You deserve a prize for your perfect attendance...

You're really coming here every day, huh, Itou?

なにやら慌ただしく
駆け込んだのは...!?

Ujiiie-sensei, I got another scratch.

Still, you're the only one who comes here this often, you know.

Is that so...

It's a part of my club activities.

Are you okay, getting injured all the time?

That's because I like you, Sensei.

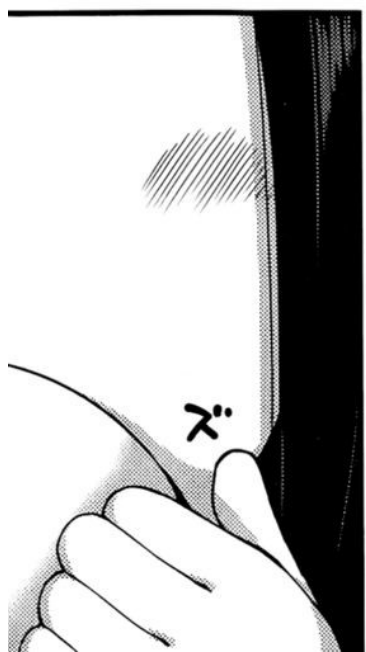

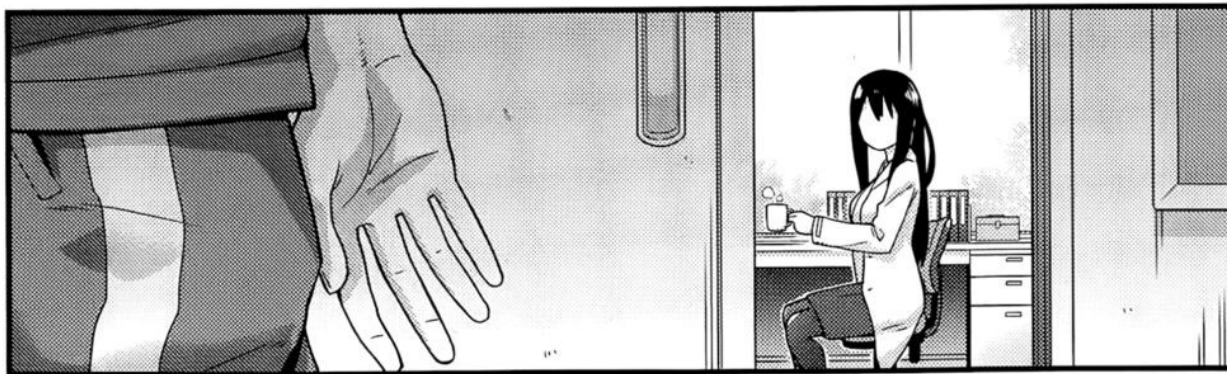

That's wrong too!!
I think...

