

Ok, i must admit it...this is fun!
This program (even with all its
limitations)...it's FUN!!

This third comic is the proof, and just
like the other ones, i hope and i wish
you to enjoy the read!

As you'll see, i'm into yuri and soft-core
but i still want to show everyone my
last work!

By Screamer

Yes!!

This must be the place!!

SAEKO - NOVICE WITCH HUNTER

The Black Witch!!

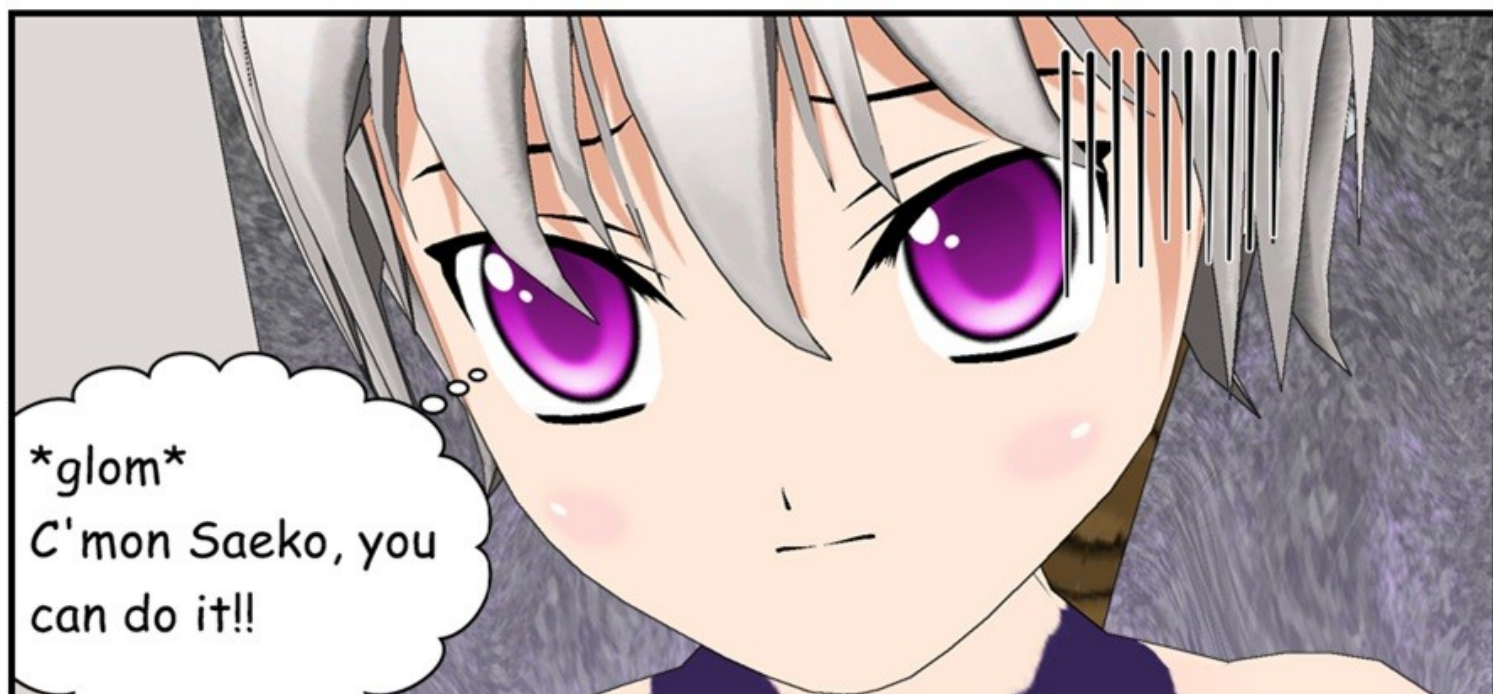

Such a strong magical energy... yeah! SHE must be close!!

