as usual,

The summer heat is growing worse.

Lately,

Hey, Itsuki. Get me an ice cream too.

あゝ...

We play with her womb every day...

we've been living an extremely unhealthy lifestyle...

Itsuki, please bring me some water.

No, I do like 'em. In fact, I love 'em, but it's not really the same thing as ice cream, is it?

Thanks. ...Wait, whoa. This is an ice pop.

You like those, right? Don't complain.

Yeah ...

Hey... Don't ignore me.

Here.

Then there's me. Kimura Itsuki

Yeah. How the hell could you not know about it?

Well, that's common, right?

Kino-shita Haru

Ka-gaya Kenji

Whoa, hold on. What the hell is that short-cut! You cut! cheater!

Aha! It sucks for you being a working adult.

Well... I could probably say we're close friends.

Are you for reals? You guys play too many video games.

The three of us pretty much always hang out together whenever we have spare time.

And since we got along so well,

We've been partners in crime since high school.

we never cut off the relationship, and now it's become completely unsavory...

...or rather debased.

Itsuki?

....

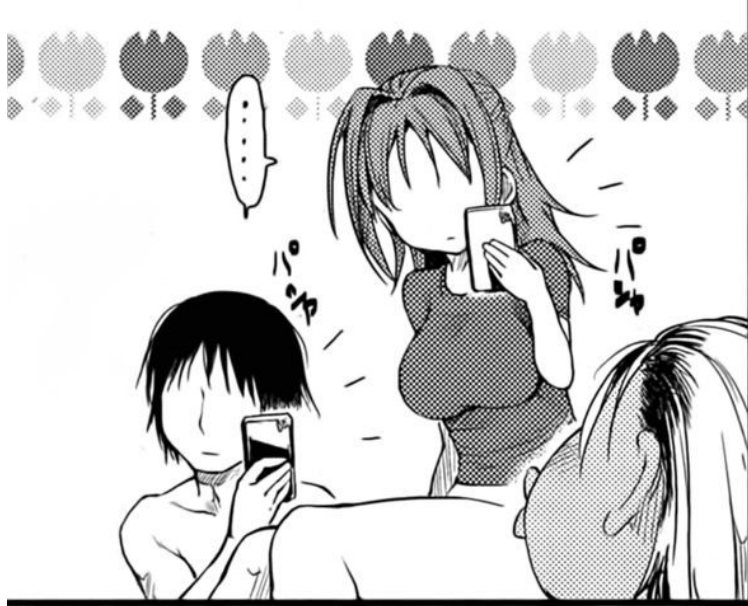

Uhm~ well, you see...
Never mind. Look at that fool.

What are you spacing out for? You screwed up so many times.

YEAH!

You lost?

Oh.

He's waiting with such a disgusting expression.

Hurry up and deal with him...

Oh, fine.

You know what I meant. **Kiss me!** To the victor goes the spoils!

Well... I had to get a picture of that face.

Hey guys, why are you taking my picture!?

