なんていう不届きなものは

俺達のオカズにしてしまえ。」

Karen, are you gonna gift your older boyfriend chocolates for Valentine's?

Hehen~ I sure am!♥ I think I'll get him some a little on the expensive side.

You're not making them yourself?

I want to give Yoshihisa-kun something delicious. Plus I'm afraid I'll mess it up.

バレンタインはSEXの日。いざ初め女陣!!

You're addressing someone older by "kun"?! I can't believe Karen was the first of us to get a boyfriend!

I can't believe Karen was the first of us to get a boyfriend!

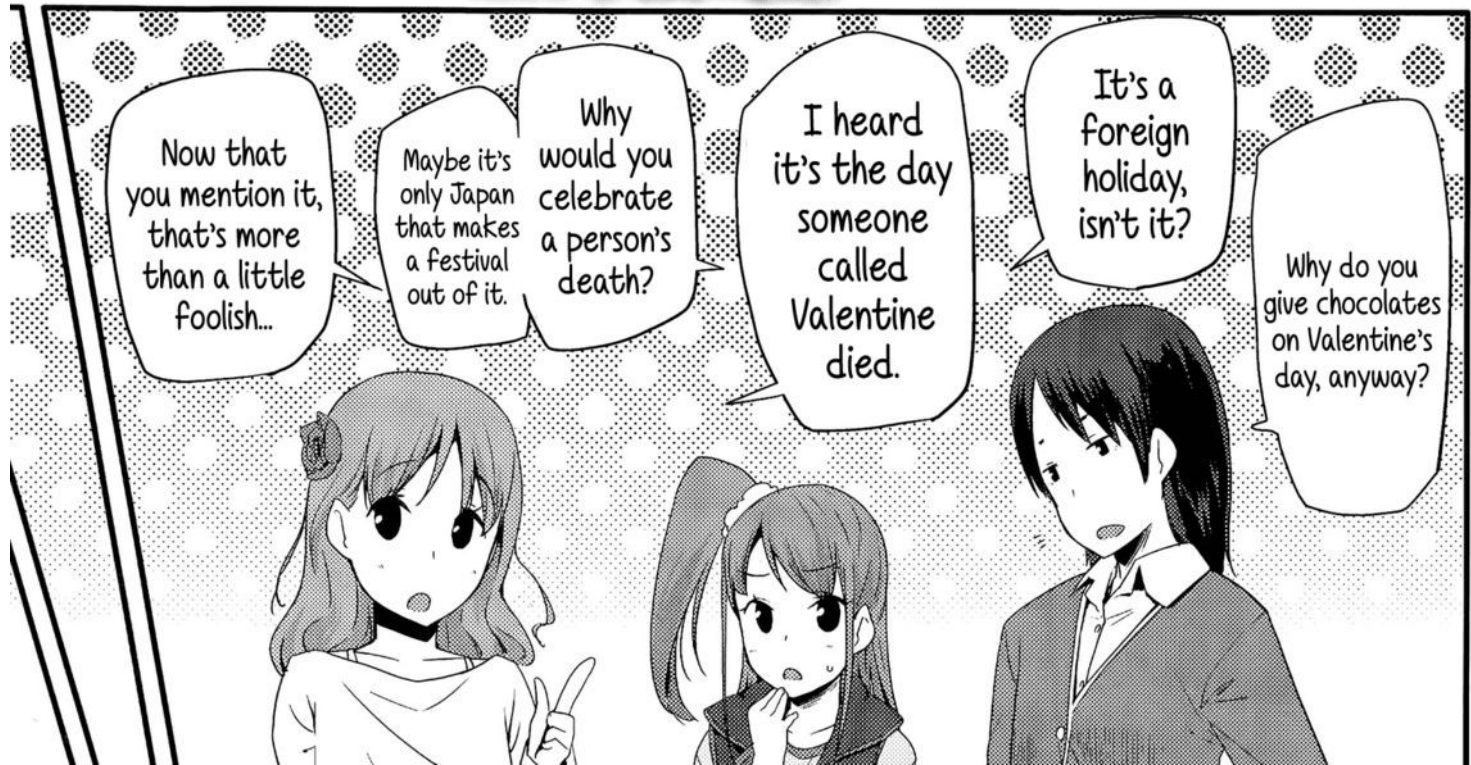

Why, you little pipsqueak

Being a pipsqueak has nothing to do with nothing! Yoshihisa-kun and I had a fateful encounter!

