

O-MAMA-GOTO

CHAPTER ONE "MOM AND HER BREASTS"

O-Mama-Goto

Hasegawa-san's
mother-son relationship

Personality wise, she's a bit of a goof but she also has this stubborn side where if she decides on something, she won't change her mind.

I have a young mom.

Ah Hiro-chan, welcome home!

My mom's named Hasegawa Yuuko. She's a mother of one who's turning 32 this year.

Her hobbies include gardening and playing with our pooch. By the way, there's a reason that she wears clothes that make her look fat.

She looks so young that people still confuse her as a student. The reason seems to be her baby-face, which hasn't changed since her teens. She personally hates being called a baby-face, though.

Wah!

Wah!

Wah!

Mom gave birth to me at an early age and she raised me, going through a lot of hardship.

She apparently had a really tough time, juggling childcare, schoolwork and her job at the same time.

Ever since my grandparents died when I was little, mom and I have been living alone.

My grandparents were around when I was little, but they died soon after and mom and I have been living alone since then. This naturally made me want to help her and we've been dividing the housework between us.

We're more like friends than mother and son.

Dad was never around, so I've never seen his face nor do I even know his name. Mom doesn't want to talk about him either, and I personally don't want to know after such a long time. That's why I haven't asked her...

She's always troubled by them because she can't find bras for her size.

Mom's distinguishing feature is her huge breasts.

Ohh... they've gotten heavier again...!

I love my mom's huge breasts, but mom herself has a complex towards them.

I remember when I was little I used to play with them in the bath, pretending them to be balloons.

heavy

heavy

I've been living a normal life with mom like that, and was expecting our mother-son relationship to continue like this.

Hah! Hah! Hah!

AWW!

Lick
Lick

Until
that day.

But... I'm doing it because I want to... and I've got my entrance exam next year.

Oh, were you studying all night again? You've got good grades, so you don't have to try so hard...

Let me straighten your tie.

I'm sure you'll get into the school you want, Hiro-Kun! I guarantee it.

Pat

Tap Tap

Oh, wait!

I'll be off now.

Hiro-kuuun, you're forgetting your lunch box! I made it just for you!

Ah... sorry, I was up all night and was feeling dazed...

Put Put Put

"Kiss me" pose

What?! Could you ask her how we can get breasts like that?

Really? I'm jealous!

I heard that she's really young and cute, and even has huge breasts!

Your mom's really beautiful, right?

Huh...? Why...?

Hey Hasegawa-kun, can I meet your mom sometime?

Hey Yuuko, how's your son Hiroto-kun doing?

Hiro-kun? He's doing fine. He's got his university entrance exam next year, so he's studying hard right now.

Fellow mother and Yuuko's friend- Igarashi Kaede

By the way, have you decided on it yet?

I wish I could get some of his academic ability into my dumb boys...!

Hiro-kun's a lot smarter than me, so I don't have anything to teach him!

Oh yeah, it's about time for him to enter university, isn't it?

Is it that time already?

Huh?

For so long you've been held up looking after your son. Isn't it time to think about your own happiness?

Yeah, okay... but I have to think about my son too...

We'll start off by having lunch together as a group, with me and other friends. What do you think?

We talked about it last time, remember? I could introduce a guy I know to you?

Yeah...

Haa... she escaped again...

Sorry! I'll talk to you later!

Oh sorry! I've got shopping to do, so I'll be off now!

I know you're in love with your son, but eventually he's going to leave and become independent...

Clatter

Hey wait...!

Ah Hiro-kun,
welcome home!

I'm
home.
Clack

Dinner's
almost ready,
can you wait
just a bit?

Boing

Well, her breasts are pretty big (actually huge) though...

?

"Can you ask your mom how she's so beautiful?"

Is she really that beautiful...? My mom...?
She has a baby-face, and she's childish...

Wobble

I'll call you when I'm done!

Don't call me "childlike"!

Will a childlike mother like her...

Marry someone eventually...?

Thump

Come to think of it... I've never heard about mom remarrying...

And on most weekends she either stays at home or goes out shopping with me...

Huh...? Did I fall asleep without realizing...?

What's this...

