"Just" cutting class, huh...

It's nothing special... I'm just cutting class.

I thought you were acting weird and followed you, and now we're here.

Okay, now tell me what you're really doing here.

Huh...

It didn't take me too long to realize that I had somehow become the school's "handyman" at some point.

That's right... When one student after another started thinking I wouldn't turn down anyone's requests...

Shut down?

Everyone's Shiori-chan is shut down for a while.

Huh? What are you talking about?

Well then, would you now turn down someone who asked for your help?

But there's a limit to being relied on!

As expected of our student council president.

But you really are reliable, Shiori.

If someone expects something of you, isn't it human nature to respond to that?

Is that so...

That was before I had caught you.

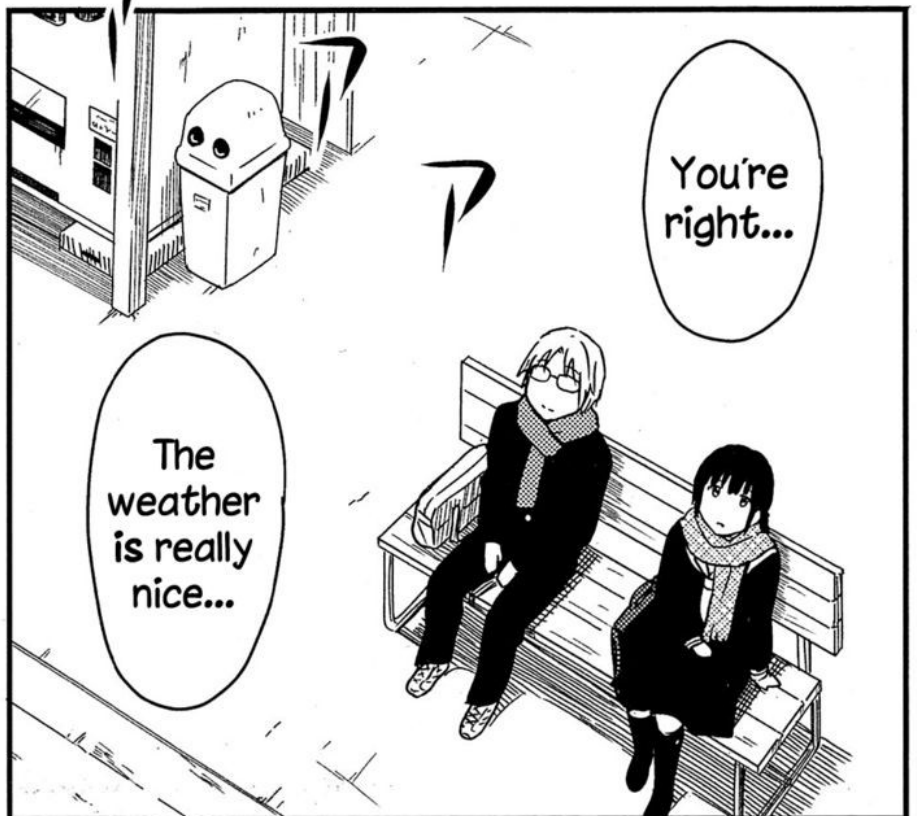

Shiori, you seem like the type that doesn't bother enjoying life. How should I put this...

