Why are you

focusing just on there?

Because you were ignoring me.

I wanted to tease you, of course! You can't cum yet!

Mhh!

cum-mings!

Why, you say...

nh... ahhh!

Then, can you promise you won't look away from me anymore?

Girls notice things like that, you know? Do you regret it now?

Isn't it more suspicious if you act strangely around me?

Worried that our relationship might get discovered?

Aren't you always trying to avoid looking at me in front of the class?

Mhh! Ah! I... promise...

Nhh! Yes!

Nh! But that's

ehehe, so obedient. That's why I love you. I'll reward you

Eh?

I'll let you cum on your favorite place.

U, your pussy!

Whoa

Here!

I'm gonna cum on your loli pussy!

Hii

Hmm? Still not tired yet? You can keep going.

Ah!

Hyah!

Ah!

Mh! Can I stick it in? Ahh

Mh!

I can't do it anymore!

Don't stick anything in there!

Gyah!

Hiii!

I'm saying, show me the face you make when you cum from masturbating, and do it right now.

...

S-sorry It felt so good that I just...

I hate you!

Then take it out again

Eh?