Gloomy feeling I've got...?

Is this
mom's
smell?

Hiro-chan...
Hiro-chan,
what's wrong?
Are you crying?

Come to me,
you love my
breasts,
don't you?

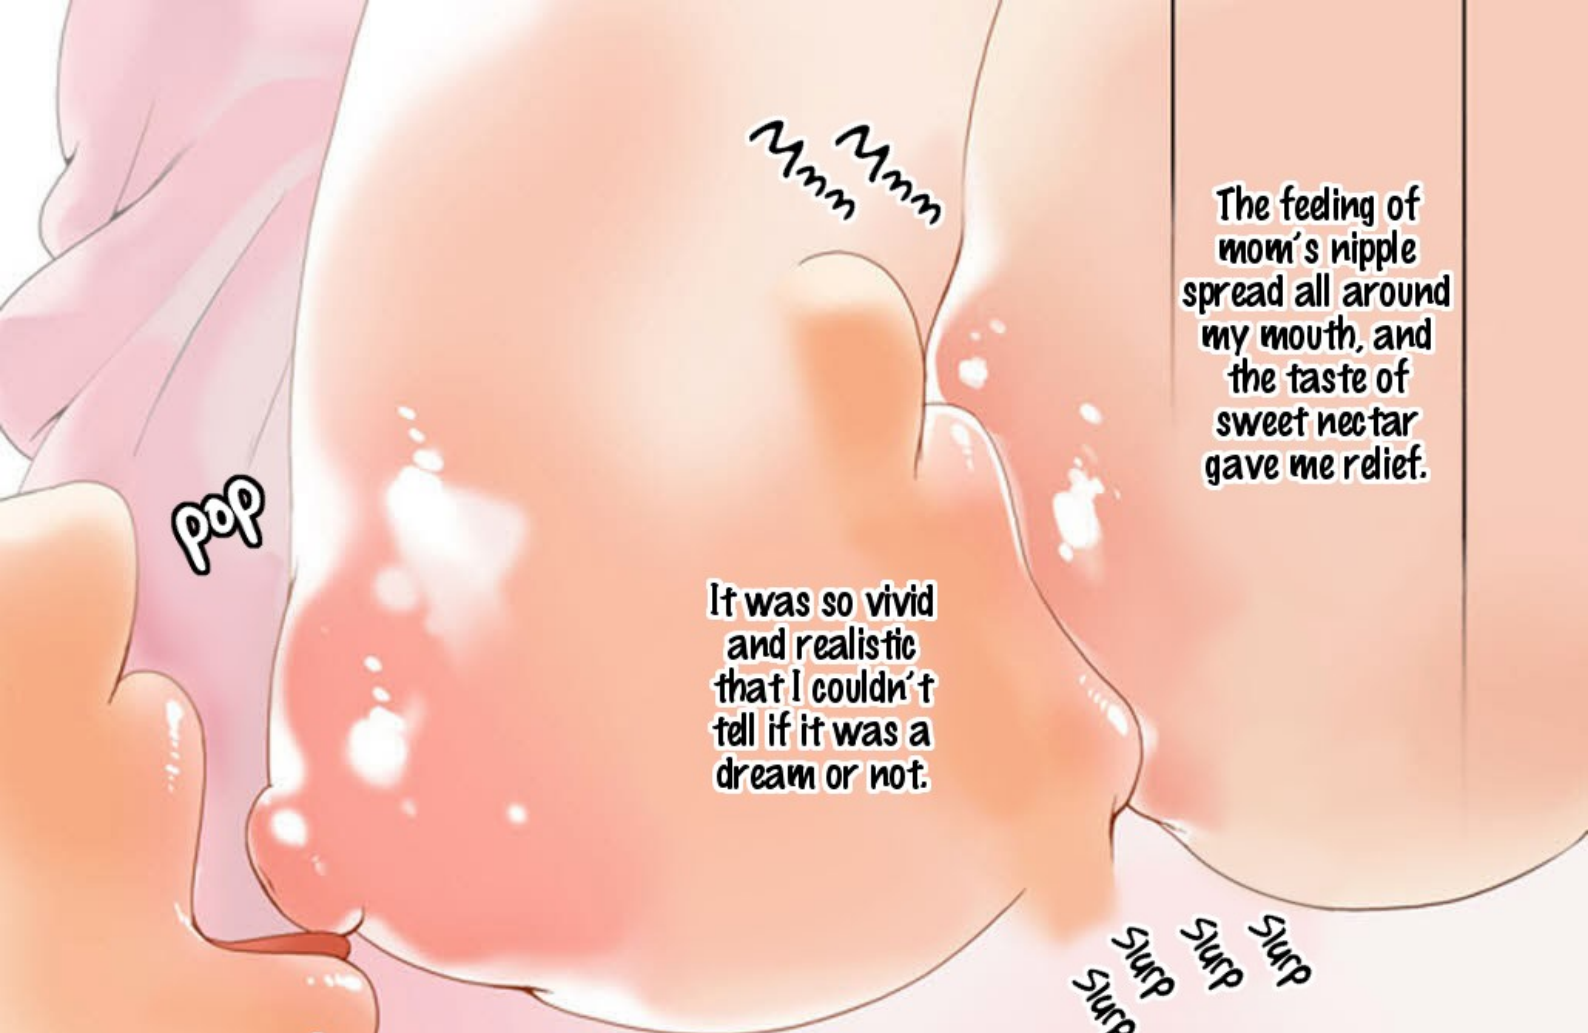

Dreaming about
sucking mom's
nipple when I
was a baby.

Oh my,
you're
sucking so
hard!

You really
love my
breasts,
don't you?

You can
keep drinking
as long as you
want.

Do you want
more? Sure,
drink as much
as you want,
until you're full.