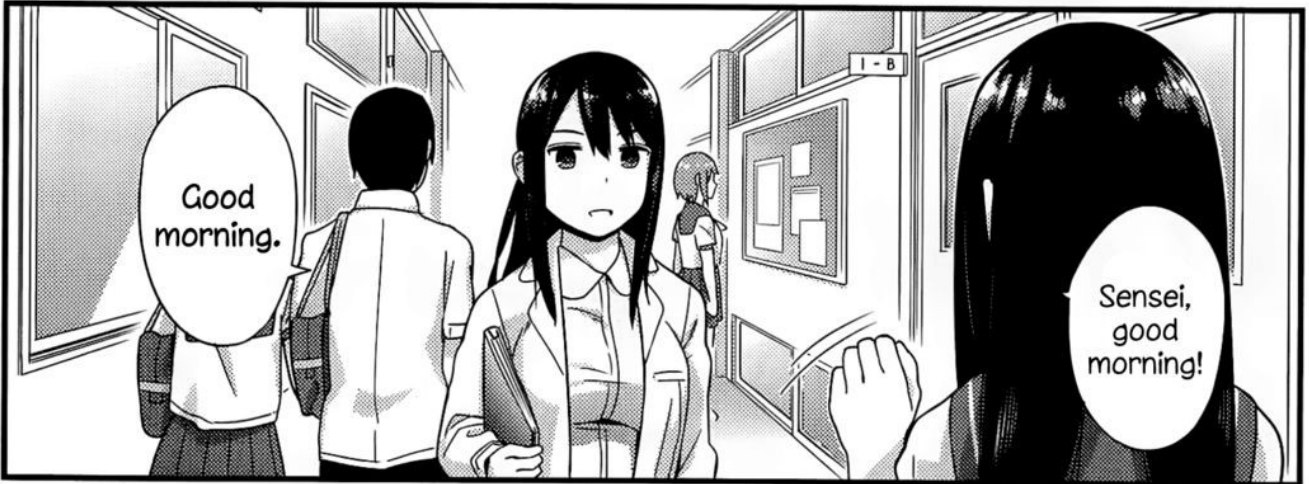

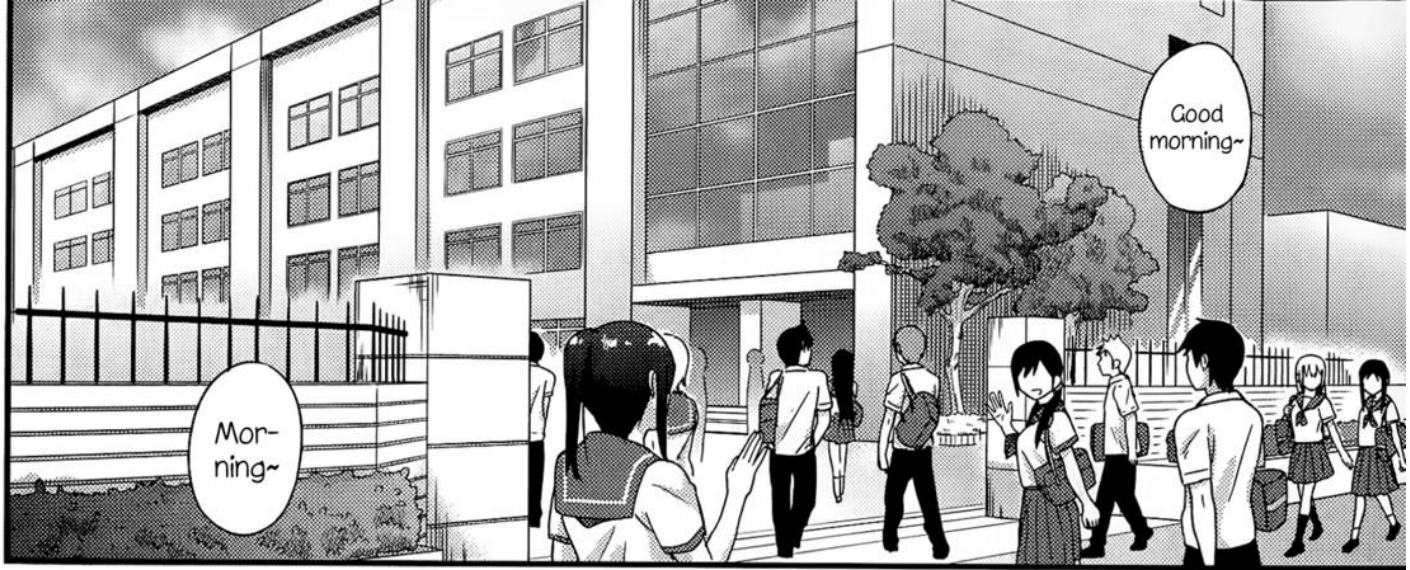

Then, is that another way of saying "let me fondle your boobs"?

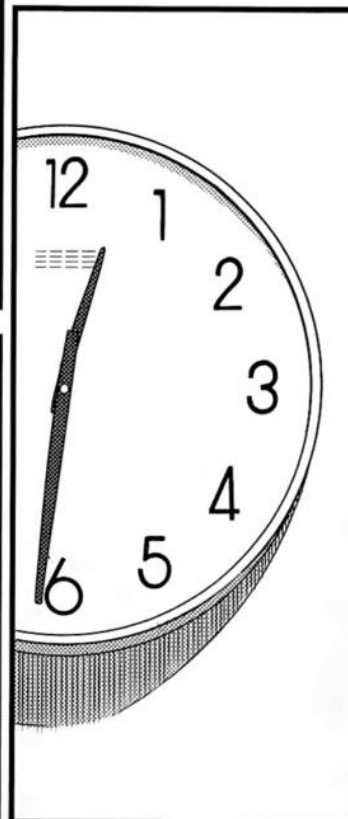

That's not it!

