
'That's right!'
Nnh!♡ I haven't touched your penis in such a long time!♡

Even for the land of the free, this is too much freedom, America!!
Fucking seriously?!
Yes...
Oh Yes..

Okay, this can not be normal!
Non, non! This is an everyday event in America!
We're right in the middle of a public park!
That can't be...
'So, don't worry!' ♡
Uuh!
The hot-dog is ready and with plenty of honey! ♡
Wooh! This is amazing...!
Is this the power of the nation of giant tits?!!
Yes! In America, we have hot-dog every day!

What's wrong with being childlike?
But what you're doing is so not!
