宇宙人の冬

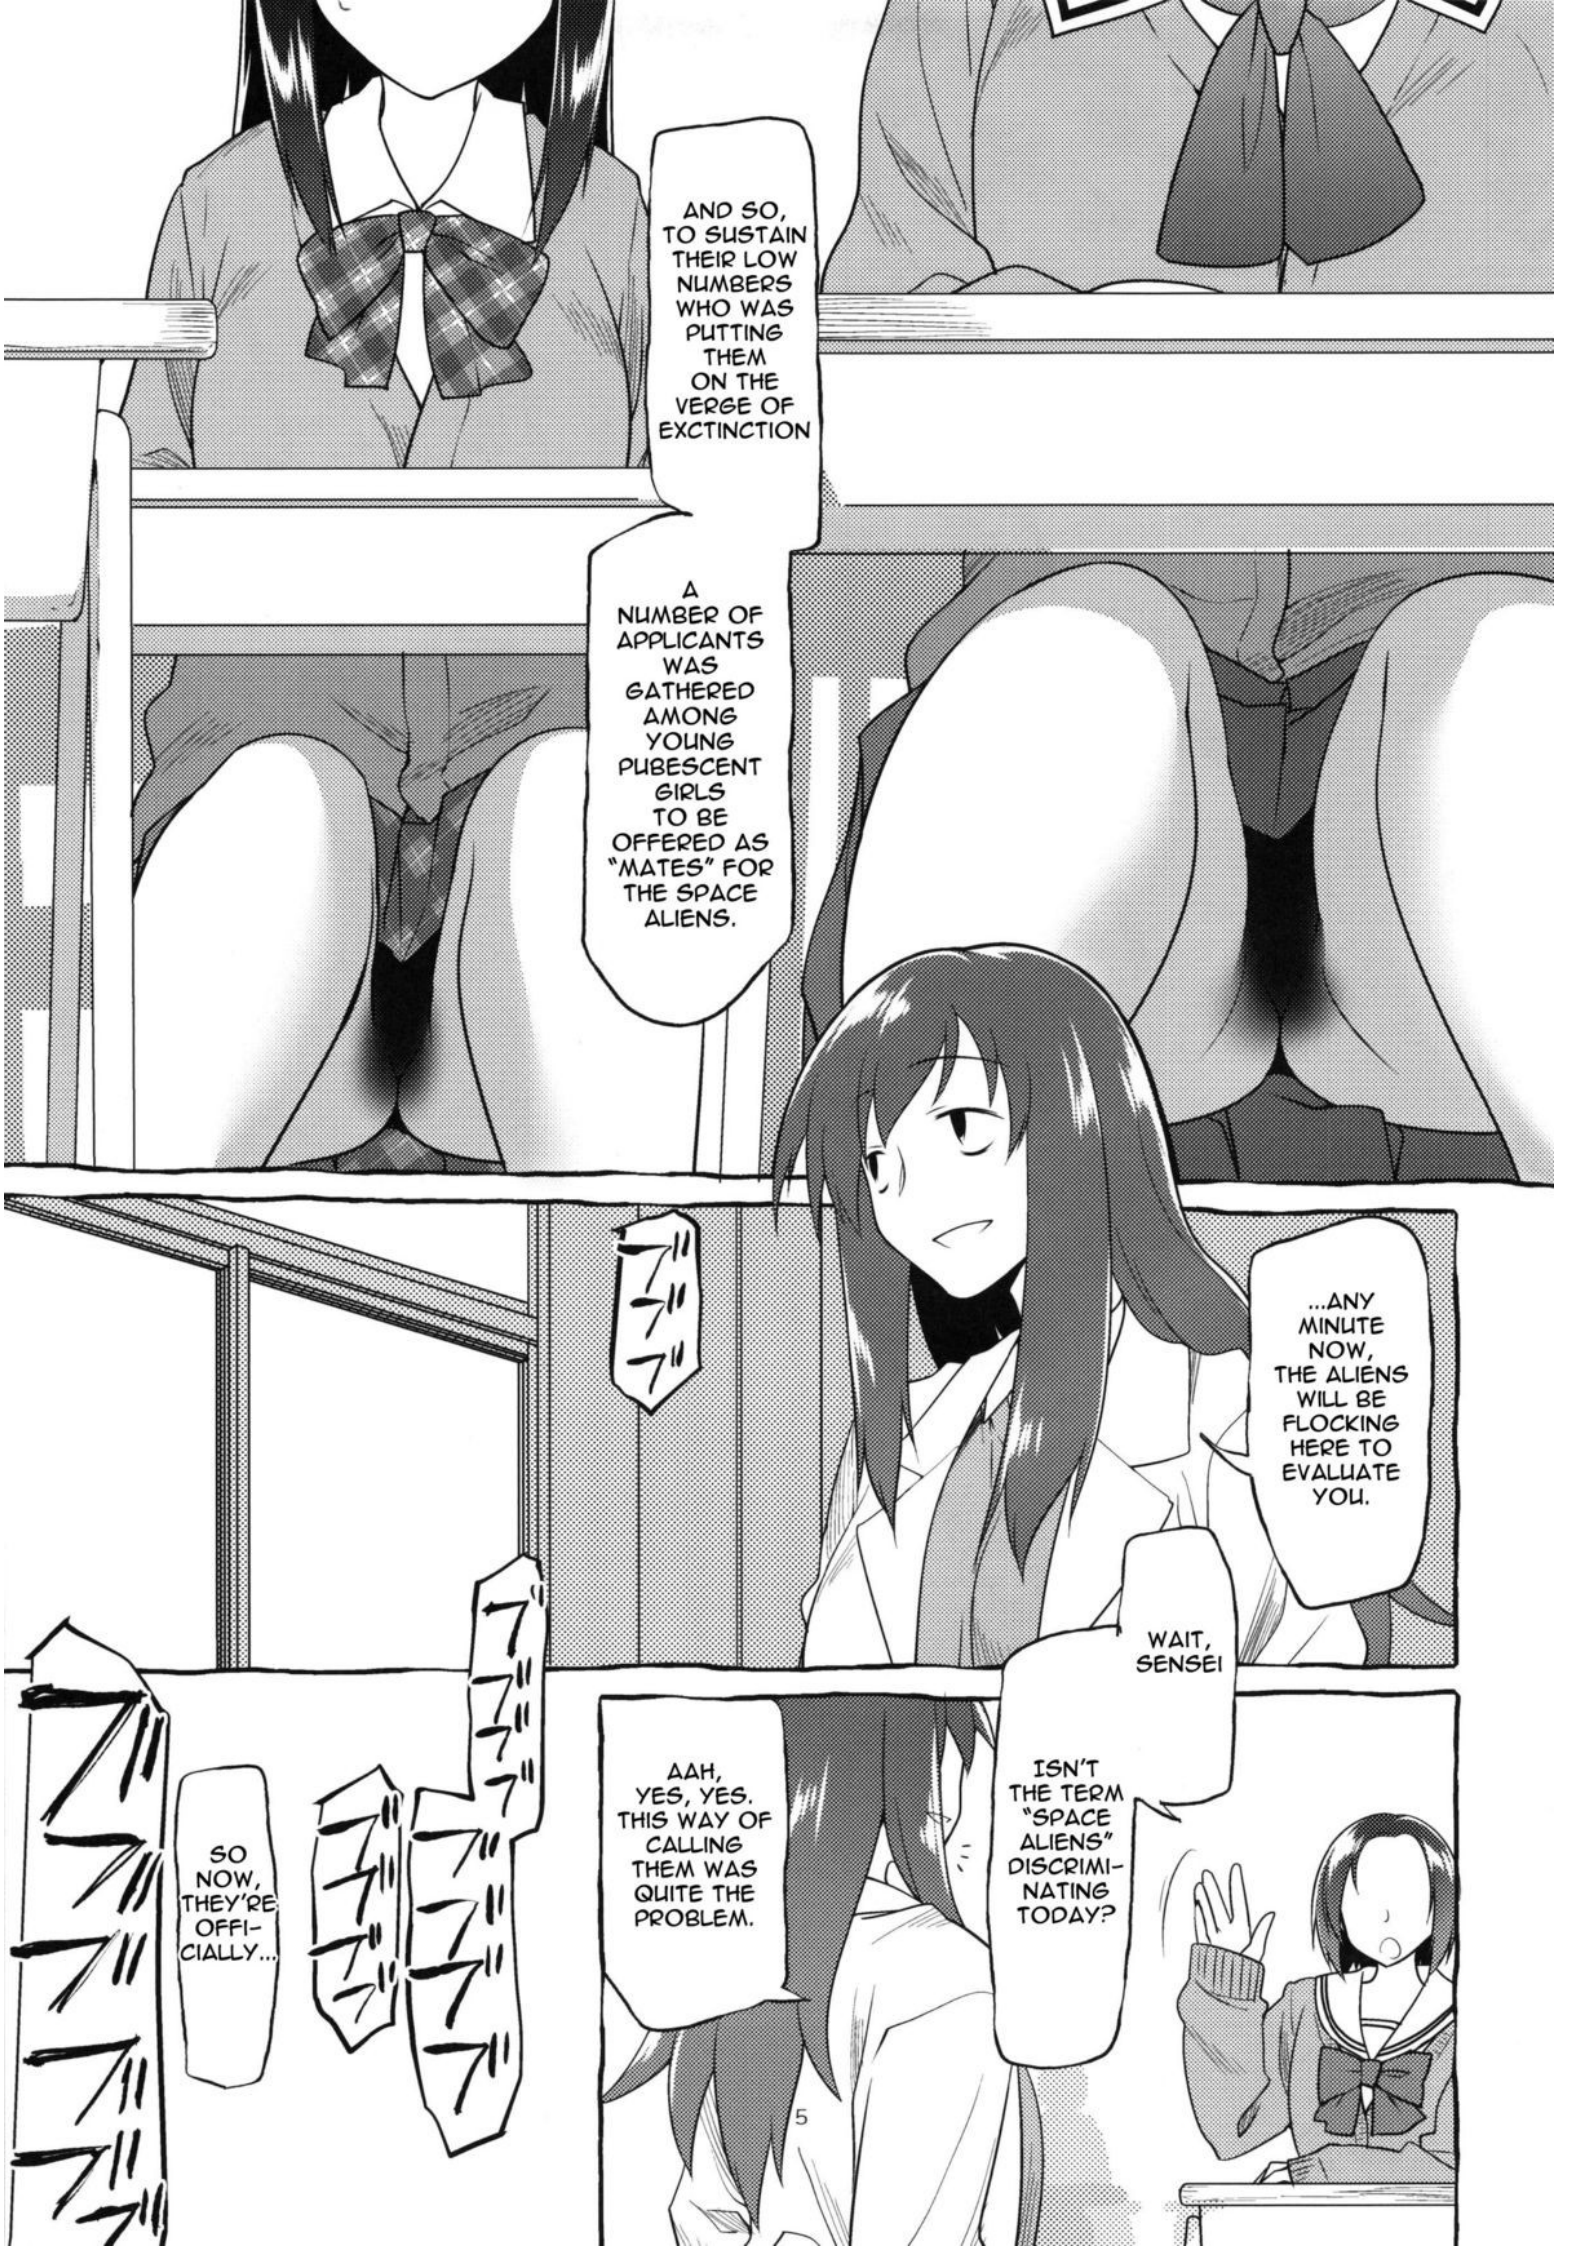

Winter of alien

