FOR ADULT ONLY

Losing both her parents as a child,

she has been living alone ever since.

Because she could use magic.

Even so, she lived without trouble.

That was the girl I wanted to protect.

But to do so she abandoned all human contact.

I loved her.

...ther.

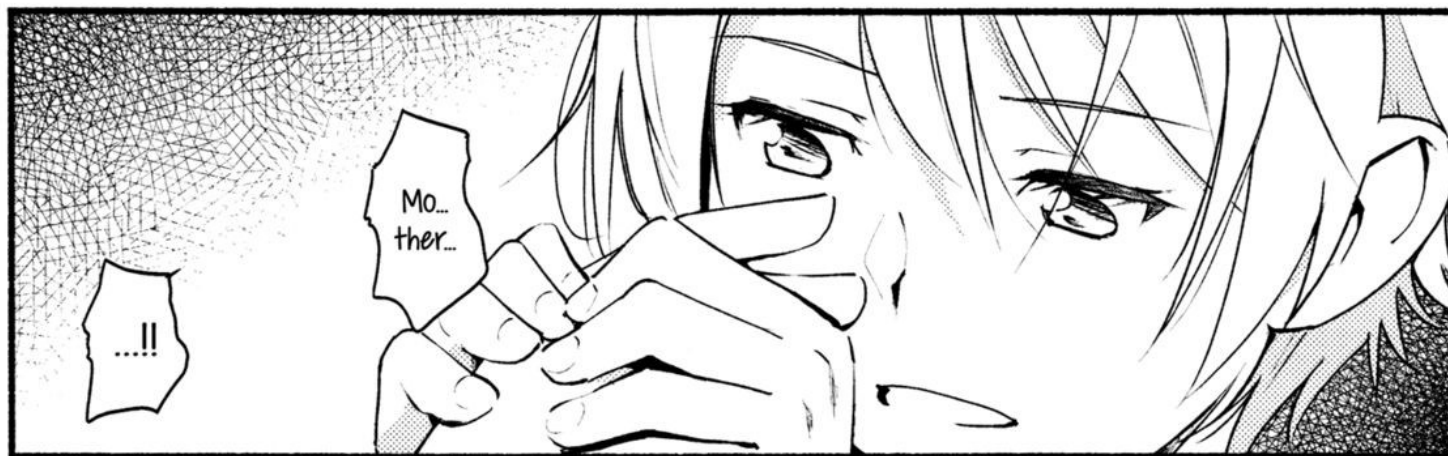

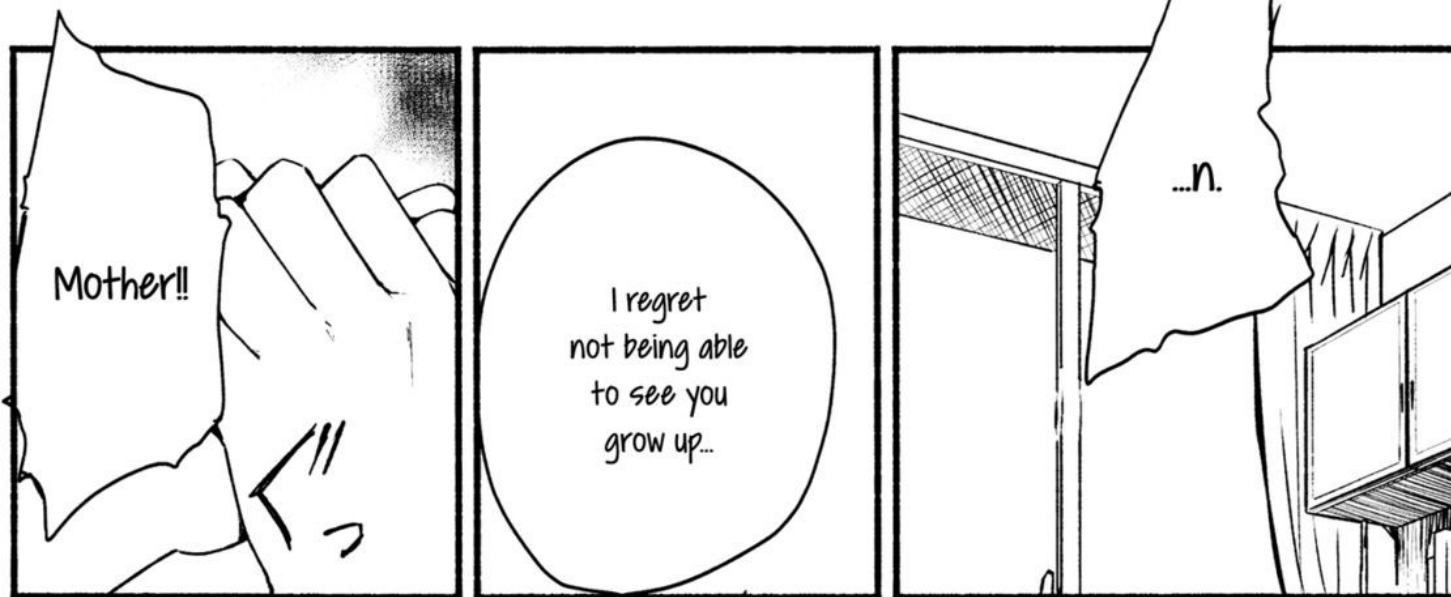

I would do anything if only I could meet her once more.

Haa

Haa

she was  
looking  
somewhere  
far, far  
away.

Sometimes,  
even when  
she looked  
at me, it  
felt like

Meeting  
you was the  
happiness  
of my life.

I don't get it,  
but I probably  
time traveled, back  
there... But time  
traveling's just...

Today's  
October 7th, 2010...  
It really is 24  
years ago.

Shizuku

Anyway,  
I'll have a  
clue if I meet  
her. But does  
she exist in  
this time?

Hey!

...Don't know  
how she did it,  
but it was probably  
the girl with  
the coat.

I was  
trying  
to think  
here!

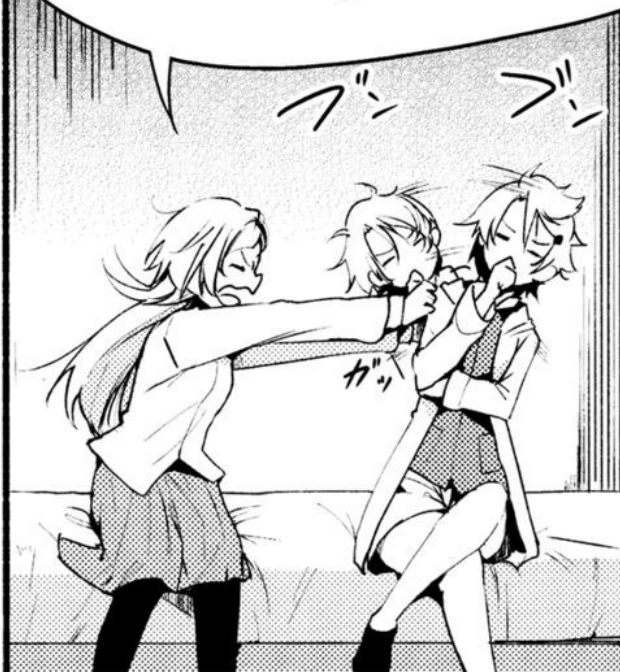

You've  
been  
here all  
along?!

Ahh!!  
What are  
you-!?

It's  
not good  
to get so  
worked up.

Heeyyyy!

30  
15

Am I right,  
person from  
the future?

And you're  
probably thinking  
of ways to go  
back to your  
own time.

Can't you  
settle for  
living here?

I'll always,  
always keep  
you with me,  
and we'll be  
happy ever  
after.

Shizuku?  
You're my  
fated one.  
I won't let you  
leave me.

Hey!

Where'd you get that?!

CLICK

How is it?

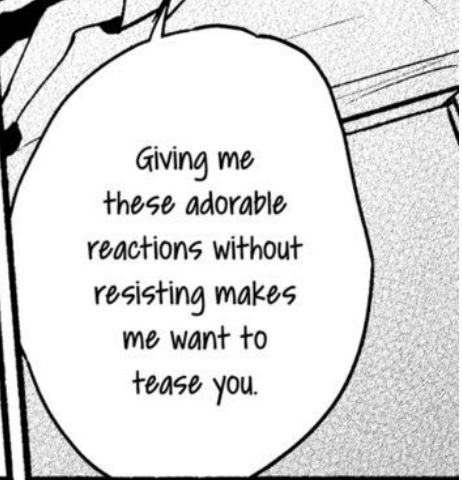

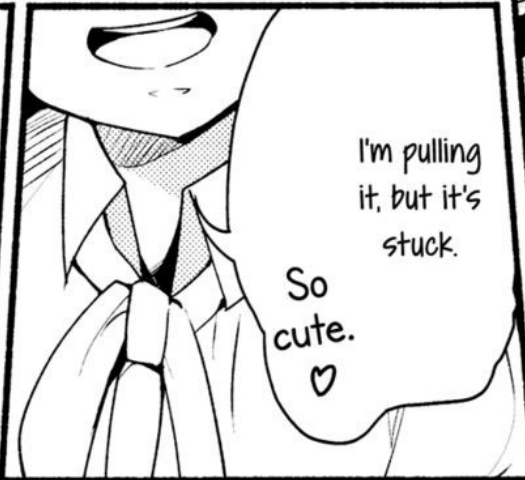

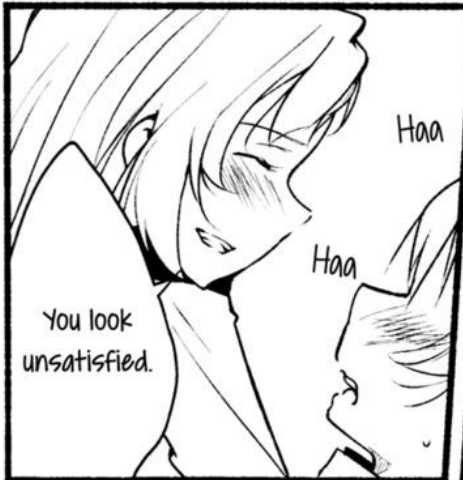

I hate this.

How can my body just surrender to this thing...

Ah

Mn

C'mon, beg me

Haa

Haa

Ha

Ah

Ah Ahh!!

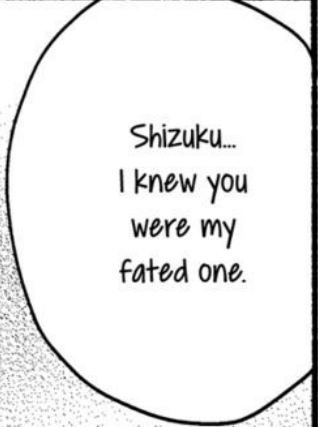

Okay.