Now that you mention it, that's more than a little foolish...

Maybe it's only Japan that makes a festival out of it.

Why would you celebrate a person's death?

I heard it's the day someone called Valentine died.

It's a foreign holiday, isn't it?

Why do you give chocolates on Valentine's day, anyway?

Huh?!
So it actually
is okay to give
out chocolate?!

But I
didn't buy
any...

Because that
was already the
date of a famous
festival, the two
were combined
to become a day
about lovers...
That's what
it says.

Valentine was
executed on the
14th of February
for marrying
soldiers who were
forbidden from
getting married
for an absurd
reason.

On this day...
i-instead of
chocolates...

...Ah...!

But...

Don't worry
about it.

Well, you're in
the fifth grade,
so it's not like you
have much pocket
money to spare
anyway.

I feel
a sharp
pain!
It's
gonna
tear
for
sure!!

Didn't we
try it just
the other
day...?

No way
no way
no way
!!

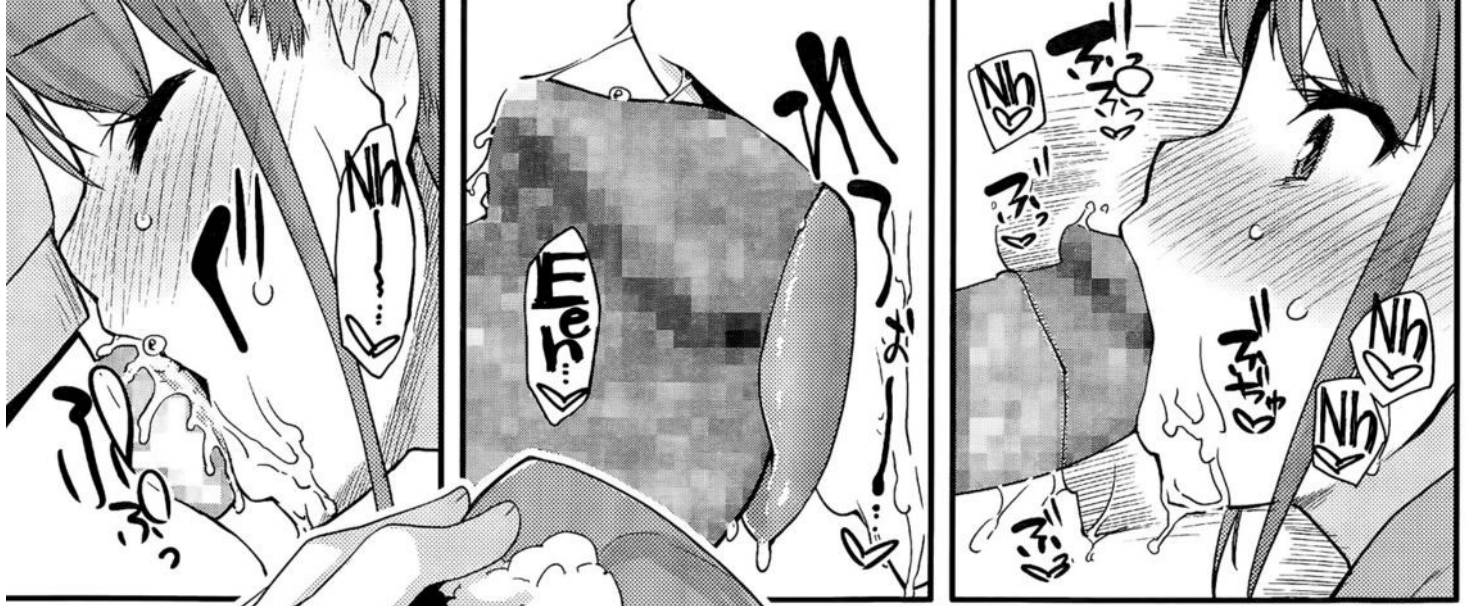

I-I'll
endure it
today!!

I haven't
even put
the tip
inside
yet...

I'll stay
over and
we will
definitely
do it...!

I'll try
my best
to have
sex with
you...

...Hyou're he wan who shought ih ho me, Yohihisha-kun...!

