メトニウムが描く、えっちで淡い恋物語 28 P ♡

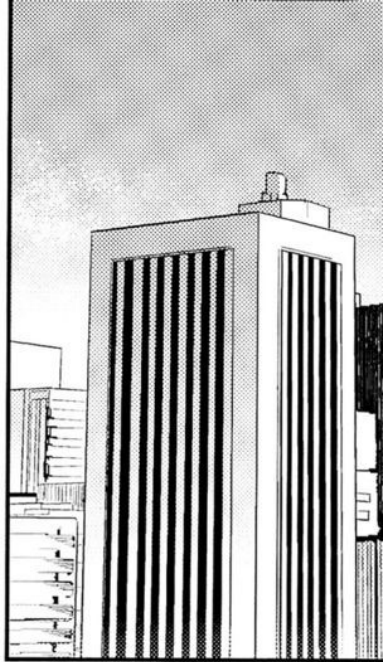

...I'm very sorry.

Fuu...

I can't say this is well done.

Shape up! You'll have to redo this today!

Your work is riddled with countless small mistakes!

Sasaki, you've been a little off lately.

That took longer than I expected... It's this late already.

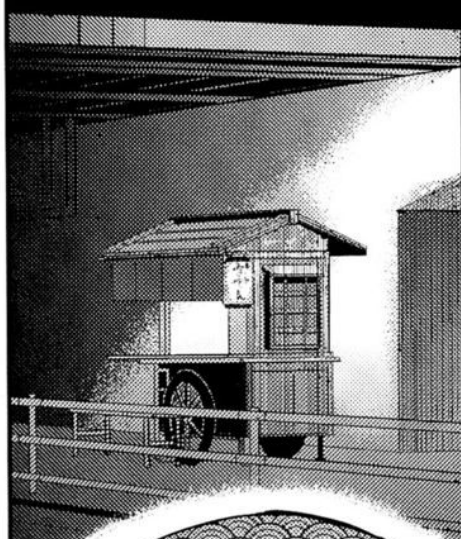

So this is over-time, huh...

We're going home for today!

Good work-

疲れたボクを照らす光は、君の優しい笑顔だった。

Are you still open?

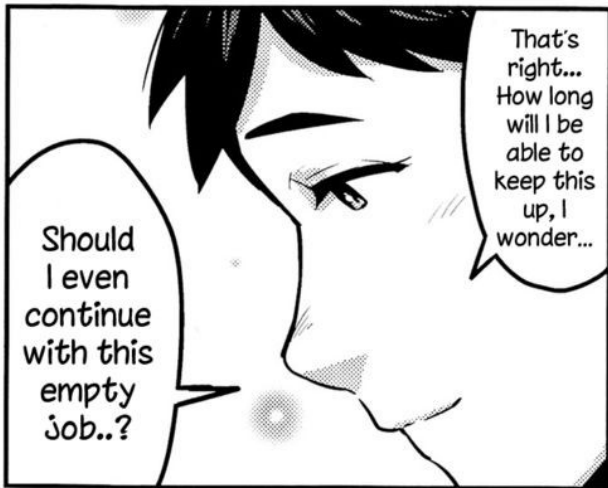

Ah, a customer! Come on in!

Is because I want to see a smile on every customer's face when they eat here~

I think the reason why I do my best at making delicious oden...

ちゅっか!!

Eh-

Now, let's put a great smile on that face by drinking and eating some more!

That's great...

Hehe...

But I'm really sorry for bothering you until this late...  
Ah-

Delicious, isn't it? Our oden is the best in Japan!

This must have been the best oden I've ever eaten! And I'm not saying that just to flatter you!

Fuu~

And it's really heavy, you know?

You don't have to worry about that! It'd just be a long detour, right?

Please let me move the cart away!

As an apology of some sorts...

I told you~

...SO HEAVY-!

You listened to my problems, after all.

So even if I move the cart to your place, I'll be fine!

I was planning on taking a taxi home anyway...

It originally belonged to my grandpa.