Good job.

Please.

...Let me cum.

Shizuku...  
I knew you were my fated one.

This feels so great.

Ah

Magic  
to look at  
someone's  
past and  
future.

She used  
magic.

Or rather,  
who are you?

What do  
you want  
from me?

Did you...  
know my  
mother?

...Um

.....

Certainly,  
from your  
perspective you  
wouldn't know who  
I am, nor why  
I came to  
see you.

Hm...  
Why am I  
here...

Huh.

Huh?

wouldn't  
what you're  
going to do  
be more  
important?

However,  
rather  
than what  
I'm going  
to do,

Looking at your future from now on,

what I'll do is just a small part.

And one who knows of her power.

I am a magician.

But since I'm here, I'll introduce myself.

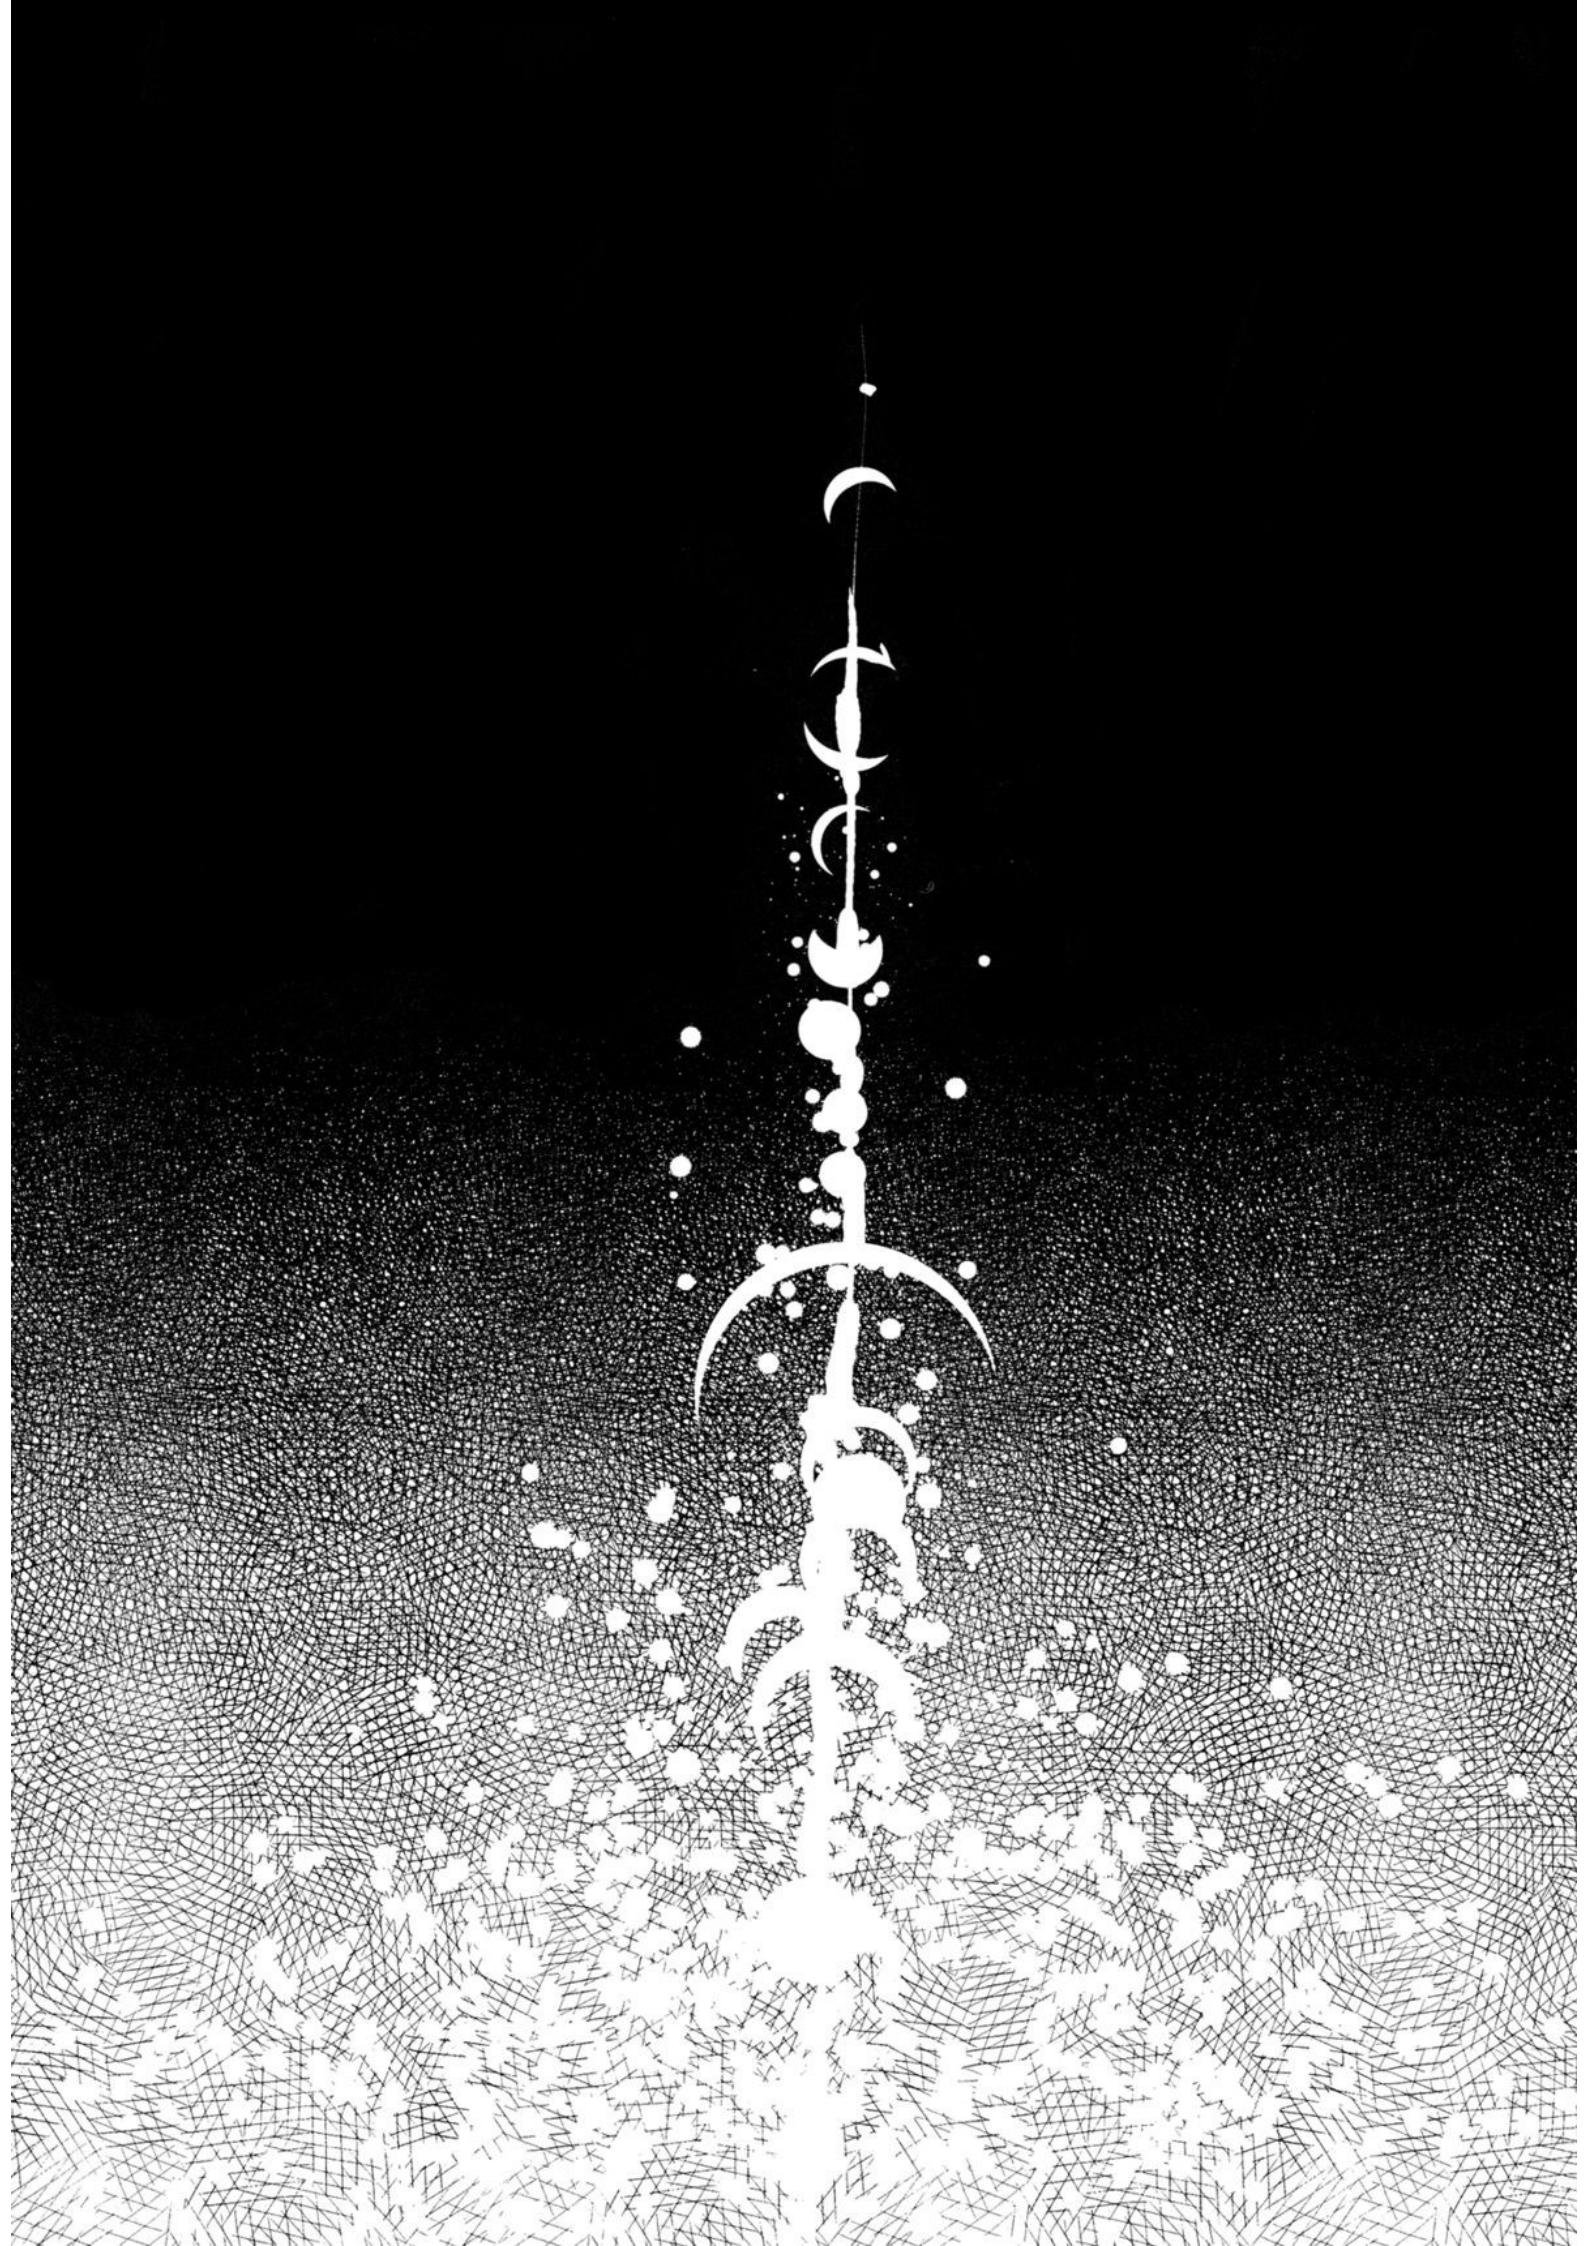

...!?