A fifth grader shouldn't know how to suck cock this well.

It's really hot...

And then you wound up liking cock?

Ah! Cumming...!

...Yesh...

Well said!

T-That's only because... I was licking your penis...

Looks like you're already soaked.

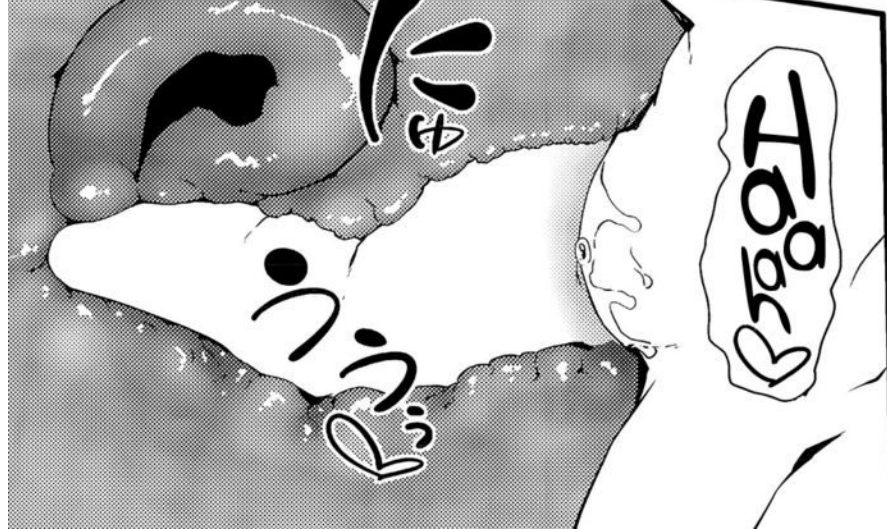

No, I'm not...!

You got wet from licking my dick? You're such a pervert, Karen-chan.

No...

I guess you don't want me to keep touching you then, right?

T=ツキ

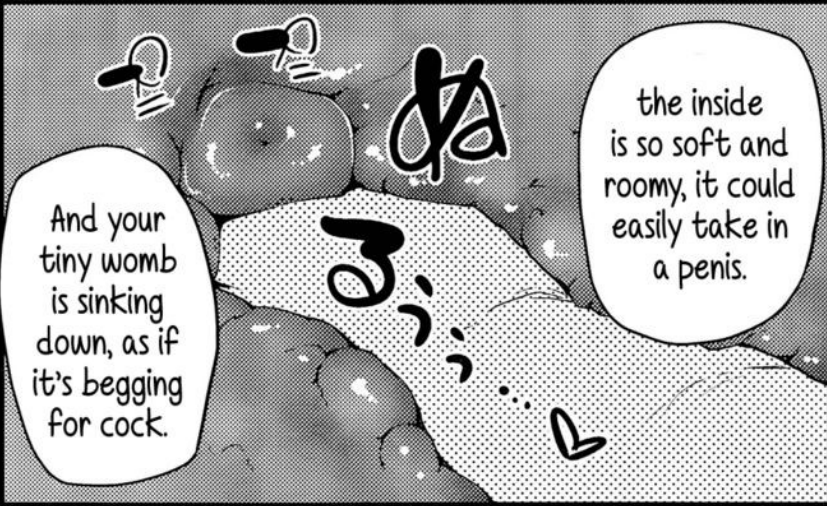

T=ツキ

NI

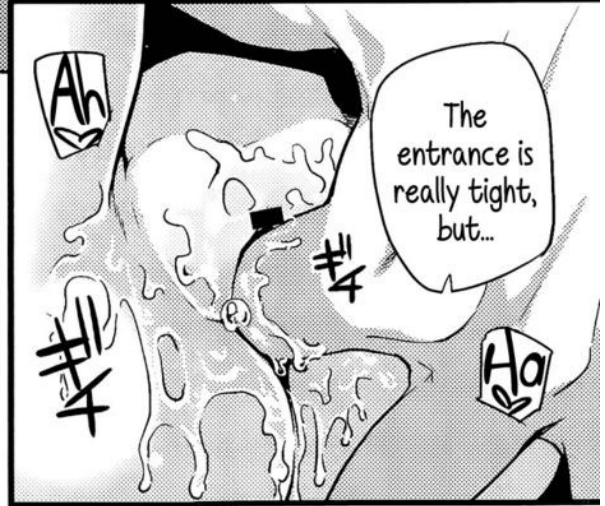

You like it here, don't you?