...Did you lose a bet or something?

...I haven't heard your reply yet.

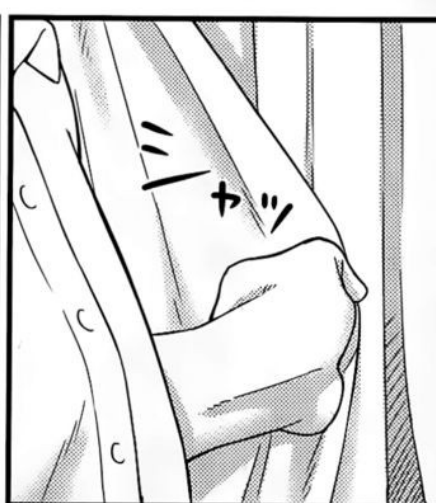

Did you hurt yourself again?

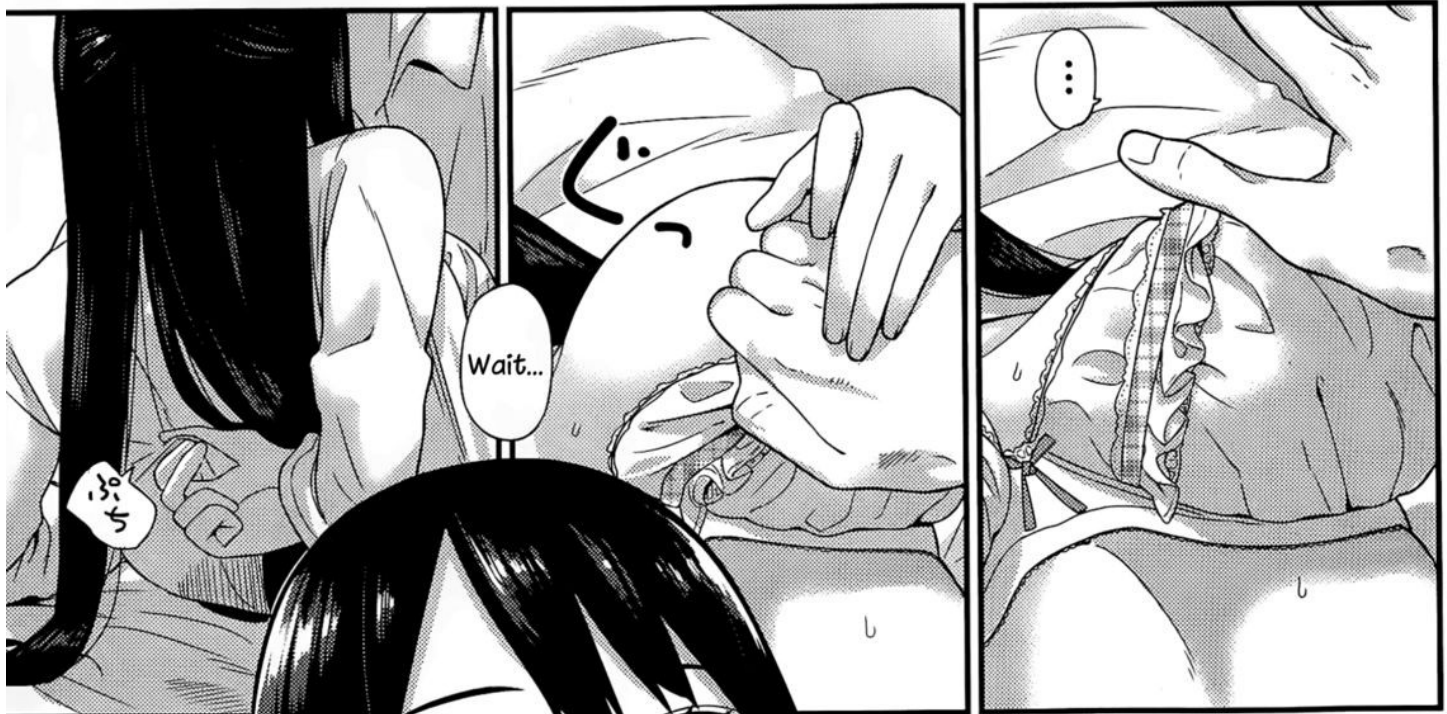

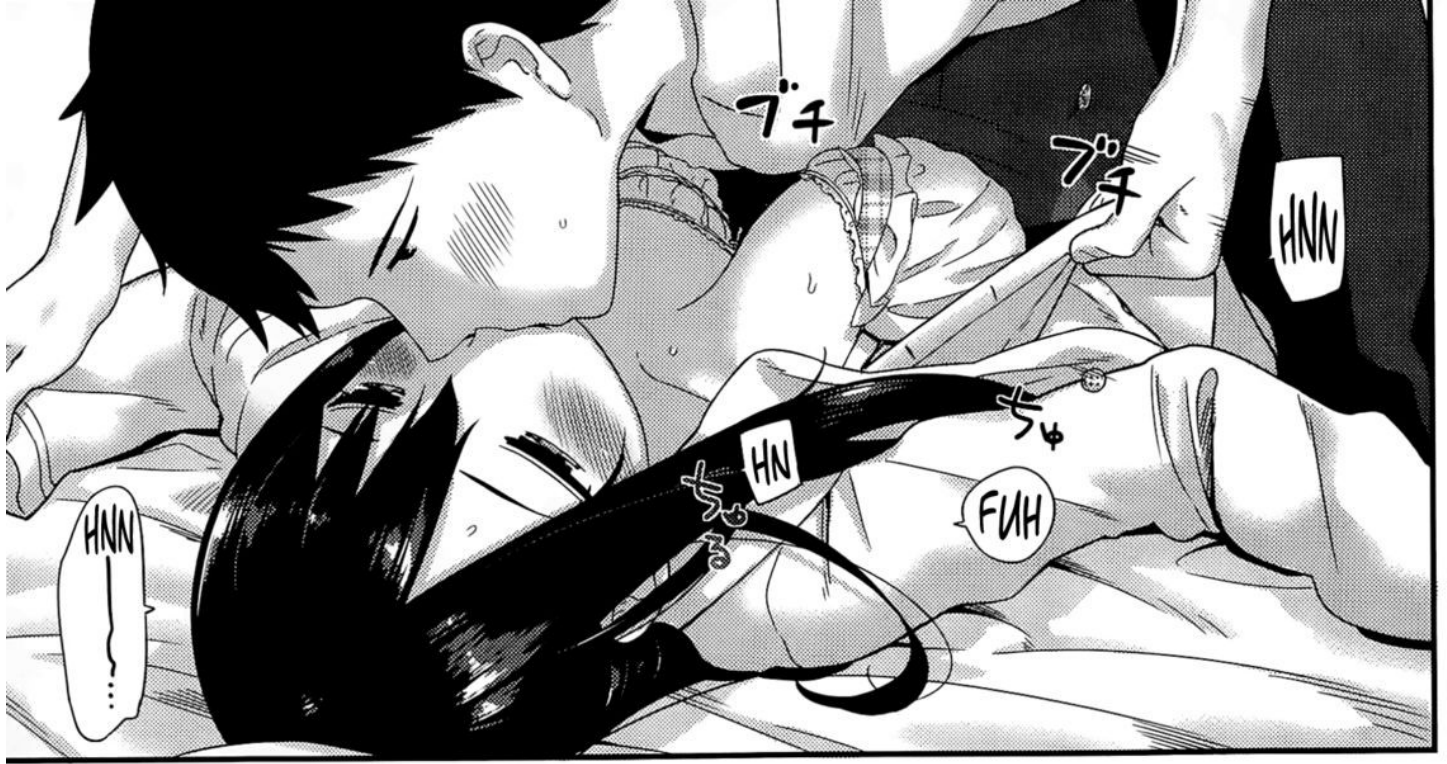

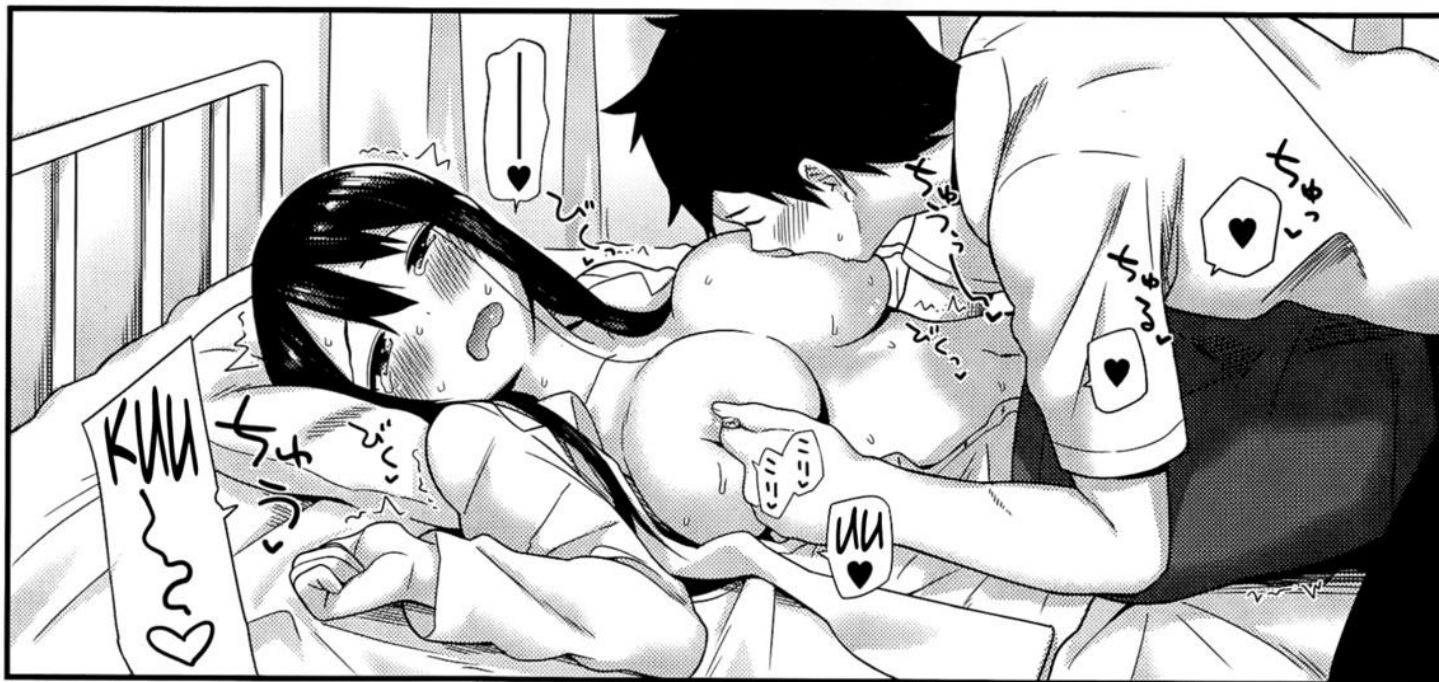