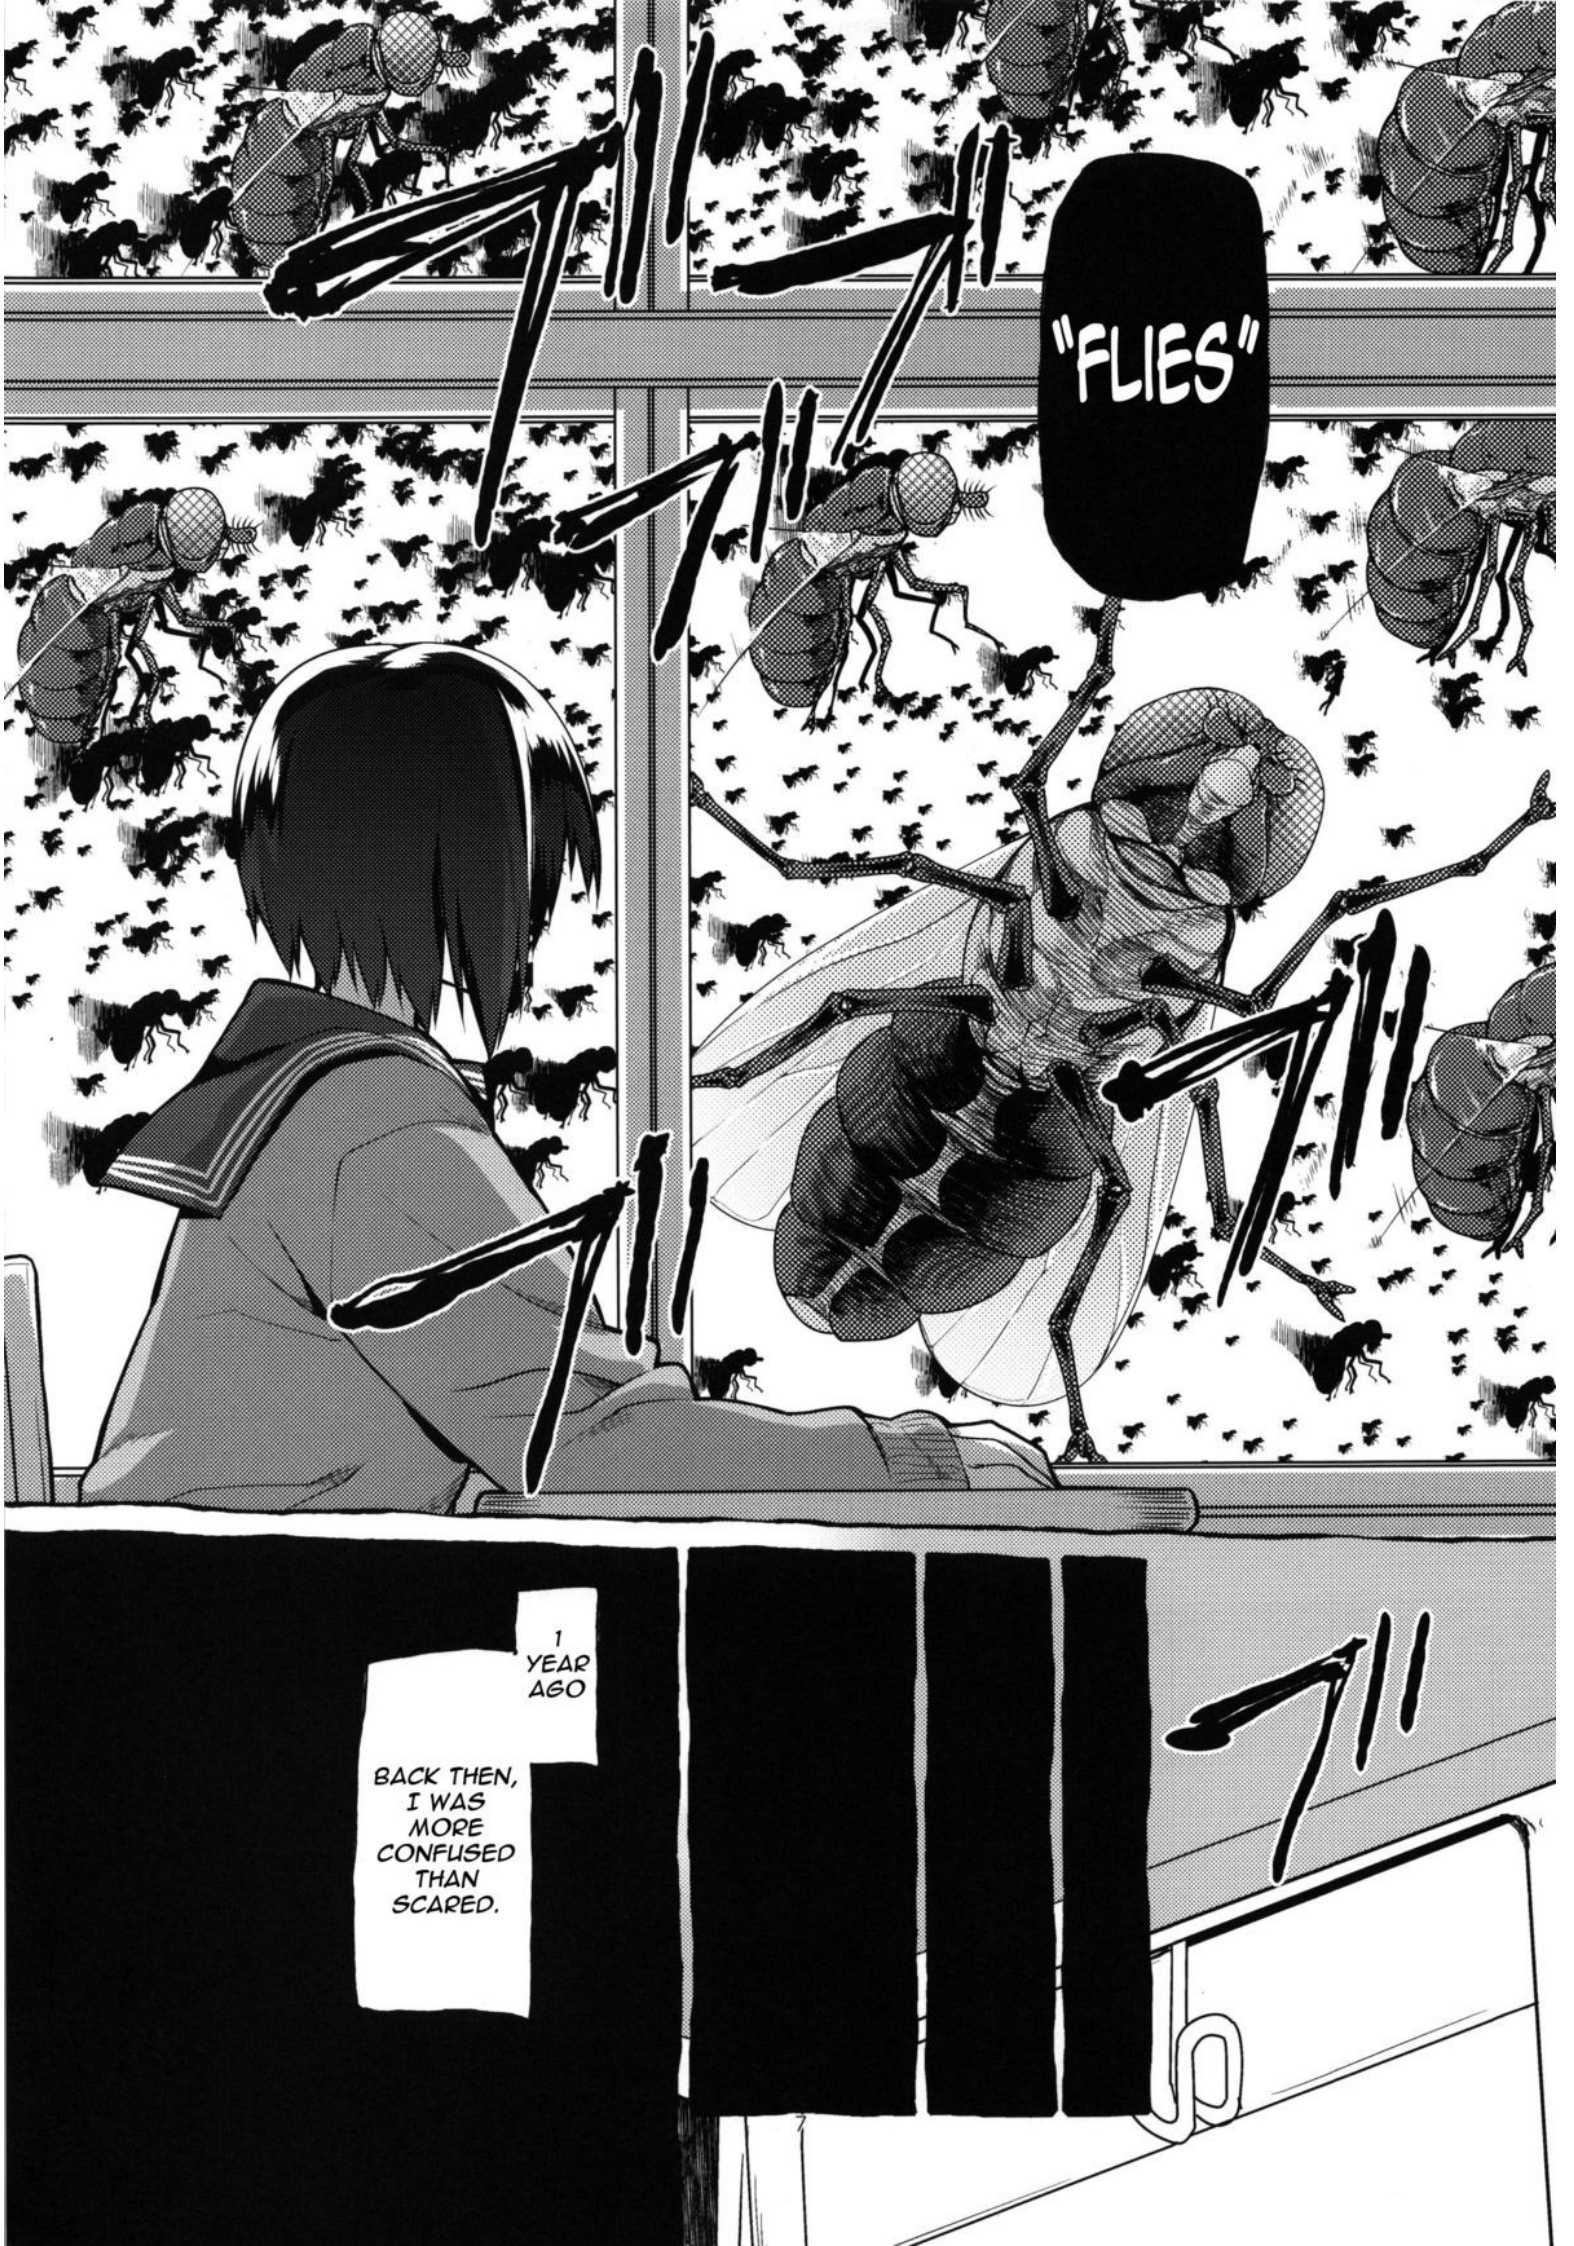

I can fly.