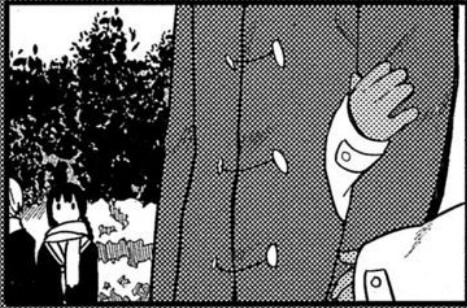

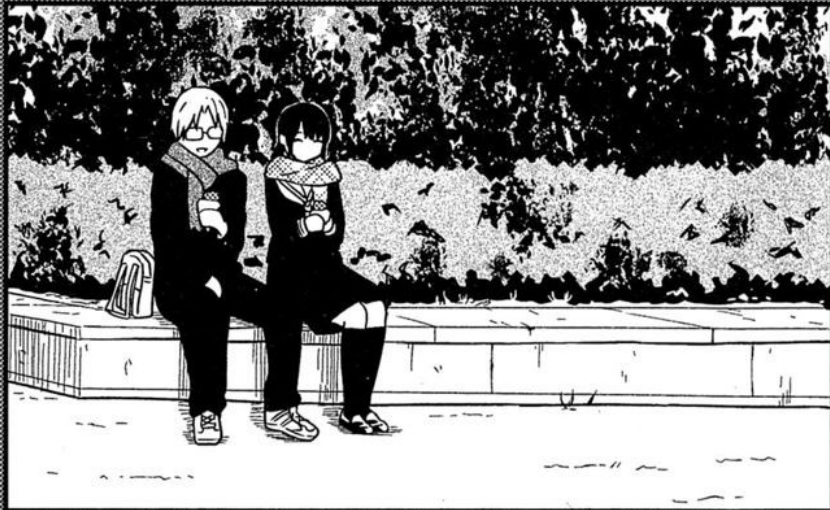

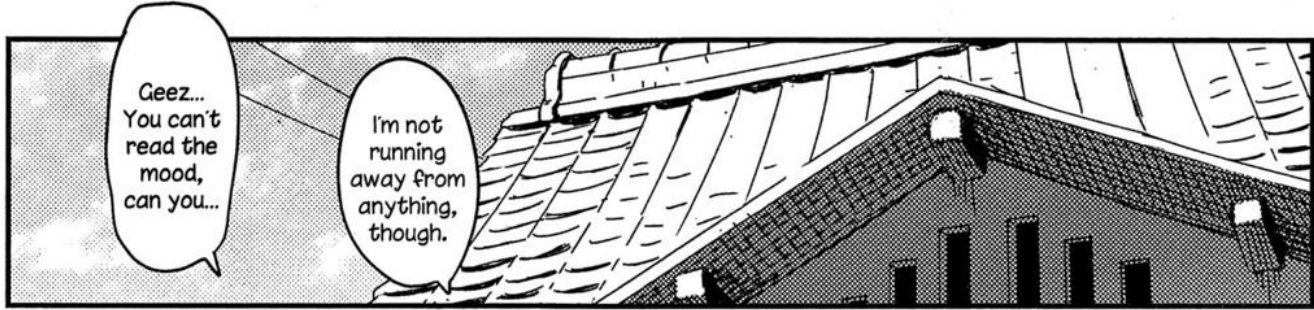

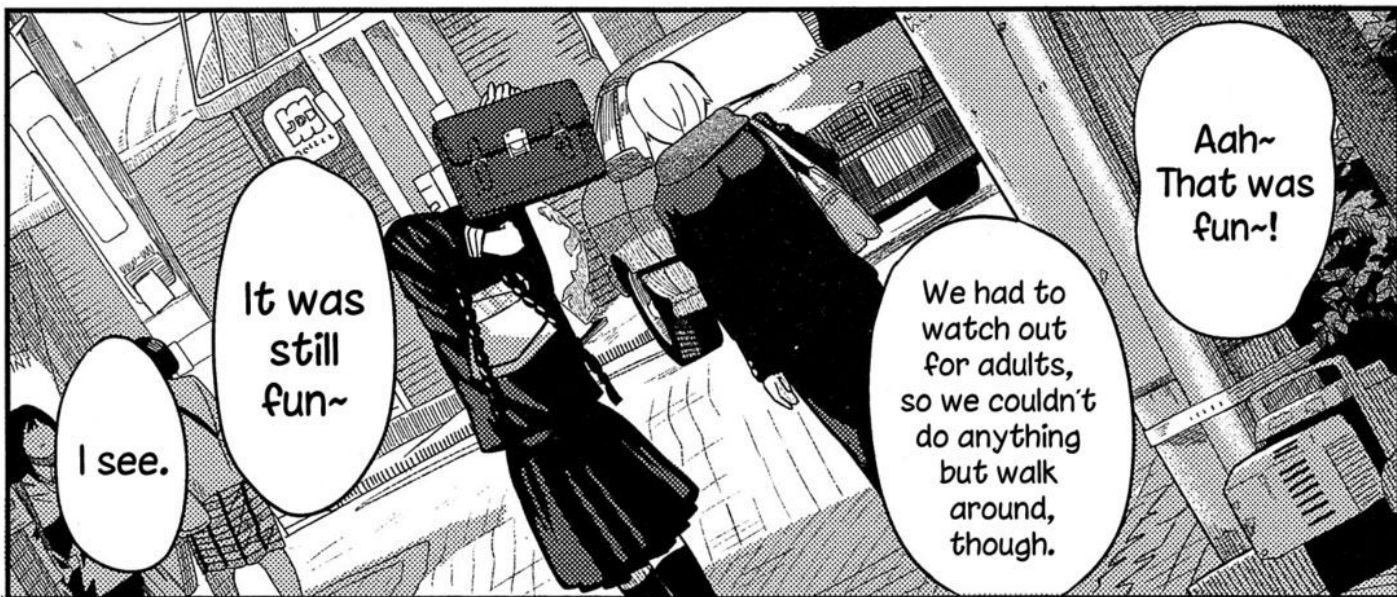

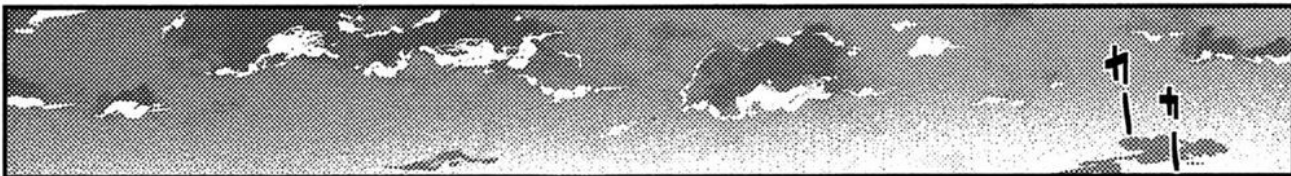

I'm not.

...You're not going to tell me to go to school?

I see.

It was still fun~

We had to watch out for adults, so we couldn't do anything but walk around, though.

Aah~ That was fun~!

Stop by one more place before we go home?

Can we...

.....

It's getting dark, so should we head back?

Hmm~

Shiori...

.....

I noticed it while we were walking around town~

What do you think?

This place is...

I-I see...

What?

