

did i  
wake you  
up?

ah

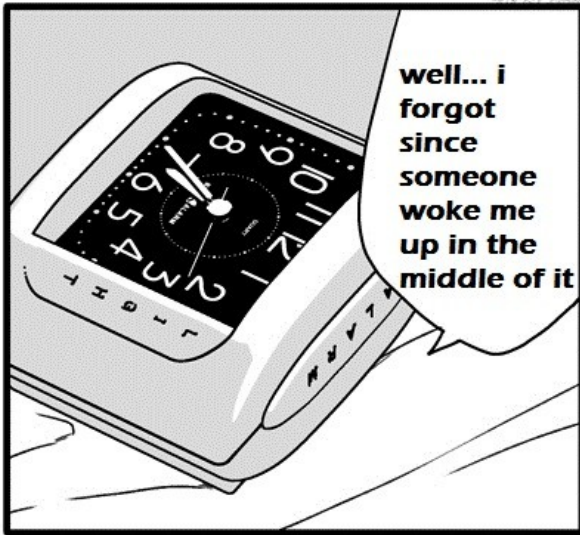

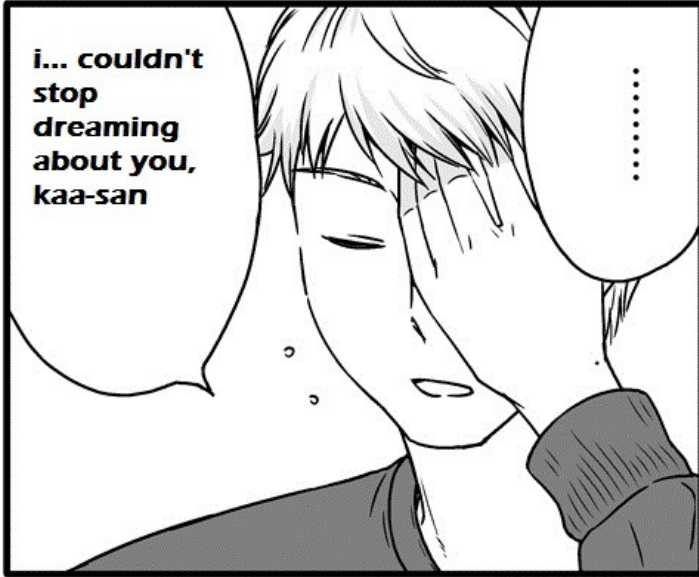

i've been getting  
woken up like  
this often

足が  
寒い...

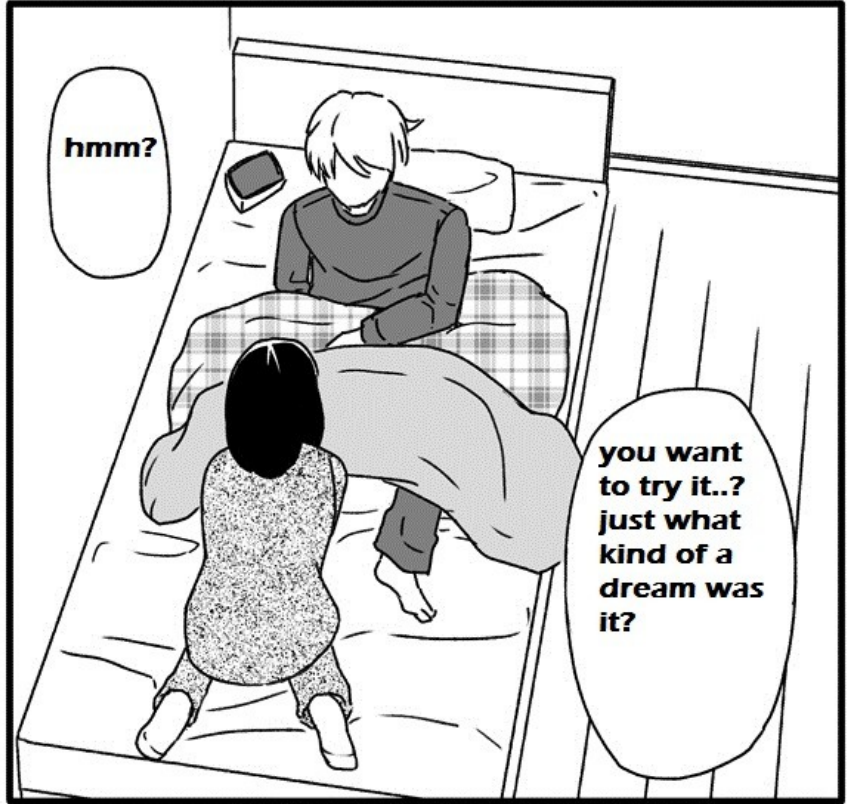

recently

おっ

you'll understand soon

hmm?

you want to try it..? just what kind of a dream was it?

geez

you still want to see kaasan's naked body every day even though i've gotten so big...

so... i have to take it all off?