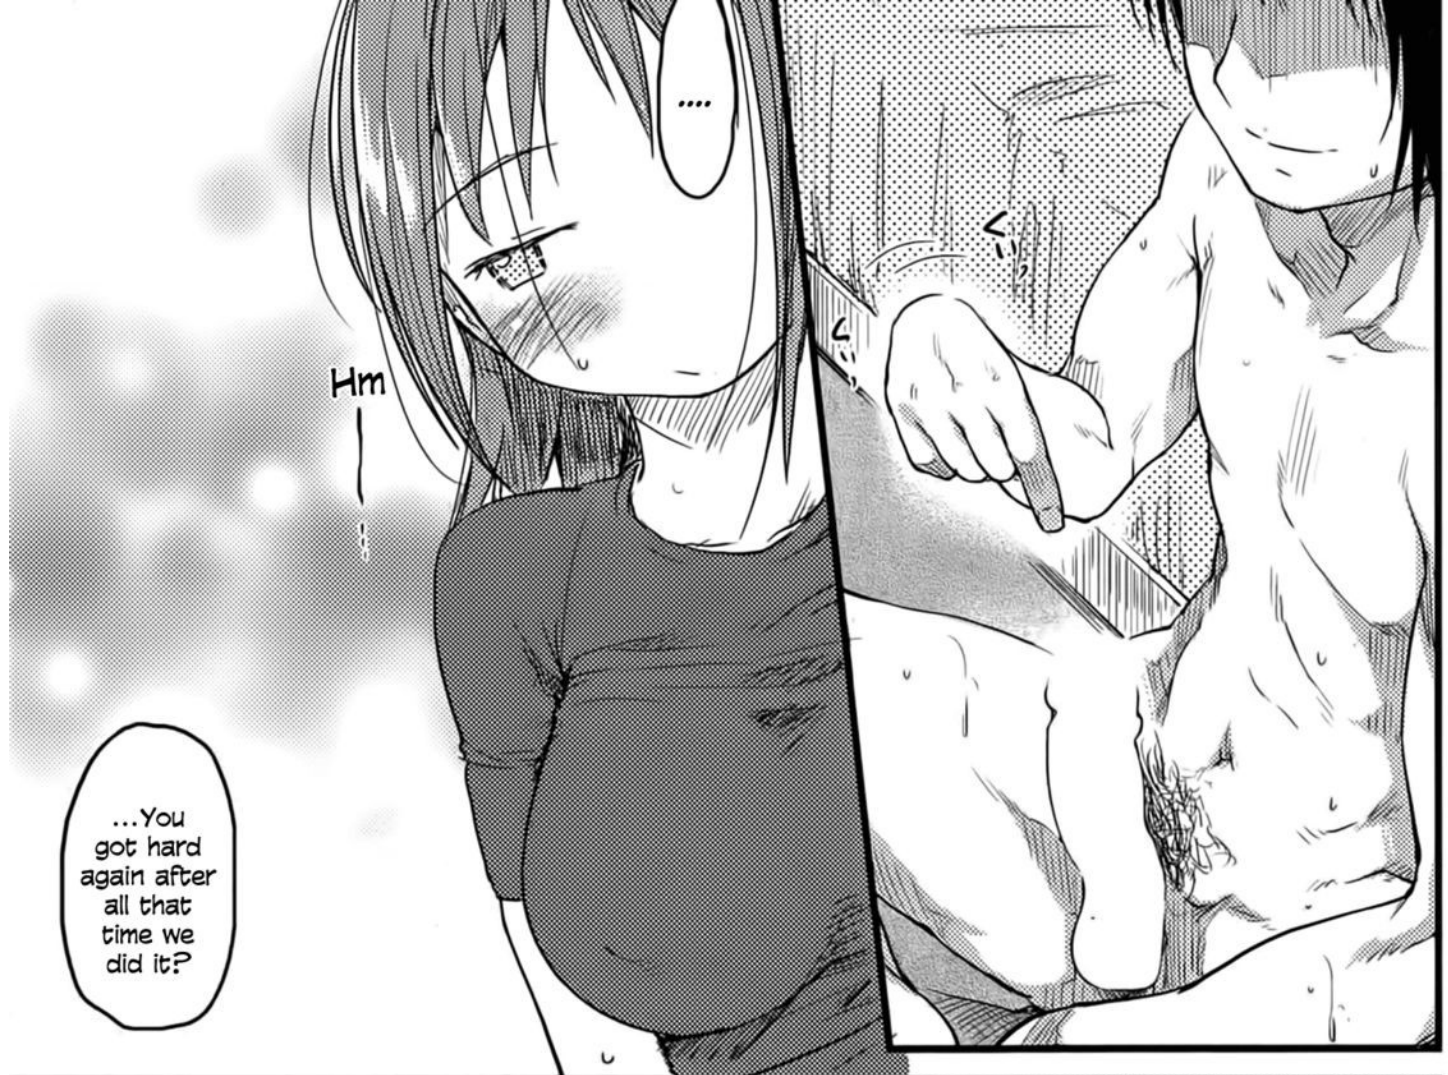

Hmm...?

Why am I the prize now?

We just got done doing much more intense stuff, right?

This is different.

Hm

...You got hard again after all that time we did it?

Damn. Both of you need a girl-friend.

I can't just...
Mn...

...keep taking care of you forever.

Alright, Kenji.

You're low priority.

H...

ん

ん

ん

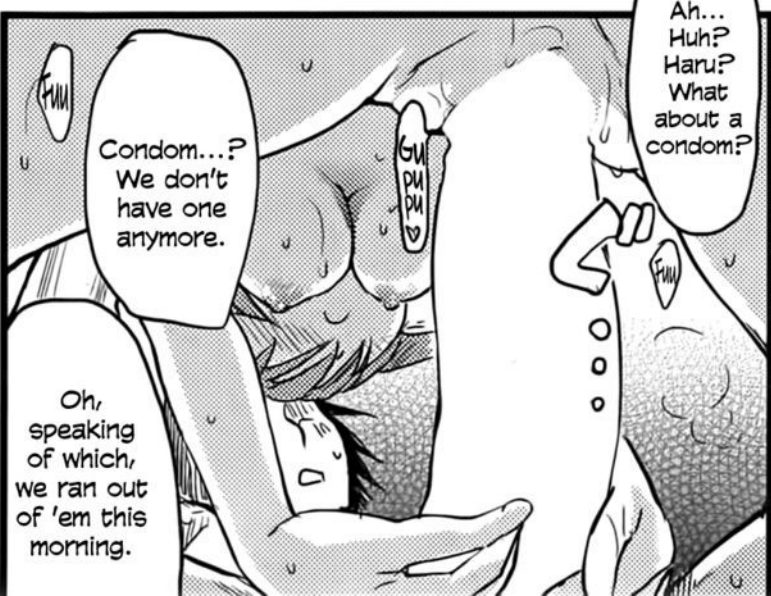

But you said its around your ovulation ...