I've been busy lately so we haven't been able to do it for a while.

Now! Let's go make some more memories!

Wa-Wait a second!

Then there's no reason to hesitate!
Let's go~♪

Yeah, well... That's true, but...

Wash under my breasts, for example... It gets really sweaty there, you know.

Come on, Seiji. Wash me properly.
"Properly", you say... How am I supposed to do that...

Breasts...

They're big and rugged...

I love your hands, Seiji...

They're completely different from mine.

Like this?

Just like that... You're good...

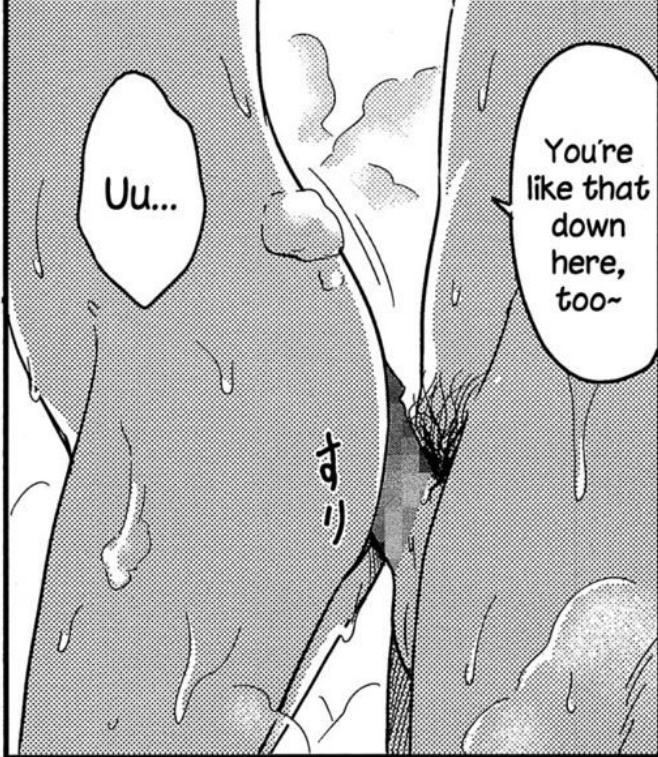

Yes~

You think so..?

Oh?
You don't
need to be,
it's
perfectly
fine~

I'm
embar-
rassed
at my-
self...