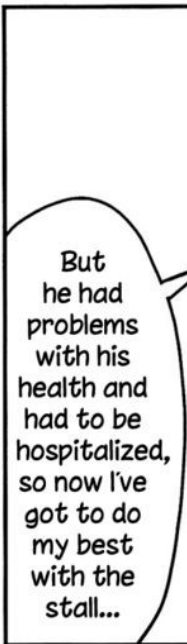

You know, this stall...

Miko-chan... was it? You're so young, yet you're taking care of an oden stall all by yourself... That's amazing...

Ah-! Sorry! I didn't mean to start talking about depressing stuff!

...It's fine.

But he had problems with his health and had to be hospitalized, so now I've got to do my best with the stall...

Both of my parents passed away when I was young, so I was raised by my grandpa...

...

...and cute grandchild to help him.

Your grandpa must be a happy man... I mean, he has such an energetic, kind...

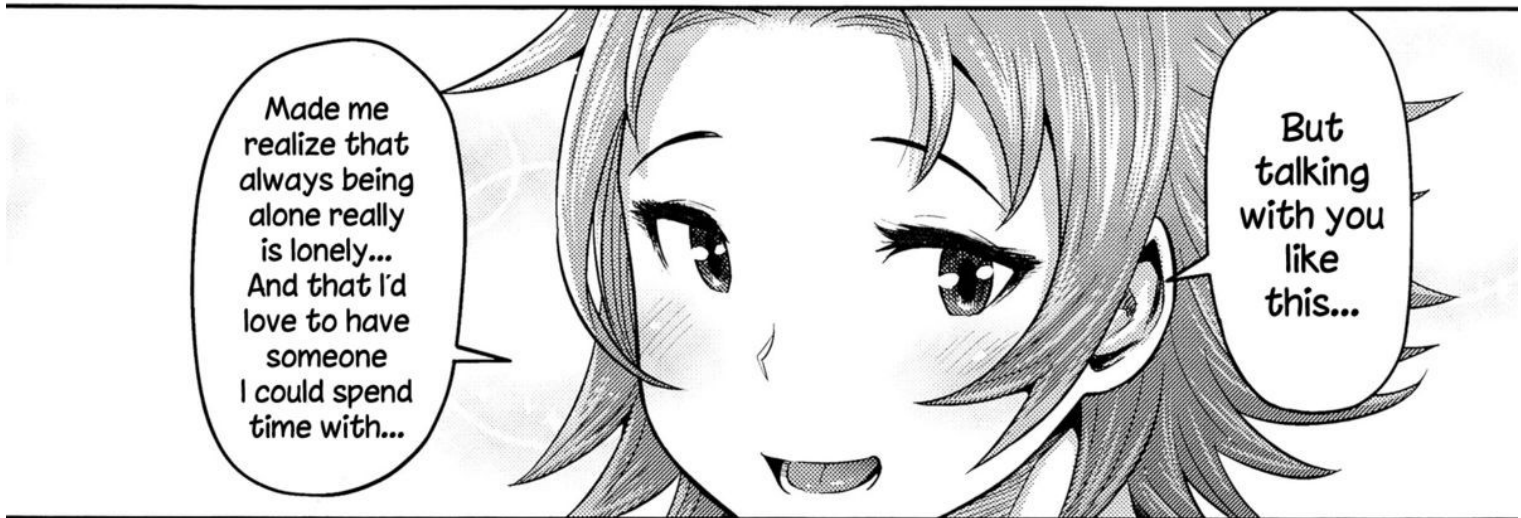

I kinda want to drink too, so join me if you want, okay?