IT'S BEEN ABOUT 6000 YEARS NOW
SINCE OUR GREAT ANCESTORS BUILT THEIR SPACESHIP AND VENTURED OUTSIDE OF EARTH'S GRAVITY
Radio
TODAY, THIS VESSEL WHO VISITED THE FAR REACHES OF SPACE HAS FINALLY RETURNED TO EARTH
TOGETHER WITH US OF THE MEDIA, A CROWD OF PEOPLE IS EAGERLY AWAITING FOR THE MOMENT THE SHIP'S DOORS WILL OPEN
Radio
来年こそは必ず絶対合格
OH, THE SHIP'S HATCH HAS SLOWLY BEGAN TO LIFT!
HOW WILL THESE DISTANT, LONG-PAST ANCESTORS OF HUMANITY LOOK LIKE, THERE'S NO--
..?
WEIRD ...
DID IT BROKE JUST NOW?

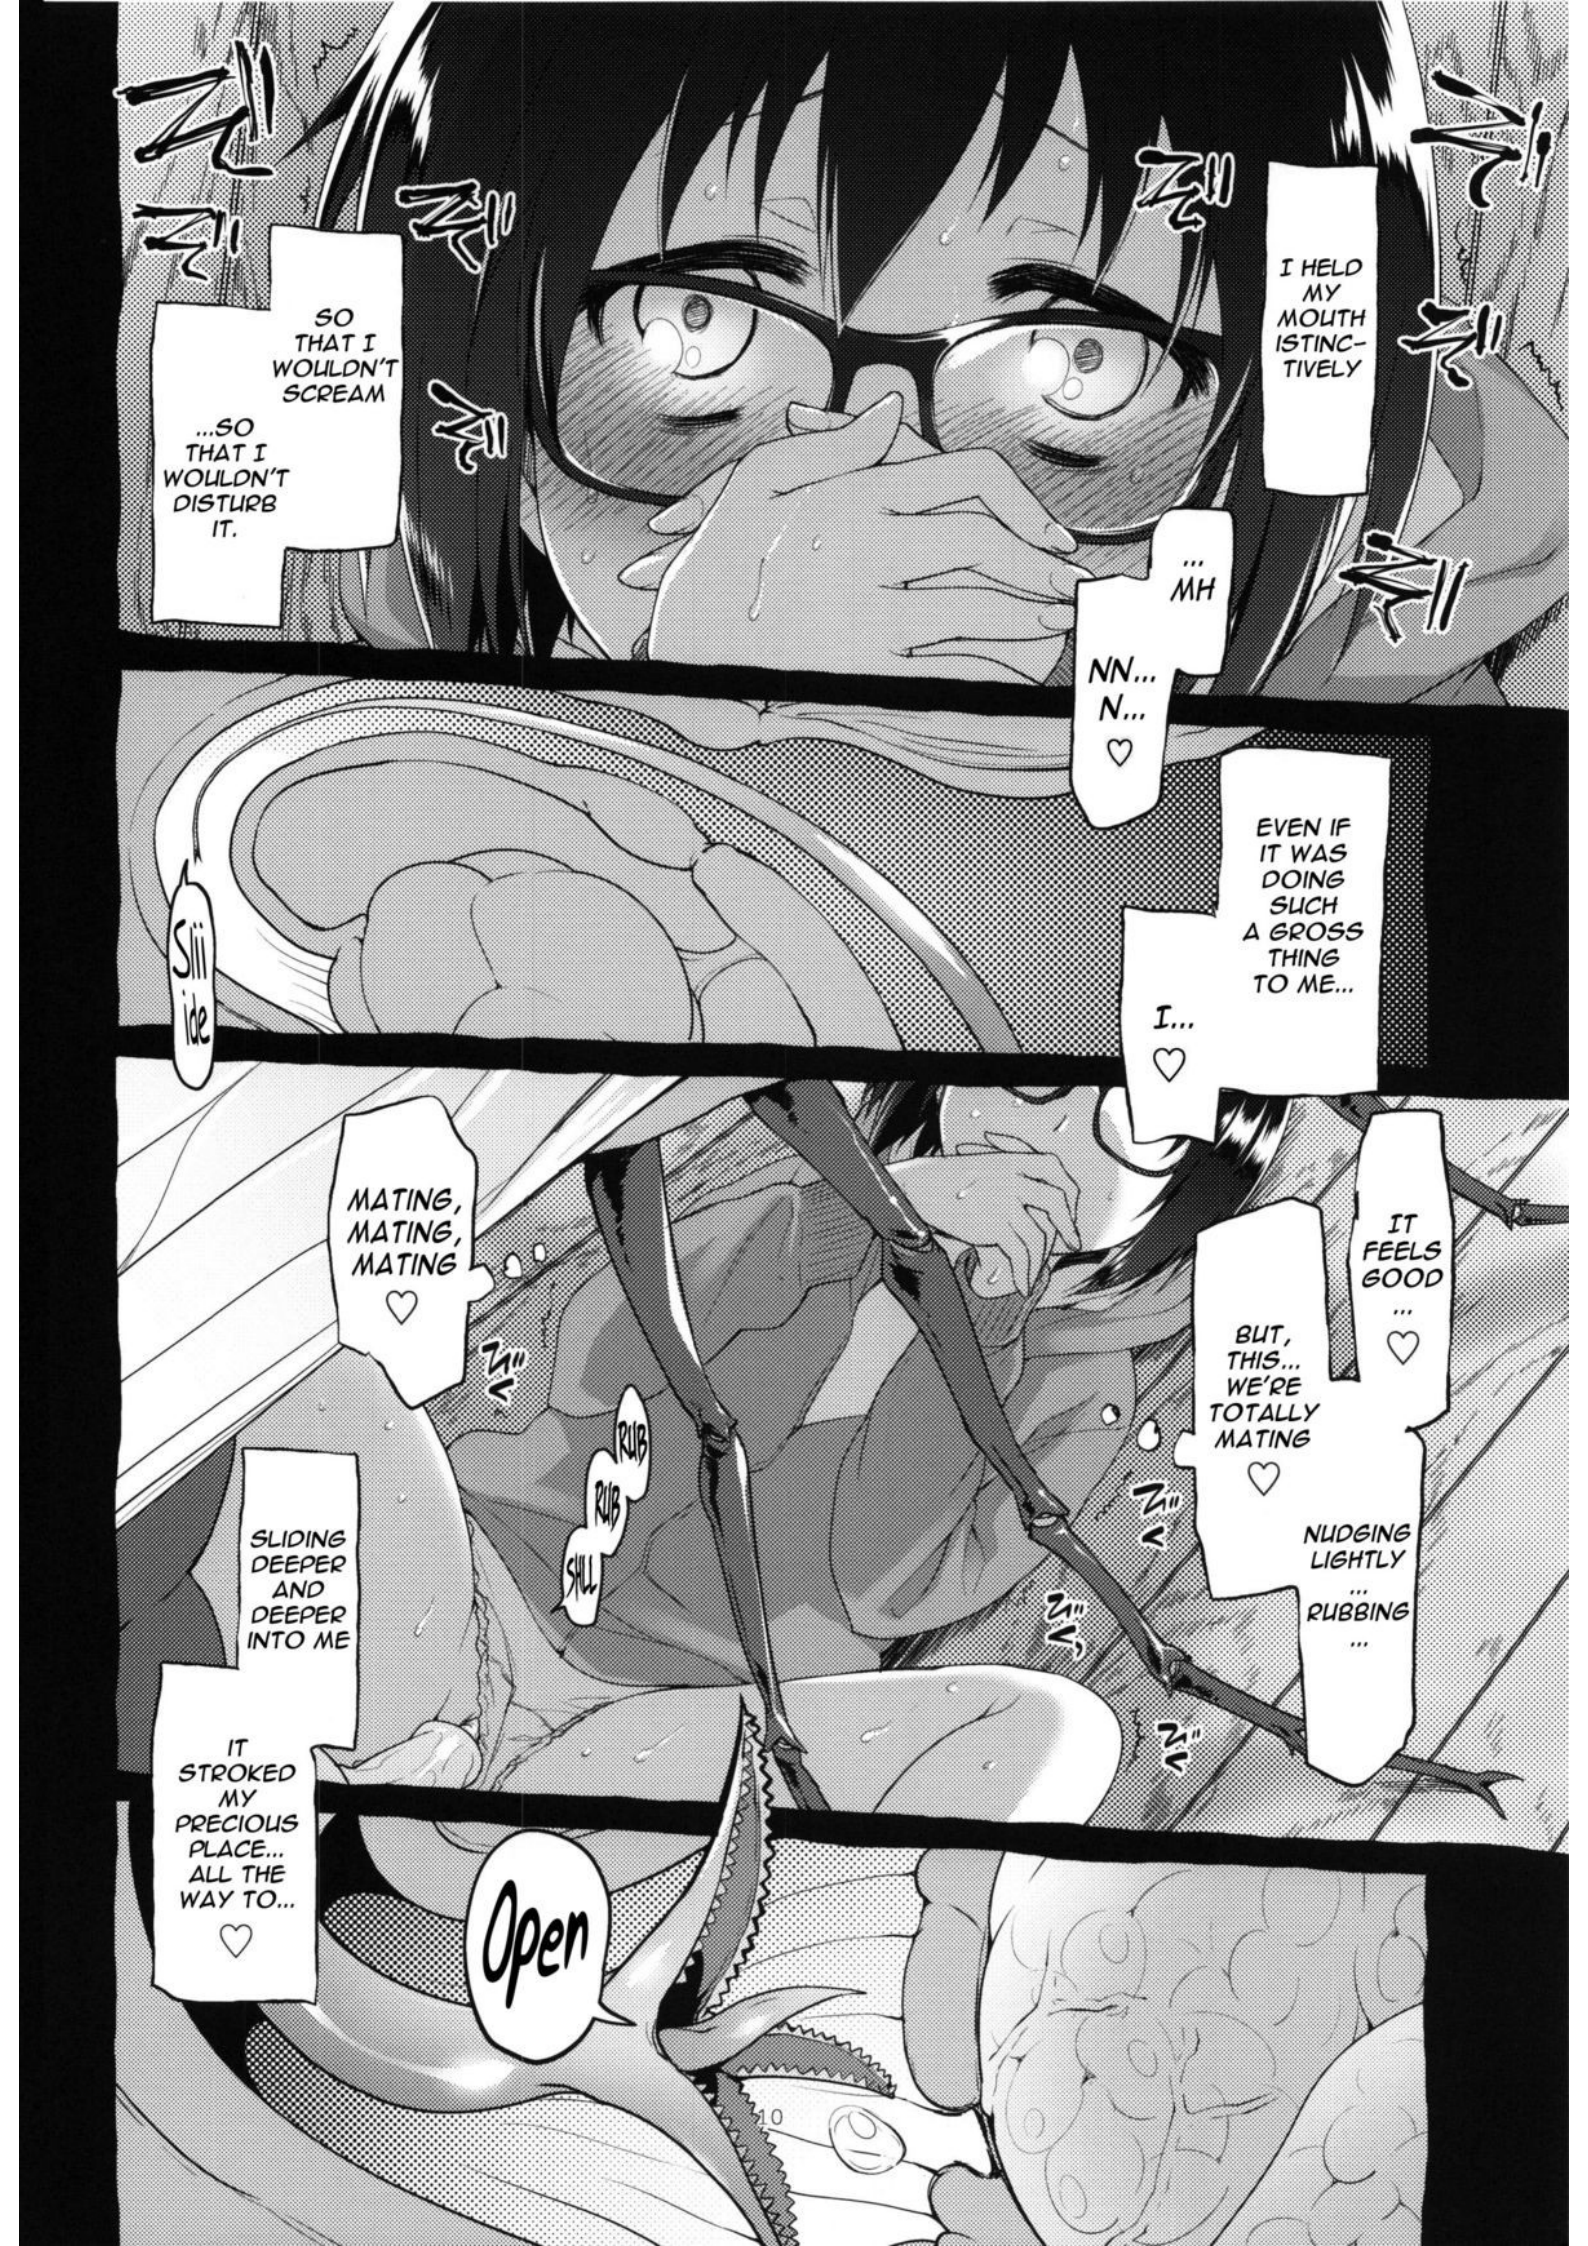

1 YEAR LATER
....AND SO, STARTING TODAY I'LL BE DOING MY ASSIGNMENT AT THE SYMBIOSIS SCHOOL ZONE.
MY NAME'S AOSA MAKO
CLAP
NICE TO MEET YOU ALL.
GOOD, GOOD! THEN, I'LL BEGIN CLASS.
AOSA-SAN, THERE'S STILL SOME THINGS I WANT TO ASK YOU SO PLEASE COME BY THE TEACHER'S ROOM AFTER LESSONS.
WELL THEN, FOR THOSE OF YOU WHO ARE NEW HERE, I'LL START WITH A BRIEF INTRODUC-TION.
ONE YEAR AGO, A SPACE-SHIP FELL UPON OUR COUNTRY
WITH ONLY A SMALL NUMBER OF ALIENS HAVING SURVIVED INSIDE
OUR COUNTRY DECIDED TO OFFER SHELTER AND SUPPORT TO THEM, TREATING THEM AS EQUALS AND FRIENDS OF HUMANITY.