Mmm Mmm

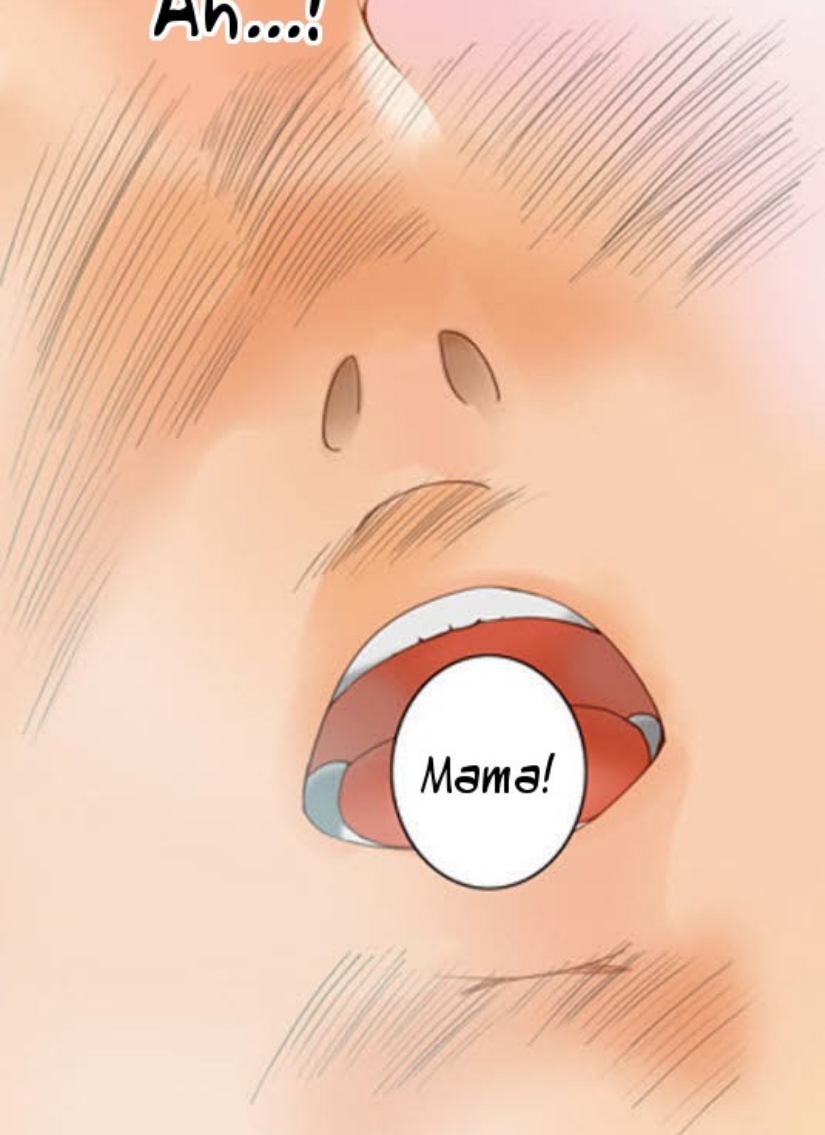

The feeling of mom's nipple spread all around my mouth, and the taste of sweet nectar gave me relief.

pop

It was so vivid and realistic that I couldn't tell if it was a dream or not.

Slurp
Slurp
Slurp

Ah...!

Mama!

Mama...

I want to keep sucking it... my mama's nipple...

What's that?

Mama's right here.

Huh...?

slurp

wobble

This is...
my room,
isn't it...?

Huh...? That
wasn't a
dream...?

What...?
Huh?

Do you want
to drink more,
Hiro-chan?

So that
means...
don't tell