Treasure your love for her.

I'll say this to you:

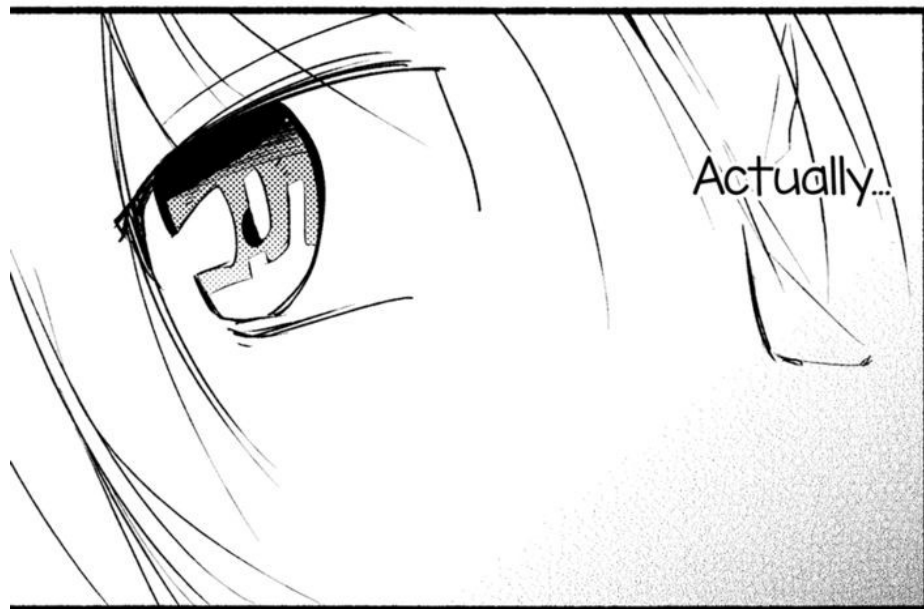

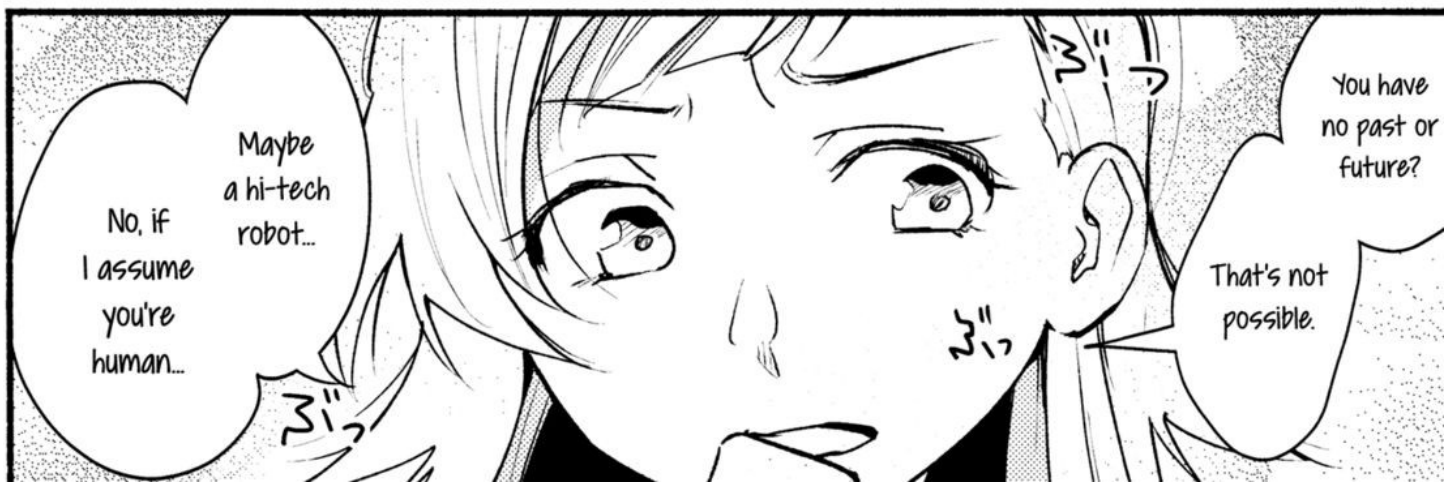

just...

What...

My mother  
as a child...  
was standing  
there.

...what  
is today's  
date?

Excuse me  
for being  
so sudden,  
but

Um... I'm  
probably...  
from the  
future.

Would  
you laugh if  
I said that?

Huh?

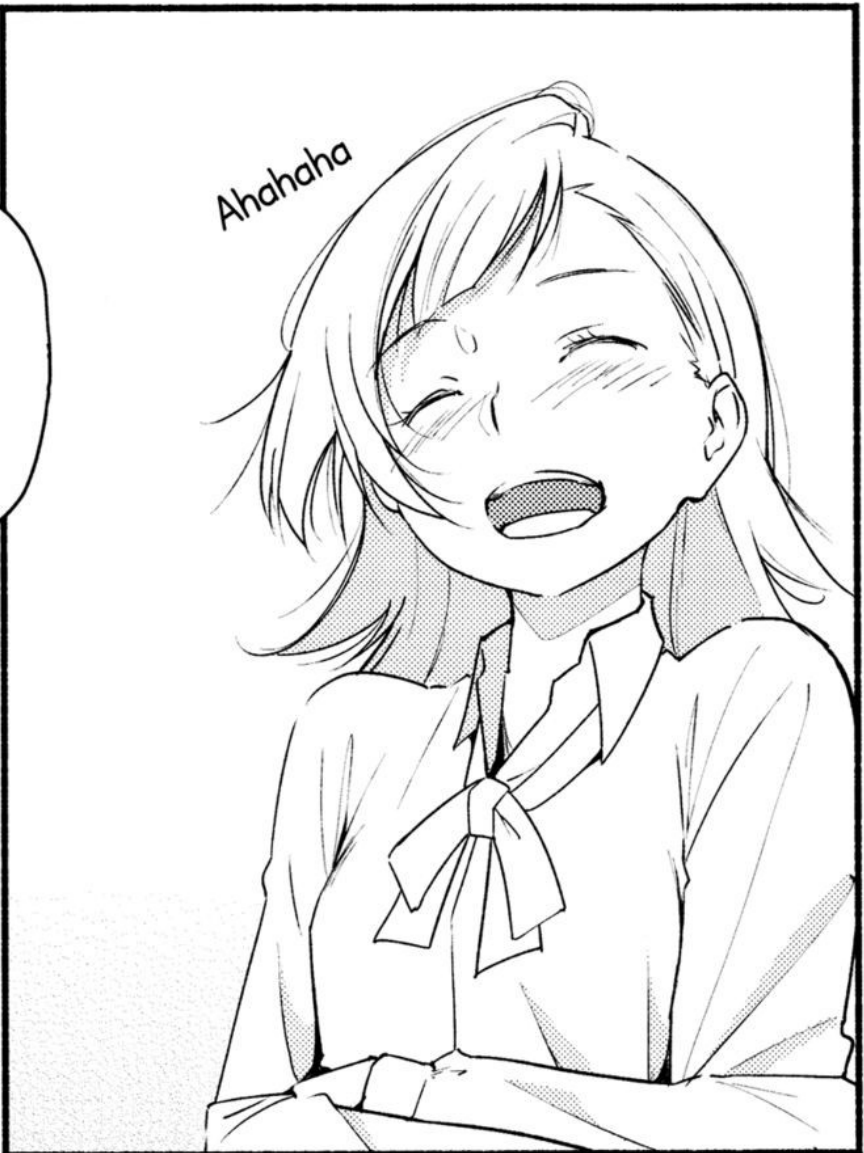

Just what  
are you? I can't  
make heads or  
tails of it.

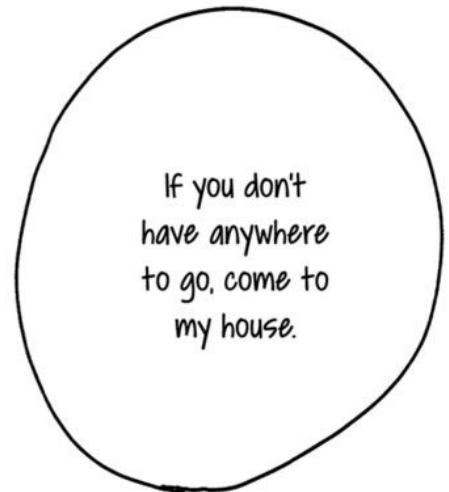

You're  
my fated  
person!

Person from  
the future!  
Today's October  
7, 2008.

Ahahaha

Why...

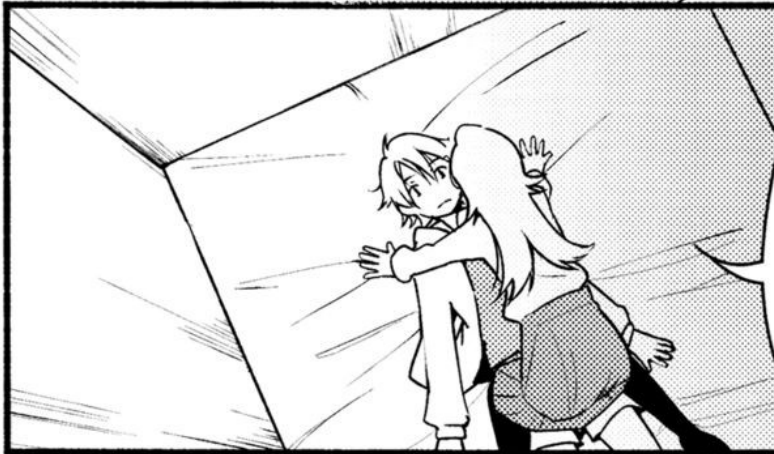

Her face...