AND SO, TO SUSTAIN THEIR LOW NUMBERS WHO WAS PUTTING THEM ON THE VERGE OF EXCTINCTION
A NUMBER OF APPLICANTS WAS GATHERED AMONG YOUNG PUBESCENT GIRLS TO BE OFFERED AS "MATES" FOR THE SPACE ALIENS.
...ANY MINUTE NOW, THE ALIENS WILL BE FLOCKING HERE TO EVALUATE YOU.
WAIT, SENSEI
ISN'T THE TERM "SPACE ALIENS" DISCRIMI-NATING TODAY?
AAH, YES, YES. THIS WAY OF CALLING THEM WAS QUITE THE PROBLEM.
SO NOW, THEY'RE OFFI-CIALLY...

"FLIES"
1 YEAR AGO
BACK THEN, I WAS MORE CONFUSED THAN SCARED.

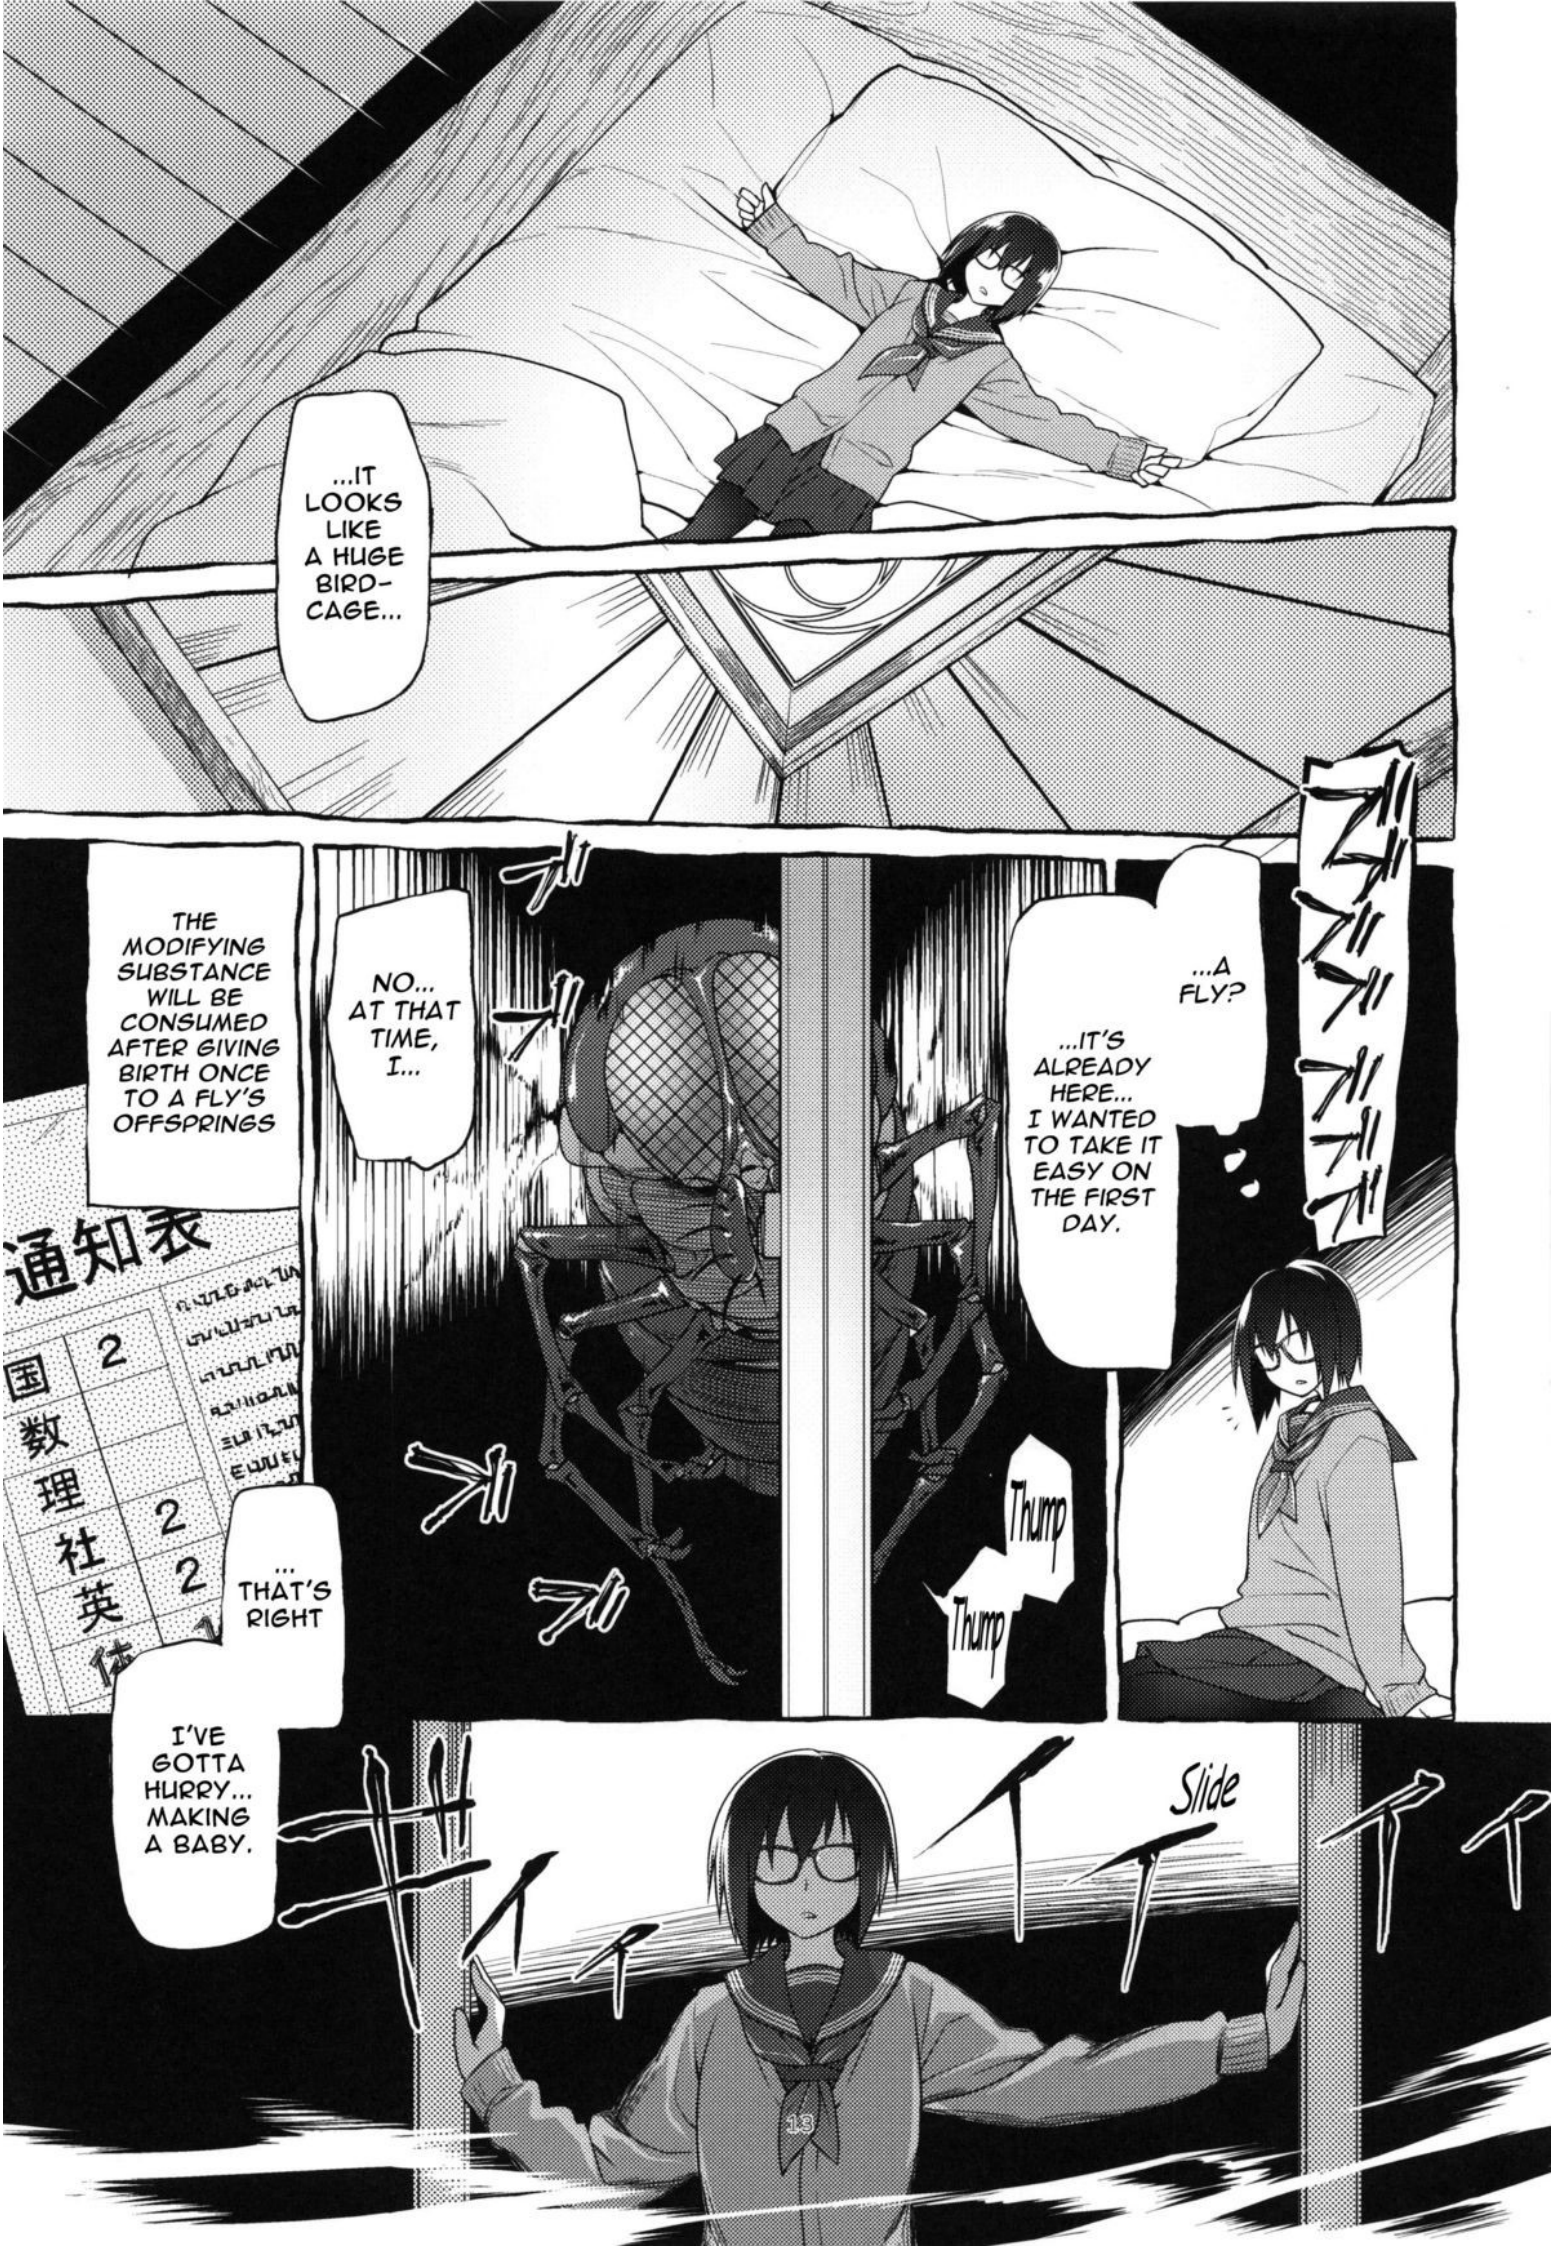

MORE THAN MY OWN ROOM WHO'D SUDDENLY BECOME A MESS
MY EYES COULDN'T TAKE OFF THE DANGLING PENIS OF THE FLY STANDING ON TOP OF ME.
WHAT ARE YOU DOING ..?
I'VE... ALREADY READ IT IN CLASS ...
THAT'S... THE PLACE BABIES COME FROM... RIGHT..?
SNIP
AH! AAH...
IT... IT HURTS ..!
SHLIP
SHLLP
SLLP

MY CHILDISH HOLE HURTED AT ITS FIRST INTRUSION
IT DOESN'T HURT ANY-MORE... IT'S SLIDING IN SO SMOOTHLY ...
AAH... NO WAY... NO WAY
THIS FLY-SAN'S PENIS... RUBBING LIGHTLY, IT'S PUSHING INSIDE...
MY BODY... IT FEELS TINGLY, ACHING .. ♡
BUT AS THE FLY'S MUCUS SMEARED ALONG MY VAGINA, I STARTED FEELING SWEATY
Suu♡up
push

I HELD MY MOUTH ISTINC-TIVELY
SO THAT I WOULDN'T SCREAM
...SO THAT I WOULDN'T DISTURB IT.
...MH
NN... N...♡
EVEN IF IT WAS DOING SUCH A GROSS THING TO ME...
I...♡
Slii ide
IT FEELS GOOD ...♡
BUT, THIS... WE'RE TOTALLY MATING♡
NUDGING LIGHTLY ... RUBBING ...
MATING, MATING, MATING♡
RUB RUB SHLL
SLIDING DEEPER AND DEEPER INTO ME
IT STROKED MY PRECIOUS PLACE... ALL THE WAY TO...♡
Open

THE FLIES PERFORM A SPECIAL TYPE OF SEX WHEN TAKING A FEMALE AS THEIR MATE, THE "OVARIAN COPULATION"
GUESS THAT'S WHAT HE GOT YOU LAST YEAR.
DO YOU KNOW ITS PURPOSE ?
INFIRMARY
RIGHT, RIGHT
IT MODIFIES A GIRL'S STOMACH TO BEAR A FLY'S CHILDREN, RIGHT?
ON THE OTHER HAND, IT BECOMES IMPOSSIBLE TO CONCEIVE A HUMAN CHILD ANYMORE
AND... THE RYTHM OF OVULATION GETS REALLY QUICK, PUTTING A GREAT STRAIN ONTO THE OVARIES...
QUITE SO.

HAVE YOU BEGAN LACTATING?
...I DO, AND...
IT'S... WELL... IT KINDA STARTED SMELLING LIKE CHEESE AS IT GOT OLDER...
THE BOYS WOULDN'T STOP MAKING FUN OF ME...
EVEN IF I THINK YOU SHOULD SEE THIS TO A DOCTOR
THE MODIFYING SUBSTANCE IN YOUR ORGANISM SHOULD BE CONSUMED BY GIVING BIRTH TO A FLY'S OFFSPRINGS, RETURNING YOUR BODY TO NORMAL
Leak
YOU'LL STOP MAKING THIS STRANGE MILK, AND ALSO BE ABLE TO HAVE A MAN'S CHILDREN
OF COURSE, YOUR OVULATION WILL NORMALIZE TOO.
... IS THAT WHY YOU ENROLLED HERE?
... YES.

...IT LOOKS LIKE A HUGE BIRD-CAGE...
...A FLY?
...IT'S ALREADY HERE... I WANTED TO TAKE IT EASY ON THE FIRST DAY.
Thump
Thump
NO... AT THAT TIME, I...
THE MODIFYING SUBSTANCE WILL BE CONSUMED AFTER GIVING BIRTH ONCE TO A FLY'S OFFSPRINGS

THE HIGHER-UPS CONFIRMED THAT THE FLIES ARE ABLE TO UNDER-STAND OUR LANGUAGE AND FEELINGS...
IT'S NO GOOD IF YOU DON'T SET THE MOOD PROPERLY, YOU KNOW?
I KNOW THAT MUCH
PUTTING THAT ASIDE, IT SEEMS YOUR STOMACH'S NOT SWOLLEN UP YET. IS EVERYTHING ALRIGHT?
... EH?
