It's to Keisuke-onii-chan?

澤野明
AKIRA SAWANO presents

MY(妹)ドール

What's in there, Keisuke-onii-chan?

Alrighty, thanks for acting as the receptionist, Megumi.

Ah!

If I feel like it, sure!

Show it to me later, okay~?

My hopes and dreams are packed inside!

MY DOLL!

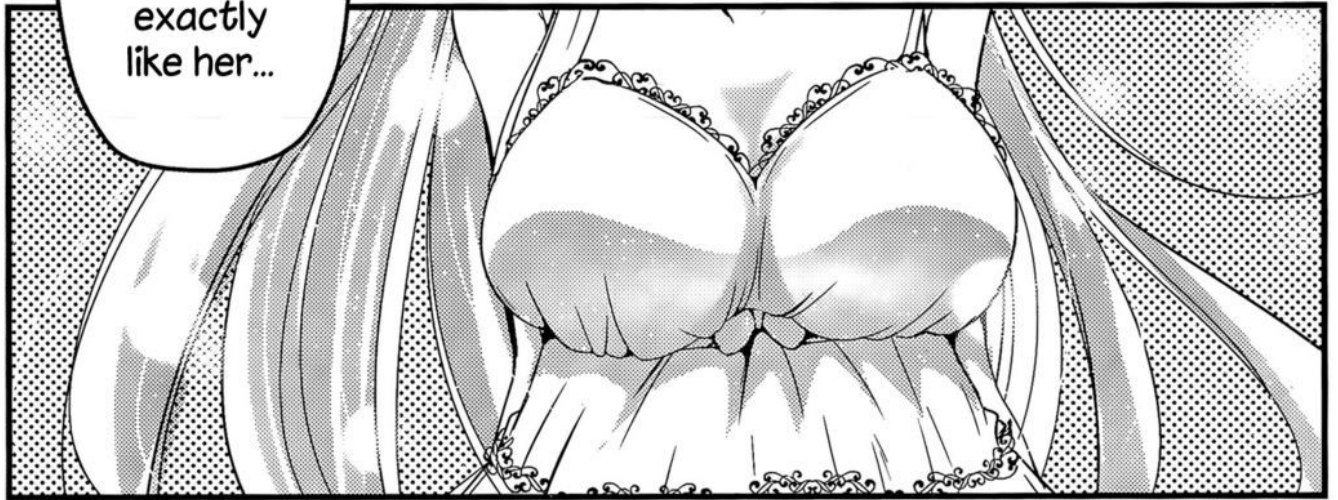

It's exactly what I ordered...

"The partner to heal both your body and mind, a life-size custom-made doll"...

However!
If I have
this MY doll
that looks
exactly
like her...

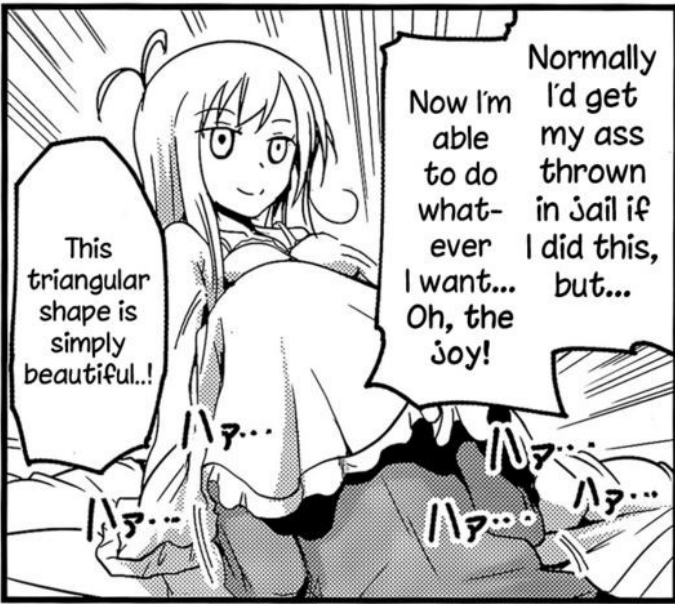

I can't
suppress
my love for my
little sister,
but if I actually
laid a hand on
her, I'd be in
trouble!

OO

Alright...
First

She might
be a doll,
but do I
still need
a rubber?

But it can't
be helped...
She looks like
my beloved
Megumi,
after all.

Man, that
