Nii-sama's
fingers
feel so
good ♥

Shamuran
is a Scylla
girl, with
the top
half of a
human and
the bottom
half of an
octopus.

When
she's in
heat,
she
spreads
her many
tentacles
and comes
looking for
attention.

You're so
perverted,
Nii-sama ♥

My cute
little
sister
is very
perverted.

Her weak spot is the opening of her womb.

Her pussy is so very sensitive that she cums repeatedly, her fluids gushing out.