SINCE THE FLIES HAVE A HIGH IMPLANTATION RATE, ONCE TRUE COPULATION STARTS PREGNANCY'S KIND OF ASSURED, YOU KNOW?
IT'S ALREADY BEEN TWO MONTHS SINCE YOU CAME HERE, IT'S STRANGE THAT YOU HAVEN'T SHOWN ANY SYMPTOMS OR EVEN MORNING SICKNESS YET.
....
IT'S ALREADY BEEN THAT LONG?
MH? YEAH
CHRISTMAS AND NEW YEAR BOTH ALREADY PASSED, SETSUBUN WAS OVER RECENTLY TOO
It seems it was fun
....
SAY ...
COULD IT BE POSSIBLE... TO BE CHANGED WITH ANOTHER FLY..?
MMH ?

WELL... SINCE THE FLIES TEND TO BE VERY POSSESSIVE OF THEIR MATES UNTIL WHEN THEY GIVE BIRTH
IF WE WERE TO PAIR YOU WITH ANOTHER, THERE'S NO TELLING HOW THAT'D GO?
...IN SHORT
I CAN'T EXPECT ANY HELP FROM THIS TEACHER ...

GO AHEAD AND ENJOY IT AS MUCH AS YOU LIKE... SPOILING ALL OF A JUNIOR HIGHSCHOOL GIRL'S LIVES... ♡
JUST... BE GENTLE WHILE YOU'RE EATING, OKAY? ♡
MAKE ME FEEL GOOD... OKAY ...?

Background Explanation

SPACE ALIENS
A DISCRIMINATORY TERM.
ONCE HUMANITY WELCOMED THE FLIES AS "*THE BROTHERS WHO ORIGINALLY INHABITED EARTH*"
THE NAME TOOK A DISPREGIATIVE SENSE AND NOW FEWER AND FEWER PEOPLE DARE TO USE IT.

SPACESHIP
IN A DISTANT PAST, THE "*OLD HUMANS*" LEFT EARTH ON A VESSEL TO EXPLORE THE FAR REACHES OF SPACE, TRAVELING FOR MORE THAN 3000 YEARS.
BECAUSE OF THIS, THE SHIP CAN BE SAID TO BE ORIGINALLY HUMAN.
THE ROOMS INSIDE ARE HYPER-SPACED, SEVERAL THOUSAND TIMES BIGGER THAN THE OUTSIDE, AND DESPITE THE MACHINERY HAVING RUSTED AWAY IT'S MADE WITH AN ADVANCED TECHNOLOGY IMPOSSIBLE TO UNDERSTAND BY NOWADAY'S HUMANS.
IN THE EARLY DAYS MANY RESEARCHERS BOARDED THE SHIP IN HOPE OF STUDYING IT, BUT SINCE MOST ROOMS REMAINED LOCKED AND INACCESSIBLE TO ANYONE NOT MANY OF THEM VISIT IT NOW.
HAVING BEEN PUT UNDER PROTECTIVE CUSTODY, NO ONE CAN BREAK IT OPEN TO SEE.

FLIES
THE UNKNOWN LIFEFORMS WHO EMERGED FROM THE SHIP.
BACK IN THE DAYS THERE WERE ONLY 7 OF THEM BUT NOW MORE THAN 10.000 INDIVIDUALS EXIST WITHIN THE COUNTRY. INCIDENTLY, THE TERM "*FLIES*" IS ONLY MEANT TO REFER TO THESE CREATURES AS NORMAL FLIES DOESN'T EXIST IN THE CURRENT EARTH'S STATE.

ACTING AS AN EMBODIMENT OF MALE LUST, THIS SPECIES EVOLVED WITH COPULATION IN MIND, DEVELOPING A STRONG SEXUAL APPETITE AND THE ABILITY TO CROSS-BREED.
BY MODIFYING THE WOMBS OF OTHER LARGE ANIMALS (*COWS, PIGS, HORSES OR HUMANS*) THIS ONLY-MALE RACE COULD INCREASE ITS NUMBERS BY IMPREGNATING OTHER FEMALES, WITH THE RESULTING OFFSPRINGS BEING BORN WITHOUT INHERITING THE TRAITS OF THE MOTHER.
BE IT A COW OR HUMAN, ONLY FLY LARVAES ARE BORN.
AS FOR THEIR IDEAL MATES... THEY DON'T HAVE MUCH STRENGHT, SO MEEK FEMALES EASY TO PLEASURE ARE BEST FOR THEM.

THEIR DIET IS MOSTLY COMPOSED OF DEAD MEAT AND FLUIDS; ONCE THEIR MATE GOES IN HEAT THEY CAN EASILY SUSTAIN THEMSELVES FOR MORE THAN 1 YEAR WITH JUST HER BREAST MILK, VAGINAL JUICES, AMNIOTIC FLUID AND OTHER BODILY DISCHARGES.
STILL, AS THE AMOUNT OF SEMEN RELEASED IS FAR SUPERIOR THAN THE NOURISHMENT TAKEN THEY'VE BEEN KNOWN TO "*FEAST*" ON MEAT DURING THEIR PARTNER-LESS PERIODS.
THEIR FULL REST LASTS ABOUT 2H, WITH THE FLY FOCUSING ABOUT 10H A DAY ON COPULATING WITH THE MATE.