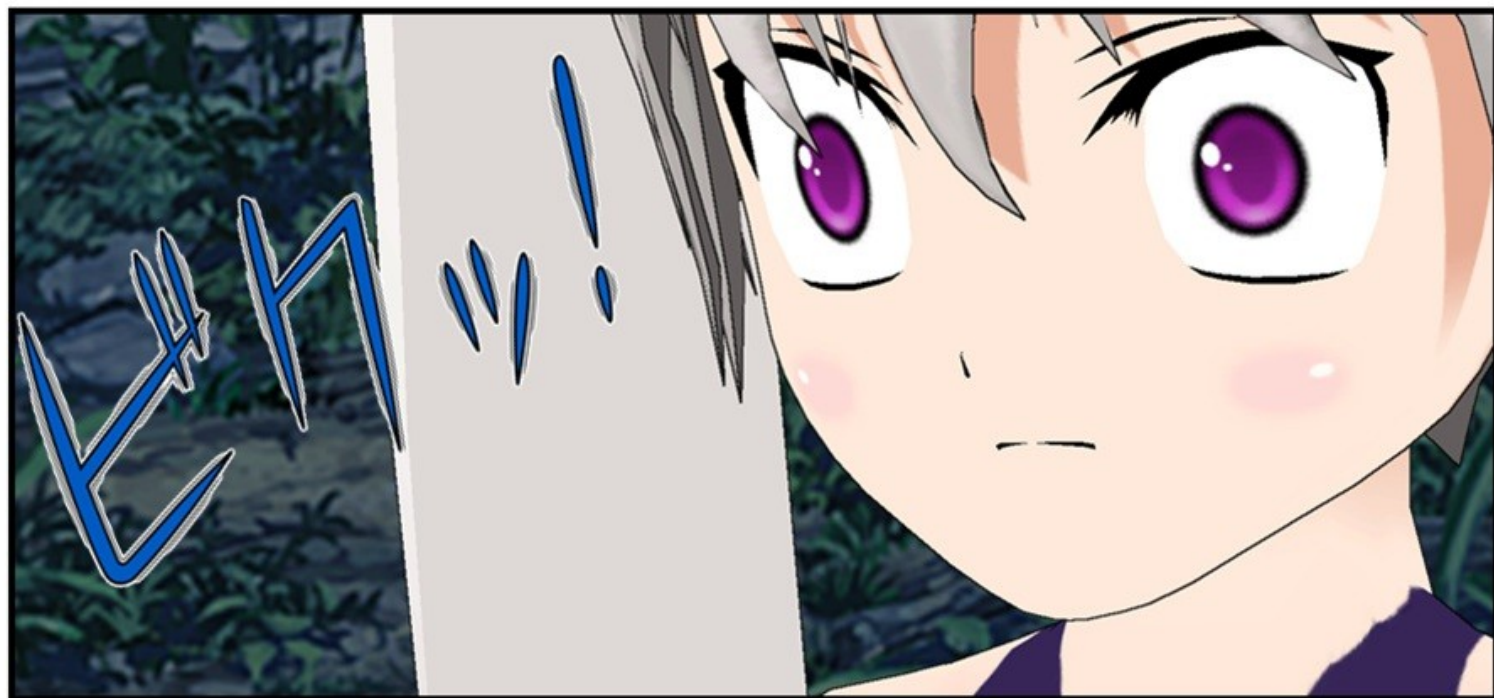

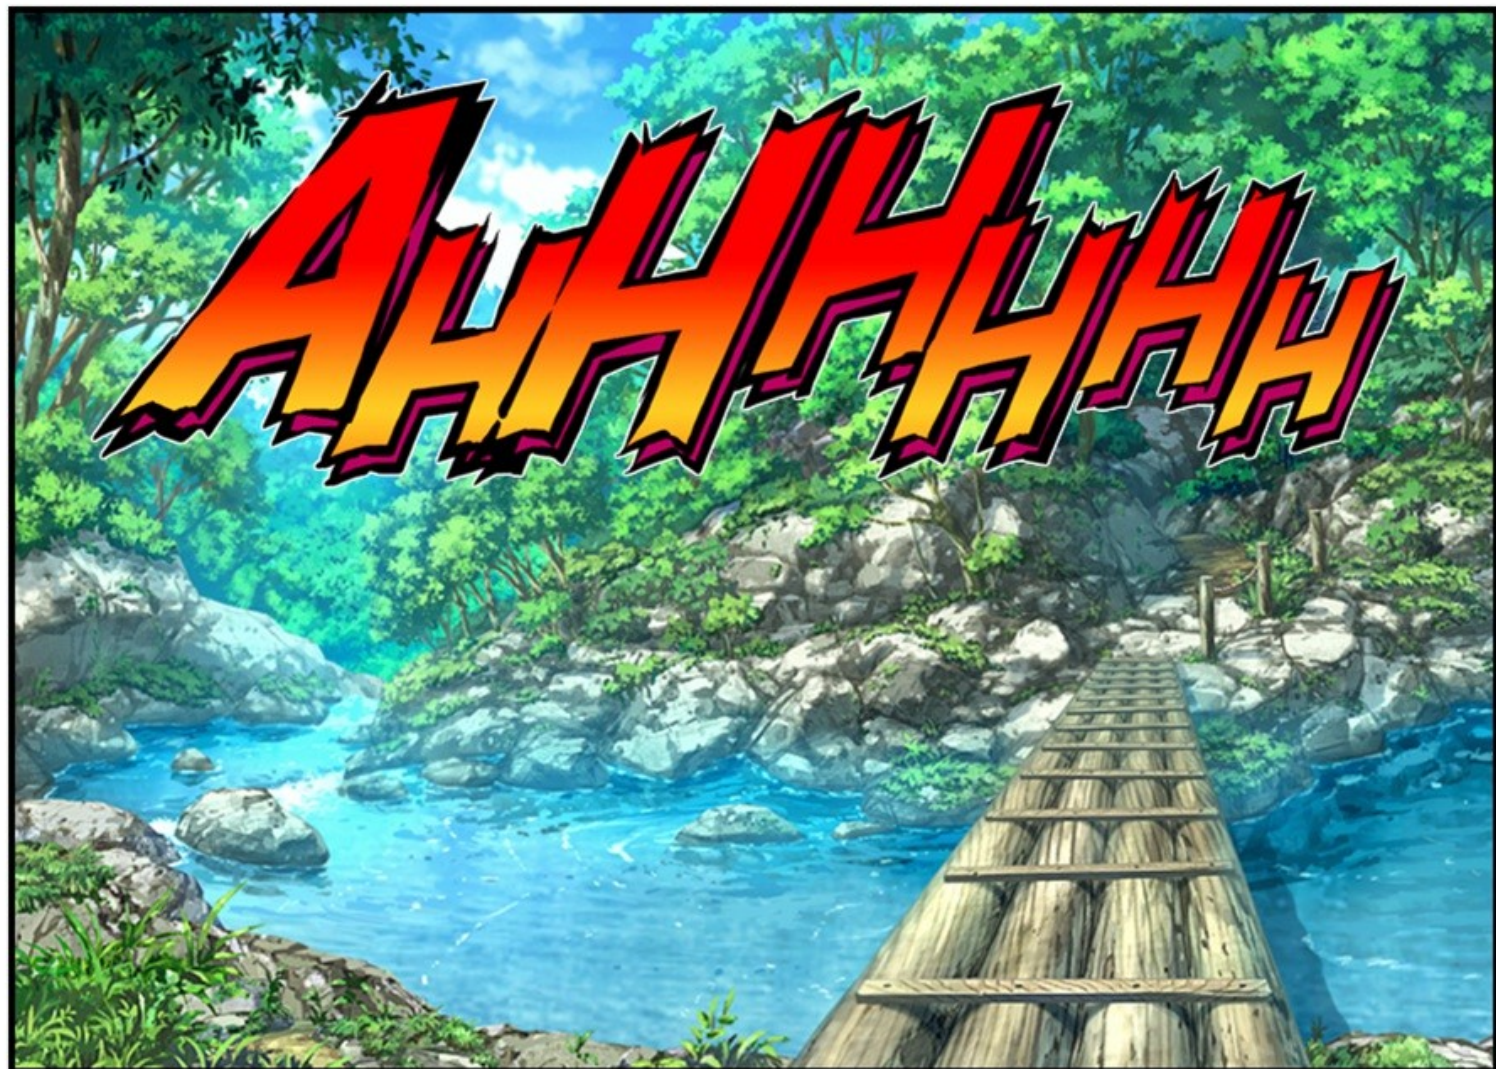

They told me this is the perfect mission for a novice....uhmmm....

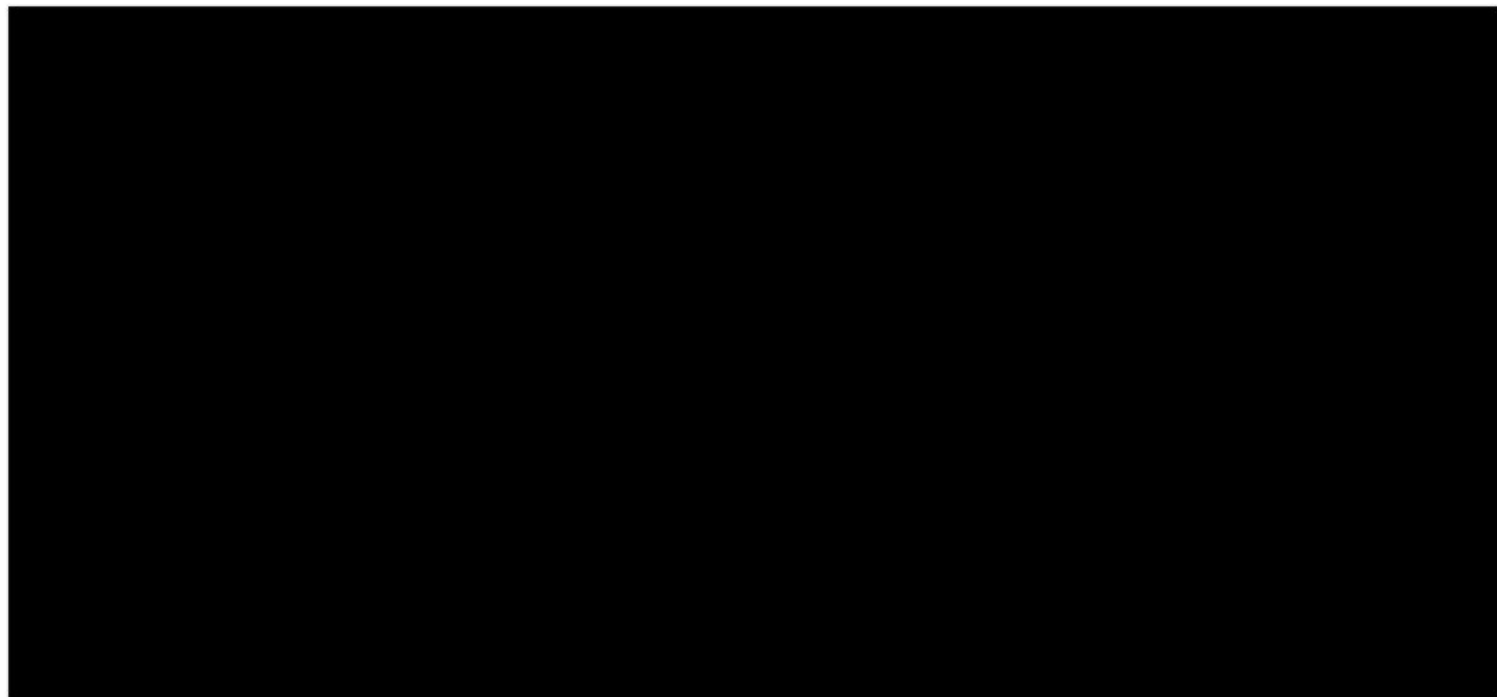

If i'll beat her, the Adventurer's Guild will accept me as a member...