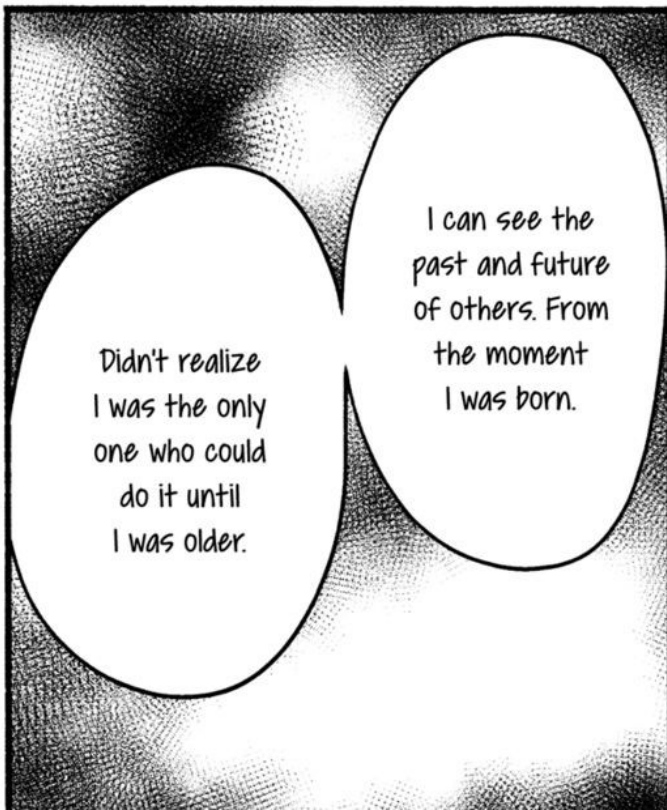

You could've resisted if you didn't like it.

You know me from the future. But I don't. I don't know you.

You know me, don't you?

Didn't realize I was the only one who could do it until I was older.

I can see the past and future of others. From the moment I was born.

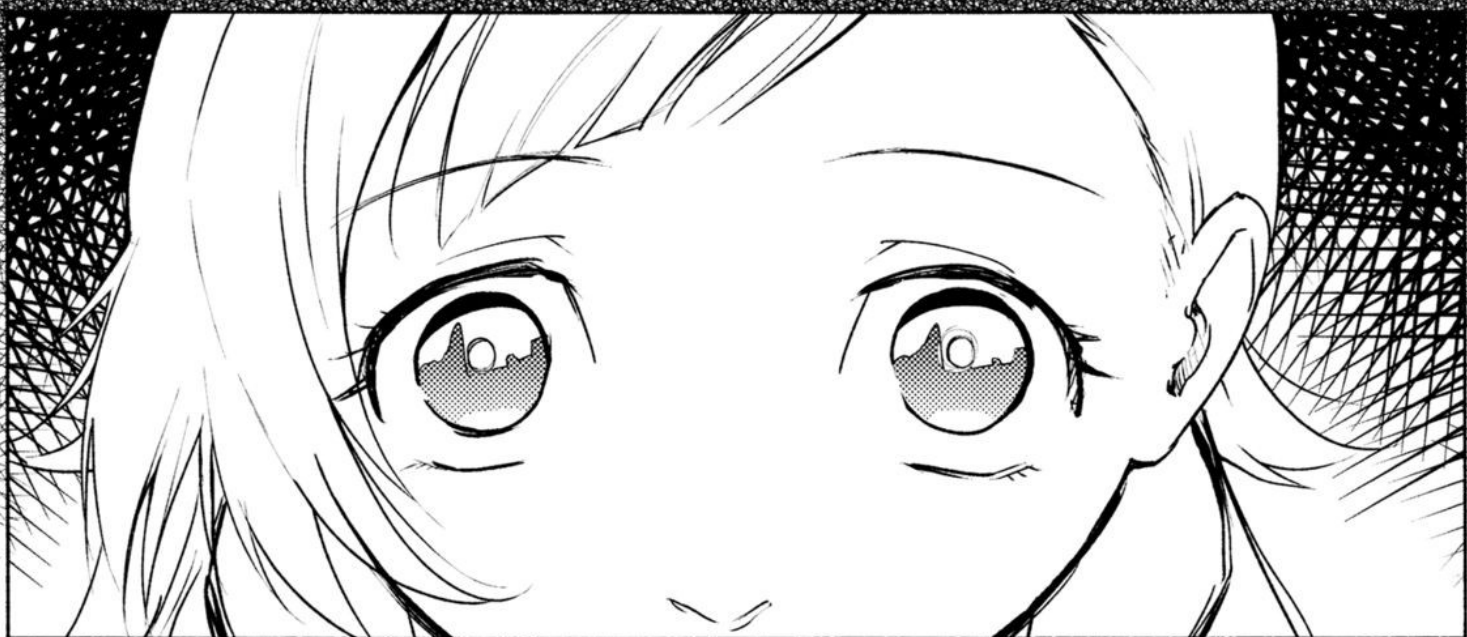

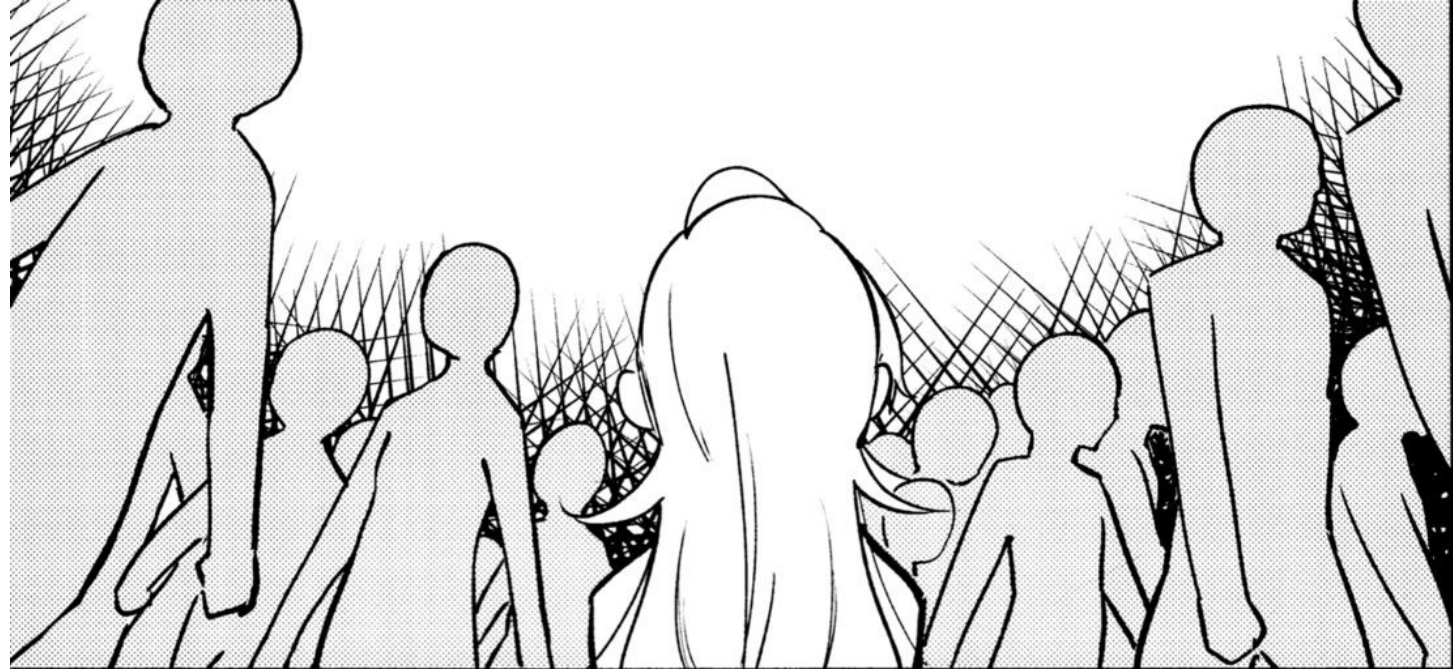

.....

...?

What are you saying?

