

That night,

I bought a candy apple and hurried back there.

But I was too late, and the girl was gone.

Hey, Kouta!
Don't move
so suddenly!

Wha-

Wha-

?

Wha-

That was
dangerous,
I nearly bit
your penis
off.
♡

Wha-!

Aaaaah! the Present Master♡
あああああっ!
ご当主さまっ 2

My fortitude has already passed the limit, reaching new levels unknown to humanity

It's been two months since I moved to Tokyo.

Y-You're making one hell of an expression.

seeee-

Whoa.

Yooooo-

Yo-
Kouta-

Suzuri-sama has been testing my fortitude in every way.

Kouta!
I'll wash your back for you!

Suzuri-sama has been coming on night raids and early morning surprise attacks...

Things like what happened today are only the beginning.

Ever since suddenly appearing that day...

She declared, "A husband and wife should live in the same place", and just like that, she settled into my new home.

What...
should
I do...

But...

I don't hate
Suzuri-sama
for it, of
course...

If it's what
Suzuri-sama
desires,
I'm willing
to let my
desire take
over.

I've already
done it
once before
anyway...

I mean I
managed to
sneak past
his embar-
rassment
by pursuing
him this
way and
that, but...

Why
won't
he make
love to
me!?

I can't
understand
it!

There's
a limit to
how much
a woman
can make
advances!

Sneak
past his
embar-
rassment?

He even
sought
me so
vigorously
back at
the estate!

...Sigh.

It's called...

So I came up with an idea.

Even with my charm, I understand that it can be intimidating.

Certainly, I've been a little bit forceful recently...

Unfortunately Suzuri-sama..

Recently...?
○ A little bit...?

I know.
You're going to say "Men are delicate", right?

It's long been said..

"The tongue is the key to the heart".

Um...

...

No, um...

Fuhahahaha-hahahahaha!

Easy victory!

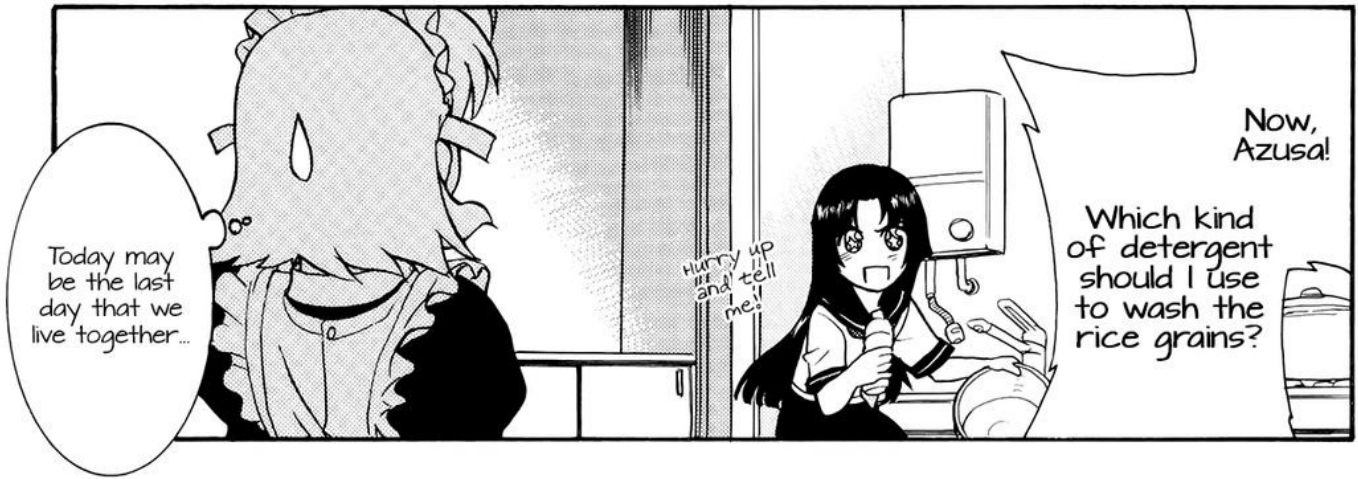

It's my first time cooking, but that's no problem.

There's plenty of time until Kouta comes home!

"If pursuing doesn't work, then try attracting him!"

My great plan is to make Kouta fall madly in love with hand-made cooking!