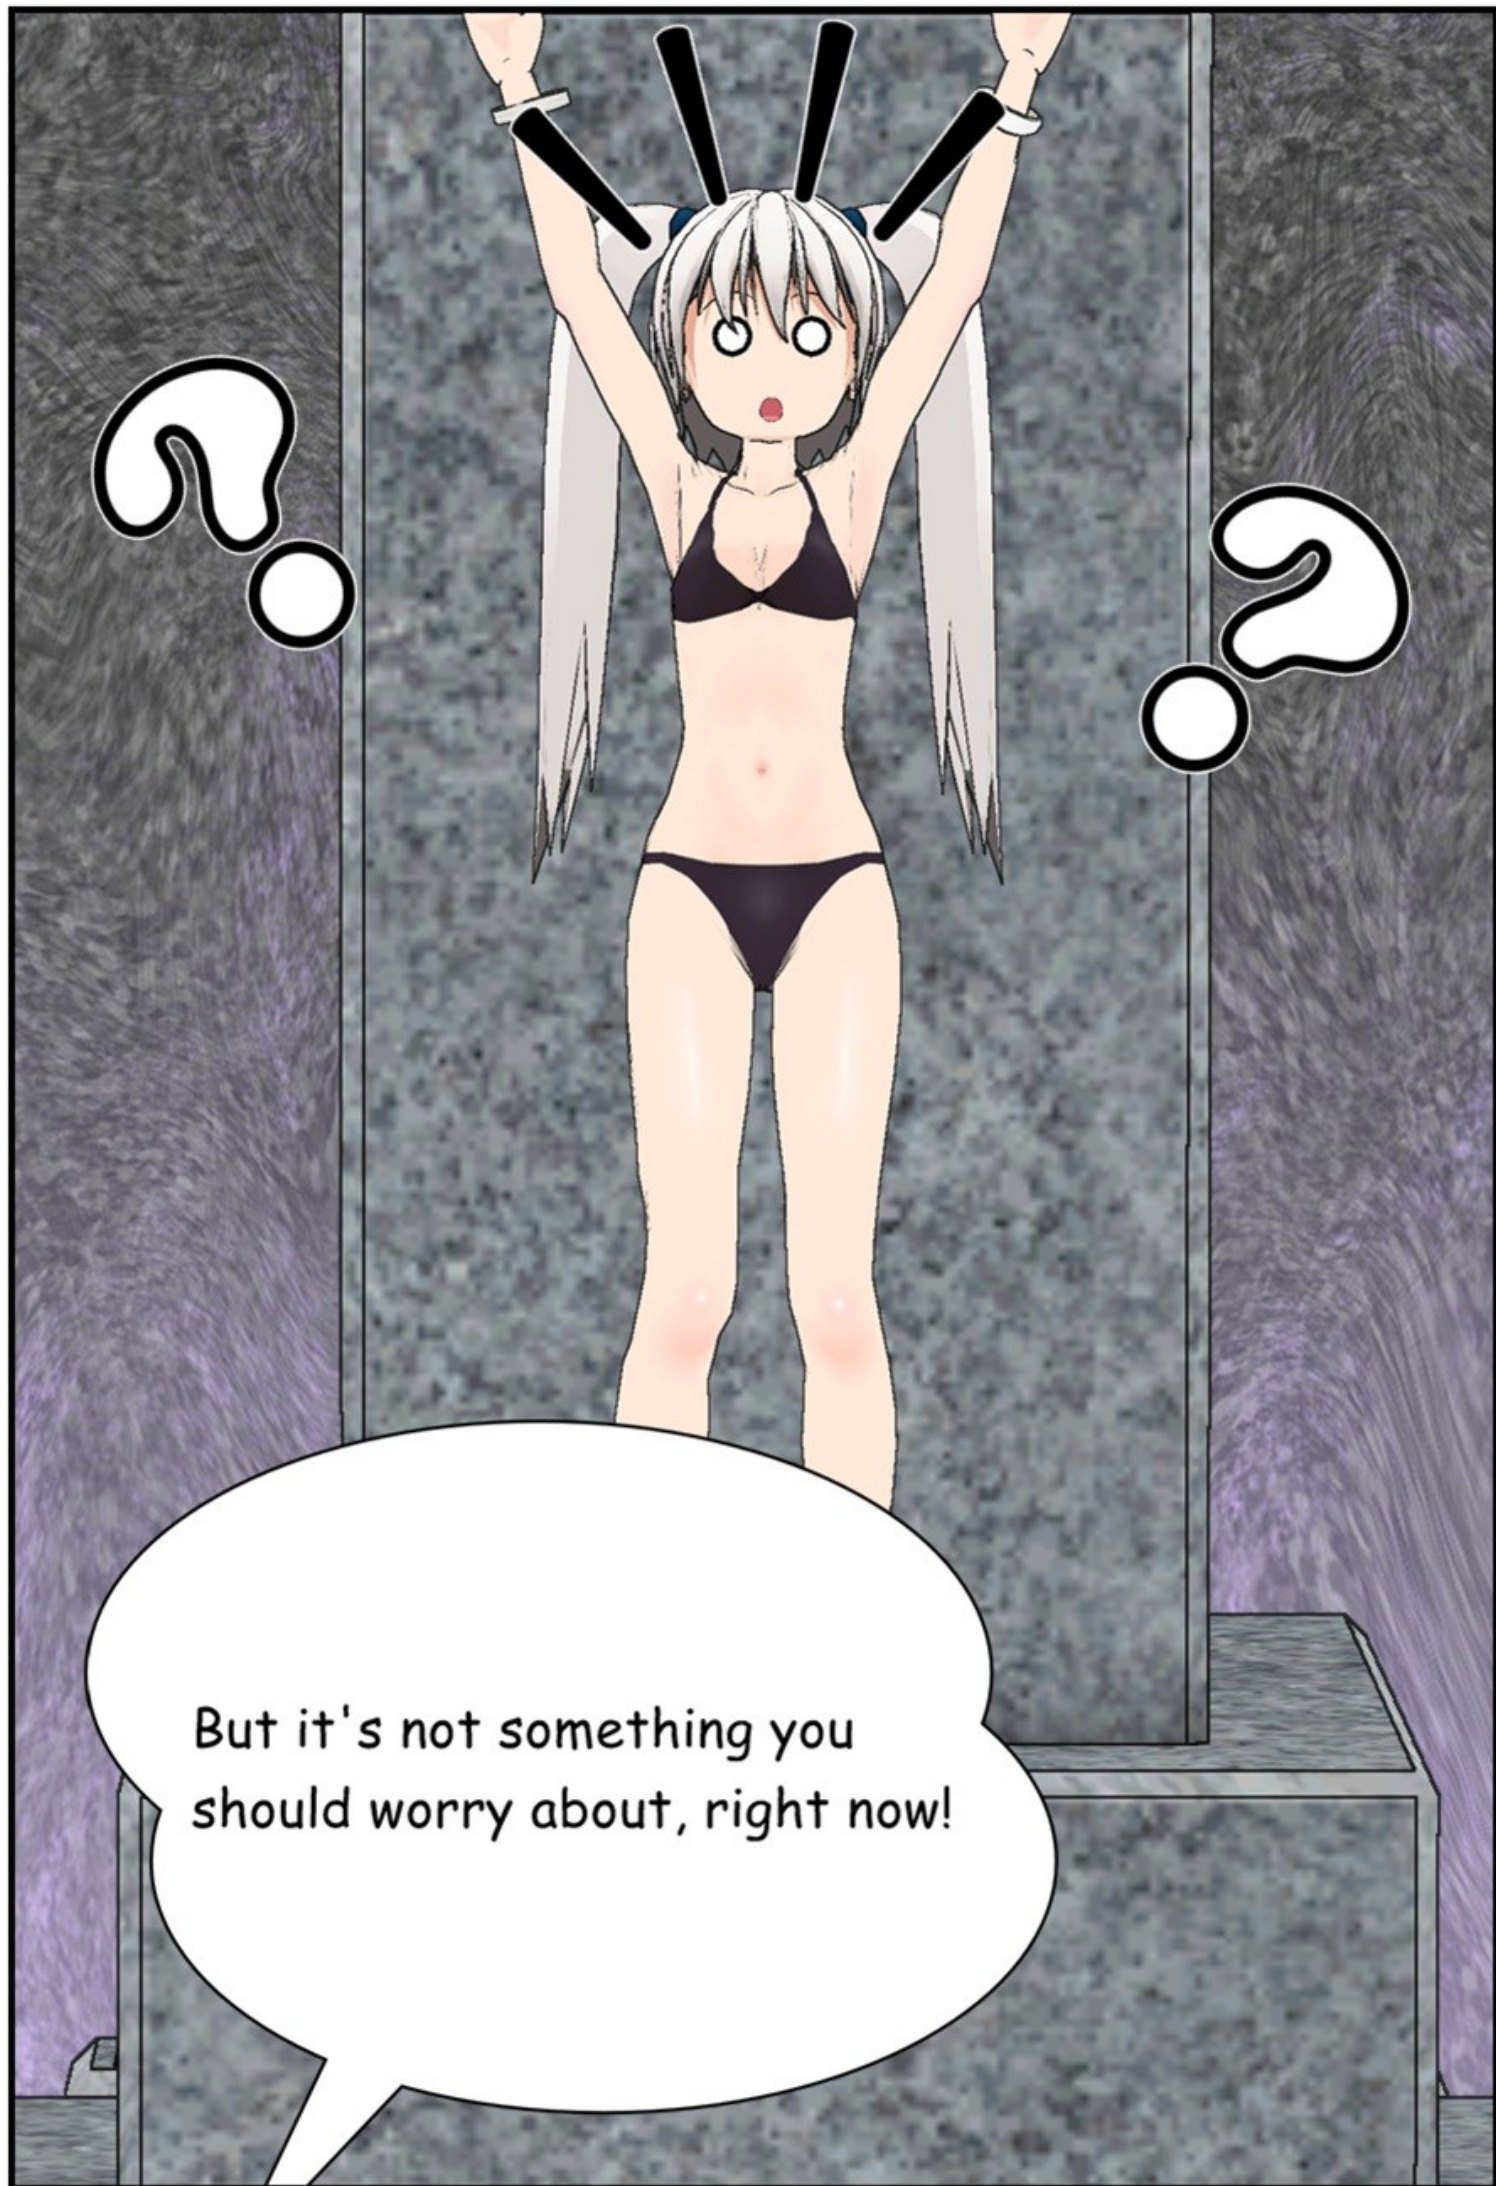

Ara, ara!
Finally waking up...
my dear!

