Isn't that kmori
always stupidly staring at our legs?

82 : 名無し : 2009/06/02(火) 20:28:32

He is, he is!
This one time while I was changing my socks,
He was just staring~ at it from far away.
He seriously creeps me out.

In the north building on the 2nd floor inside the woman's bathroom, there's a super popular thing inside. Everyone should go see it. ♪