It's fine. It's not like we haven't gone bareback before.

ん

ん

Condom...? We don't have one anymore.

Oh, speaking of which, we ran out of 'em this morning.

Ah... Huh? Haru? What about a condom?

ん

ん

ん

...Hmm, well, it'll be fine as long as you cum outside.

We've been fucking constantly since the day before yesterday. Your sperm has probably thinned out.

It'll be fine.

...Hey, don't you think you're underestimating us?

If you say something like that, we're really gonna make you pregnant.

Tee-hee. If you think you can... Ngh!

Ah Then go ahead and try...

Ah

And then, because I didn't want him to feel left out,

You're a pathetic guy who came crying to me, a friend who happened to be a girl, after getting shot down...

Ugh...
And so we ended up having sex...

I ended up getting pressured into having a threesome with you ex-virgins.

You guys are so lacking in virility.

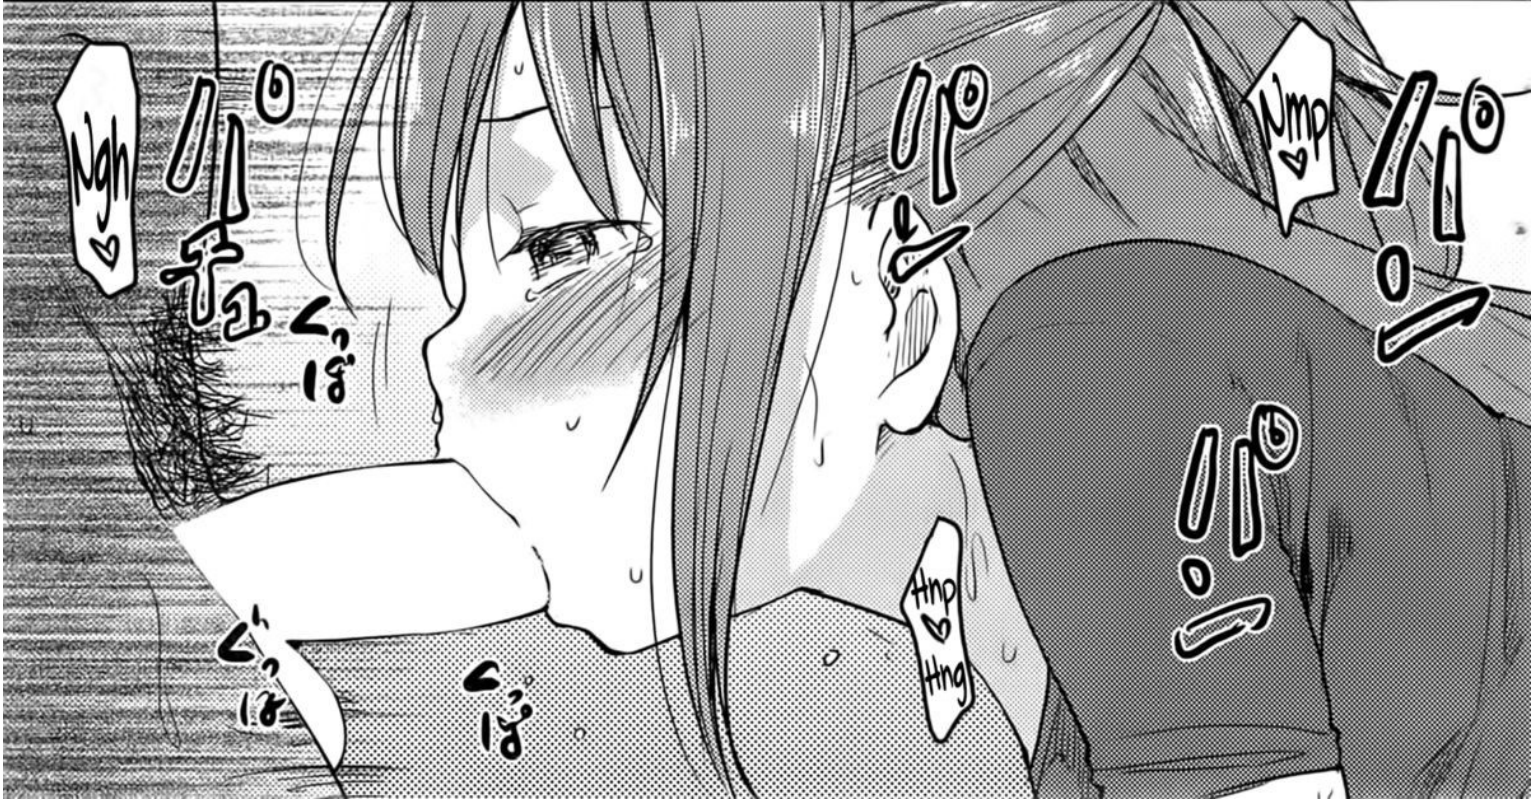

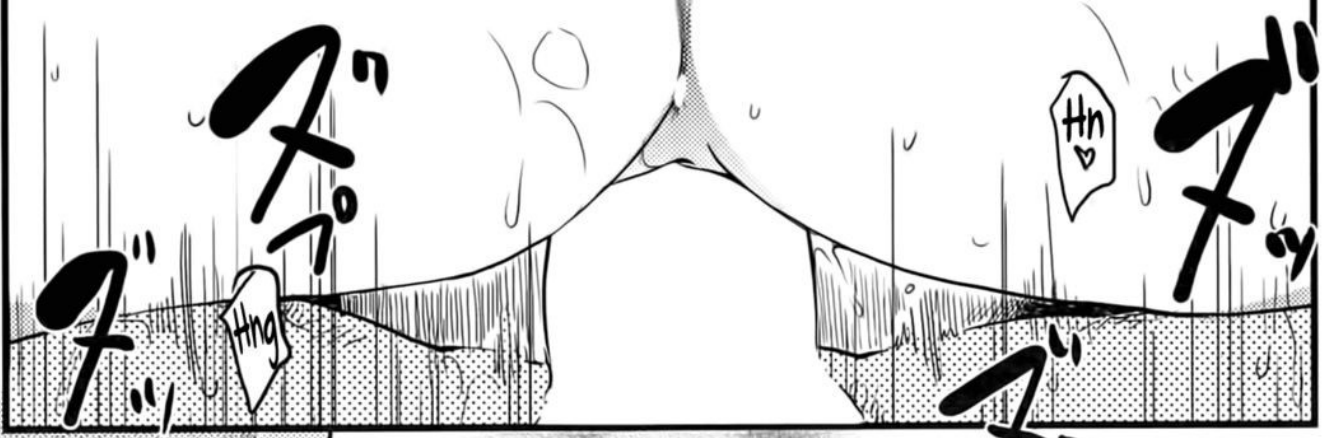

My womb isn't so weak as to be impregnated by the likes of you...

Fuaa

Ah

Haa

Really, you've always been so thoughtless.

You guys are so merciless. Why don't you think seriously about life?!

It's so bouncy...

Oh, my stomach's so full...

Fuh...!

D...D...D...

I guess... It'll last until after we graduate college?

It feels good and not to mention fun... But it probably won't last for long.

...Well, yeah.

Well... Back in the day, we never could've imagined things would turn out this way...

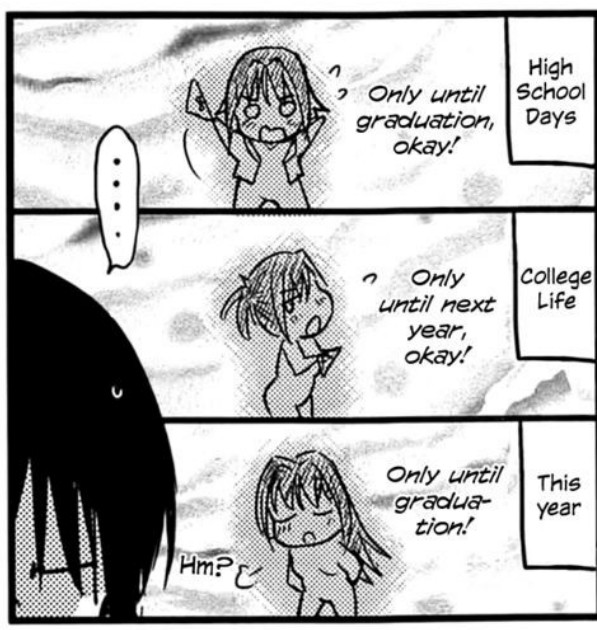

Hmmm?

Always...right.

Or,

I guess... maybe not?

Only until graduation, okay!

High School Days

Only until next year, okay!

College Life

Only until graduation!

This year

Hm?

Well, it's shower time...

Yeah... Probably...