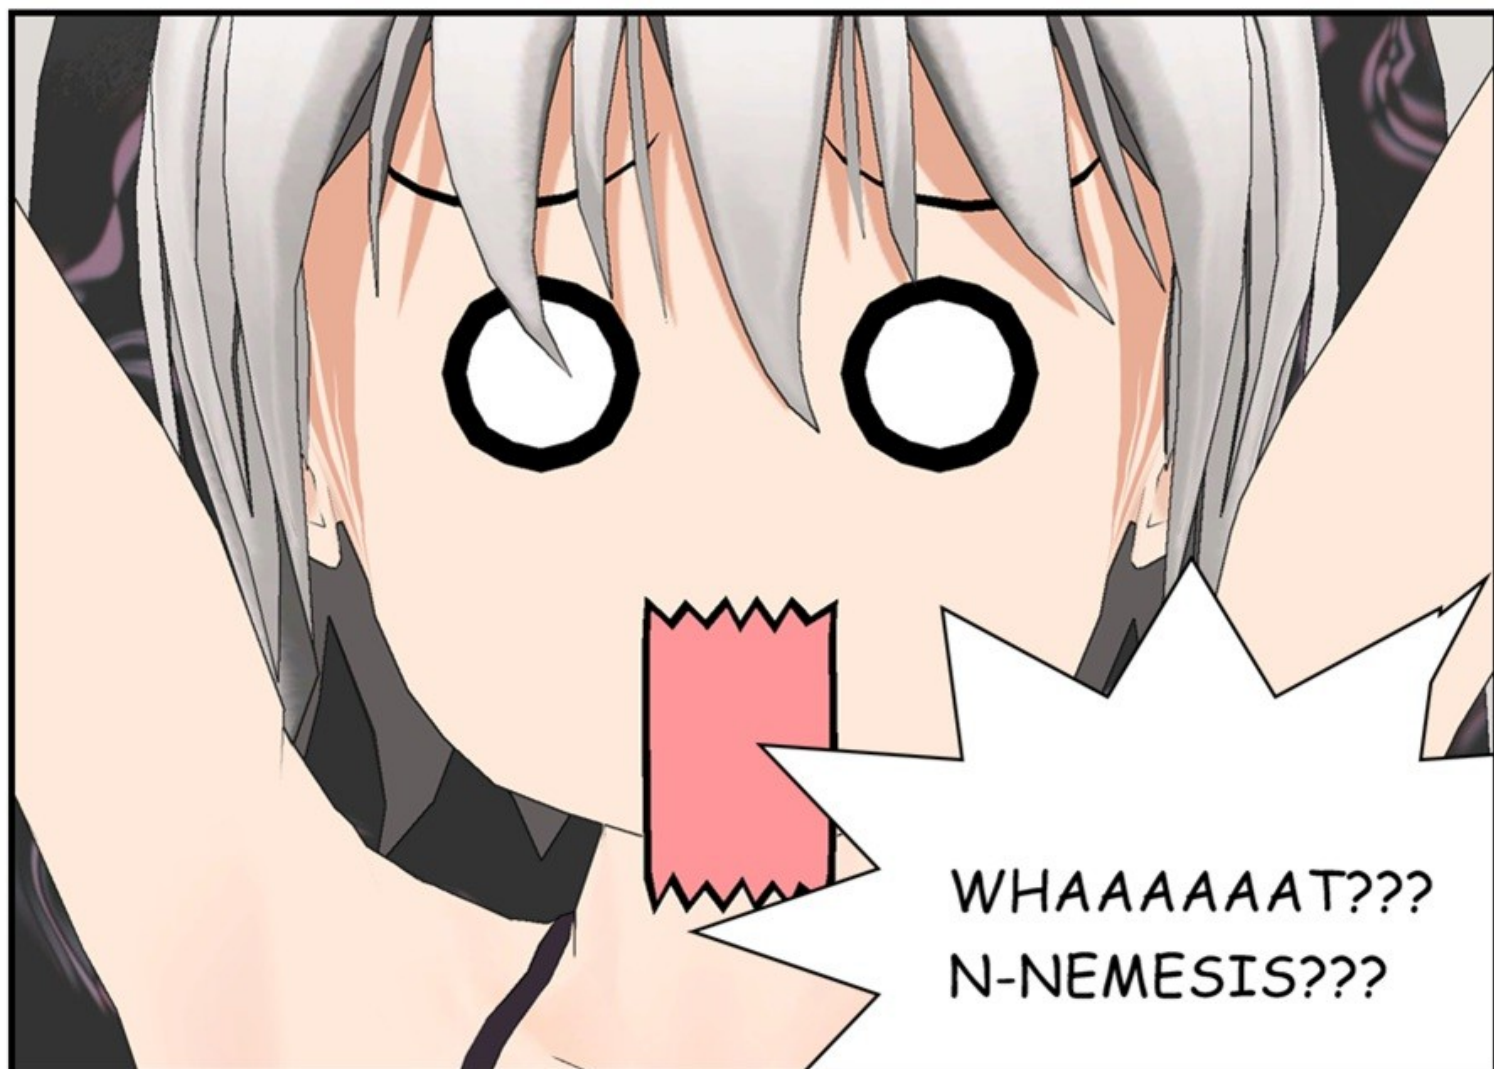

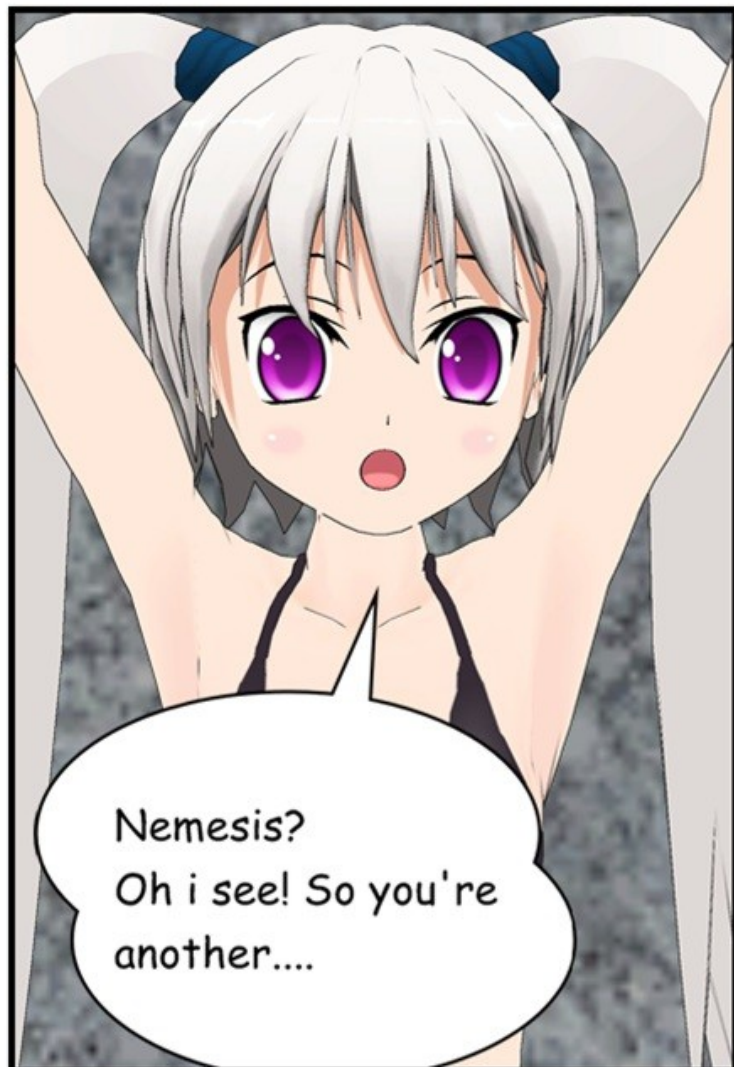

Don't worry!
It's normal to be dazed
after a Sleeping Spell...

But it's not something you
should worry about, right now!

NEMESIS...

The most powerful
witch ever existed!

A real demon on
earth!

Not even the stronger
warrior got a chance
against her!

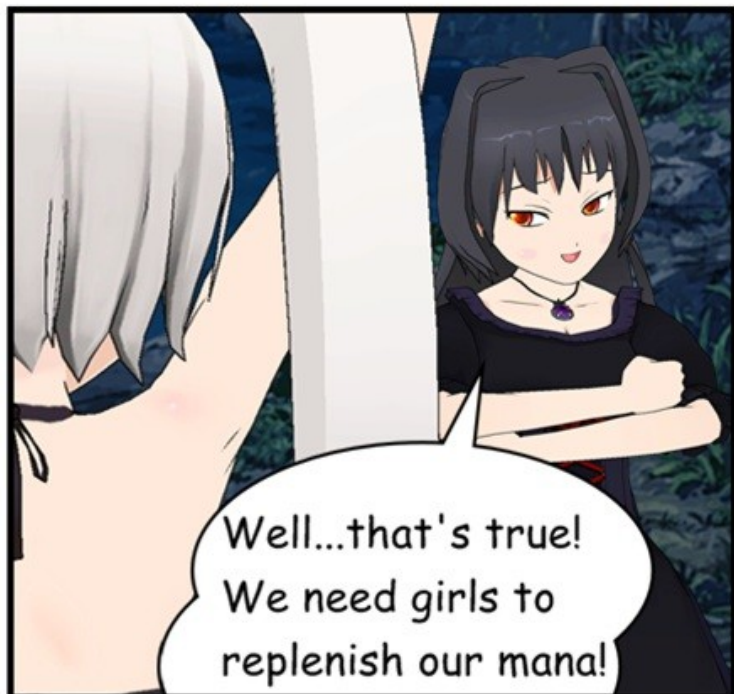

Indeed...i'm
Nemesis...

*Let me recharge
my mana...*

P-Please...be gentle...

Uhm...that
would be a problem!

A girl must consent
for the ritual to be
effective!