Today may be the last day that we live together...

Hurry up and tell me!

Now, Azusa!

Which kind of detergent should I use to wash the rice grains?

Is it the Family Head's whim...?
Or maybe...

Maybe I should have done something sooner.

I feel so heavy-hearted...

I wonder why Suzuri-sama is so fixated on me.

Sigh...

Huh... It's dark...?

I have to pull myself together!

No, no! Don't be so weak!

All right!

If she's looking for someone to marry, there should be any number of more suitable people...

Wha-!?

I wonder if she went out somewhere...

Flick

Aah!

What is this...

Ah...

This is not what it looks like!

Suzuri... Sama?

I... I didn't fail at cooking or anything like that!

It's not what-
...It's not what it looks like!

Nnah-♡

Nn-Mu...

Nnn-

Kissss♡

There was nothing to think so hard about...

Fuu-♡

は

Ah...
What is it Kouta?

So sudden...

Suzuri-sama...

Kouta?

Fu-Nn...

Because to me...

Suzuri-sama is my beloved...

Mnn-♡

N-
Wha-

What
are you
doing!?

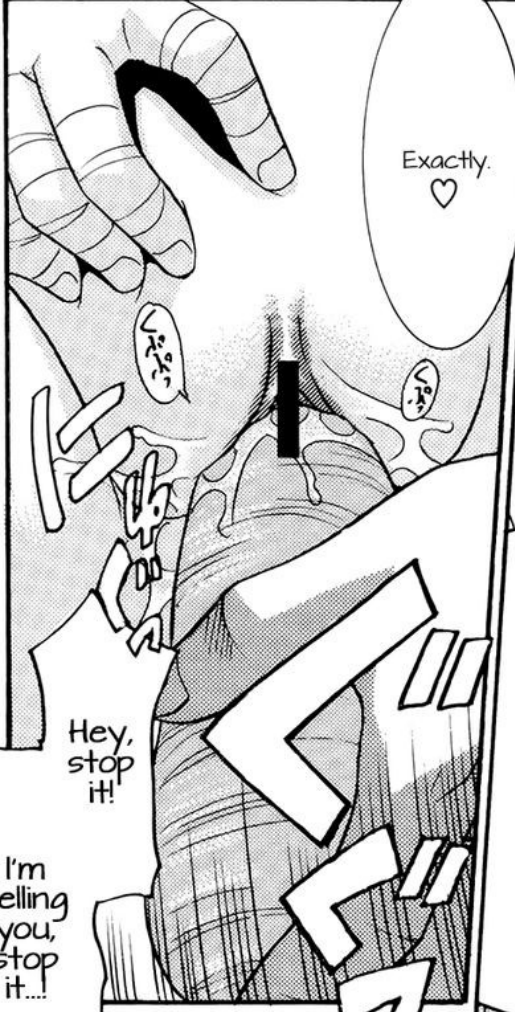

Found
something
good-
♡

Agh-!?

Kuh-

Fua-
Ah-
♡

Hey,
stop
it!

I'm
telling
you,
stop
it...

Exactly.
♡

You're
going
to put
something
like that
inside
of me!?

Kouta,
are
you...!

Yo...!

Ah-

That isn't
a place
to put
something
like that in!

Nnah-
Ah-

No,
stop!

H's not
the
right
place
for
that...!

That's
not
right!

Uahhhh!

Fuah-

Ah-

Even though
you say that,
it looks like
it's pretty
delicious.
♡

...Is supposed to be put in...!

That is a place where nothing except Kouta's dick...

Haa~

Fua...

Haa~

Haa~

Ah...

