

Harmony Slaughterhouse

Will our
days of
rest return...

Ah...gu.
...I'm...
ssorry

The reality
is before
your eyes.
Do I need
to put in
another
vibrator?

What? Are
you meagerly
trying to
resist me?
Are you
dreaming of
protecting
Hinako's
love again?

Don't
ignore
me!

gyah

It's no good
now.
I've decided
to give you
another
vibrator.
Pretty soon
you'll be
shitting blood
on yourself.

Quality
good is the
answer to the
kindness in people.

I'm...
sor..
ry....

I'm starting
to get a
burning
headache.
We'll have to
bring your
family into
this and they
will have to
pay with
their shame.

It's all
garbage!
Thanks to
you I guess
we'll have to
go through
the trouble
of getting the
money out of
your family.

tsk..
it seems
we can't
use any of
the copies

A....
...ah

Hey
Takayuki
Your not
looking
too good

That's it
for me

I thought my happiness would continue to last forever...

When I was a kid...

When I got older I knew those types of thoughts weren't true but...

Watch
Mother
Father

If Akari has
sex hundreds
of times and
cums with
her ass I can
become an
ass urinal

Mother
With these
dirty breasts
hanging off
me I'll be able
to create
a perverted body
Thank you

Father
Thank
You

He wasn't
the best
brother
but he would
always be
by my side....

My
family
will
always
be my
family

Look carefully!
This is
your fault.
Making your
sister's hole
look like
this

Mnn

ahhh

How is it?
Better than
watching
on some
computer,
it's more
intense

Let me
show your
loving brother
the hole you
cum out of
Akari

Ah

Stop...
don't
look
at me

ゴッ

I love
it....

Here's
the dick
you love
so much

They
stick their
fat dicks
into my
pee hole
and I want
more dicks
and more
dicks

Smegma...
eating it
makes my
head want
to go crazy
It's making
me foolish

I would
love...
to clean
off your
smegma
with...

This is
what you

and laughed
at.
I will quickly
become
miserable

You have
to come
home no
matter
what!
I'm scared...

Aa...
Akari

I already
know
how this
ends...

What father
did to
Hinako was
cruel.

Hinako's
hands
to ejaculate

Hi readers,

Hope you enjoyed the translation. This was my first attempt at doing this so it probably isn't very good. I might open up somewhere for feedback to improve as I plan to continue translating stuff. I'm just one person trying to figure things out so please bear with the poor quality for now. My Japanese is low level so I'm still slow and confused when translating. I'm hoping it gets easier and faster the more I do. If you read this far, I'm not sure why.