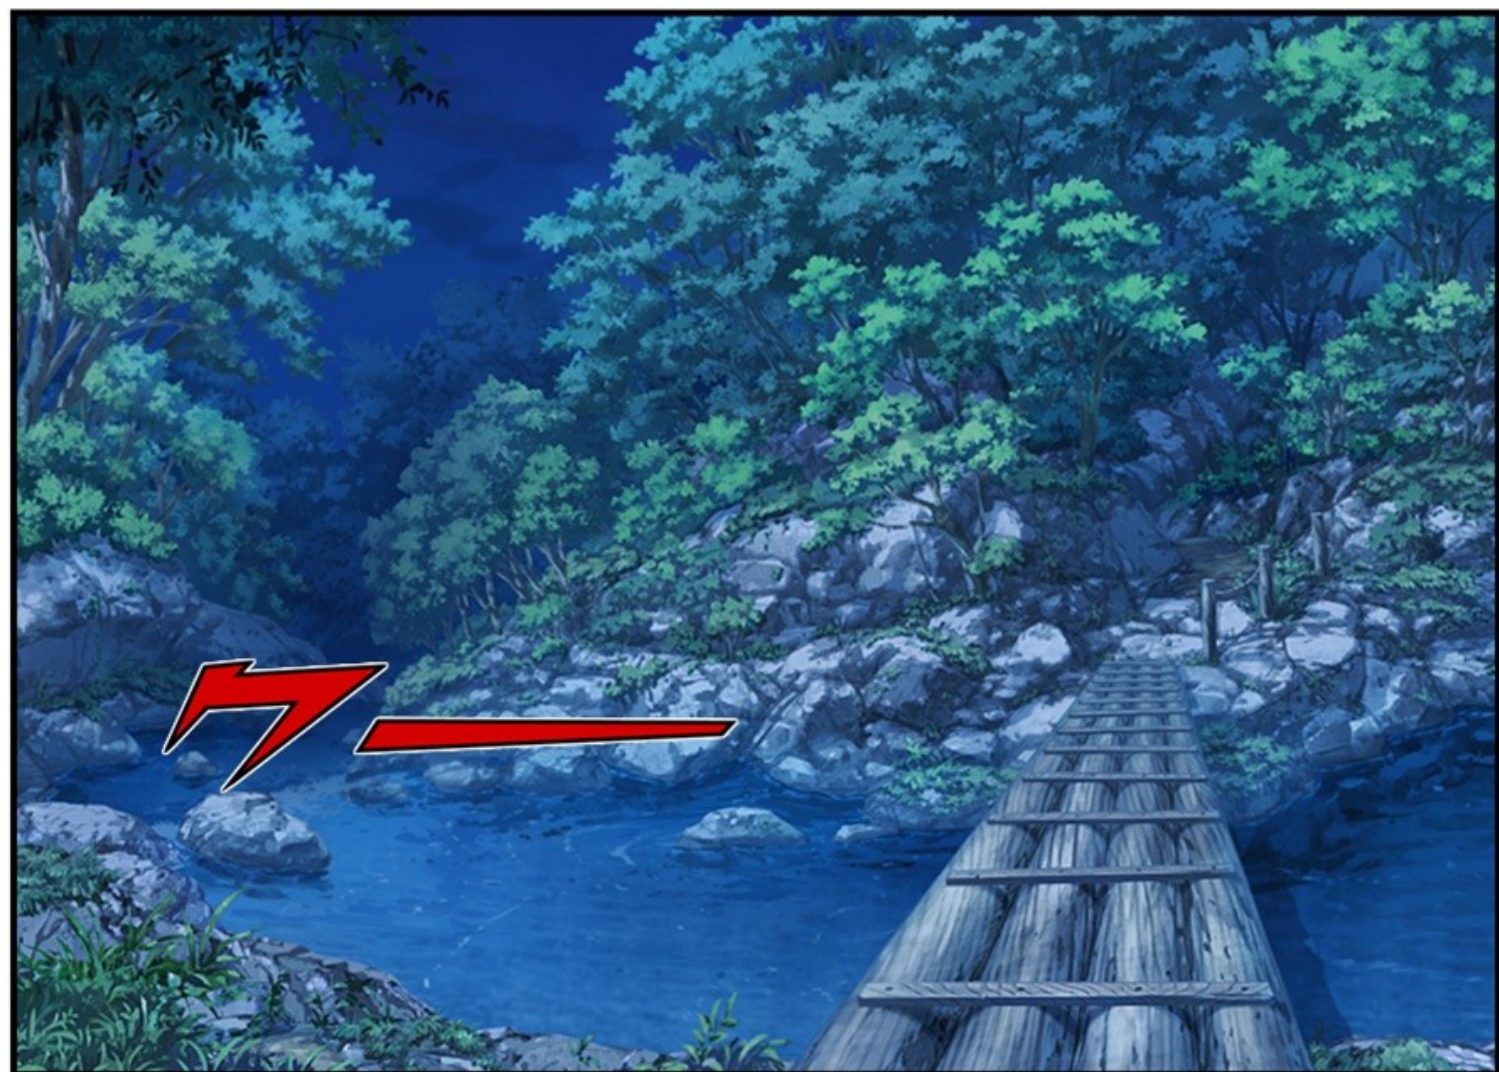

That means i need
to find a way to
convince you...

NO WAY!!! NOT IN THIS
WORLD!! NOT IN THIS
DIMENSION!!