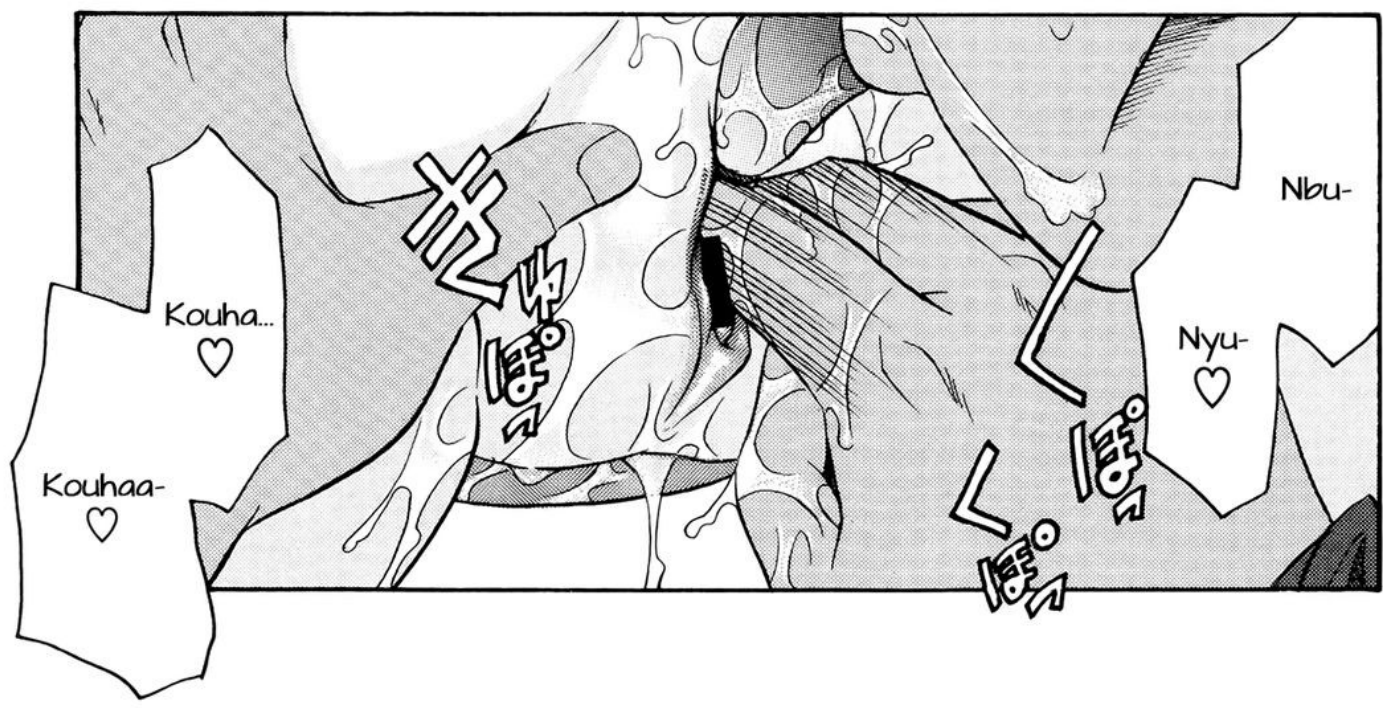

Nnha...

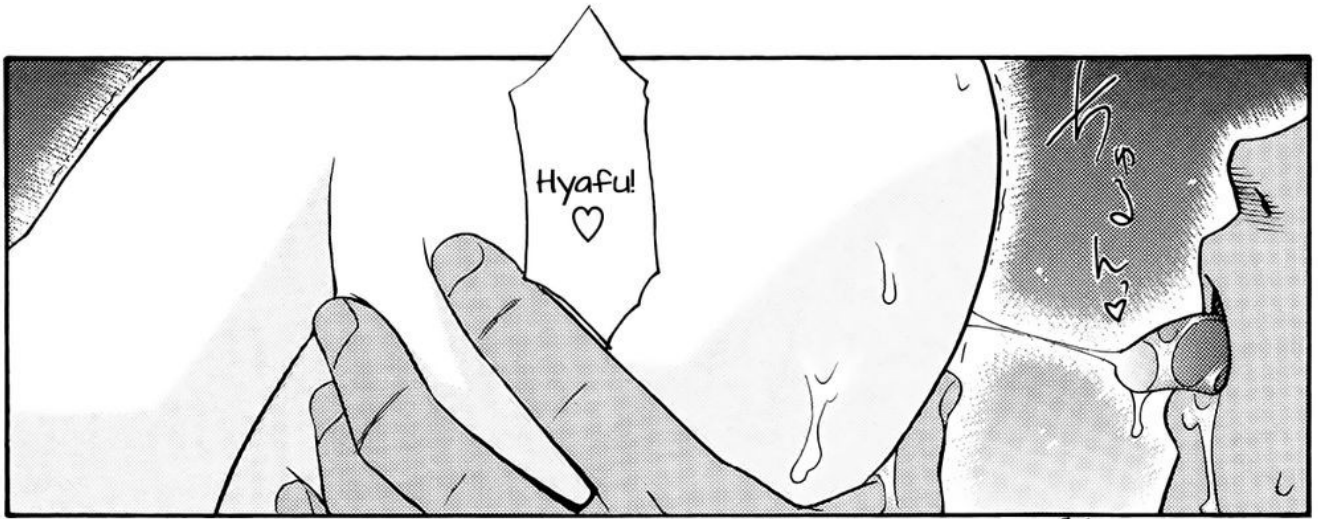

Suzuri-sama...