Uu...

You're
like that
down
here,
too~

I see,
but you
don't need
to get
started
by your-
self...

Just look
at me,
I've been
ready since
the start
of our
date.

NO!

You
warm
me up,
Seiji!

That's
impos-
sible...

It's really
cold, so let's
at least
enter the
bathtub,
okay?

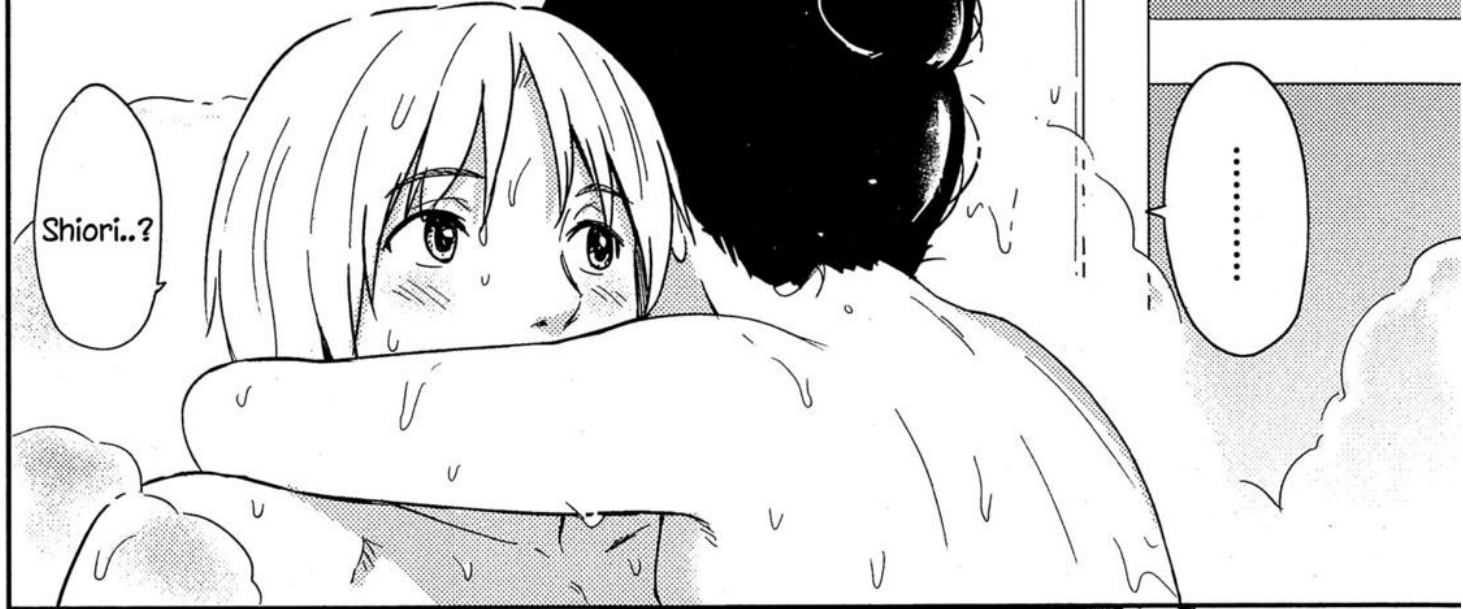

You'll
catch a
cold.

ACCTIOO

Ah.

Shiori..?

.....