And your tiny womb is sinking down, as if it's begging for cock.

the inside is so soft and roomy, it could easily take in a penis.

The entrance is really tight, but...

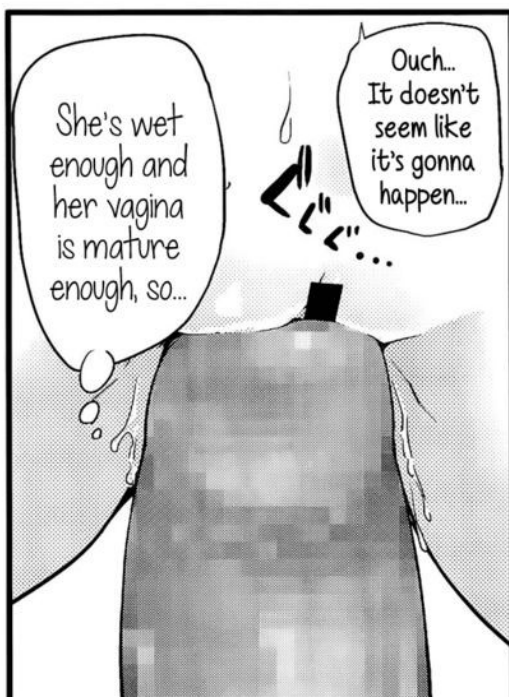

Rub that spot harder!

I lve it there!

Yes!

Wah!

if I can just get past the entrance...

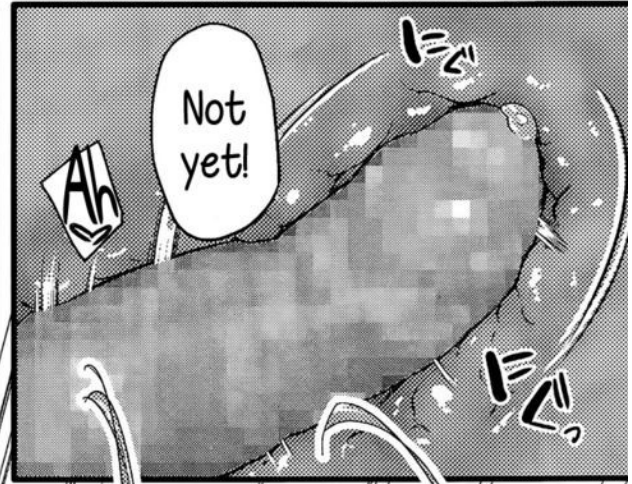

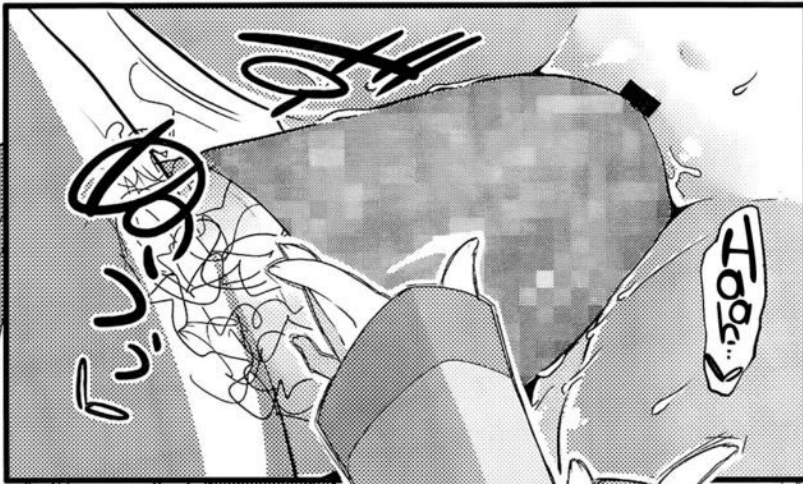

Oh

My dick went inside you, Karen-chan.

45!!!

I've been teasing you with my fingers for ages, since we couldn't have sex.

So even if it's your first time, it feels pretty good. Right?

Yes!

Although the opening still stings a bit...

Ah

Ah

Ah

Ah

Ah

Ah

I-It just feels so good...!