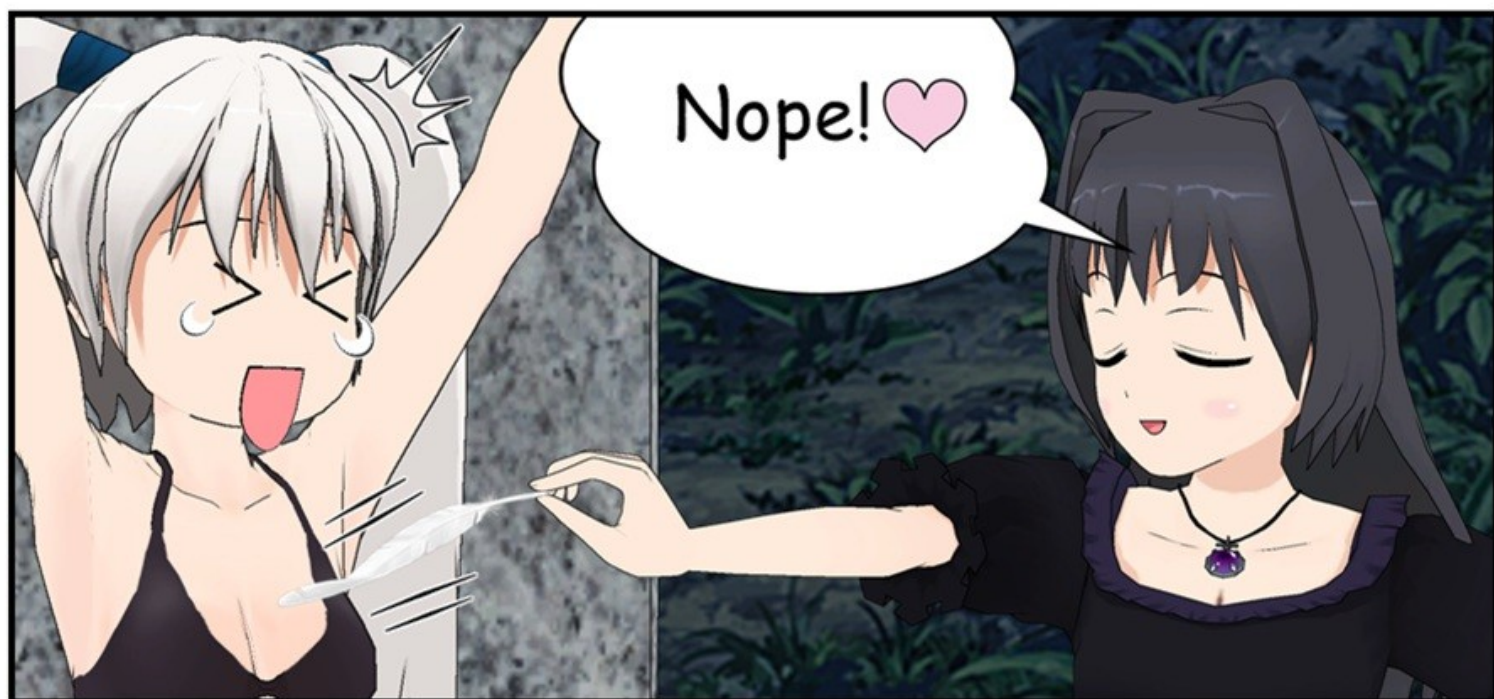

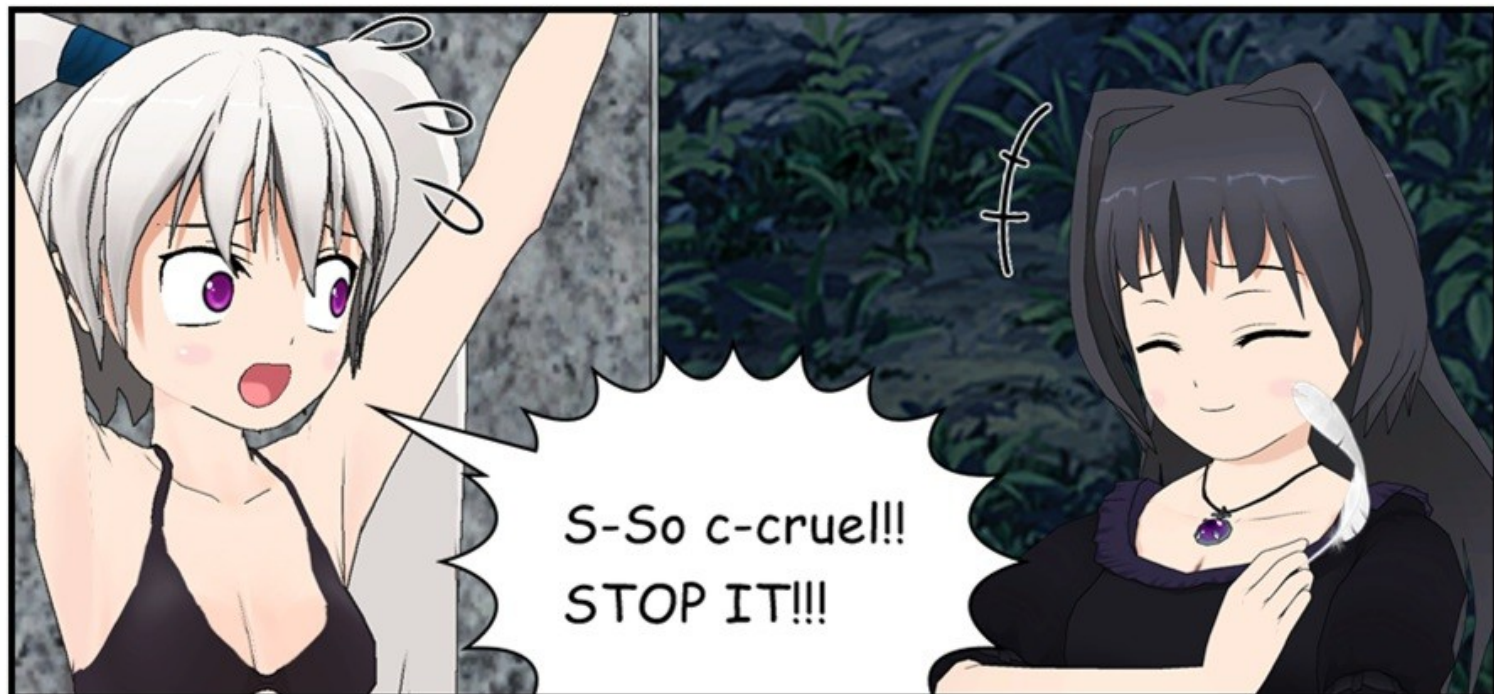

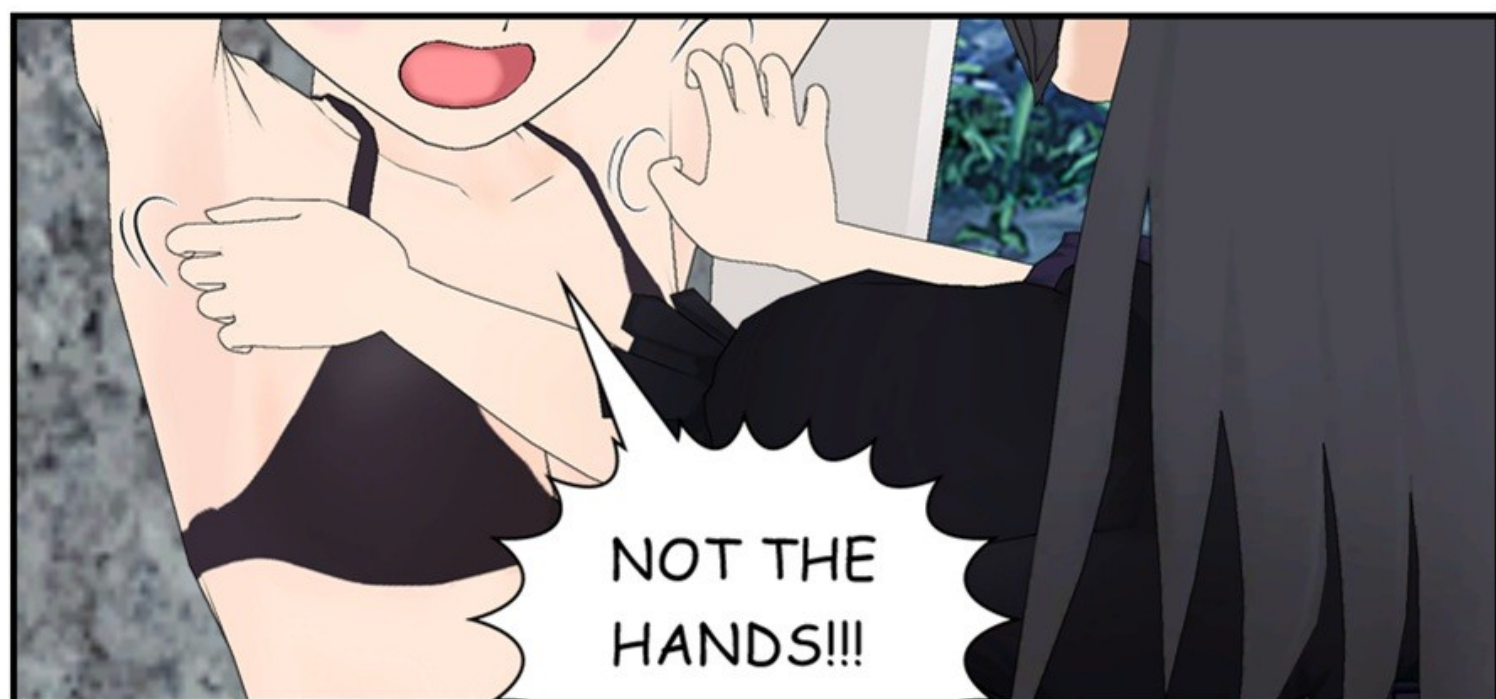

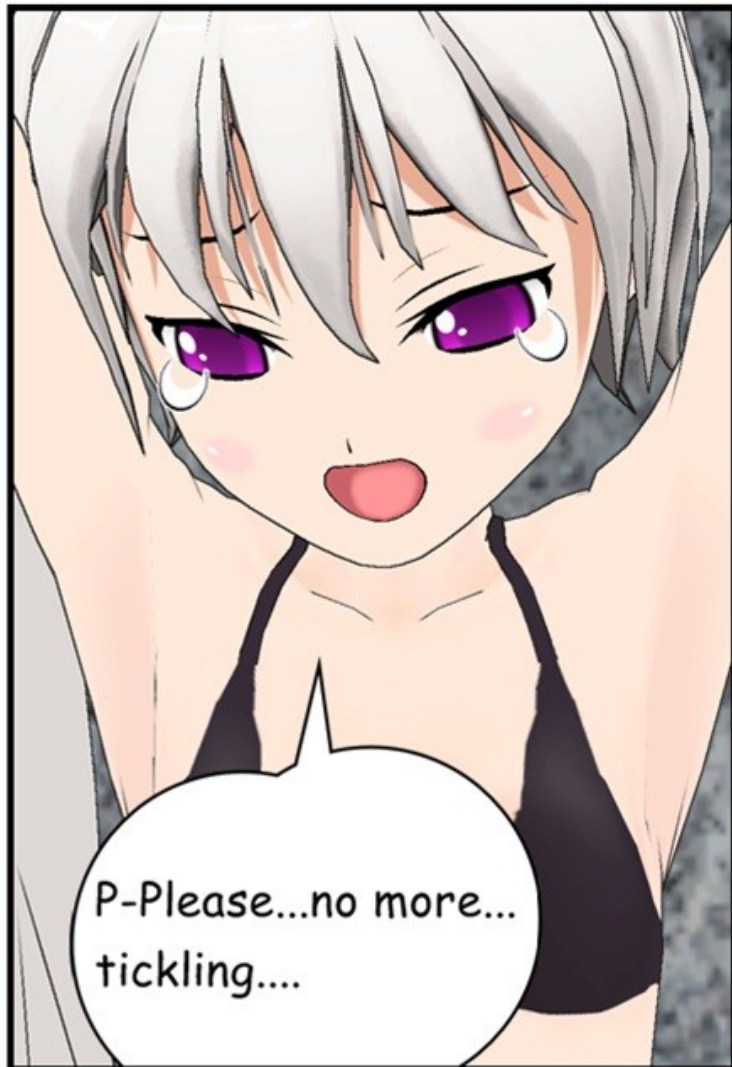

P-Please...no more...
tickling....

Forgive me for my
rude behavior!