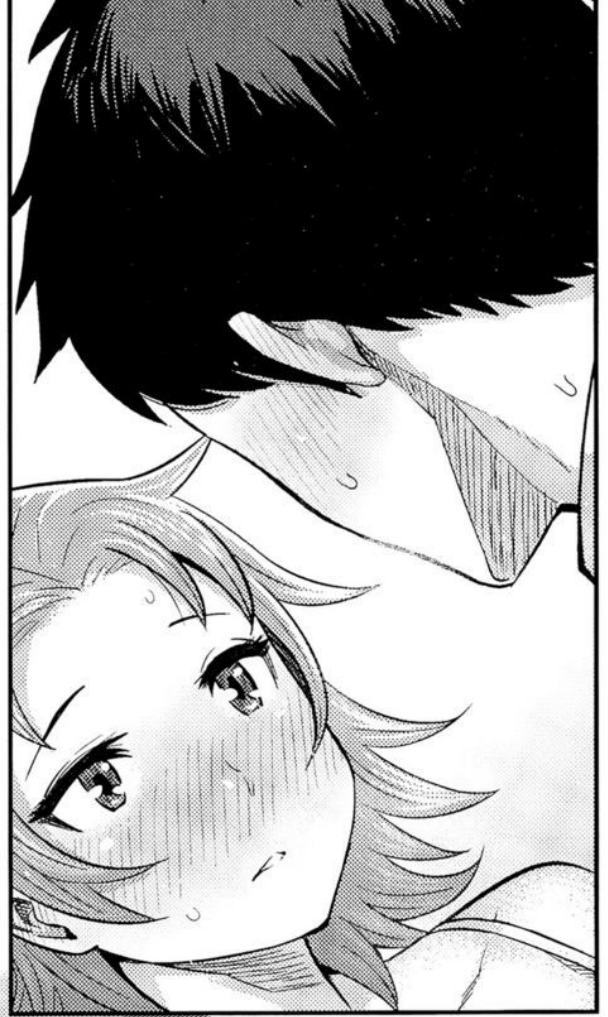

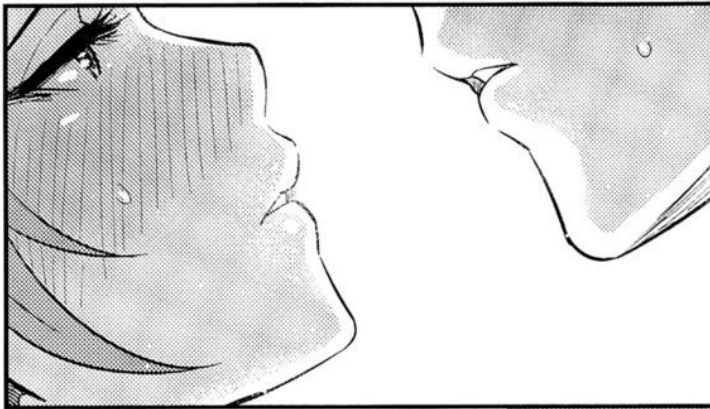

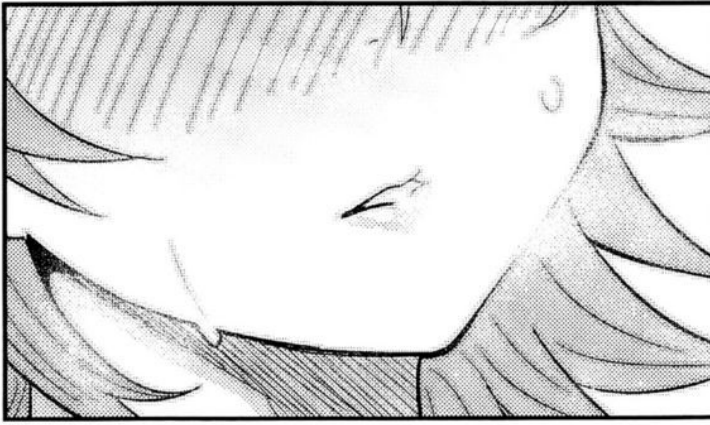

Ehehe~ You still able to drink more?

