I'm actually not clumsy at all~♡

You see, the truth is...

Heh?

Yo-You... How...

So when I had free time, I practiced being clumsy~☆

Getting lost on purpose is pretty hard~

I was only pretending to be a klutz to get your attention, Kakeru-kun~♡

And now to show my panties...!

I wanted you to look at me more, you know~?

.....

What's up with that?!

Kakeru-kun, I hope you'll take care of me from now on, too~♡

And getting soaked by the bucket of water...

Eh... So you slipping on the banana peel...

And the panties...

And no bra...