me...

Of
mama's
milk?

Shit, I was
actually
sucking it!

Ah...
ah...!

That's my line!

Ah!

WAH!
M-M-
MOM!
WHAT
ARE YOU
DOING?!

Wobble

I came to wake you, when I heard you crying "mama, mama"! I got worried so I came closer...

Ah!

Ah!

Ah!

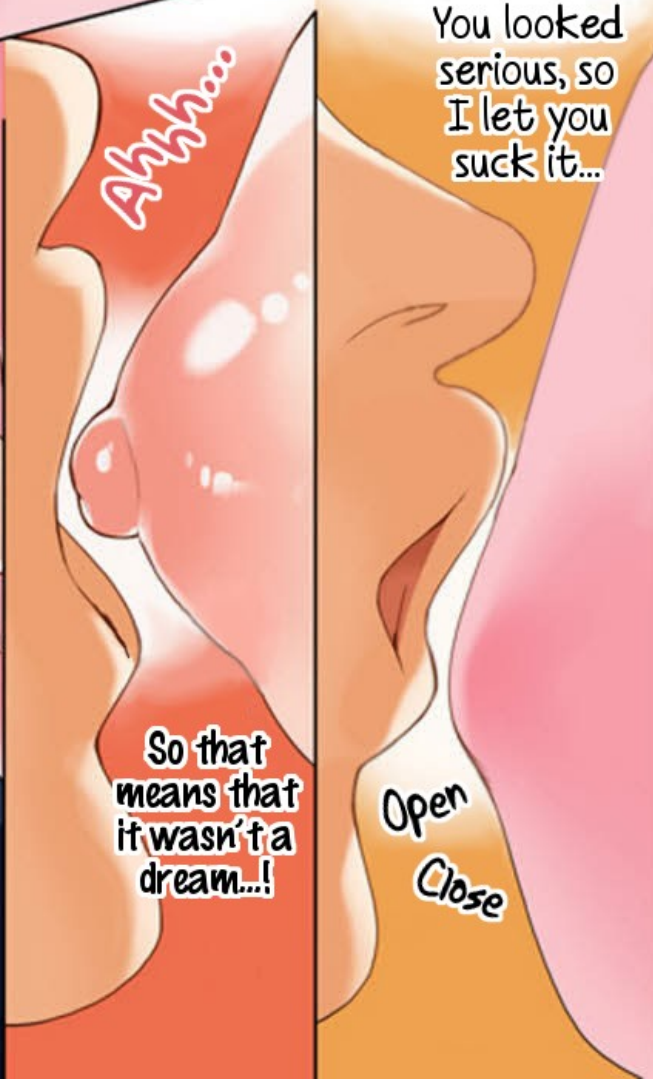

After that you kept sucking it for around 20 minutes!

slurp

slurp

slurp

slurp

Ahhh...

You looked serious, so I let you suck it...

So that means that it wasn't a dream...!

Open
Close

And you grabbed me, saying "mama, I want milk"!

Kyah!