I can't help it!

Karen-chan, you're moving your hips by yourself... You're such a lewd fifth grader!

If only I had known it would feel this good!

I would have made a bigger effort the first time...

Ah

Ah

Ah

Ah

Ah

Ah

Ah

Ah

Ah

I'm sure mister Valentine would be delighted that you learned about sex on his death anniversary, Karen-chan...

Did you cum again after I blew my load?

It's twitching... ♡

Aaaah... I can feel it coming out... ♡

Your penis tastes like semen...
♡

licking
Slurp
Slurp
Slurp

Ah! Wait!

?

You were licking my cock so sensually, I got hard again.

How about we have sex one more time?

Okay.
♡

Slurp
licking
licking

Slurp
licking
licking

So... Well, you know...

I want to marry you too, Yoshihisa-kun...

To celebrate marriage... So today is a day to celebrate lovers...

Yeah?

Mister Valentine died because for the sake of marriage, right?

want to have baby-making sex...

listen... I...

I want you to make love to me like you want me to become your wife.

キキ...

Let's go

No... way...
I-It went in
so easily...

Whoa!
I can feel it
directly...!

Yes!
Marriage
sex feels
so good!

It feels
completely
different
from before!
It's so warm!

Does my
bare cock
feel good?

If you get
pregnant now,
the baby will
be born on
Christmas.

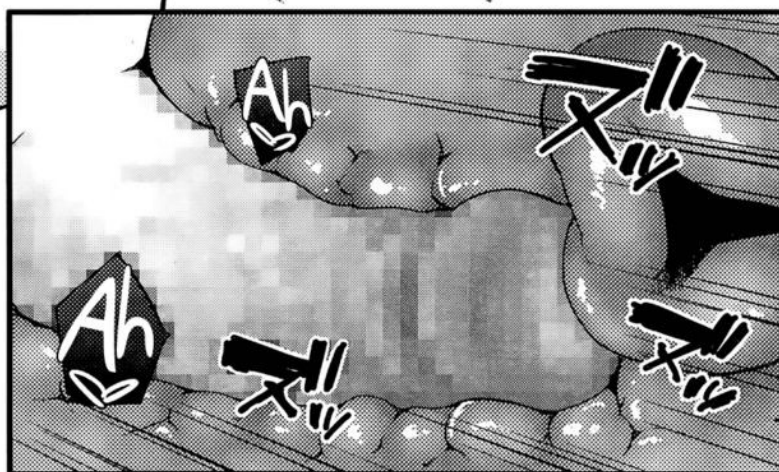

Is that...
truee?!

I'm sure
it would
also make
the baby
happy...