WITH THE FLIES BEING THE ONLY LIVING THINGS STAYING ON THE SPACESHIP, THE QUESTION CAME UP NATURALLY: "*ARE THESE THE OLD HUMANS WHO BUILT IT?*"

THE SCIENTISTS ANNOUNCED THAT THESE BUGS ACTUALLY POSSESSED HIGH INTELLIGENCE AND COULD UNDERSTAND HUMAN LANGUAGE... AS SUCH, HUMANITY WELCOMED THE CREATURES AS THEIR LONG-LOST BROTHERS.
HOWEVER... NONE OF THOSE CHEAP RESEARCHERS DARED TO VIVISECT A FLY.
DESPITE HAVING HUGE HEADS THEIR BRAIN IS ONLY SLIGHTLY BIGGER THAN THE COMMON RAT'S, ACTING SOLELY ON THE DESIRE OF BREEDING. THEY CAN'T UNDERSTAND HUMAN SPEECH EITHER...
BUT BEING HIGHLY SENSITIVE TO THE CHANGES IN THEIR MATE'S BEHAVIOUR, THEY FOUND COPULATION TO BE EASIER IF THEY INCITED STRONG FEELINGS WITHIN THE FEMALE.
BECAUSE OF THIS, THE NOTION OF A "*FLY'S LOVE*" STARTED SPREADING AMONG THE PEOPLE.

IN REALITY, ALL THAT REMAINS OF THE PEOPLE WHO BUILT THE SPACESHIP ARE THE PICKLED BONES LYING DEEP WITHIN THE VESSEL, HAVING BEEN KILLED AND EATEN BY WHAT USED TO BE THE MERE SAMPLES OF PLANTS AND ANIMALS THEY'D TAKEN WITH THEM FROM EARTH.
EVEN IF THEY WERE THE NORMAL FLIES WE KNOW BACK THEN, AFTER MORE THAN 1000 YEARS OF EXPOSURE TO THE STRONG GALACTIC RAYS THEY'D MUTATED INTO THEIR PRESENT SIZE, WITH THEIR GENITALS ALSO DEVELOPING ABNORMALLY FROM THE COMMON FLY.
(*THIS WILL BE TOUCHED ON A SEPARATE SECTION*).

OLD HUMANS
THE ANCIENT PEOPLE WHO BUILT THE SPACESHIP.
DESPITE HAVING MORE THAN 100.000 INDIVIDUALS ON BOARD, DURING THOSE 1000 YEARS AFTER THE FLIES DEVELOPED THEIR ABILITY TO CROSS-BREED ALL OF THEIR WOMEN EVENTUALLY FELL TO FOLLICLE LOSS BY COPULATING WITH THEM, LEADING TO THE FLIES REVOLTING AND EATING THE ENTIRE SHIP'S CREW.
THE "OLD HUMANS" HAD THE POWER TO STOP THIS BEFORE IT GOT OUT OF HAND, BUT COULDN'T, AS THE FLIES WERE A VALUABLE SOURCE OF ENTERTAINMENT FOR THOSE WOMEN CONSTANTLY TRAPPED IN A TIGHT-SEALED ENVIRONMENT.
ACTING LIKE A DRUG TO THEM, IT WAS ONLY A MATTER OF TIME BEFORE ALL OF THE SHIP'S WOMEN HAD THEIR HEARTS RULED BY THE FLIES.

FEARING THAT UPON THEIR RETURN HUMANITY COULD HAVE EVOLVED INTO A BARBARIAN, WARMONGER RACE, THE SPACE TRAVELERS LEFT A COUNTERMEASURE TO AVOID IT.
THAT IS, THE "RESPECT THOSE FROM THE STARS - RESPECT THE OLD HUMANS" MESSAGE.
BY IMPRINTING THEM WITH A MESSAGE ON THE GENETIC LEVEL, THE SPACE TRAVELERS MADE SURE THAT UPON THEIR RETURN THE EARTHLINGS WOULD NATURALLY BELIEVE:

"THESE ARE OUR ANCESTORS, RETURNING FROM THE STARS WITH A MUCH HIGHER INTELLECT AND CONSCIENCE THAN US"
"WE EARTHENS SHOULD WELCOME AND ACCEPT THE OLD HUMANS AS OUR BROTHERS".

THUS, WITH THE "FLIES" BEING THE ONLY LIVING BEINGS LEFT ON THE SHIP, THEY WERE QUICKLY AND CORDIALLY WELCOMED AS HUMANITY'S ENLIGHTENED ANCESTORS.

JAPAN
THE COUNTRY IN WHICH THE SPACESHIP LANDED.
IT WAS THE GOVERNMENT WHO PROPOSED AND PROMOTED FOR "HUMAN/FLY REPRODUCTION" AND THE ESTABLISHMENT OF "SYMBIOSIS SCHOOLS", FOR THE PURPOSE OF "COPULATION, BONDING AND CHILD-BEARING BETWEEN FLIES AND YOUNG GIRLS IN PUBERTY".
MANY FOREIGN COUNTRIES DECIDED IT TO BE AGAINST THE LAW TO ENGAGE IN SEXUAL INTERCOURSES WITH A FLY, AND EVEN WHEN NOT, IT'S STILL TACITLY A TABOO... BUT AS THE RESULTING OFFSPRINGS WERE BORN MUCH HEALTHIER AND STRONGER THAN WITH DOMESTIC CATTLE, THE PRACTICE SIMPLY BECAME A PART OF JAPANESE CULTURE.

DESPITE ONLY A FEW FLIES INHABITING EACH CITY, IT'S NOT UNCOMMON TO HEAR OF WOMEN ENDING WITH CHILDBIRTH AFTER HAVING HAD A SEXUAL RELATIONSHIP WITH A STRAY ONE.
SUCH UNIONS ARE SEEN AS A FORM OF DEGENERATION WITHIN THE COUNTRY, NOT THAT UNLIKE HOMOSEXUALITY, AND AS SUCH THEY DON'T PARTICULARLY BOTHER THE CITIZENS.

SYMBIOSIS SCHOOL
A BOARDING SCHOOL FOR THE PURPOSE OF PROCREATION AND DELIVERY OF A FLY'S CHILDREN.
ONLY SCHOOLGIRLS "ON SPECIAL TRANSFER" ARE PRESENT HERE, WITH AN AVERAGE OF 50-100 STUDENTS WITHIN EACH INSTITUTE.
THAT BEING SAID, EVEN IF IT'S CALLED A "BOARDING SCHOOL" THE ROOMS ARE UNUSUALLY BIG FOR SUCH A SMALL NUMBER OF STUDENTS: EVERY GIRL GETS A BIG, PRIVATE LOFT WITH HIGH CEILING TO COVER ALL NECESSITIES, A KITCHEN AND BATHROOM WITH SHOWER AND TUBE.
ALL IN ALL, THEY LOOK MORE LIKE SMALL APARTMENTS THAN THE ROOMS OF A DORMITORY.
THESE BIG SPACES ARE A NECESSITY AS ONCE THE MATING STARTS IT BECOMES IMPOSSIBLE FOR THE GIRL TO LEAVE OR EVEN ATTEND CLASS, BASICALLY LIVING TOGETHER WITH THE FLY.

THERE ARE ABOUT 1-2 "TEACHERS" IN CHARGE OF THE STUDENTS, WITH THE REST OF THE STAFF COMPRISED BY A NUMBER OF JANITORS AND OFFICE WORKERS.
ALTHOUGH THESE "TEACHERS" TAKE THE DUTY OF INSTRUCTING THE GIRLS IT'S OBVIOUSLY DIFFICULT FOR A SINGLE PERSON TO MANAGE ALL SUBJECTS ALONE, FOR WHICH REASON OUTSIDE LECTURERS ARE OFTEN EMPLOYED AS VICE-TEACHERS.
SINCE A SYMBIOSIS' SCHOOL COURSES DIFFER GREATLY FROM A REGULAR ONE, THE VICE-TEACHER DOESN'T DO THE CUSTOM GREETING LIKE A COMMON ONE WOULD.

SPECIAL TRANSFER
IN SHORT, WHEN A GIRL MOVES TO A SYMBIOSIS SCHOOL.
STUDENTS NEED TO VOLUNTEER TO ENROLL, AND AFTER AT LEAST ONE YEAR OF ATTENDANCE (OVARIAN COPULATION MUST BE DEALT WITH) THEY'RE RETURNED TO THEIR ORIGINAL SCHOOLS.

JUNIOR HIGH STUDENT
FOR SOME REASON THE FLIES SEEM TO FIND THE MOST SEXUALLY ATTRACTIVE THOSE FEMALES WHO JUST RECENTLY DEVELOPED THEIR SECONDARY SEX CHARACTERISTICS...
IN A WORD, GIRLS BETWEEN 13-17 YEARS OLD. A MISTERY?

OVARIAN COPULATION
A UNIQUE TYPE OF MATING DONE BY THE FLIES WITH THEIR CHOSEN PARTNER.
BY INJECTING ITS MATE'S WOMB AND OVARIES WITH A SPECIAL SUBSTANCE, THE FLY PROVOKES A CHROMOSOME SHIFT WITHIN THE FEMALE'S BODY AND AN ABNORMAL RATE OF OVULATION.
UNLESS THIS PROCESS IS CARRIED OUT IT'S IMPOSSIBLE FOR A HUMAN TO BEAR A FLY'S OFFSPRINGS.
(FERTILIZATION CAN STILL TAKE PLACE, BUT SINCE THE CHROMOSOMES ARE INCOMPATIBLE WITH THE MOTHER'S WOMB THE FERTILIZED EGGS ARE UNABLE TO IMPLANT AND DIVIDE, FLUSHING OUT NATURALLY WITH HER PERIOD)

THE CHANGE TAKES A NUMBER OF HOURS/DAYS TO COMPLETE, AFTER WHICH THE FEMALE BECOMES STERILE TO A MAN'S SEED. HER BREASTS START SWELLING AND LACTATING, PRODUCING A GRAYSH, STICKY MILK THAT KINDA SMELLS LIKE CHEESE OR NATTO.
SINCE THIS TREATMENT GREATLY ENHANCES OVULATION, THERE'S BEEN THOUGHTS OF USING IT TO HELP NATURALLY INFERTILE WOMEN.

TO AN OUTSIDE OBSERVER THIS TYPE OF COPULATION LOOKS REALLY QUIET, WITH THE BUG'S PENIS JUST STANDING STILL AGAINST THE GIRL'S GENITALS, BUT IN REALITY A THIN TENTACLE IS EXTENDING FROM THE TIP OF THE PENIS ALL THE WAY DOWN THE GIRL'S WOMB AND OVARIES.
THIS ACT WOULD BE DANGEROUS IF SHE WERE TO STRUGGLE, SO THE TENTACLE SECRETES A MUCUS TO LOOSEN UP THE VAGINAL WALLS AND RELAX THE FEMALE. FOR THIS REASON, VERY FEW WOMEN PUT UP A BIG RESISTANCE AGAINST THIS MATING.

THE INJECTION HURTS AT FIRST, BUT AS THE TENTACLE BUSIES ITSELF INSIDE THE GIRL'S STOMACH THE SENSATION BECOMES STRANGELY ODD AND COMFORTABLE. CARESSING HER INTERNAL ORGANS AS THEY CHANGE INTO EROGENOUS ZONES, THE GIRL IS SLOWLY BROUGHT TO ORGASM.
THIS STIMULATION IS WEAKER THAN WITH TRUE COPULATION, BUT THROUGH THIS ACT THE FEMALE IS GRADUALLY MADE ACCUSTOMED TO HER PARTNER'S PENIS.
LOST IN A DROWSY, HALF-ASLEEP STATE, IT'S SAID THAT MANY GIRLS WATCHED LOVINGLY AS THEIR MATES RESHAPED THEM FOR IMPREGNATION.