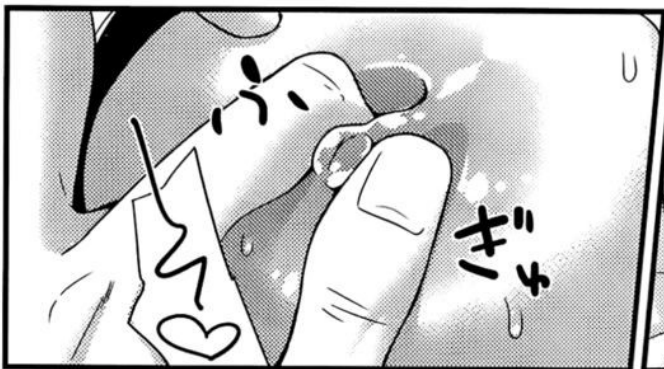

Give it up, falling in love with a teacher is just pointless.

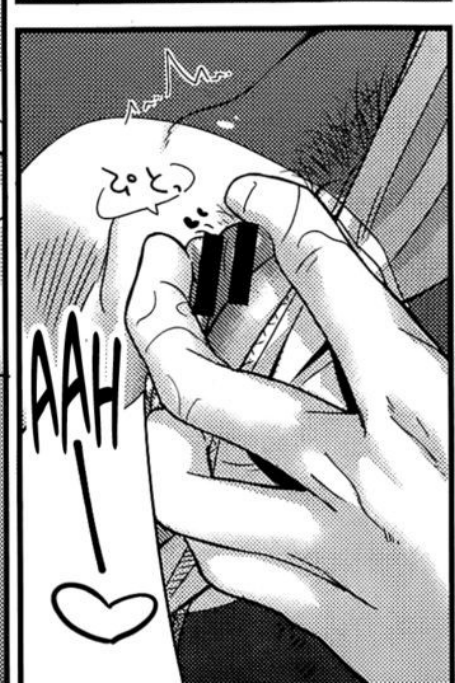

My reply...