Grab

It brought back some fond memories for me too...

You were weaned quite late, so I wonder if you still need to suck more?

It's been so many years since I last breastfed you.

AHHHH!
I WAS WISHING IT WAS A DREEEAM!
I'M SO EMBARRASSED...

I wanna go hide on a mountain...!

It's a bit swollen now.

Also...

You called me "mama" for the first time in a while!

Ah, ah,
ah...
au,
au...!

Blush

BLUSHING

Open
Close

Hiro-kun, do you want more of my milk?

Hehe!

Wha...?!

How could I be sucking on mom's nipple at my age...

I want to disappear...

feeling down

Hiro-kun, how's the studying going lately?

Huh? Oh, yeah... it's going alright...

I can't look at her face. I keep thinking that she also knows about my boner too...!

I see! By the way, about my friends...

My boner won't go away after seeing mom's boobs...

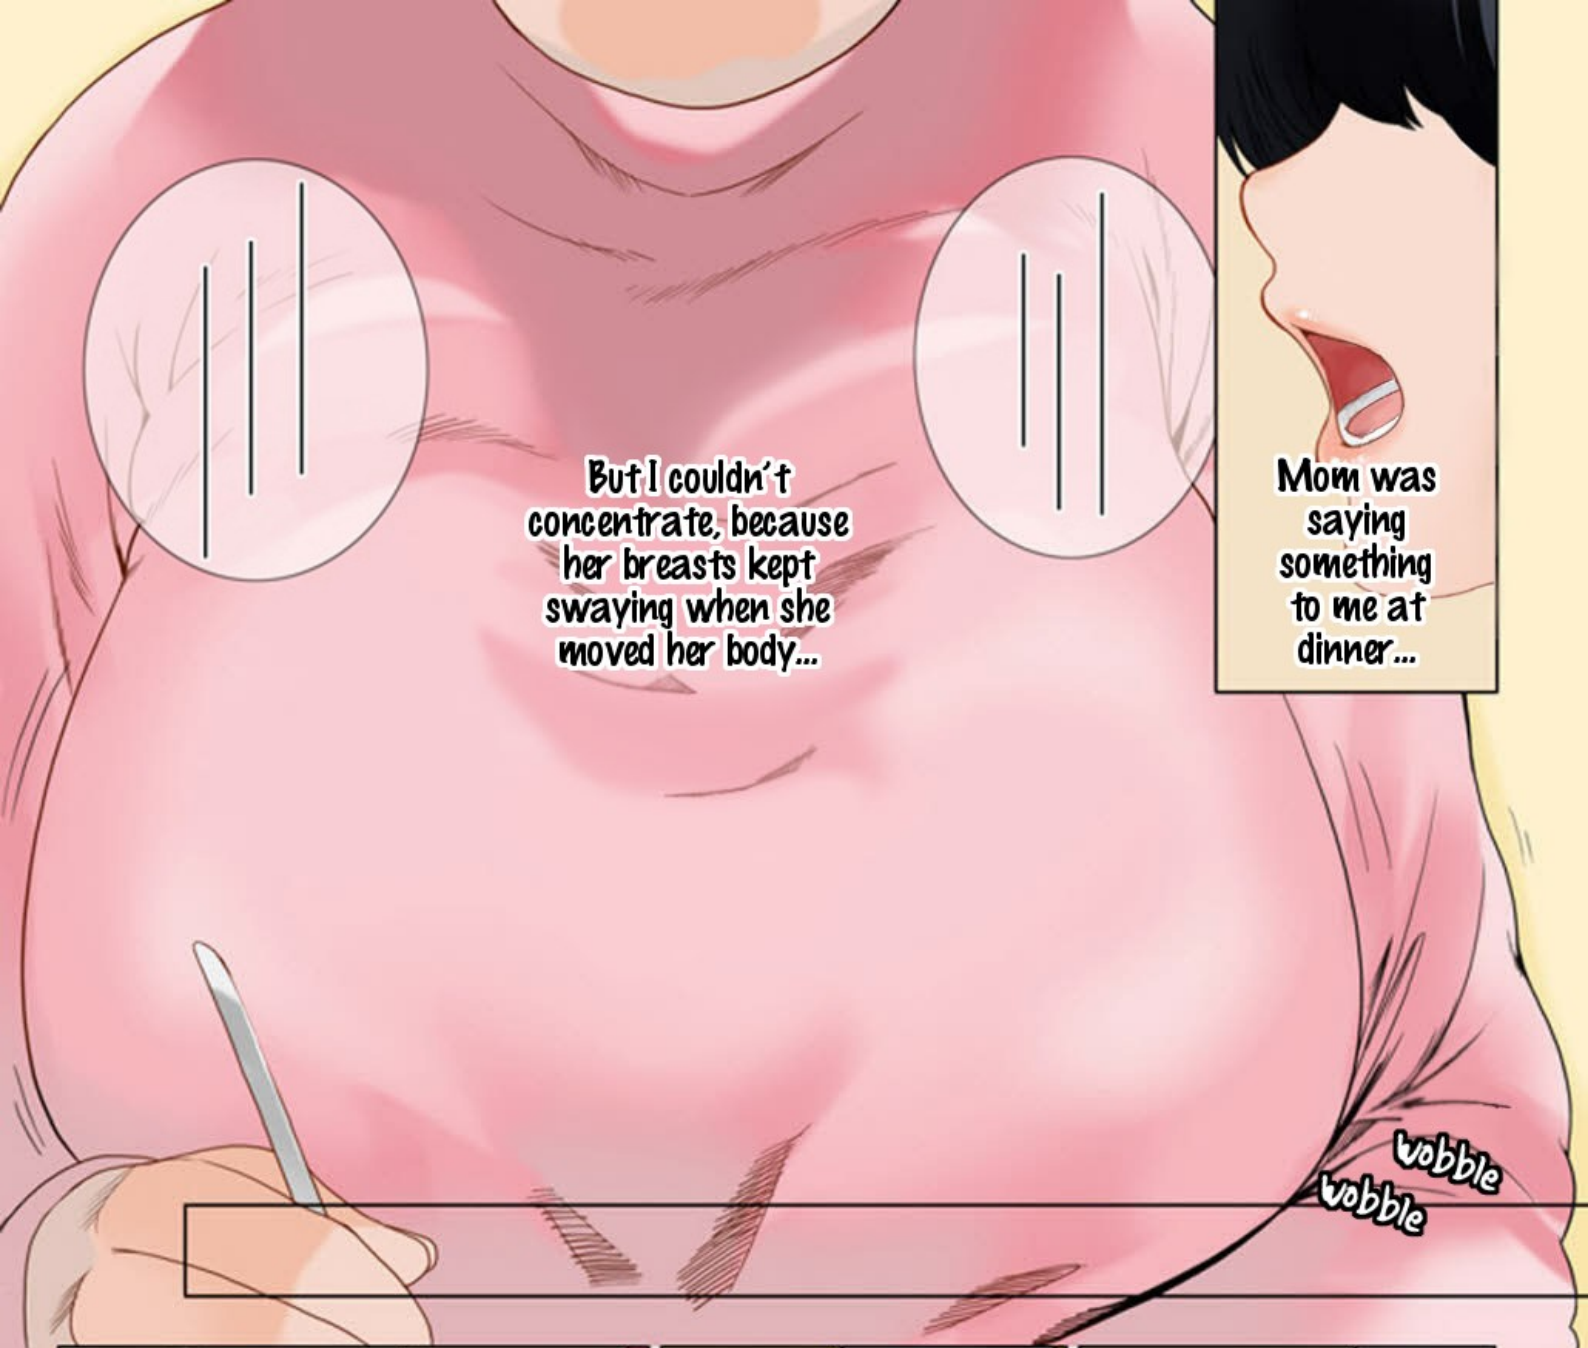

boner

N-NO, I DON'T!

Blushing

Are you sure?

But I couldn't concentrate, because her breasts kept swaying when she moved her body...

Mom was saying something to me at dinner...

wobble

Boing

ba-bump
ba-bump

I tried some new ideas.

Oh, sure.

I made some sweets, do you want to try it?

Hiro-kun!

I can't ask my mom that...!

ba-bump
ba-bump

Hiro-kun...