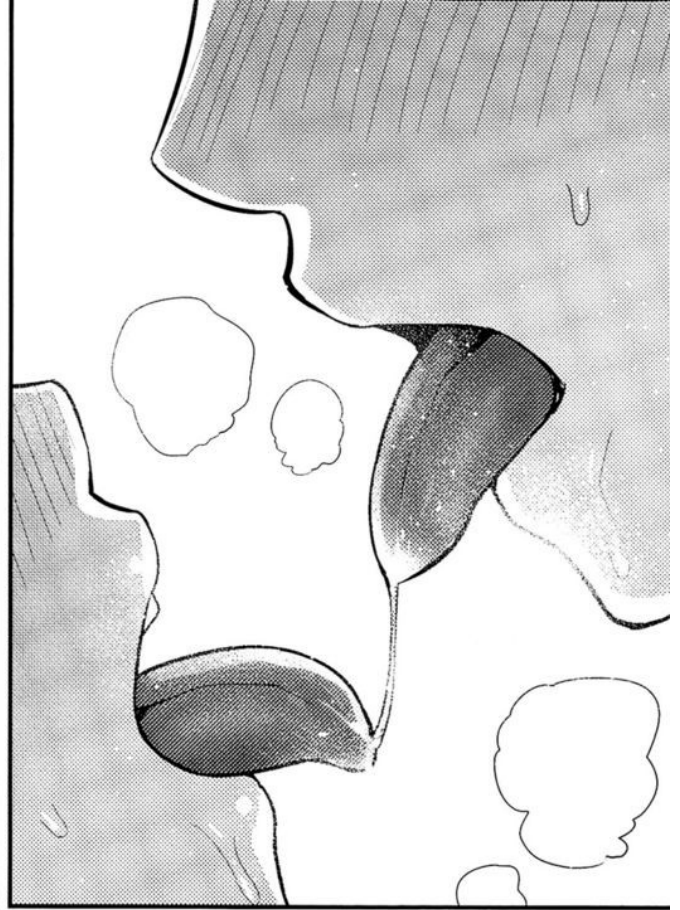

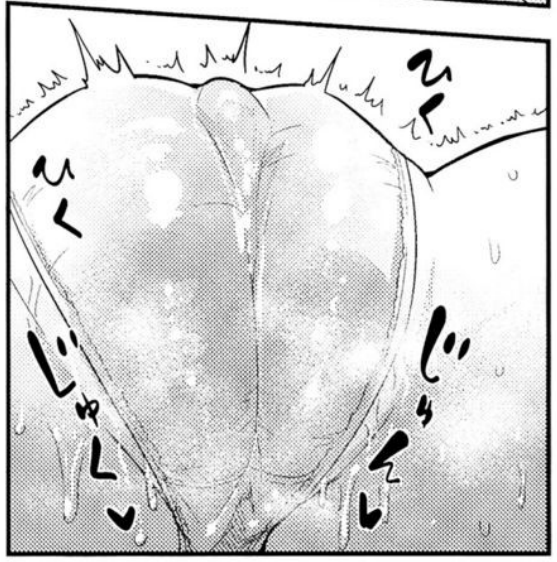

O... Okay.

Eh-

Eehh?!

Fueh?

I...  
Want to  
help you  
in your  
job.

This is  
a little  
sudden  
and might  
surprise  
you,  
but...

It's just  
that...  
I think  
I found  
what I was  
looking  
for.

I don't think  
I'm under-  
estimating  
the stress  
of running  
a stall.

When  
I met you  
yester-  
day...

And  
when we  
joined  
together...  
I realized  
it.

Do you  
remember  
what we  
talked  
about  
yester-  
day?  
  
About  
my work's  
meaning...  
And if  
my job  
was  
worth  
doing.

About  
that...  
I thought  
it would be  
nice to work  
with you.

Yeah,  
I do...

I...

Want to walk the same path together with you!

Is exactly what I was searching for.

Making people smile... A job like that...

...I'm gonna be really strict, you hear?!

Does that mean..?!

Fufu... You don't have to be that honest!

And I'm not saying this as a joke!

It's just... Well... I can't say that "wanting to be near you" was not in my mind...

The breakfast... is really delicious.

Oh, and I forgot to mention...

Good! No objections!

I'll be in your care from now on!