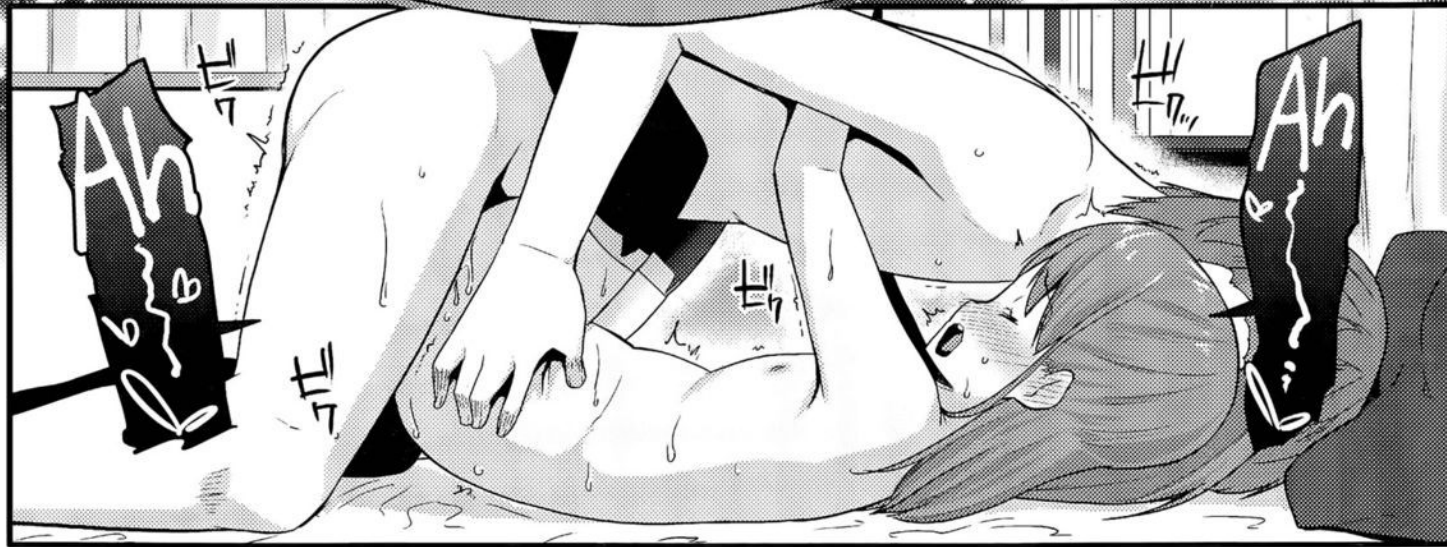

Making
a baby on
Valentine's
day...

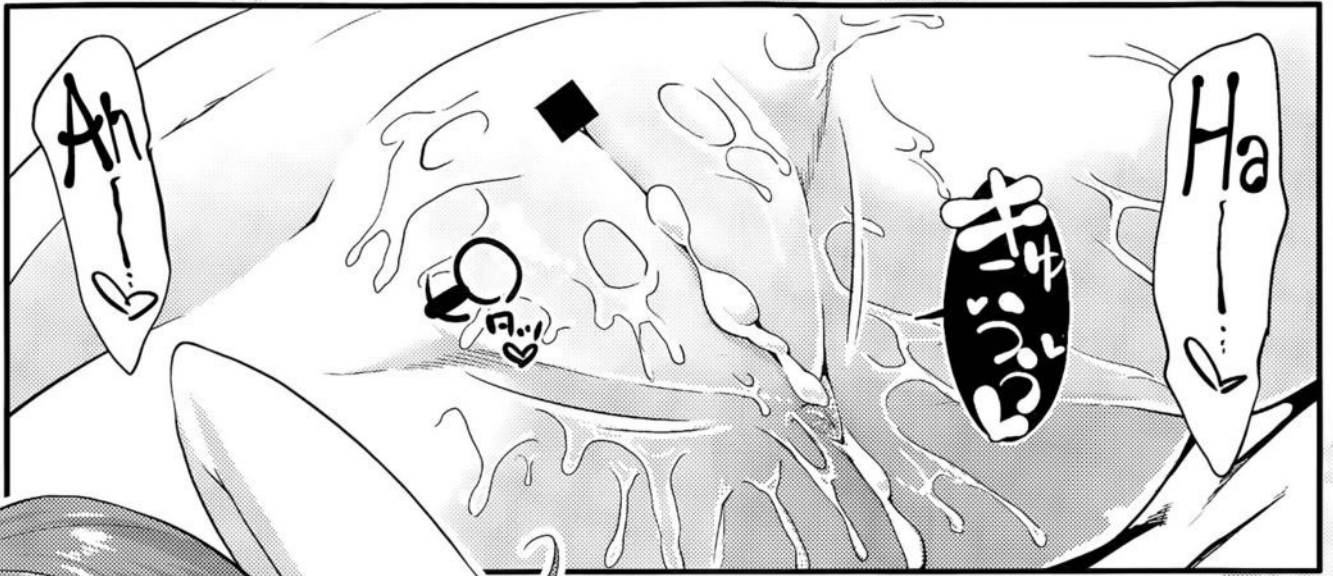

for it to
be born on
Christmas...!
T-That's so...
wonderful

Ah...
We have
to...

think of
a name for
the baby,
don't we...?
♡

So now I have a baby inside my belly!
♡

...And then, I let him cum inside~!
♡

Erm... Say...

We won't be able to see each other very often.

If that all comes to pass, you'll be really busy.

At least come see the baby~!

Hmm?

My marriage with Yoshihisakun and the baby come first~
♡

I'll be too busy with child-care, anyway.

Isn't that bad? Karen, you won't be able to come to school anymore. We're still in the fifth grade...

Huh?
Not yet, why?

Karen-chan, have you had your period yet?

Oh, shit!
Oh, shit!
Oh, shit!
What if she actually gets pregnant...?!