FOLLICLE LOSS
SINCE THE OVARIAN COPULATION PUTS THE OVARIES INTO A GREAT EFFORT TO ENSURE A RAPID PRODUCTION OF THE EGGS, IT'S SAID THAT A GIRL WOULD DEPLETE ALL HER RESERVES IN ABOUT 10 YEARS.
STILL, AS A NUMBER OF WOMEN HAS BEEN REPORTED TO HAVE INCURRED IN FOLLICLE LOSS ALREADY WITHIN THEIR FIRST YEAR, THE EXACT TIMEFRAME IS UNKNOWN.
(IT'S POSSIBLE THAT THE CONSUMPTION VARIES GREATLY DEPENDING OF THE GIRL'S PHYSIQUE)

FEASTING
AFTER THEIR MATES EXHAUSTED ALL THEIR EGGS (FOLLICLE LOSS) SOME FLIES HAD THE HABIT OF LIFTING THEM HIGH INTO THE SKY, LETTING THEM DROP DOWN TO DEATH AND THEN FEASTING ON THE SOFTENED, ROTTED REMAINS.
THIS CAUSED A BIG CONTROVERSY AMONG THE NATIONS, BUT JAPAN DIDN'T FEEL THE RIGHT TO PROSECUTE ALL THE FLIES FOR THE ACTIONS OF SOME INDIVIDUALS.
THEY'VE ALSO BEEN KNOWN TO FEAST THROUGH CANNIBALISM AS THE FOOD SOURCES ON THEIR SHIP RAN OUT.

HYPER-SENSITIVITY
ONCE A FLY IS DONE INJECTING HER PARTNER'S OVARIES THE GIRL'S WOMB FLOODS ITSELF IN A VISCUOUS LIQUID, TURNING INTO AN EROGENOUS ZONE WITH A LEVEL OF SENSITIVITY SAID TO BE AS GENTLE AND PRECISE AS THE PALM OF ONE'S HANDS.
THIS TERM GENERALLY APPLIES TO GIRLS WHOSE BODIES HAVE BEEN MODIFIED.

TRUE COPULATION
THE ACT DONE BY THE FLIES AFTER THEIR MATES' WOMBS CHANGED WITH THE OVARIAN COPULATION.
IT CORRESPONDS TO "SEX" BETWEEN HUMAN BEINGS.
WITH HER GENITALS STRONGLY STIMULATED BY THE PENIS THAT PUSHES WHOLLY IN THE VAGINA, FOR THE GIRL BOTH SEXUAL INTERCOURSE AND INSEMINATION AREN'T MUCH DIFFERENT FROM A MAN'S.
THE EJACULATION IS OF ABOUT 40ML. WHILE NOT PARTICULARLY NOTEWORTHY FOR A SINGLE MATING, THE NUMBER OF TIMES A FLY CAN COPULATE EACH DAY KNOWS NO MATCH IN NATURE.
SINCE THE POWER IS ALSO INTENSE, VERY FEW FEMALES TRY TO OPPOSE IT.

BETWEEN HUMAN BEINGS THE RATE OF IMPLANTATION IS OF ABOUT 20%, BUT WITH TRUE COPULATION IT JUMPS TO AN ALMOST 90%. THEREFORE, FERTILIZATION AND IMPLANTATION IS OFTEN ACCOMPLISHED BY THE VERY FIRST INTERCOURSE.

SINCE WITH THE OVARIAN COPULATION MORE THAN 10 OVUMS ARE PRODUCED ALL AT ONCE A BATCH OF ABOUT 8-14 FERTILIZED EGGS IS OBTAINED WITH EACH COPULATION, WITH IMPLANTATION FOLLOWING SOON AFTER.
ALL IN ALL, THEIR HIGH FREQUENCY OF MATING IS MORE FOR THE FLIES' OWN ENTERTAINMENT THAN TO ENSURE PREGNANCY: TO THEM, SEX IS A WAY TO OBTAIN PLEASURE BOTH PHYSICALLY AND MENTALLY, SO MOST FLIES TEND TO BECOME OBSESSED WITH SEX.
EXPECIALLY TRUE COPULATION, AS THE PLEASURE DERIVED IS PARTICULARLY STRONG, SOME "VIOLENT" TYPES HAVE BEEN KNOWN TO KEEP THEIR MATES LOCKED IN COPULATION FOR ENTIRE DAYS WITHOUT SHOWING ANY CARE FOR FOOD OR SLEEP.
THERE'S ALSO BEEN REPORTS OF "SMART" INDIVIDUALS WHO'VE BEEN USING THEIR TENTACLES AS A FORM OF BIRTH-CONTROL, FEASTING ON THEIR MATE'S FERTILIZED EGGS.

WOMB COPULATION
AS THE GIRL'S WOMB FLOODS IN AMNIOTIC FLUIDS TO ACCOMPANY THE GROWTH OF THE BABIES, THE FLY INSERTS ITS FEELER INSIDE HER UTERUS TO DRINK IT, GRADUALLY REPLACING IT WITH ITS OWN PEE: SINCE ITS SPECIFIC WEIGHT IS LIGHTER THAN THE AMNIOTIC FLUID, THE BURDEN ON THE MOTHER ACTUALLY BECOMES EASIER.
IT SEEMS THE FLIES' BABIES ARE WEAKER THAN A HUMAN'S AND REQUIRE A STABLE, LIGHT-WEIGHT ENVIRONMENT TO GROW UP SAFELY.
DESPITE THIS ACT OPENING A HOLE IN THE AMNIO THERE'S NO RISK OF MEMBRANE RUPTURE, AS THE CONNECTED FEELER REMAINS COATED IN MUCUS FOR THE WHOLE THREE MONTHS BETWEEN IMPLANTATION AND BIRTH.
MOREOVER, SINCE EACH PREGNANCY INVOLVES 10 OR MORE EMBRYOS IT'S QUITE COMMON FOR THE UNBELICAL CORDS TO TANGLE, REQUIRING THE FEELER TO SOLVE ALL THE KNOTS.

SINCE THE MATE ISN'T ALLOWED TO LEAVE THE FLY'S SIDE FOR THE THREE MONTHS OF PREGNANCY, IT'S RECOMMENDED FOR THE GIRL TO KEEP DRINKING THE FLY'S ORAL JUICES AS THEY'RE HIGHLY CALORIC AND NUTRIENT AND A GOOD NOURISHMENT FOR THE FETUSES.
IT'S ALSO ADVISED TO PROACTIVELY SEEK THE KISSING, SINCE THE FLIES LOVE IT AND IT WORKS WELL TO KEEP THEM IN A GOOD MOOD.
WHILE IN THIS STATE THE GIRLS ARE INCAPABLE OF STUDYING, SO THEY'RE EXEMPT FROM FREQUENTING CLASSES AND EXAMS.

DELIVERY COPULATION
WITH THE FLY'S TENTACLE STAYING INSIDE THE GIRL'S STOMACH FOR WOMB COPULATION, AS BIRTH GETS CLOSE THE FLY RUMMAGES IT INSIDE THE GIRL'S WOMB TO PROVOKE MEMBRANE RUPTURE AND INDUCE LABOUR.
DESPITE BEING SOMEWHAT PAINFUL TO THE GIRL THE DELIVERY IS SAID TO BE A LOT EASIER TO HANDLE THAN WITH HUMAN BIRTH, WITH HER JUST HAVING TO RELAX AND LET THEM OUT.
BECAUSE OF THIS THE CHANCES OF MATERNAL DEATH ARE BASICALLY NON-EXISTANT, AND IF YOU ADD TO IT THE CONSIDERABLE PLEASURE THAT THE MOTHER EXPERIENCES THROUGH GIVING BIRTH, MANY WOMEN BECOME ADDICTED TO DELIVERING A FLY'S CHILDREN.