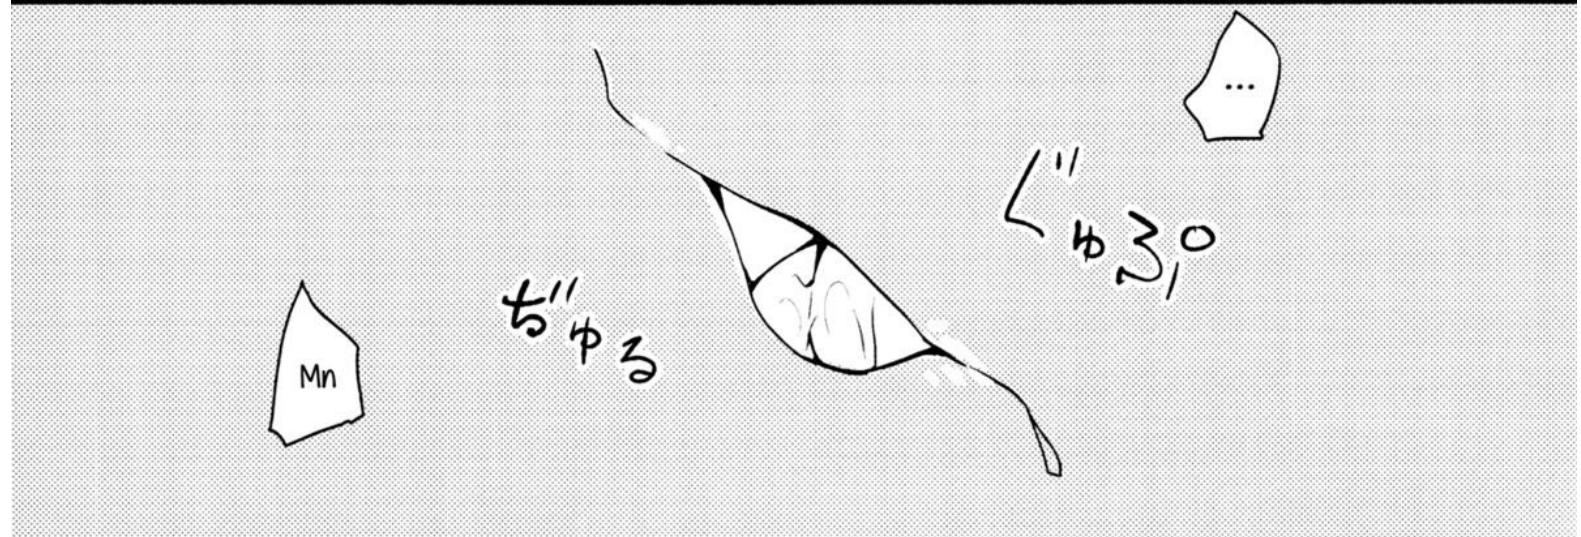

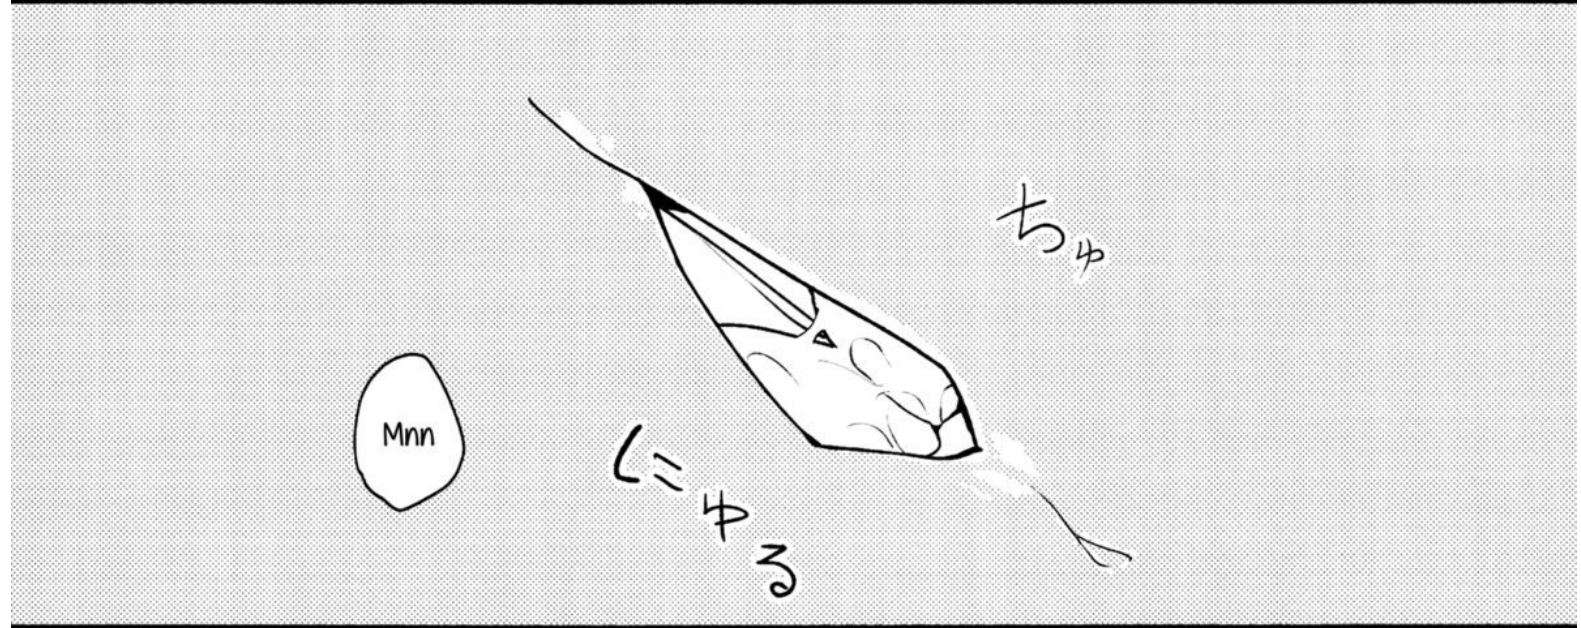

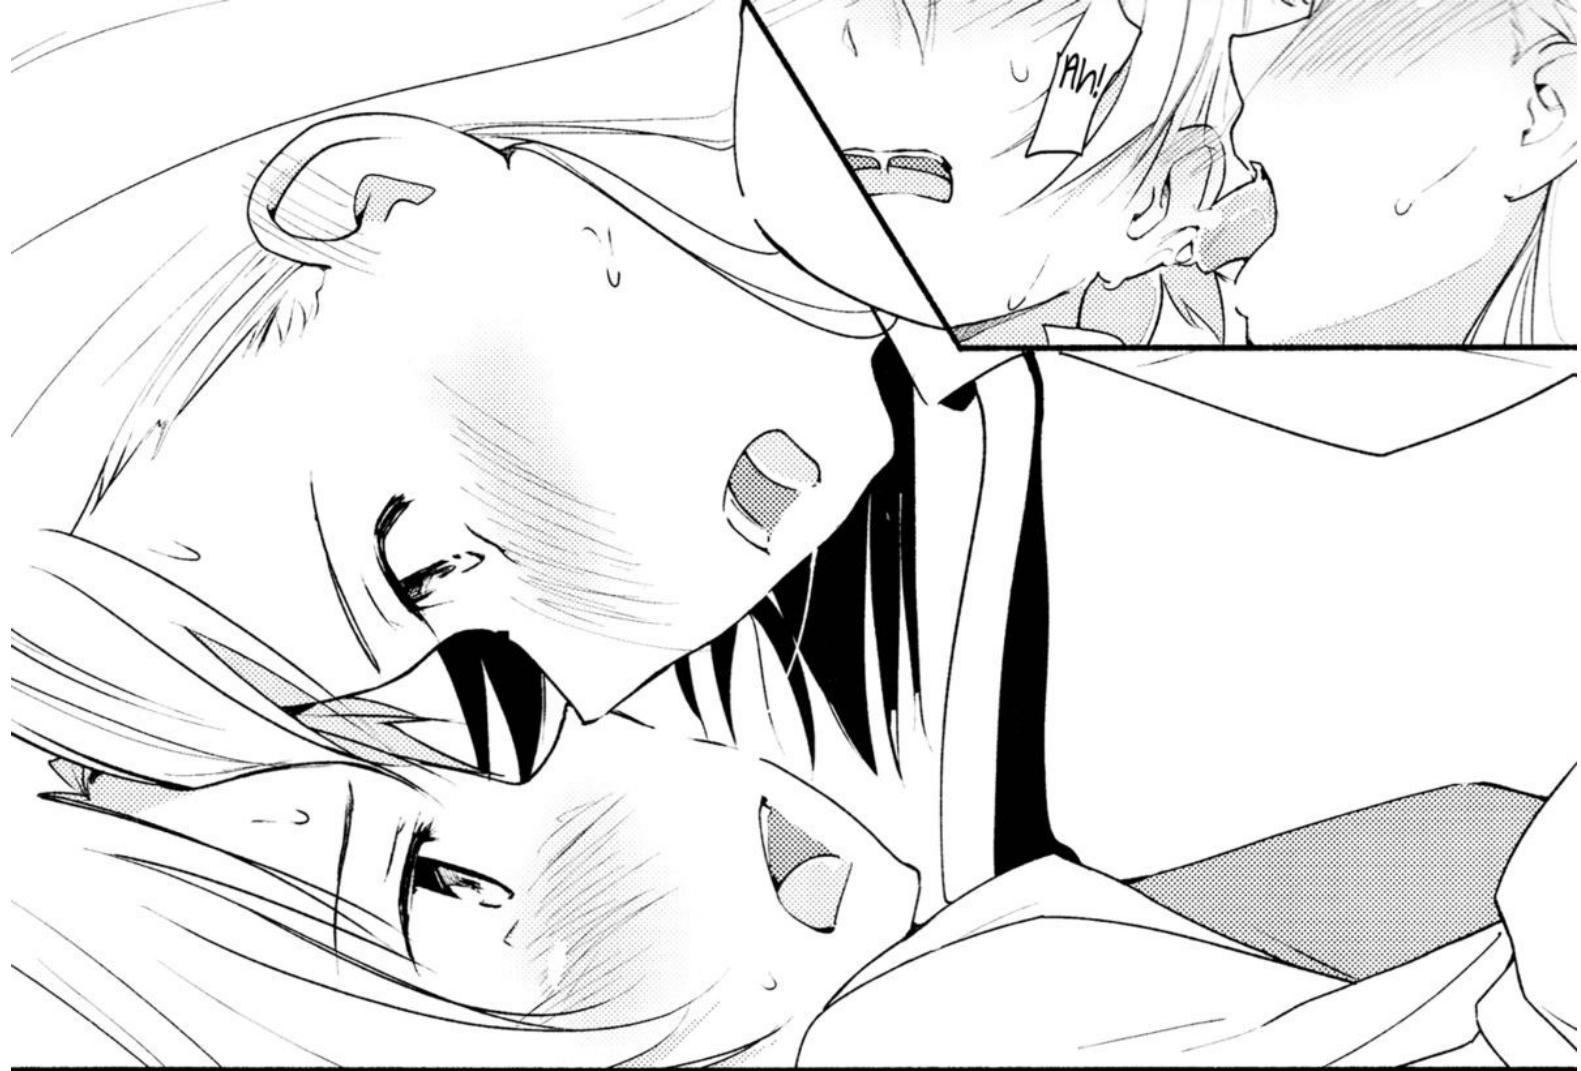

How can  
there be a  
person without  
past or  
future?

I don't  
get why  
you exist.

I don't know  
what others  
see, but the  
world I see, is  
the world that  
happens.

Something  
I can't see?  
That's not  
possible.

You're not saying anything.

I said I hated it.

But you didn't resist.

What a mysterious feeling.

Was this your first?

KISS

KISS

KISS

KISS

Mn

Can't stop myself from feeling so excited.

First time I've felt this way.

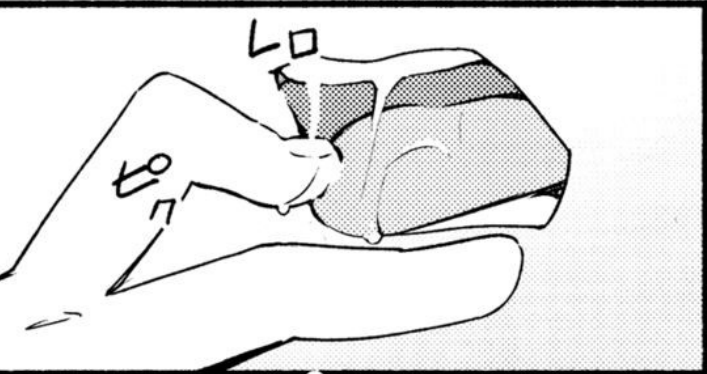

I want to know more about you.

Her face,  
her voice, like a  
curse. Stealing  
away my ability  
to resist.

That's  
why I  
hate it.