"Hasegawa-kun, could you ask her how we can get breasts like that?"

And see this? This is...

heavy

Gackle

No I haven't!

S-she noticed?

N-...

You've been staring at my breasts, haven't you...?

If you wanted, all you had to do was ask!

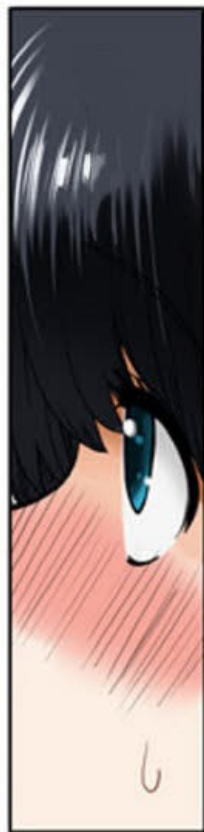

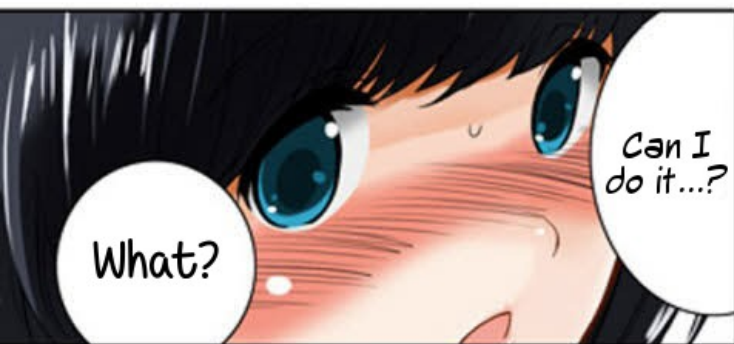

What?

Wobble

If I call her "mama" I can suck on her nipples... as much as I want...!

Okay, I'll undress you now...

All I'm going to do is breastfeed my son...

W-why am I getting nervous...?

ba-bump

Here I go...

tremble... ba-bump ba-bump ba-bump

Huh...? Wait?

Do I need to take it all off?

M-mom! You didn't have to swallow it!

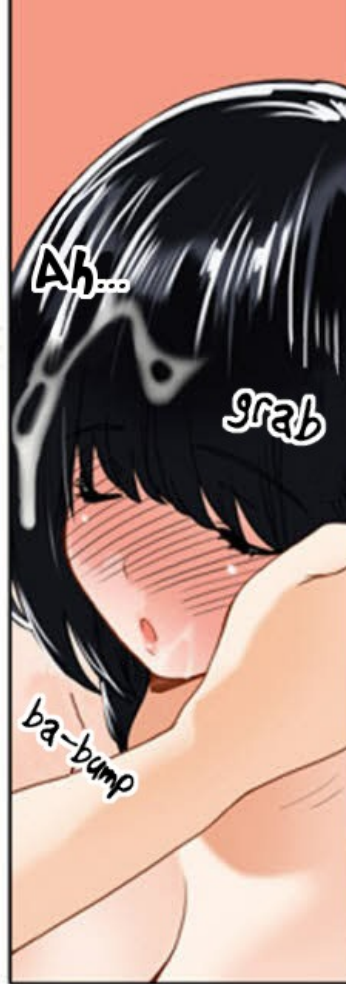

So this is... what Hiro-kun tastes like...

M-mom...

I just wanted to put anything that came from my son's body inside me.

Mmm!

Then we could've stayed as normal mother and son, but...

I would just watched TV, laughed, ate snacks and studied with him, then say goodnight to him as usual.

At that time I thought, "if I've kissed him and made him cum one more time his sexual desires would have been satisfied."

My mouth's full with your cum Hiro-kun, so let me wash it out first.

O-okay...

Hiro-kun... I'm tired... let me rest a little.

I've lost count of how many times Hiro-kun ejaculated... I can't believe he can still do it... ah!

Hmm... she never wants to come when I bring a guy along... she's so attached to her son too... maybe she's... with her son...?

Nah, it can't be...

Mooooom! If you thinking while cooking, it'll explode again!

Mmm...
