So I have absolutely no motivation to study.

My phone ran out of battery, alright?

You didn't even try to call!

Koko-ne!
Do you know what time it is?!

I don't really have any dreams for the future.

Maybe your genes are at fault here! Ever think about that?

She's only a high school graduate herself, but she acts so self-important every single day...

So annoying! Yeesh!

Did you really?

I got it.

Koto-ne!

Sigh... Blah, blah blah. It never stops.

Look how well he did at the last mock exam.

Why can't you be more like our neighbour, Nomiya-san?

I'll do my best.

tease him a little.

I decided to...

I've been thinking about this for a while now, but...

Yeah?

Nomiya-kun...

although I don't have any real grudges against the guy...

It's rare to see you up so early.

Hello, Murase...

Because I was so tired of my mom's...

Can't argue with that...

Uh...

Look at all this...

Well, my first time is over and done with...

Shit, he just did as he wanted with me...

...I think he's empty?

E!!

E!!

Besides... my complex had nothing to do with being a virgin...

?
What?

Of course it doesn't.

Nothing.

It doesn't feel like anything's different...

That said...

I might have changed just a bit thanks to him.

You're smart, right?

Could you help me study sometime?

I'm very strict, you know?

Huh?!

Say...

But, even though...
