«Shiika»

A third-year student at a famous girls' high school.

Applying for a college of music.

A person who has been endowed with everything except confidence.

Co-workers with Kunitoshi.

«Kunitoshi»

A second-year student at a public high school.
Despite his appearance, he's a considerate person.

His favorite beer brand is Hoegaarden.

Co-workers with Shiika.

☆Starring

«Reiri»

A second-year student at a public middle school. Swimming club.

Perhaps because she's a hedonist brimming with curiosity,
she spends her time studying entirely different things
than Kunimitsu does.

«Kunimitsu»

A first-year student at a certain prep school.

A flawlessly smart pervert.

Drawn by his brother's recommendation and the hourly wage,
he works as Reiri's private tutor.