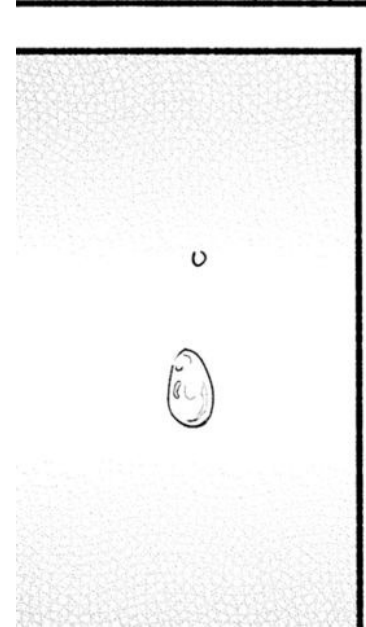

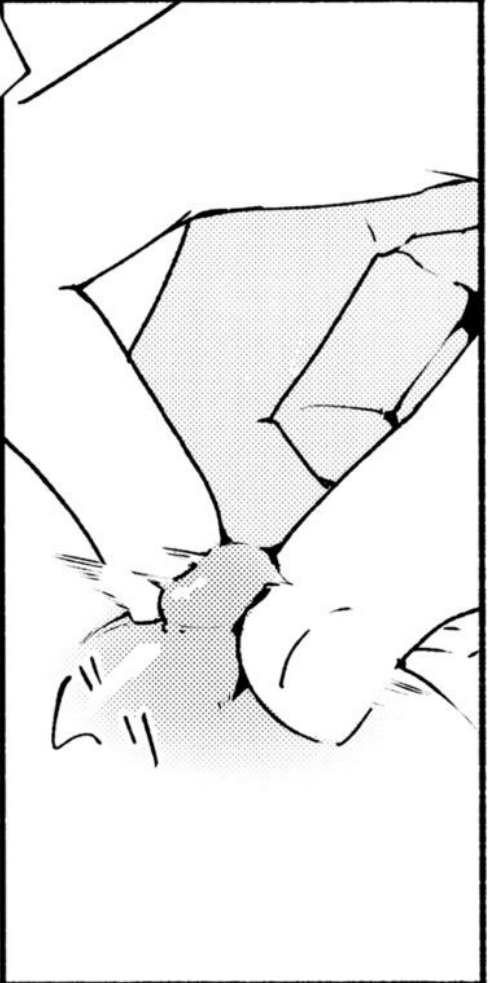

Haaa

So this is sex.  
I've watched it  
thousands and  
thousands of  
times...

The excite-  
ment in  
my chest,

But doing  
it, this is  
my first.

.....  
...Are you crying?

Yes...

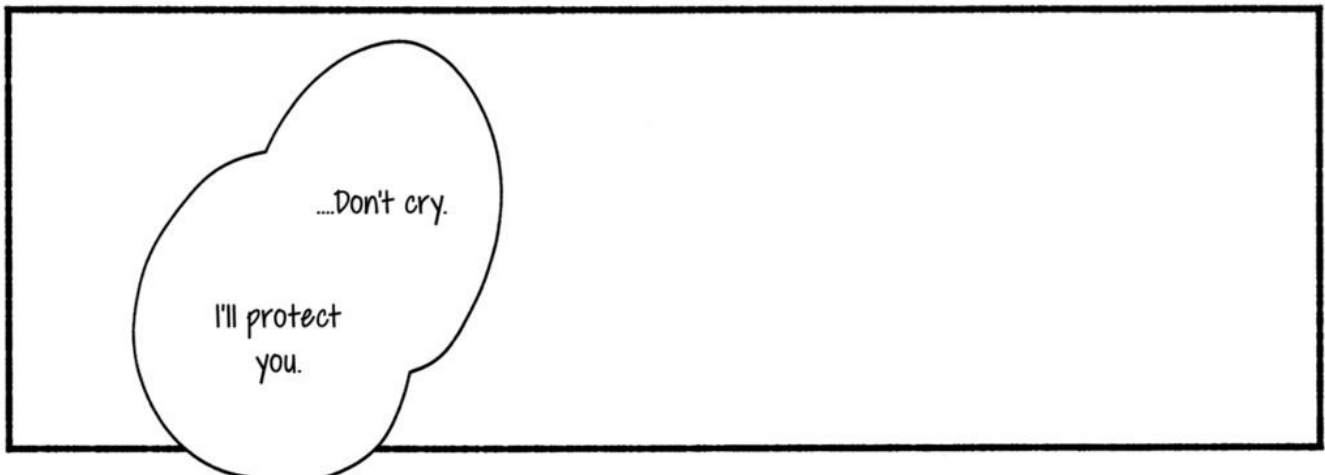

I'm glad...

I'm really human.

Surely it was one that isolated her from others.

She grew up in a world where you can see the past and future.

...Don't cry.

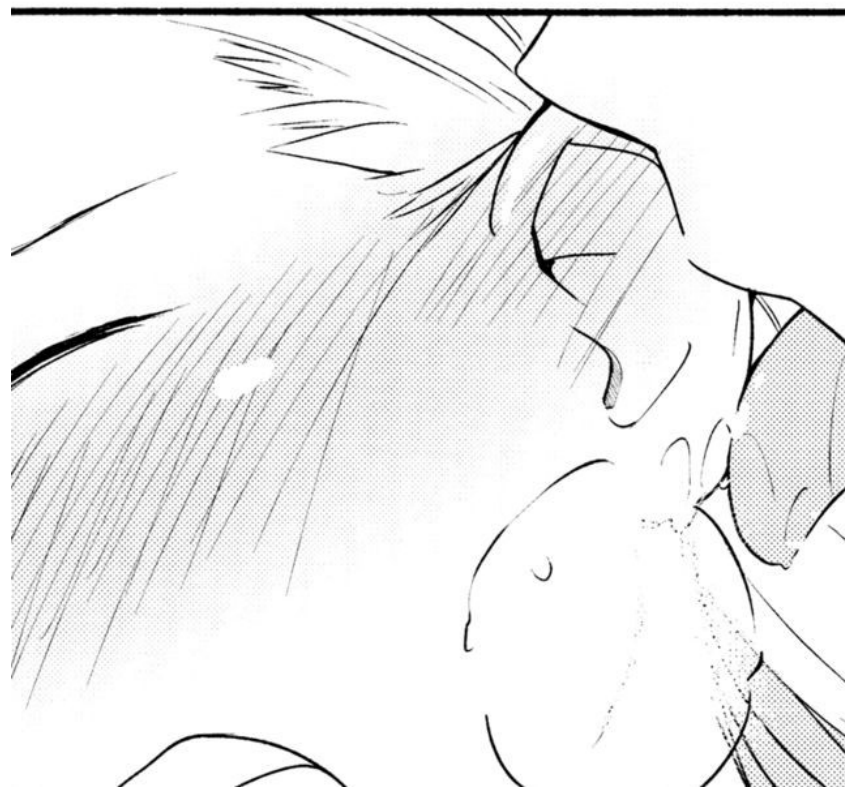

I'll protect you.

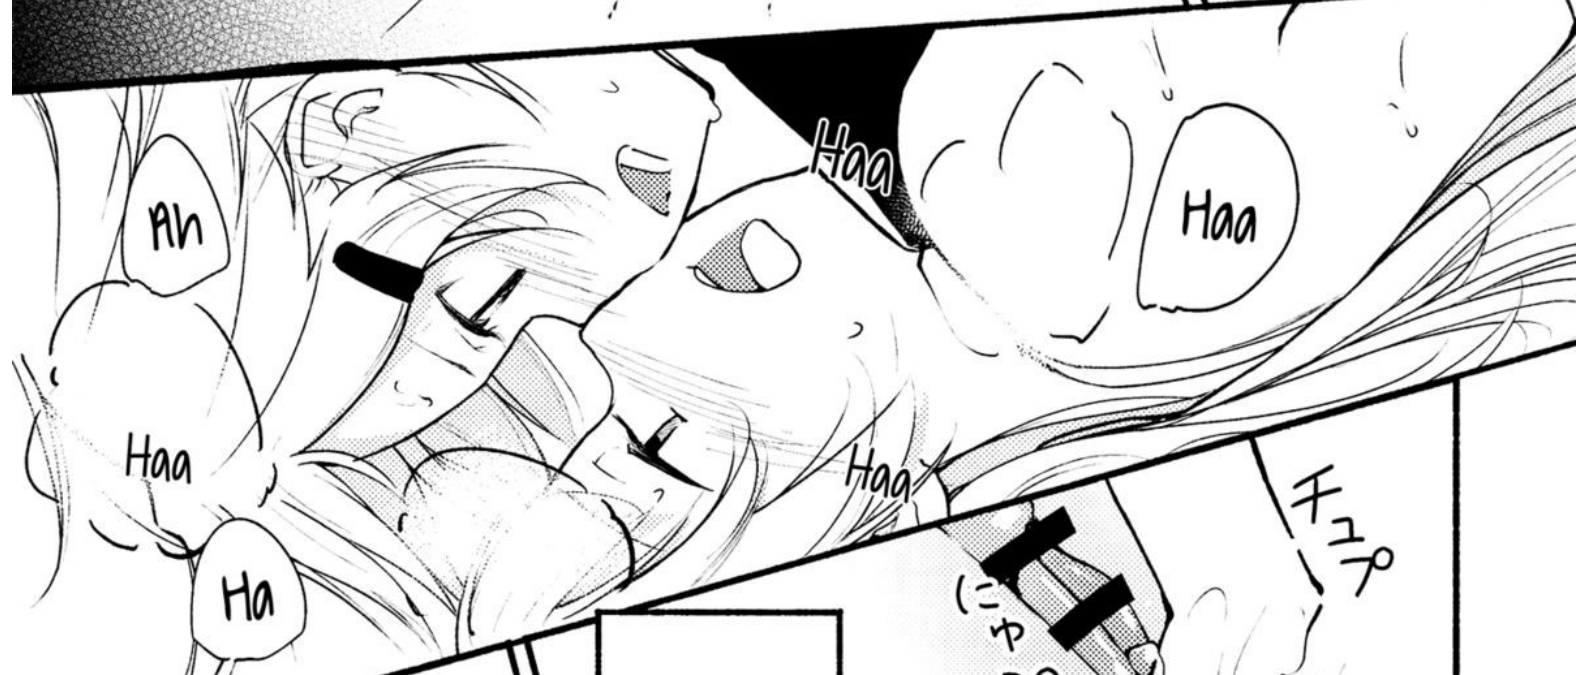

I've never  
seen [that  
person] cry,  
even once.

I wonder  
why I said  
that.