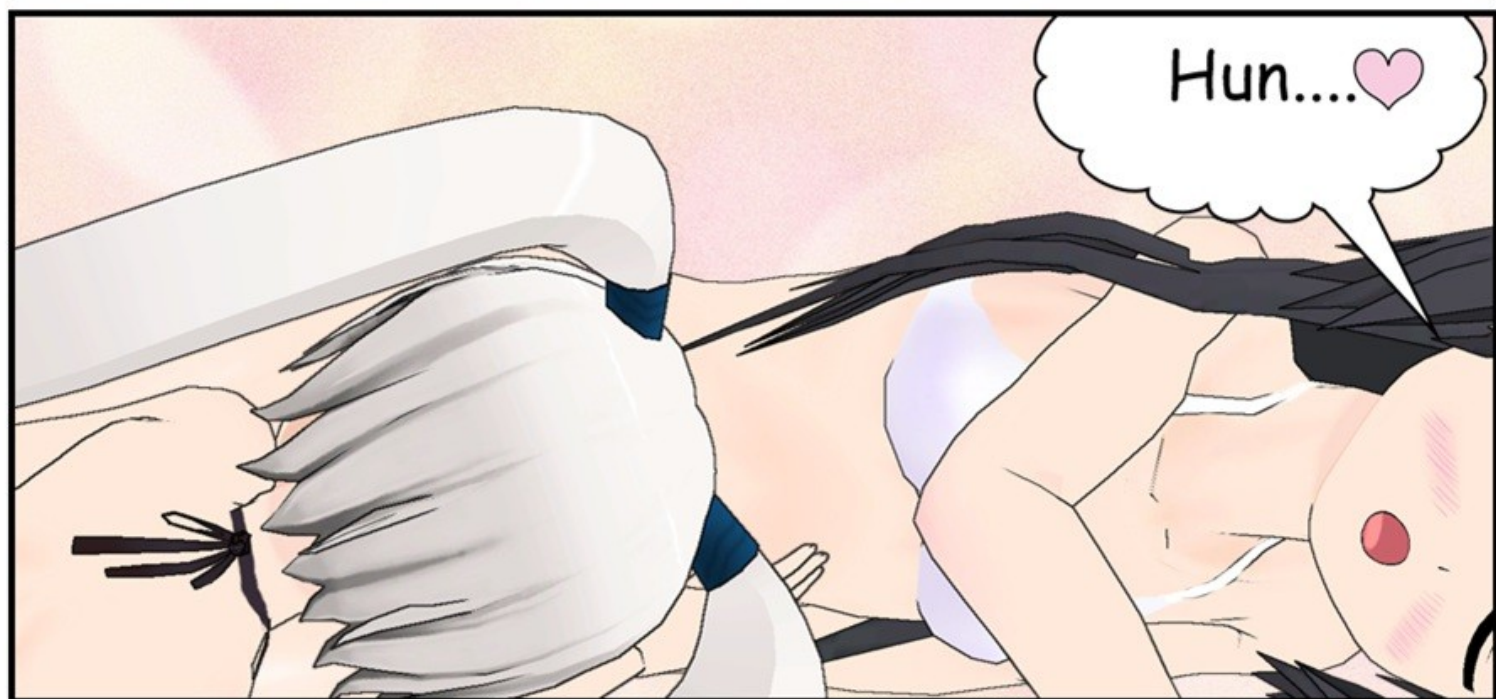

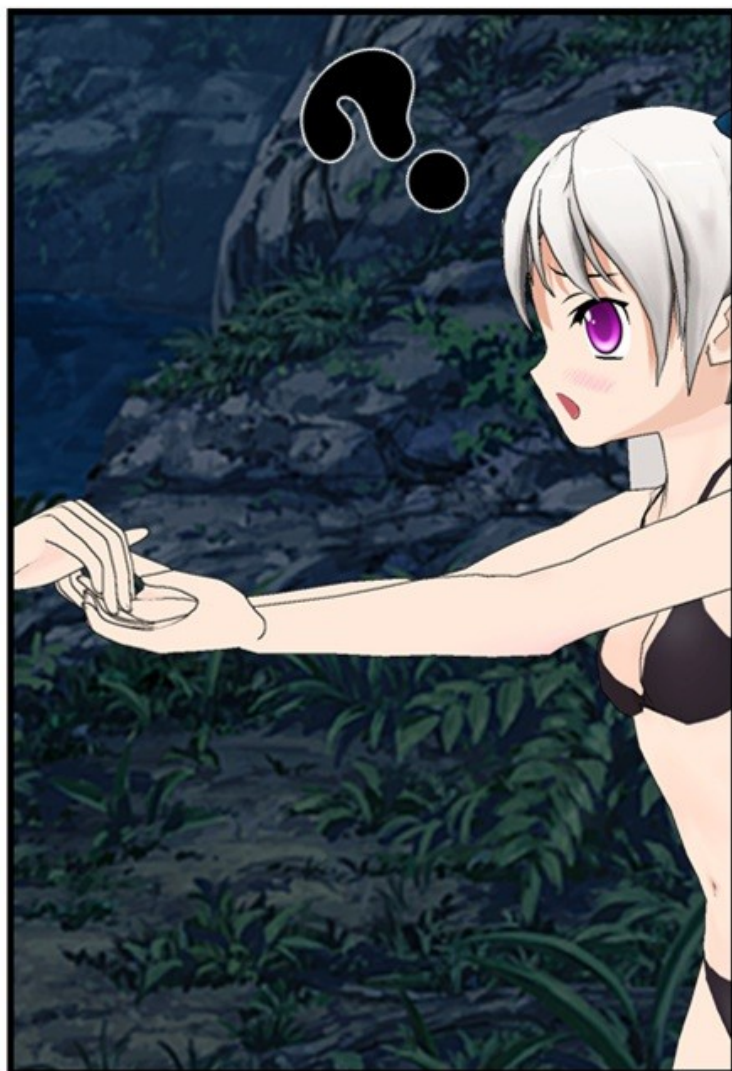

I can still warm you up
with my body...

Don't be stupid!
This is your chance!
I'm all tied up and
cannot cast anything!

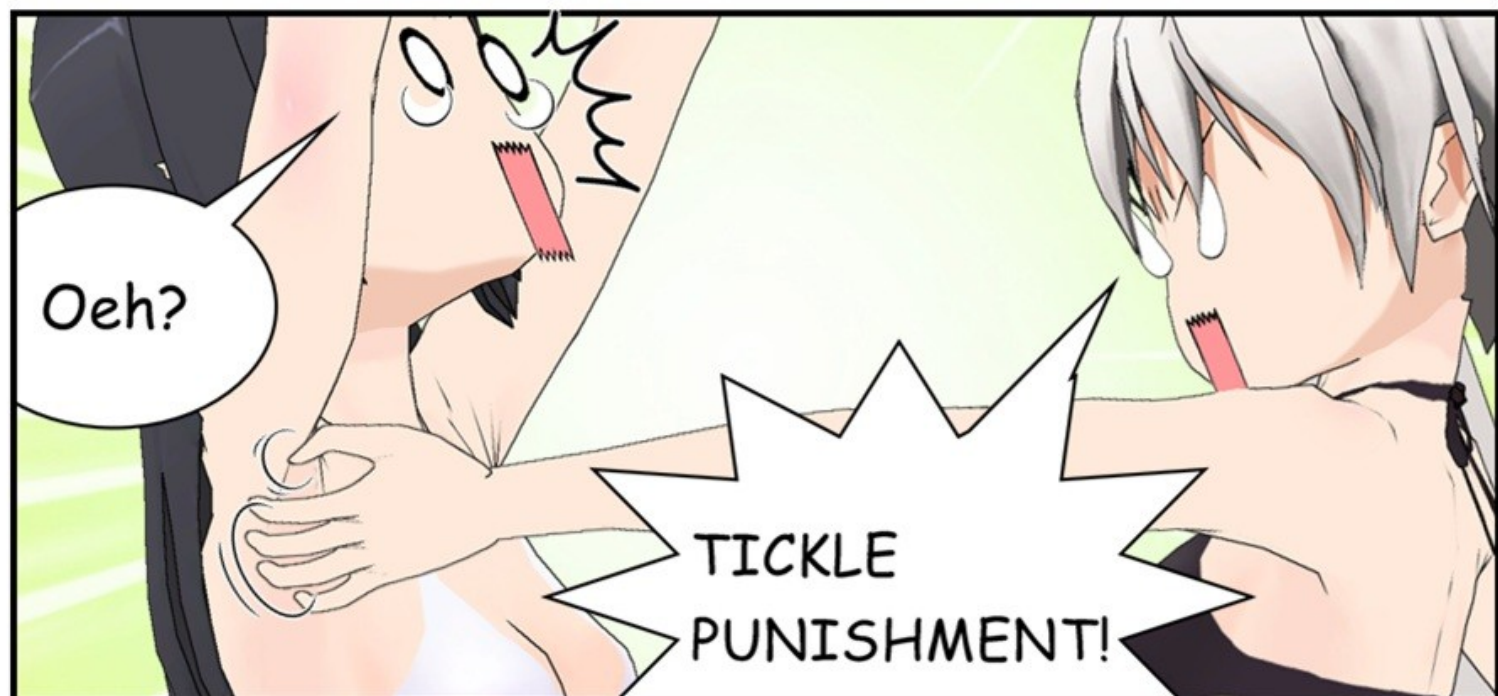

Hand me over to
the guild!!

W-What's
wrong with
you???

Why this sudden
death wish???