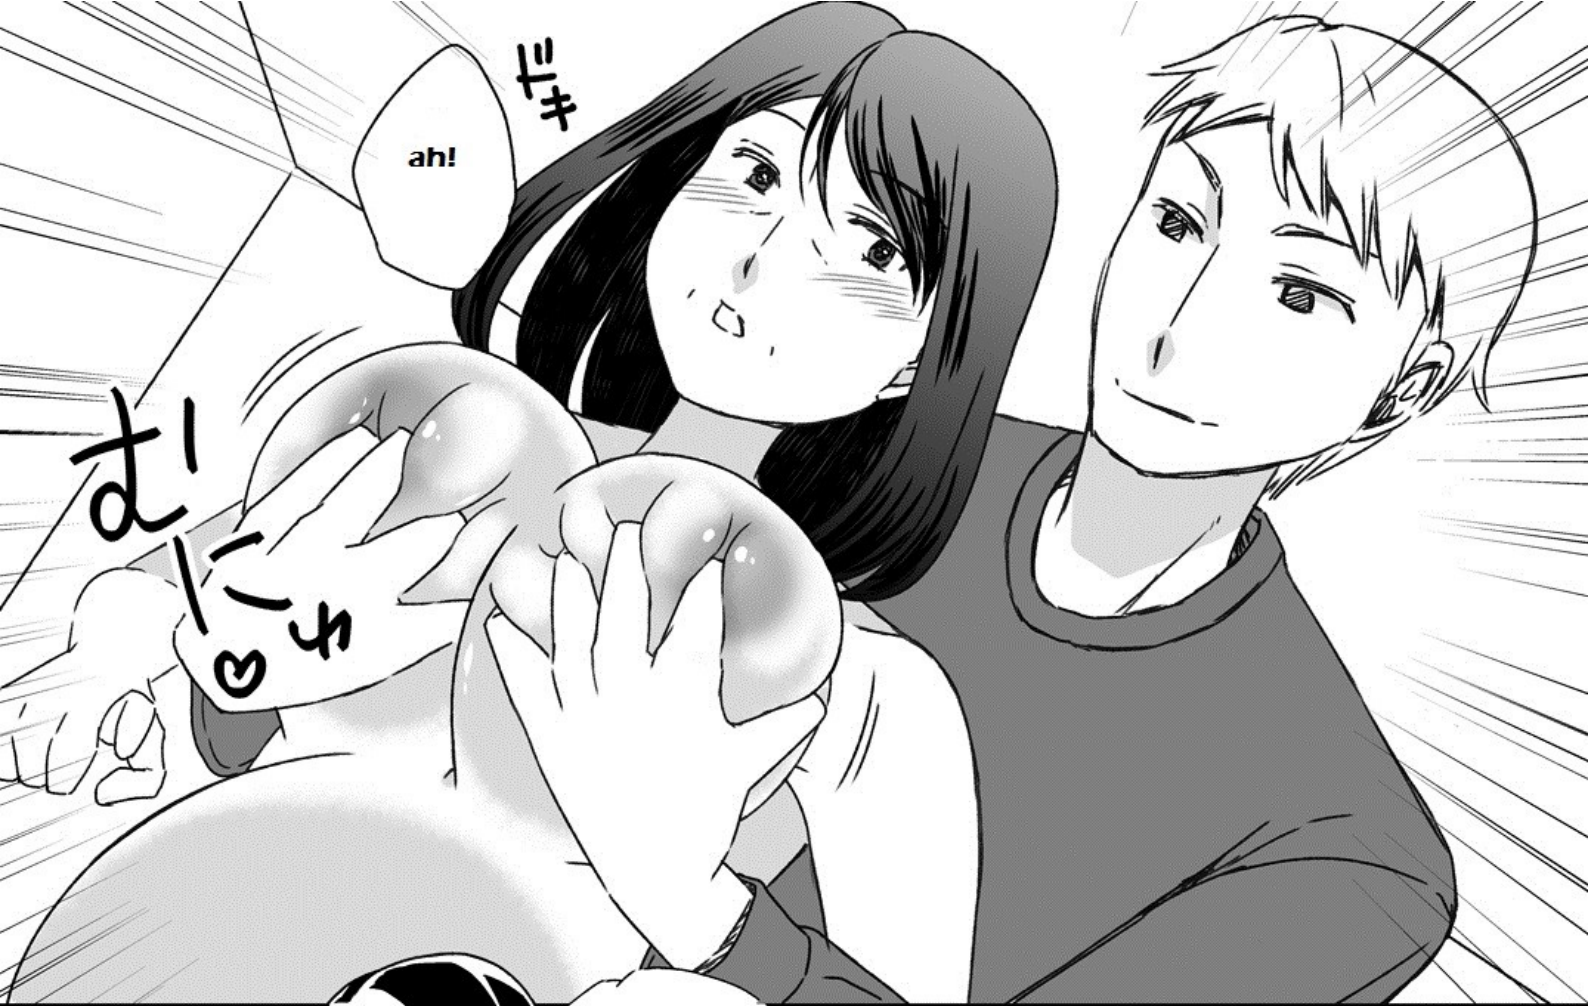

because  
susumu got me  
pregnant, i now  
have this  
shameful belly

saying it out  
loud like that is  
embarassing, but  
it makes me  
happy at the  
same time