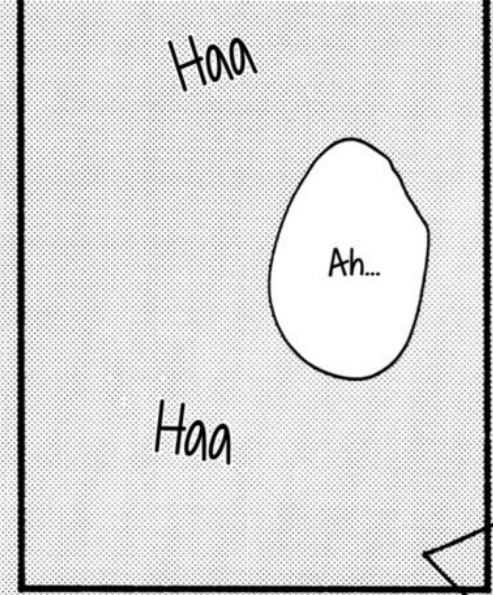

My head was burning.

Moved my fingers the same way her fingers did on me.

Returning the favor, I touched her in the places where I wanted to be touched.

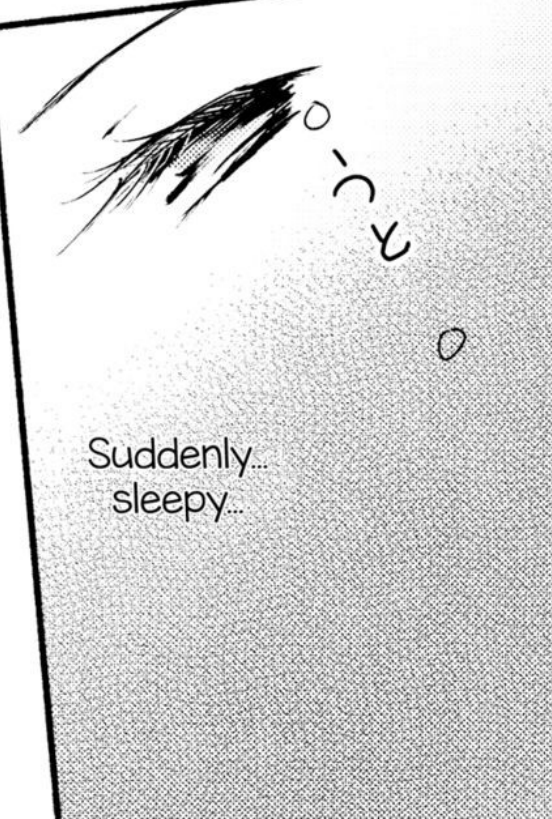

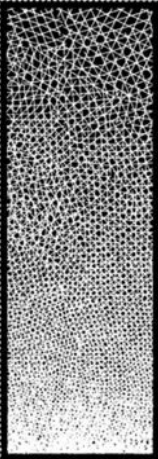

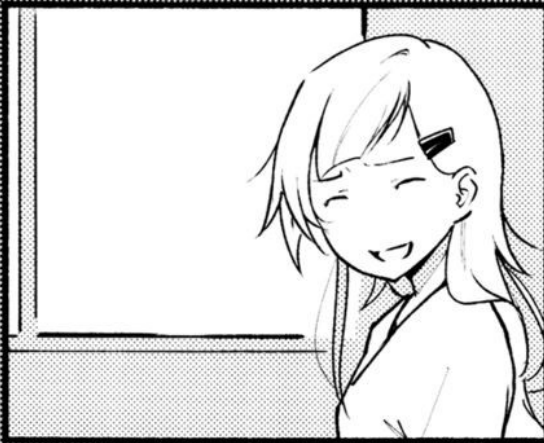

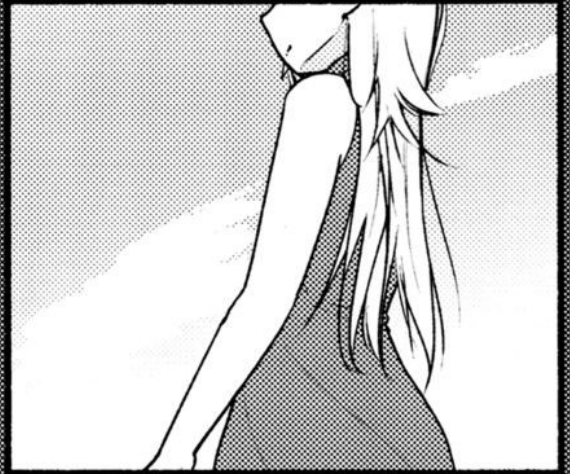

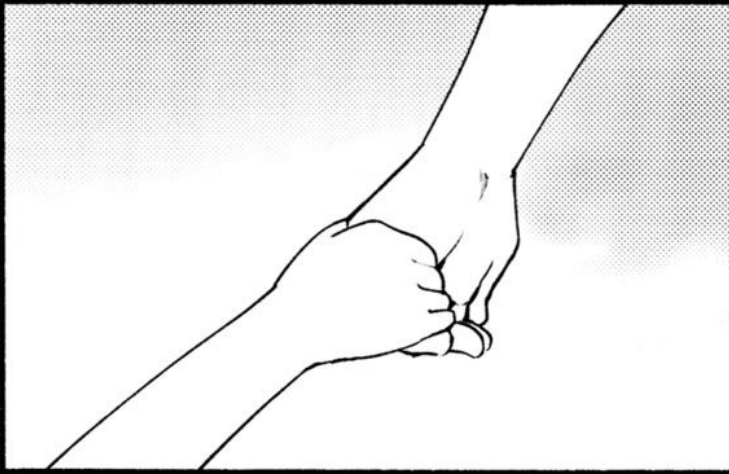

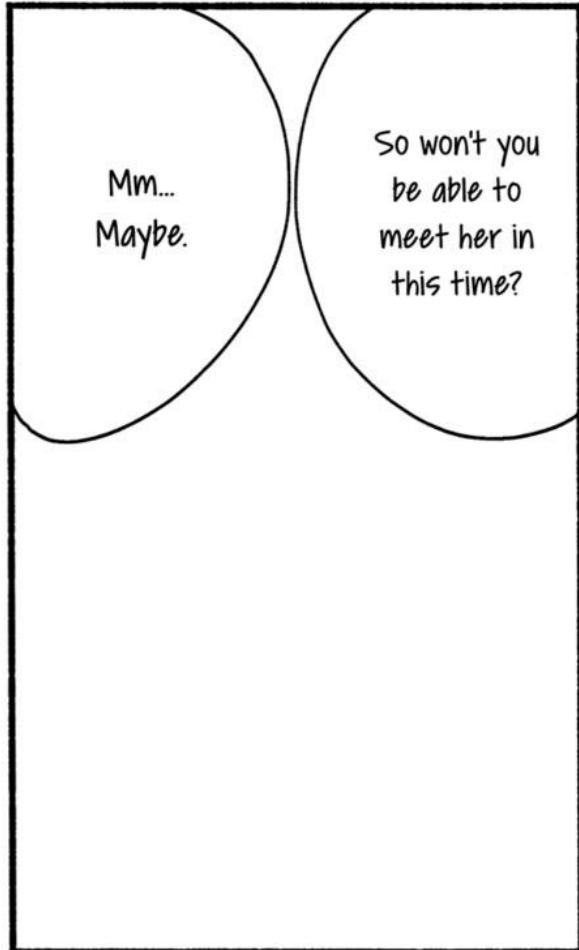

What a familiar smell...

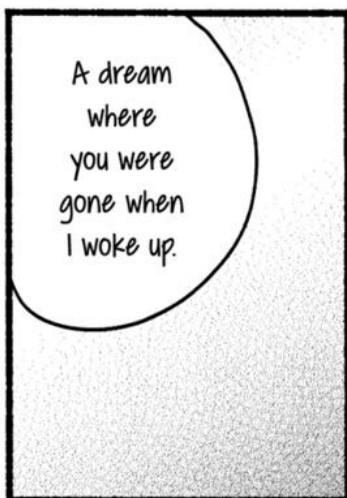

Haven't been sleeping well lately...

Suddenly... sleepy...

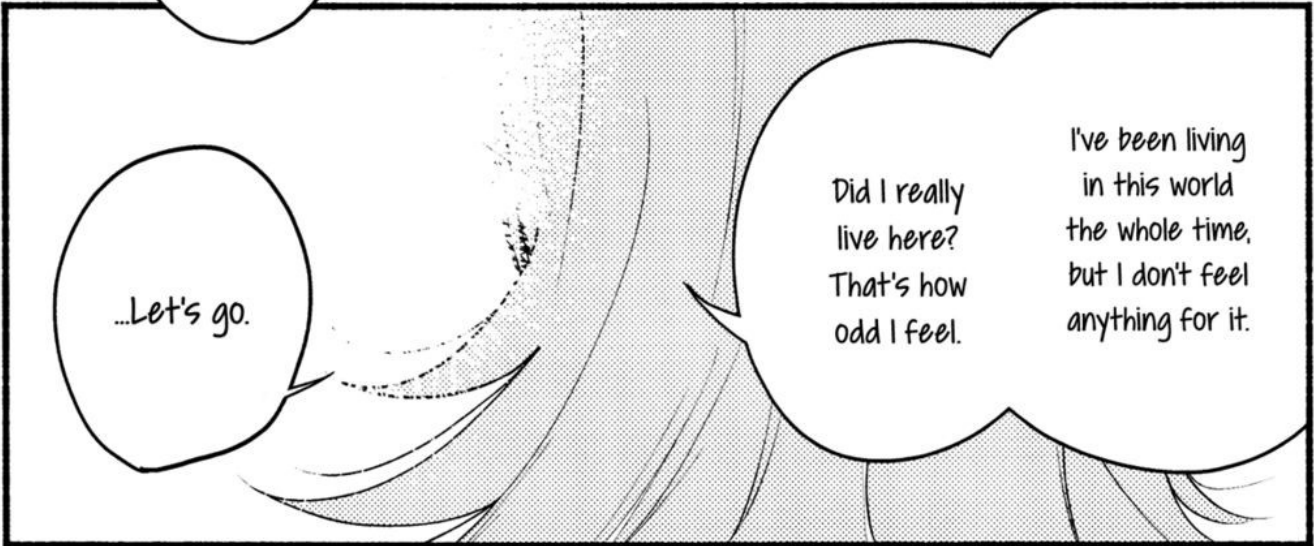

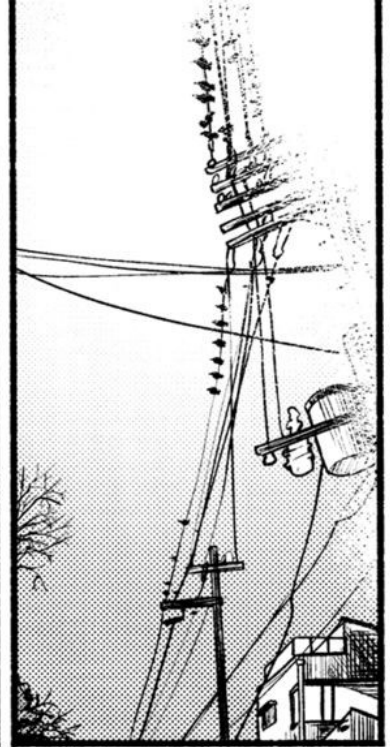

I'm in an odd mood right now.