Agh-♡

Wow, incredible!
You're already
so sticky here,
Suzuri-sama

Kouta's
thing is...

Afu-

Inside...
♡

Kouta's
penis is
inside
me...
♡

It's
inside-
♡

You teased me so much, you blockhead. ♡

That's good, Kouta! ♡

Thrust harder! ♡

That night,

I bought a candy apple and hurried back there.

Nh- ♡
Nh- ♡

I've...
I've been waiting for you all this time. ♡

Fuun- ♡

But I was too late, and the girl was gone.

Even though you came once, you're not shrivelling at all. ♡

Nhah- ♡
Incredible, Koutar~

I searched for her late into the night, but didn't find her.

When I returned home it was very late and I was harshly scolded by my parents.

Suzuri-sama...

Just like that. ♡
Satisfy me, just like that!

I think... I was afraid.

Kouta!

That it might... be the same as it was then...

Hau- ♡
Koutar~ ♡

Onii-

Kouta...

Ah-

That I
would
be alone
like that
night...

She had something to take care of today, so...!

Grr-
She seems like such an incredibly tidy person...

Leaving aside what you did and how it became like this...
I'm surprised that Azusa-san allowed this disaster...

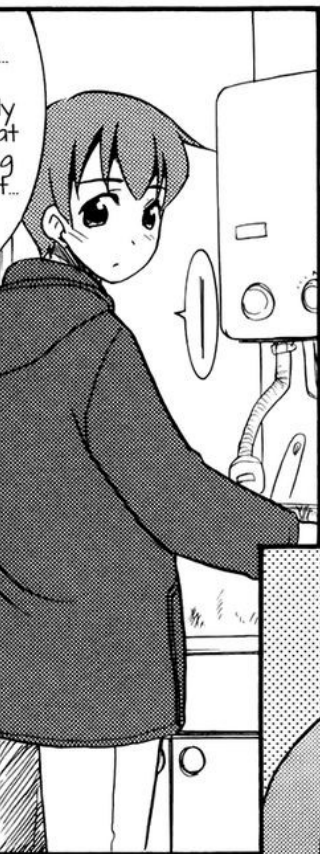

At any rate...

U-Um, Suzuri-sama?
Sorry to ask so suddenly, but...

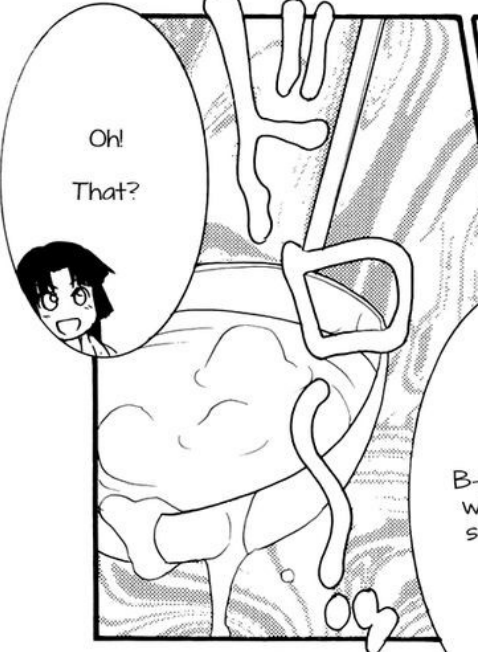

Hmm...
I clearly failed at cooking and yet... still succeed...?

For the time being let's get this cleaned up a bit.
Maybe we can go get something to eat.
Y-Yeah!
That sounds good!

Ah... Umm...
That girl on the night of the festival...

Oh! That?

B-By the way, what kind of soup is this?

N-Nevermind, it's nothing.

Uhhhh-
Could that have been Suzuri sama...?
