BASIC CHARACTER INTRODUCTIONS

ELLEN

The Older Sister Mascot of a Certain Brothel (Whore-House) that has become famous for Elves. She began working at the brothel to pay back a certain debt. That debt has long since been repayed, but she continues on with her job as a prostitute. She is quite the promiscuous one.

MIZUKI

The Proprietor of a certain Brothel. Once again this time it is still not her turn to shine.

SUZU

Ellen's little sister. This time it is not her turn to shine.

"STILL?!"

"DO YOUR BEST ONEE-CHAN!"

DID YOU
HEAR?
THIS YEAR
"THAT"
CAME OUT

OR WAS
THAT

DREAM
~?

DID
HIS MOM
EVER

AT
WORK

STILL, WHEN
I THINK
ABOUT HOW
CUTE HE WAS
I CAN'T
HELP BUT TO
SALIVATE.

OH

DESU!

I'D BE
SCARED TO
DEATH IF I
EVER SAW
THE GHOST
OF AN ELF
APPEAR-
DESU!

AROUND
THIS TIME HE
APPEARS IN
THERE
EVERY SO
OFTEN.

HOW
SAD!
THE
POOR
KID-
DESU!

QUITE
SOME TIME
AGO IN A
HOVEL NEARBY
A YOUNG BOY
PASSED AWAY
FROM THE
COLD DURING
A SNOW-
STORM.

AS LONG AS
HE CAN RE-
CEIVE SOME
WARMTH,
I'M SURE
HE'LL TURN
OUT OKAY.

...NEXT
YEAR,
I SHALL
GO TO
VISIT HIM
ONCE AGAIN.

I
GUESS
IT
CANNOT
BE
HELPED.

...A,
PROMISING
FUTURE
HUH?

The End

*Thank you very much for reading until the end.
To some it's nice to meet you, to others long time no see.*

*Some time ago there was an accident and my computer malfunctioned.
This of course did effect the outcome of my composition. How you may ask?
On my first draft I was going to use a [Sleeping Shota], But I afterward
decided to pair the Older Sister Elf up with a [Ghost Shota] instead.*

*Now then, that takes care of that.
I think for now this is a good stopping point for the "Elf Sisters"
story. Sooner or later I'd like to go in another direction and
make CG collections. I might start immediately in fact.*

*As of right now I'm planning a story that will involve two girls.
The focus of the story will be through the lips of a "Pomeranian Girl".
That's okay right...? I thought it a good idea to start introducing
various races. I don't want copyright so I want to make it a super original
perverted book. Like this time I'm sure I can manage it, yeah.*

That's enough reflecting for now, Let's meet again in the future!