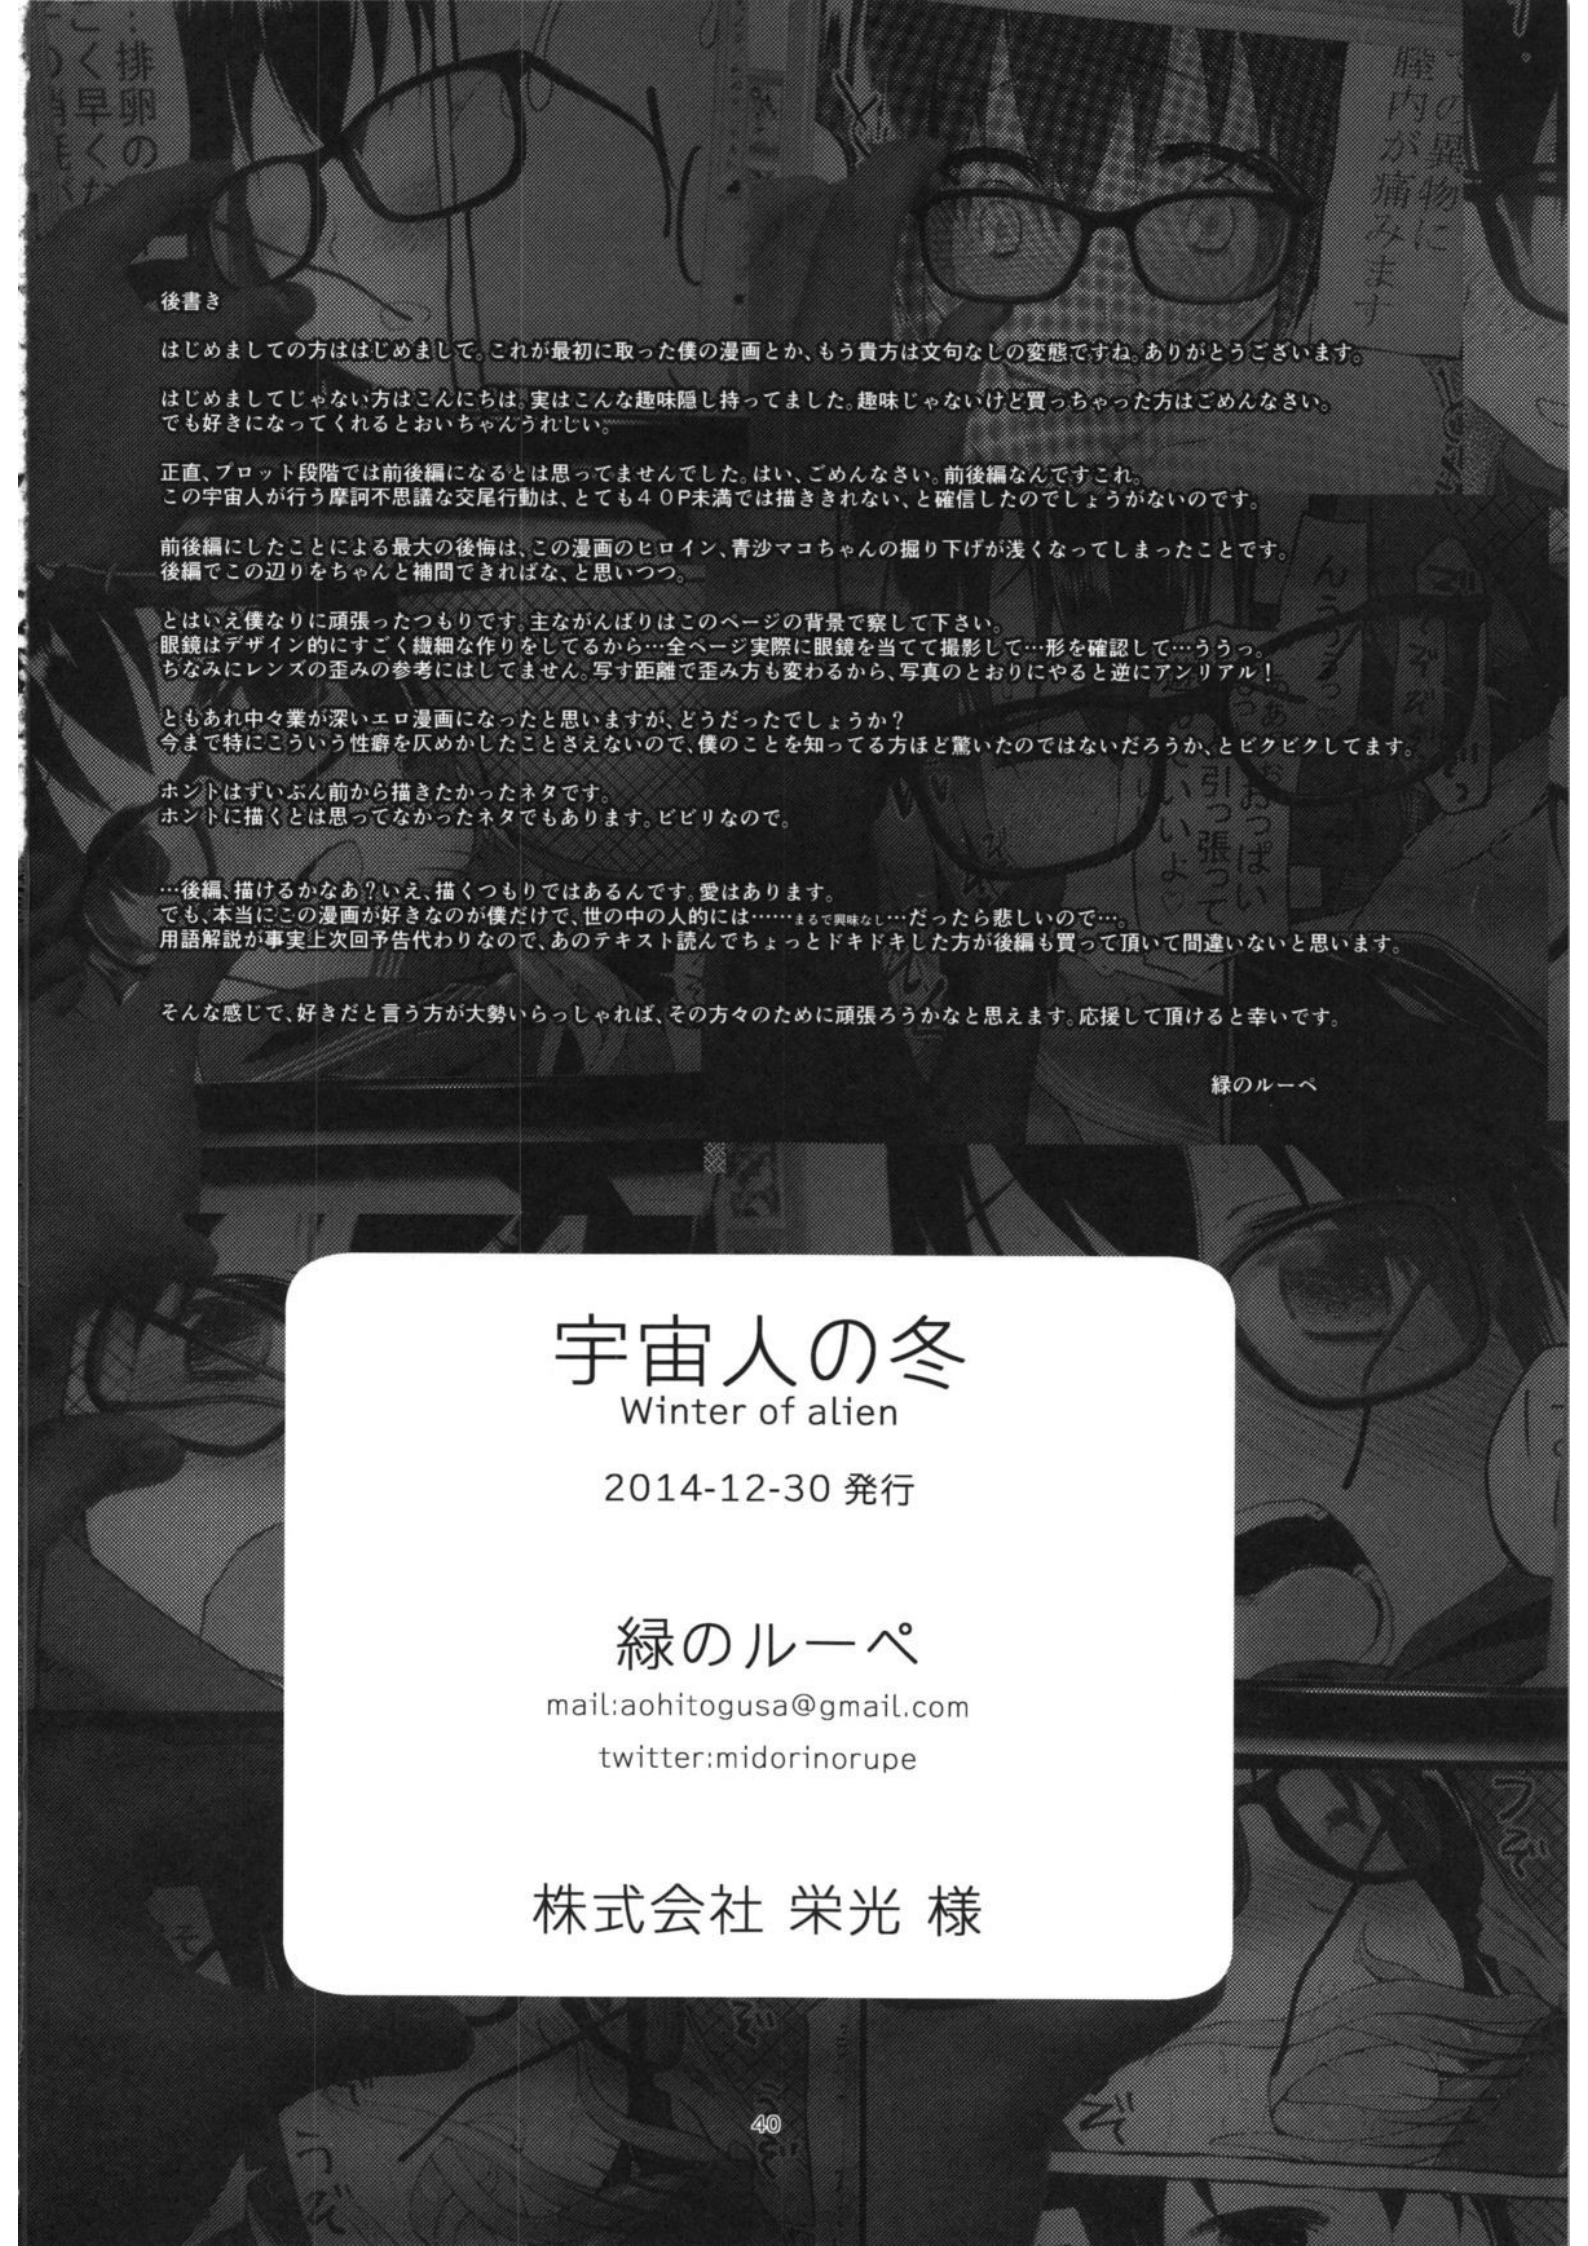

IN CASE OF MISCARRIAGE THE FLY'S TENTACLE MAKES SURE TO DISPOSE OF THE STILLBORNS AS GENTLY AS POSSIBLE SO NOT TO INJURE THE BODY OF THE MOTHER, WITH THEM HAPPENING TO BE THE BEST KIND OF MEAT FOR THE PARENT TO FEAST ON.
THE AVERAGE NUMBER OF BABIES BORN FROM EACH PREGNANCY IS 9, ABOUT 10-15CM LONG AND 4-5CM'S WIDE.

MOST OF THE CHANGING SUBSTANCE GETS EXPELLED WITH THIS ACT, SO AS LONG AS THE GIRL TAKES CAUTION NOT TO HAVE SEX WITH A FLY AGAIN HER BODY WILL SLOWLY RETURN TO NORMAL WITHIN 6 MONTHS... ALTHOUGH THE EXACT DETAILS ARE STILL A MISTERY.

HOWEVER, THIS DOESN'T INCLUDE THE SEXUAL FEELINGS THAT GOT AWAKENED BY COPULATING WITH THE FLY.
(MOST STUDENTS APPLYING FOR SPECIAL TRANSFER MISTAKENLY BELIEVE THAT THESE DESIRES WILL ALSO DISAPPEAR WITH BIRTH, BECOMING SEVERELY FIXATED ON THEM LATER ON).

BECAUSE OF THIS, ALMOST 100% OF THE GIRLS WHO EXPERIENCED BIRTH END UP RETURNING TO BREED AGAIN WITH THE FLIES WITHIN HALF A YEAR.

後書き

はじめましての方ははじめまして。これが最初に取った僕の漫画とか、もう貴方は文句なしの変態ですね。ありがとうございます。

はじめましてじゃない方はこんにちは。実はこんな趣味隠し持ってました。趣味じゃないけど買っちゃった方はごめんなさい。
でも好きになってくれるとおいちゃんうれしい。

正直、プロット段階では前後編になるとは思ってませんでした。はい、ごめんなさい。前後編なんですこれ。
この宇宙人が行う摩訶不思議な交尾行動は、とても４０P未満では描ききれない、と確信したのでしょうがないのです。

前後編にしたことによる最大の後悔は、この漫画のヒロイン、青沙マコちゃんの掘り下げが浅くなってしまったことです。
後編でこの辺りをちゃんと補間できればな、と思いつつ。

とはいえ僕なりに頑張ったつもりです。主ながんばりはこのページの背景で察して下さい。
眼鏡はデザイン的にすごく繊細な作りをしてるから…全ページ実際に眼鏡を当てて撮影して…形を確認して…ううっ。
ちなみにレンズの歪みの参考にはしてません。写す距離で歪み方も変わるから、写真のとおりにやると逆にアンリアル！

ともあれ中々業が深いエロ漫画になったと思いますが、どうだったでしょうか？
今まで特にこういう性癖を仄めかしたことさえないので、僕のことを知ってる方ほど驚いたのではないだろうか、とビクビクしてます。

ホントはずいぶん前から描きたかったネタです。
ホントに描くとは思ってなかったネタでもあります。ビビリなので。

…後編、描けるかなあ？いえ、描くつもりではあるんです。愛はあります。
でも、本当にこの漫画が好きなのが僕だけで、世の中の人的には……まるで興味なし…だったら悲しいので…。
用語解説が事実上次回予告代わりなので、あのテキスト読んでちょっとドキドキした方が後編も買って頂いて間違いないと思います。

そんな感じで、好きだと言う方が大勢いらっしゃれば、その方々のために頑張ろうかなと思えます。応援して頂けると幸いです。