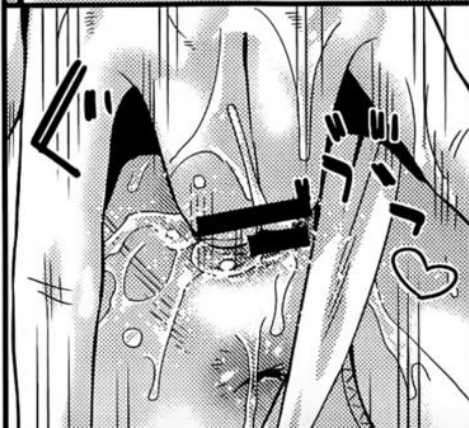

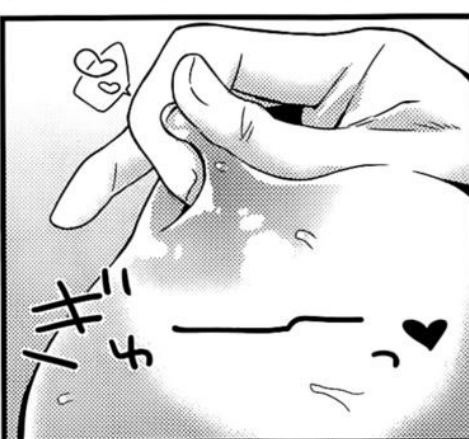

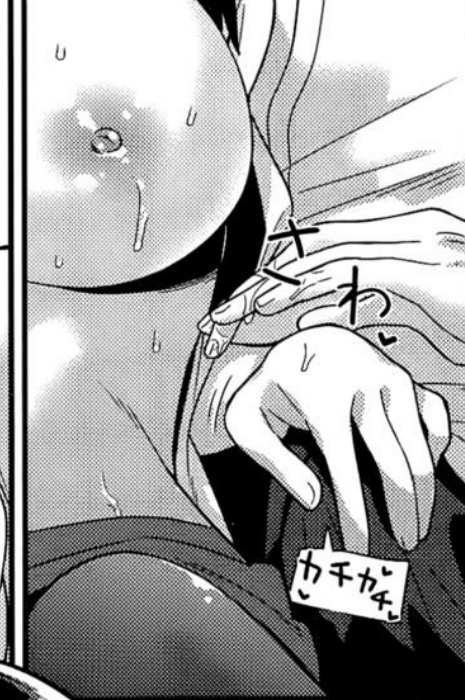

It's so hard...

わんわん

Mm...

Sensei, do it to me too.

...You perv.

CHU

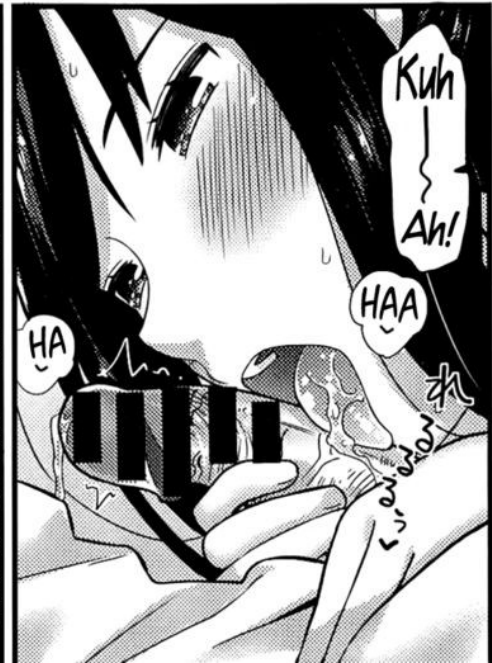

I can't help it... In fact, I started leaking every time I was with Sensei.

Wow, you're leaking so much precum... Even your underwear is wet.

Wait, Sensei, were you mad that I was getting along with a girl even though I confessed to you?

This morning... Oh, you mean Kuroiwa?

We met by chance and were just discussing our ideas for the track meet.

I'm sorry...

GUH!

Did seeing me with a girl make you jealous?

Hey, let's go have fun sometime, just the two of us.

...We'll have to stay away from the school, you hear?
