Wha...!?

grin

Kyah! She looked this way!

Whoa!

I attended XYZ middle school before coming here.
I hope we can all get along well.

... Yes.

I'm Aizawa Ryouko.

I'll be in charge of your class starting today.

You have my congratulations for making it into this school.

My subject is history.

Aizawa!

I guess I'll start off with the usual standard, and have you introduce yourselves.
Okay, let's start with the A's...

Sorry,

Aizawa Ryouko!?

Ummm...

It's indecent.

Yes?

Would you help me carry these print outs?

We'll set up day duties on name order for now.

I'll let you out of it next time around.

Understood.

E-Excuse me!
Watabe-san!

See you later!

Eh?

what kind of relationship do you have?

Watabe-san, you and Aizawa-san...

We've been together since elementary school.
I guess you could call us childhood friends.

Hmmm,

Our relationship...

Then... that means you two aren't dating?

And she also

Aizawa-san is very smart. and all I do is cause her trouble. She helps me with a bunch of different subjects.

I'm way too short,

No... there's...

Dating...

there's no way we'd be dating! Nope!

So... I couldn't tell her I love her.

Yeah.

... I'm sure that I wouldn't be a good match for her.

She might be there for me

only because we're childhood friends.

What's with that!?

You suck at it, so it's my turn now!

Oh, hmm?

Going to ask her out already!?

Great!

I still have a chance with her.

Y-Yeah...

I don't think she's dating anybody.

That means... she's free, right?

Yes!!

S-See... see see... you later, Aizawa-san!

Bye!

It was nice to meet you.

Yuka~

Ready to go home?

Hmm?

Did you already make new friends while I was gone?

Ryouko-chan!

I need to do this now...

pomf

I can still... feel the sensation of her.

I guess she didn't notice.

The palm of my hand is warm.

I didn't see her much over spring vacation.

We held hands... I think it's... been an entire week.

SHUT

Pi.

Wasn't it...? That was about me...

When you talked about love...

The hand you held... it's still warm.

I love you too, Ah...

I love you...

I love you so much.

Your scent is still on my uniform...

I want ravage to every part of you.

I can't be satisfied by this anymore.

Y-You know what, Ryouko-chan?

-ka?

Yuka?

I'm a high school student now.

Let's go home. Everyone else is gone.

Y-Yeah...

What's up? You're acting strange.

It's... It's nothing.

So...

you don't need to be with me all the time. umm...

You should go and be with them.

I'll cheer you on.

You have someone you're interested in, right?

...?

What's this about?

This situation...

You heard, huh?

You're right.

I do.

it's great...

That voice...

グイッ
グイッ

There's no

Ryouko-chan?

What's going on with you!?
H-Hey...

her tears...

Listen to me!

her sweat...
and her warmth...

holding myself back now.

I want
it more
intense.

This
isn't

what
I wanted...

Wait!

Ryouko-
chan...

I want it
stronger...

Deeper
and
deeper...

I'm the one who's terrible.

It was me who forced my feelings on you.

listen to me.

Yuka,

why are you the one apologizing?

Yuka,

I'm sorry...

It's completely different.

And I love you, too, Ryou-

And the girl I love... is you, Yuka.

You see... I'm in love.

...
When I say I love you... what I mean is...

Our love isn't the same.

Ever since the moment we first met, I've felt that way the entire time.

No... I'm deeply in love.

I want to feel the warmth of us being together. I want us to become one.

I want to do lewd things with you.

I want to have sex.

that I even dreamed of it.

I wished so much for that to happen

until we lose our minds.

For day after day...

I want us to melt into each other.

I'm so indecent.

Ah...

I wonder when it was that I started feeling this way...?

would it
be all
right if
I fell
in love
with you
again?

If
I erased
all of my
memories

Hey,
Yuka...

I'm
sorry...

Don't!

Yuka...

If you do that you won't be yourself anymore.

...の...

My feelings are exactly the same as yours.

And I always will love you. I love you for who you are now.

It's the same for me. I only ever looked at you.

So...

I want to
do a lot of
different
things with
you.

From
now on...

So,
yeah...

This will be

a new beginning for the two of us.

That's right.

What I fell
in love with
was Yuka's
face as she
smiled.

Because...!

Jeez!

You're such
a crybaby,
Ryouko-
chan.

Okay?
