She left me in charge of the house. It seems everyone's gonna be home late today.

No way...

Whuh?!

Kohei-Oniichan is a nineteen year old boy who lives next door to us. He's also my big sister's childhood friend.

Yo! You're looking rather spirited today. Your mom went out, y'know?

What's wrong?! Why'd you burst into tears?

Huh?!

Kobuhei's gonna die~!!

What am I gonna do...?!

A dog, huh...? Your old lady's not the biggest fan of animals...

There was an abandoned puppy and... and...

I know!

Please?

I'll never ask you for anything ever again!!

Can you keep Kobuhei instead of me?

Mh?

Onii-chan! ♡

What if I take care of walking Kobuhei? ♡

Please!

Anzu's already in the third grade...

This girl has started showing some hints of womanhood recently...

Onii-chan! ♡

They're tiny, but you can still tell they're there...

Plus, dog food isn't free...

This is a little sudden. Keeping a pet is hard work, you know?!

Fine! I'll keep him!!

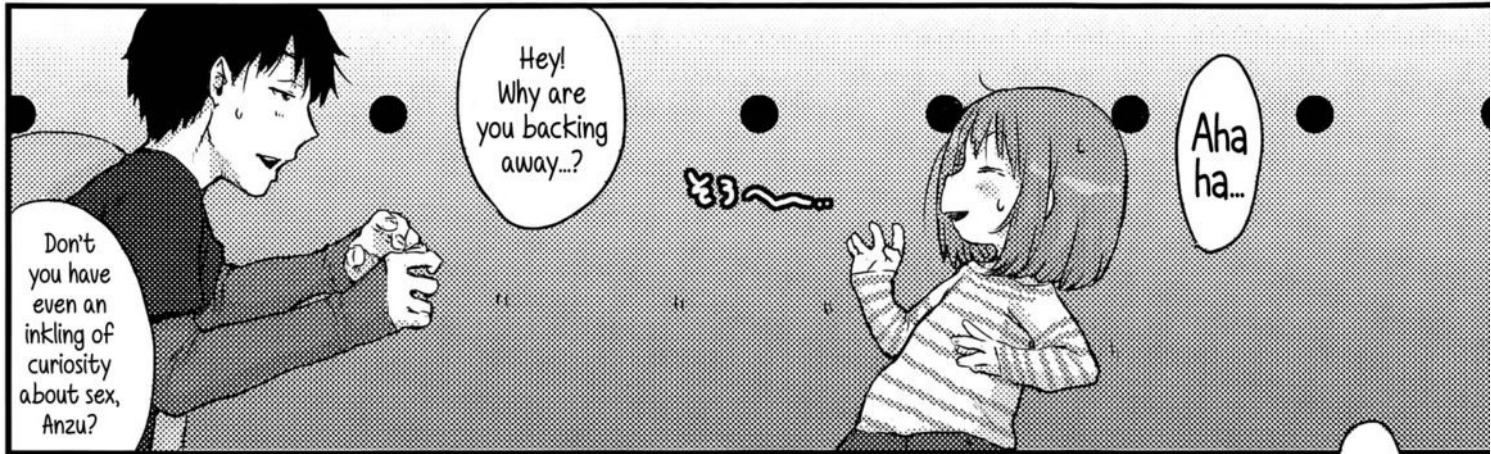

Re... Really?! Yay!! ♡

On one condition...

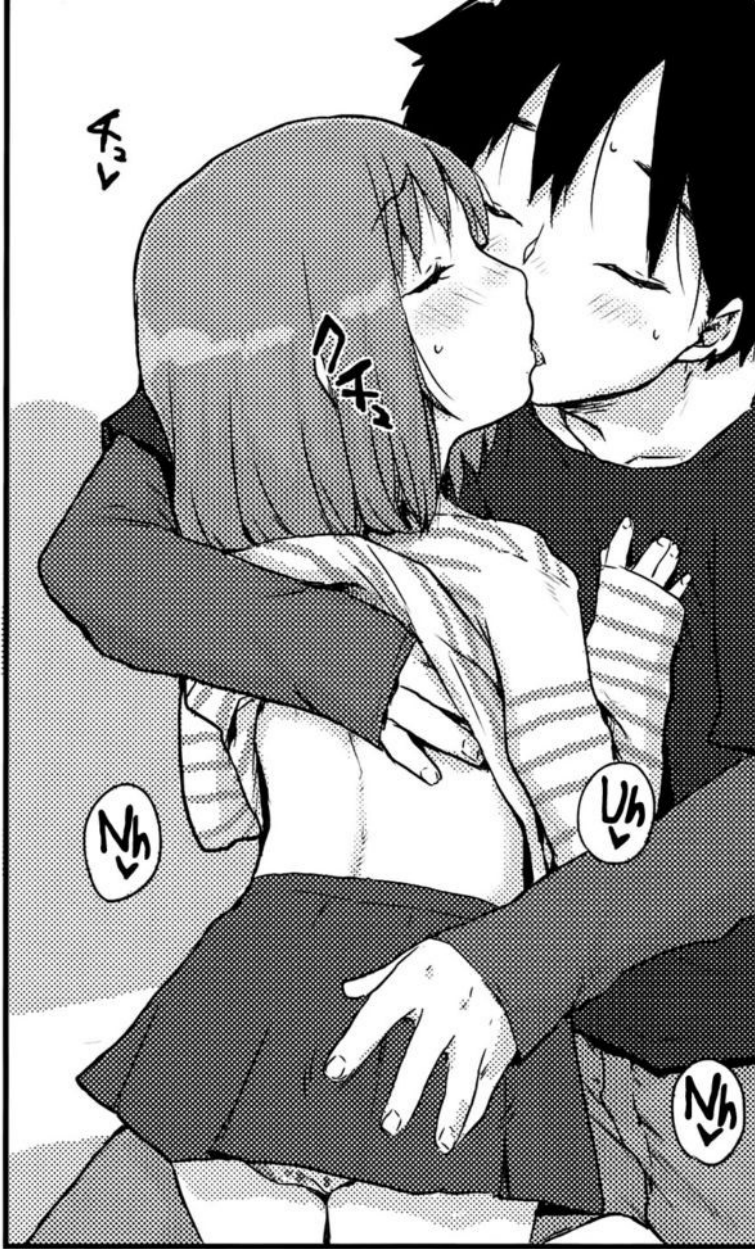

Only one thing to do!

My mind went to weird places and now I have a boner.