Hey...  
Is this really okay?

...Let's go.

Did I really live here?  
That's how odd I feel.

I've been living in this world the whole time, but I don't feel anything for it.

To our future.

Goodbye.

Did she just giggle?

I'll be living for myself from now on...

I'm sure we'll never see each other again.

Isn't that ironic? That you'd be the one to change my future.

It's not often that I'd get to see my own gravestone with my own bones in it.

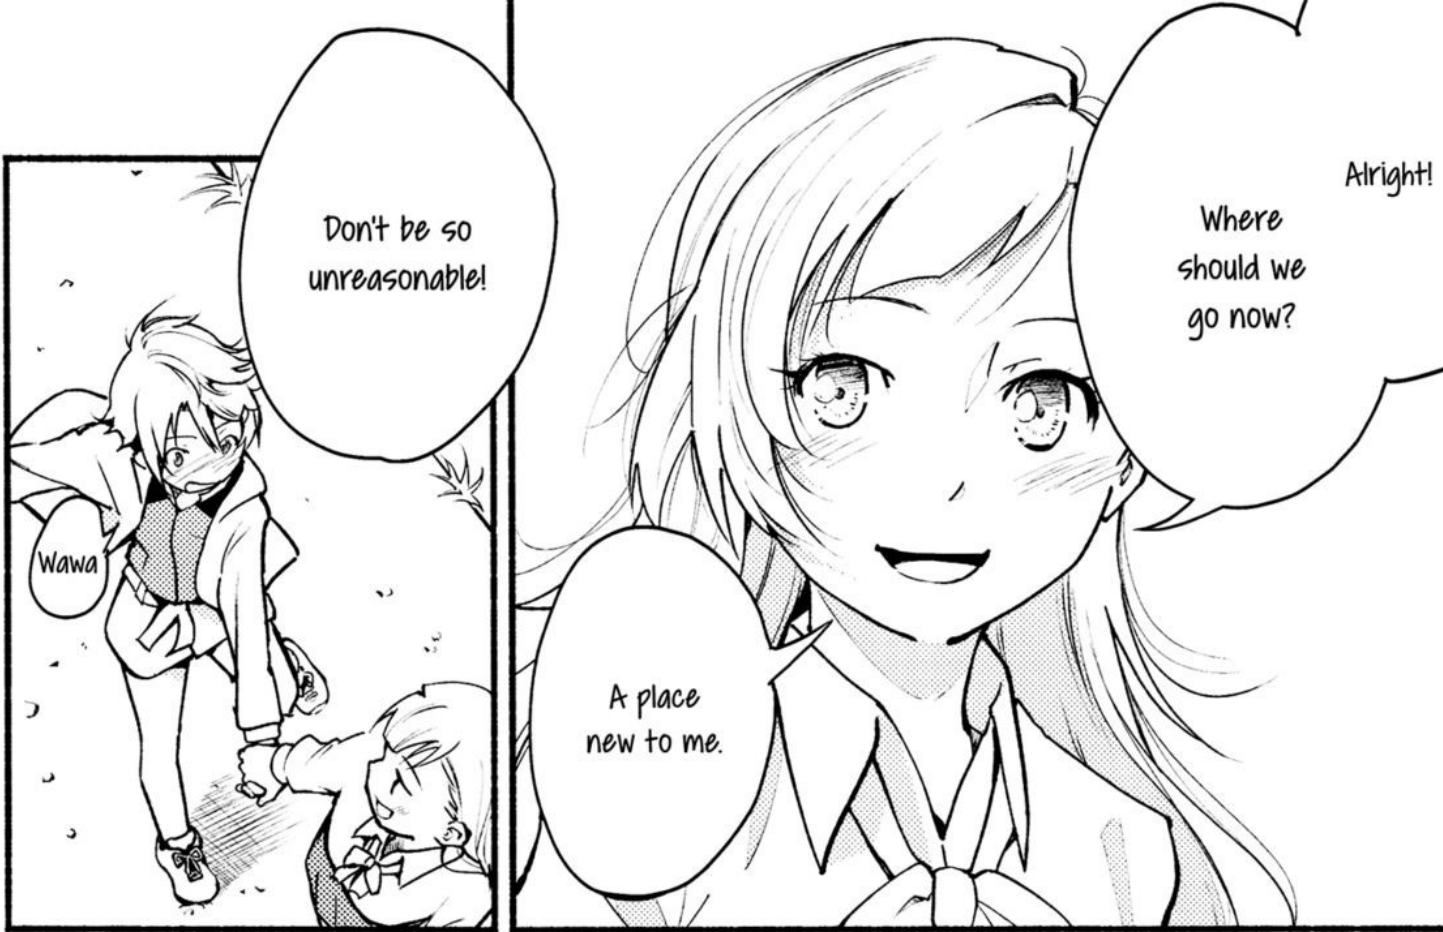

Shizuku! Are you done?

Who was that?

山門家之墓

Right.

Who knows.

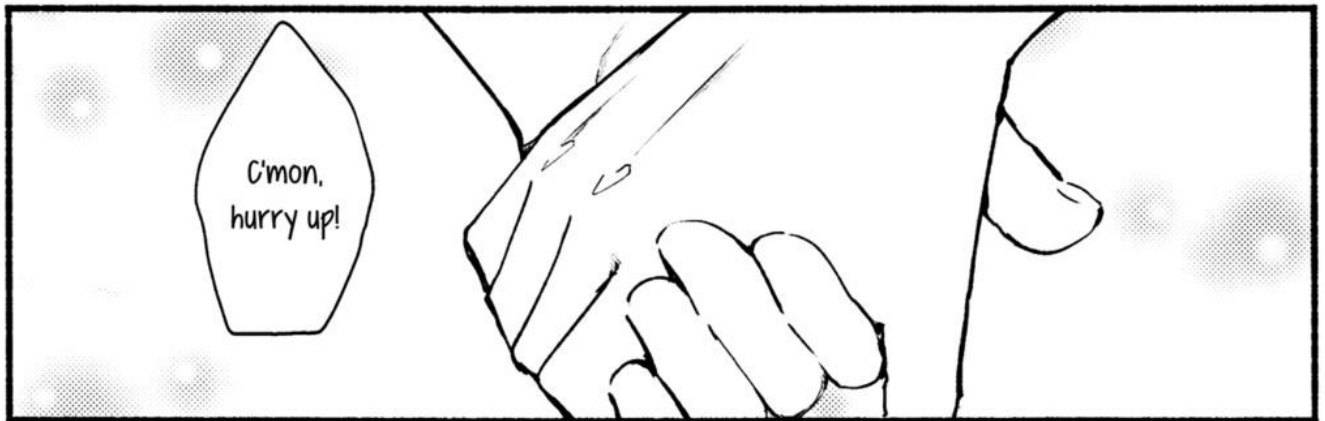

Don't be so unreasonable!

Wawa

Where should we go now?

A place new to me.

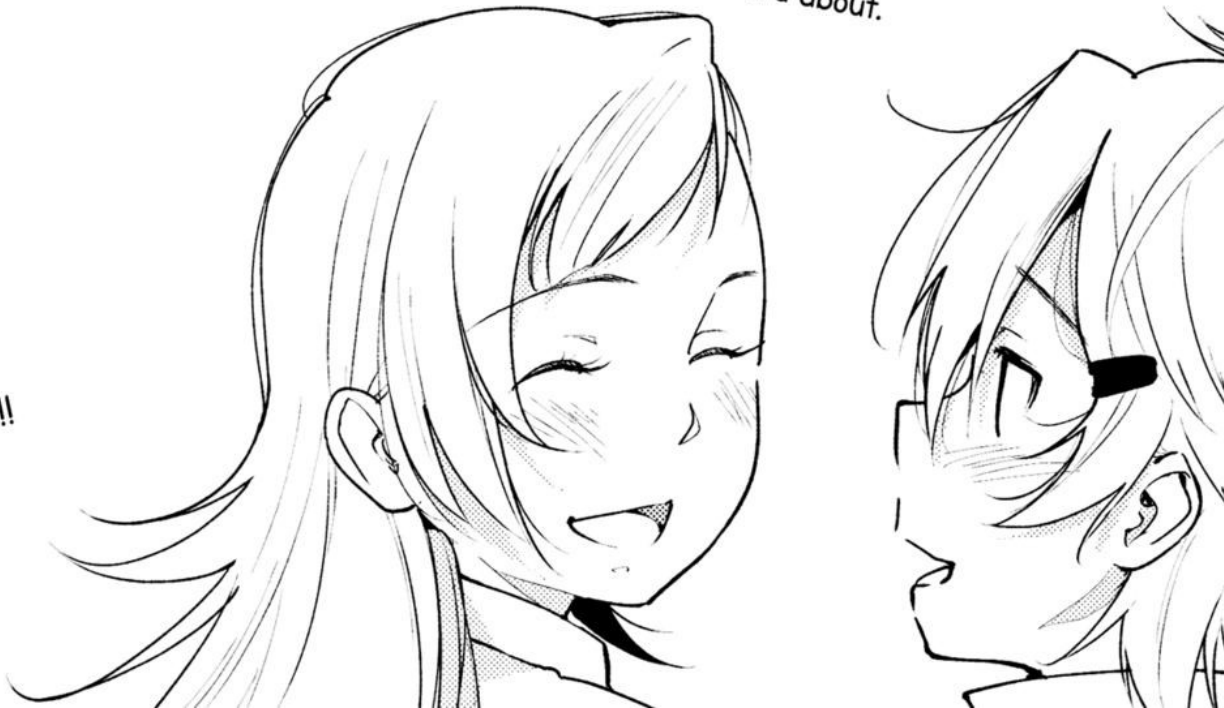

Alright!

C'mon, hurry up!

There's a place with good parfaits I've heard about.

Okay, let's go!!

The Afterword.

Hello, Yui\_7 here.

This is my fourth adult yuri doujin.  
It's so edgy, it can't really be yuri, can it?  
I wanted to make a story with sex in it,  
and this is what happened.

What was the theme this time?  
Looking at my notes, it was "Views of love among  
individuals and walking towards the future".  
What the heck is that? It's love... yeah, it's love.  
Is love something that faces the future? Or does it  
look at the past? I think I prefer the love that faces  
the future more.

This was the story of Shizuku and Arika's love,  
future, and past, all flowing into one another.  
If you've found your answer, or were moved  
by something while reading, I'd be happy.

Until next time,

@Yui\_7