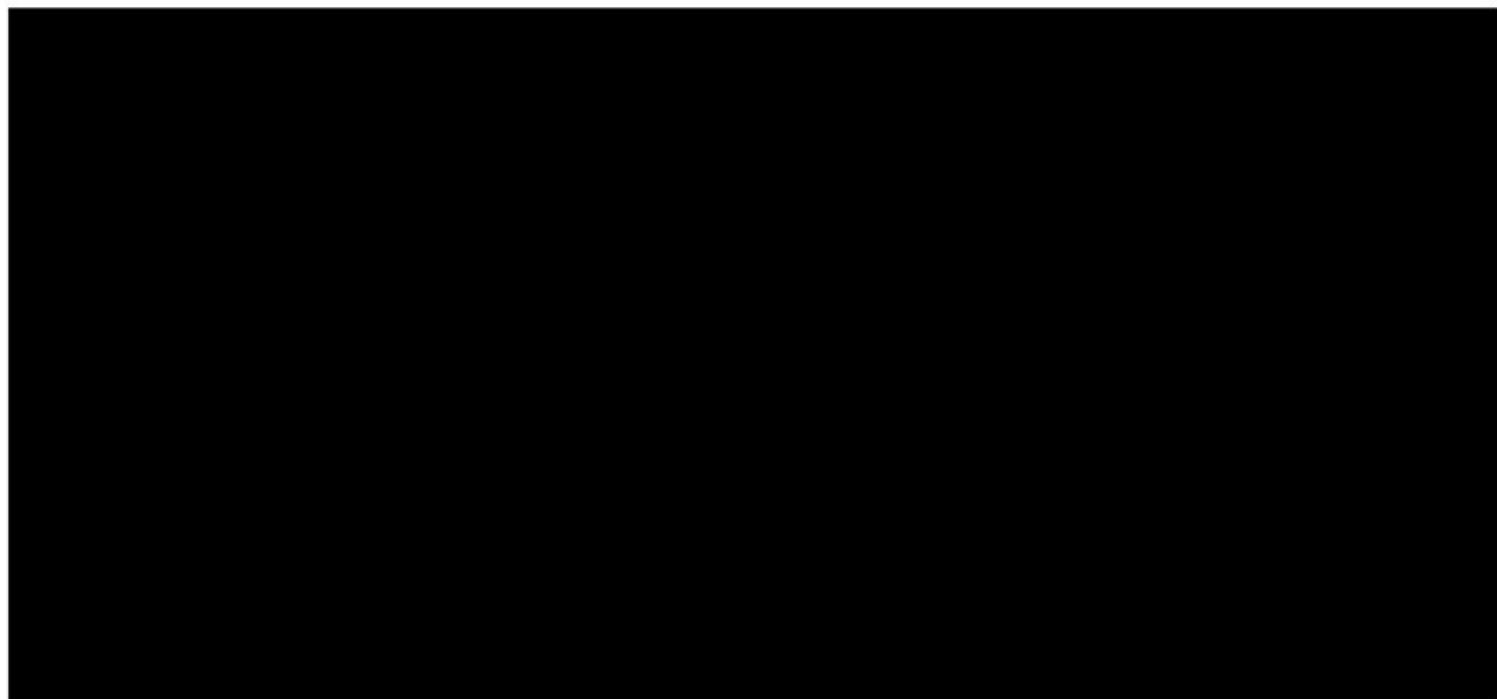

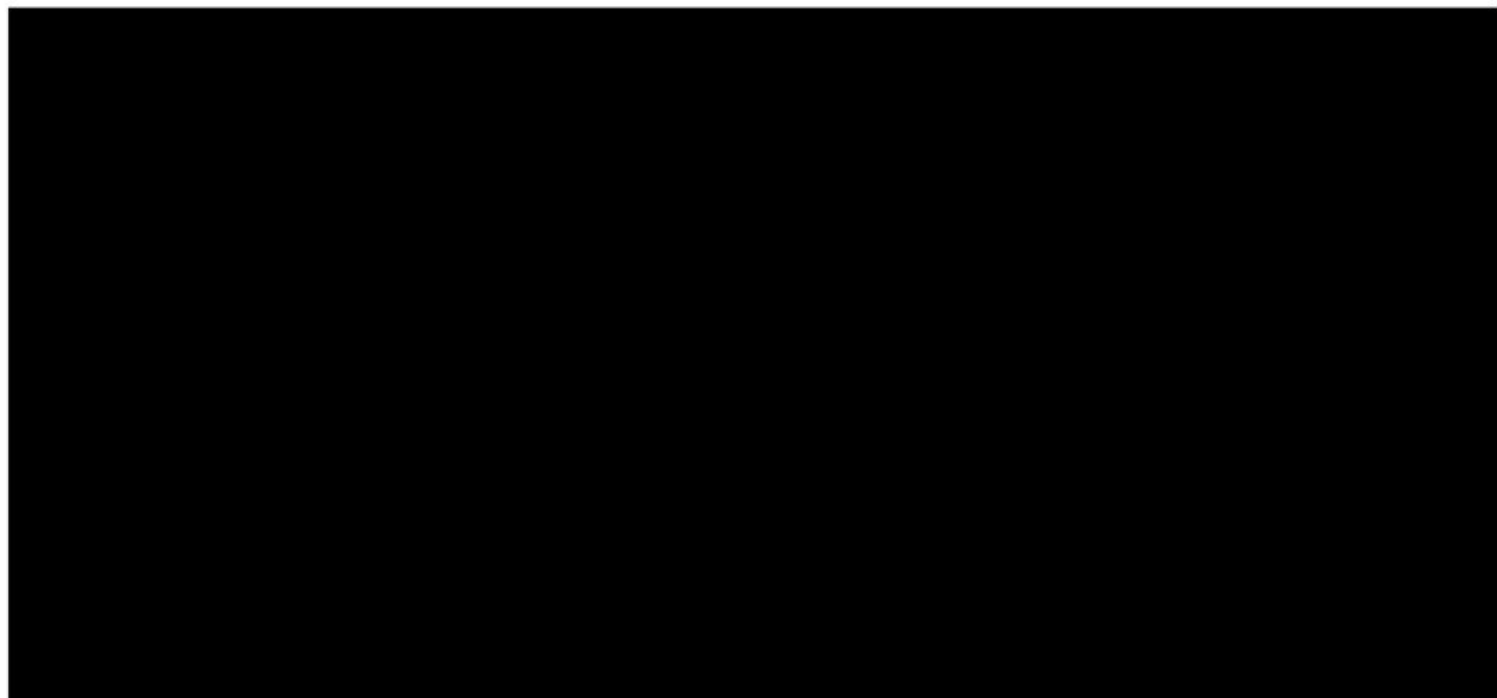

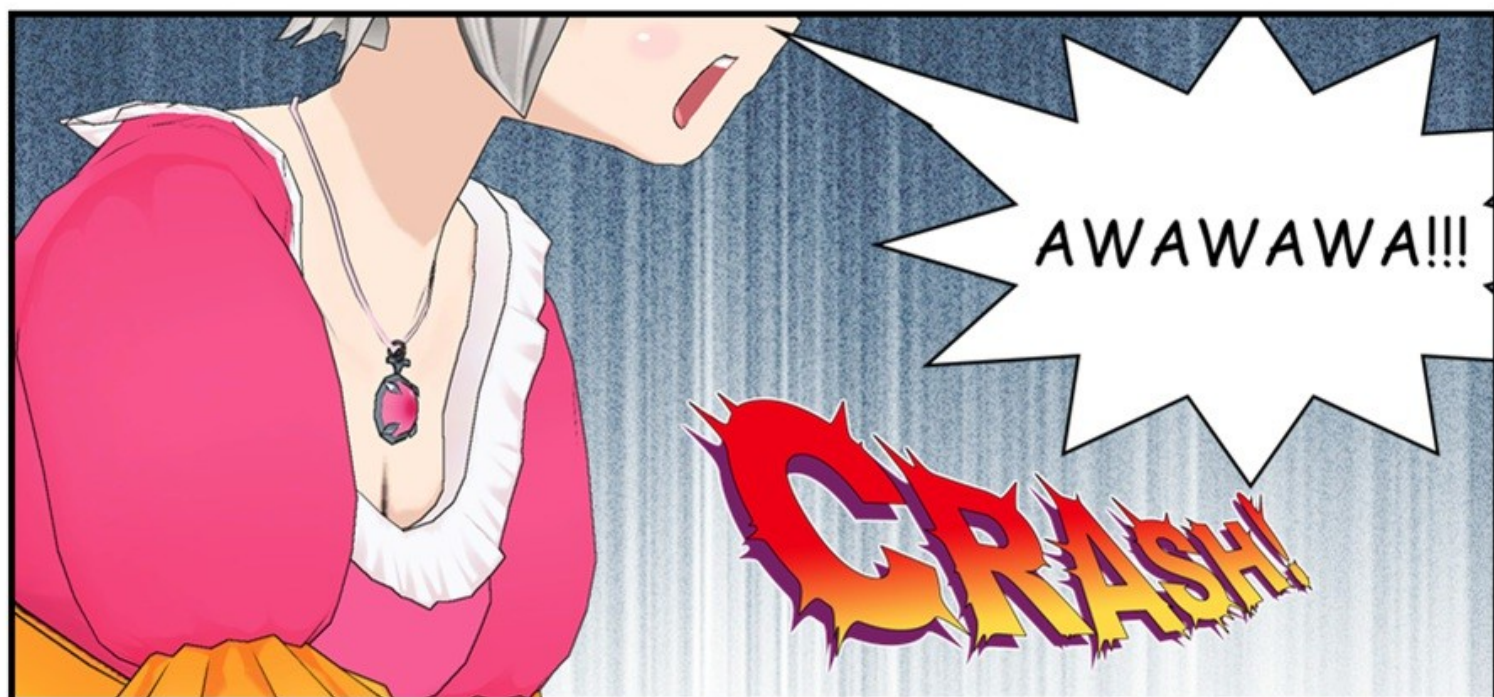

What about MY feelings???

2 months later....

My cute little apprentice!