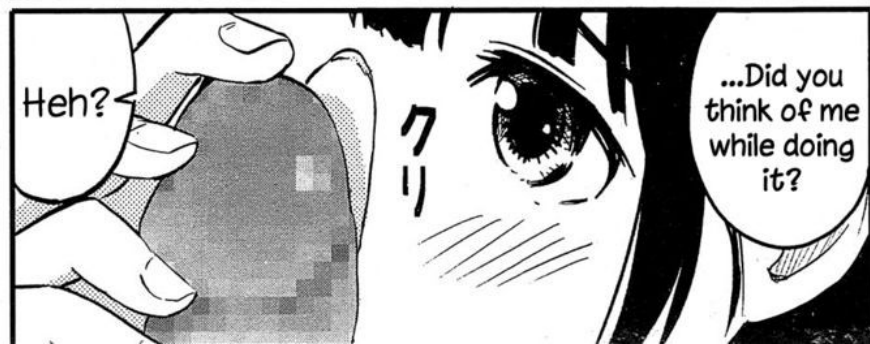

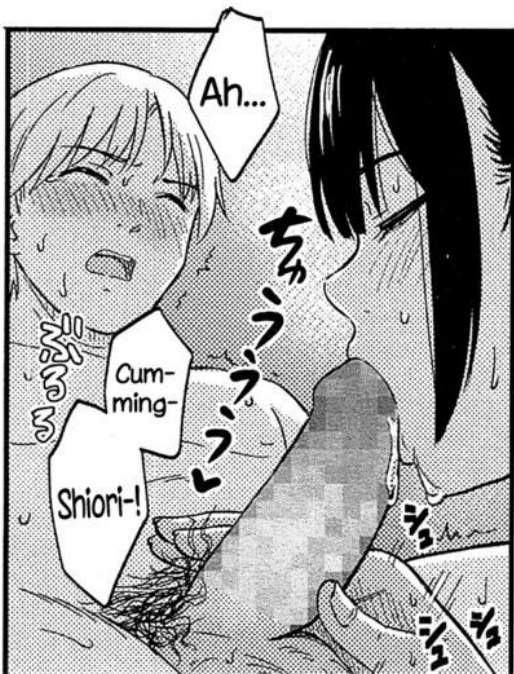

I'm charging myself right now...

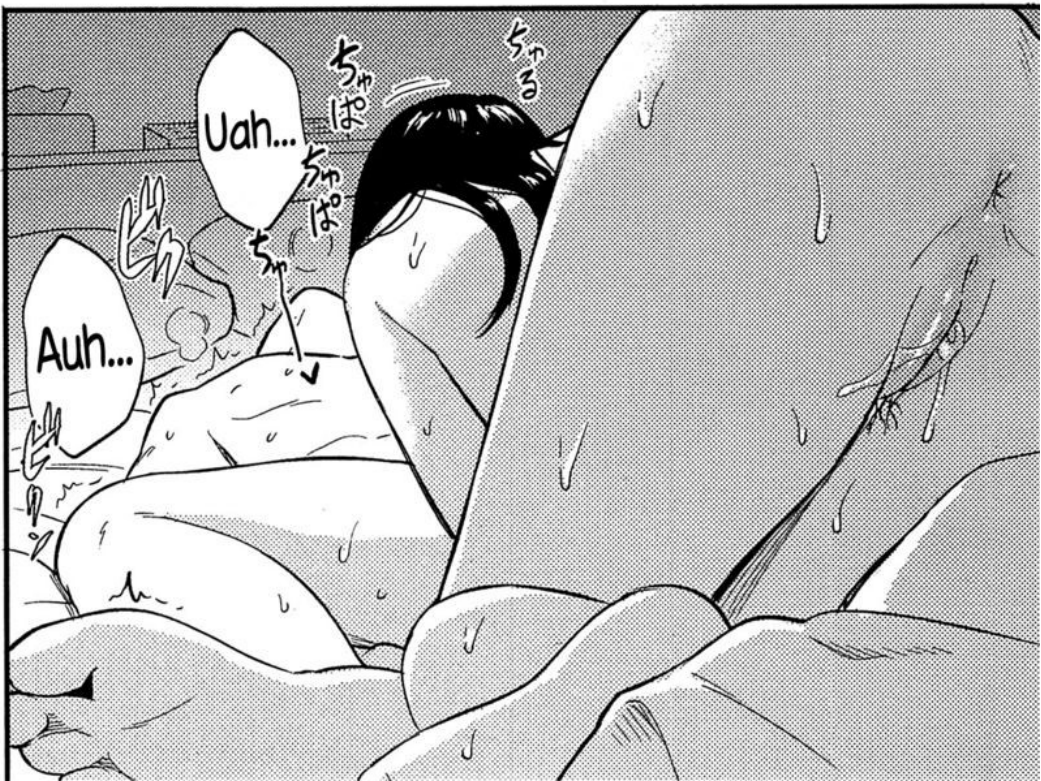

すり

Come on, do I have to say it..?

Hey.
What kind of things did you think about?

I did.

So did you use me as fap material?

I'll do whatever you want, Seiji.

Tell me...

I enjoy it the most when you're feeling good too.

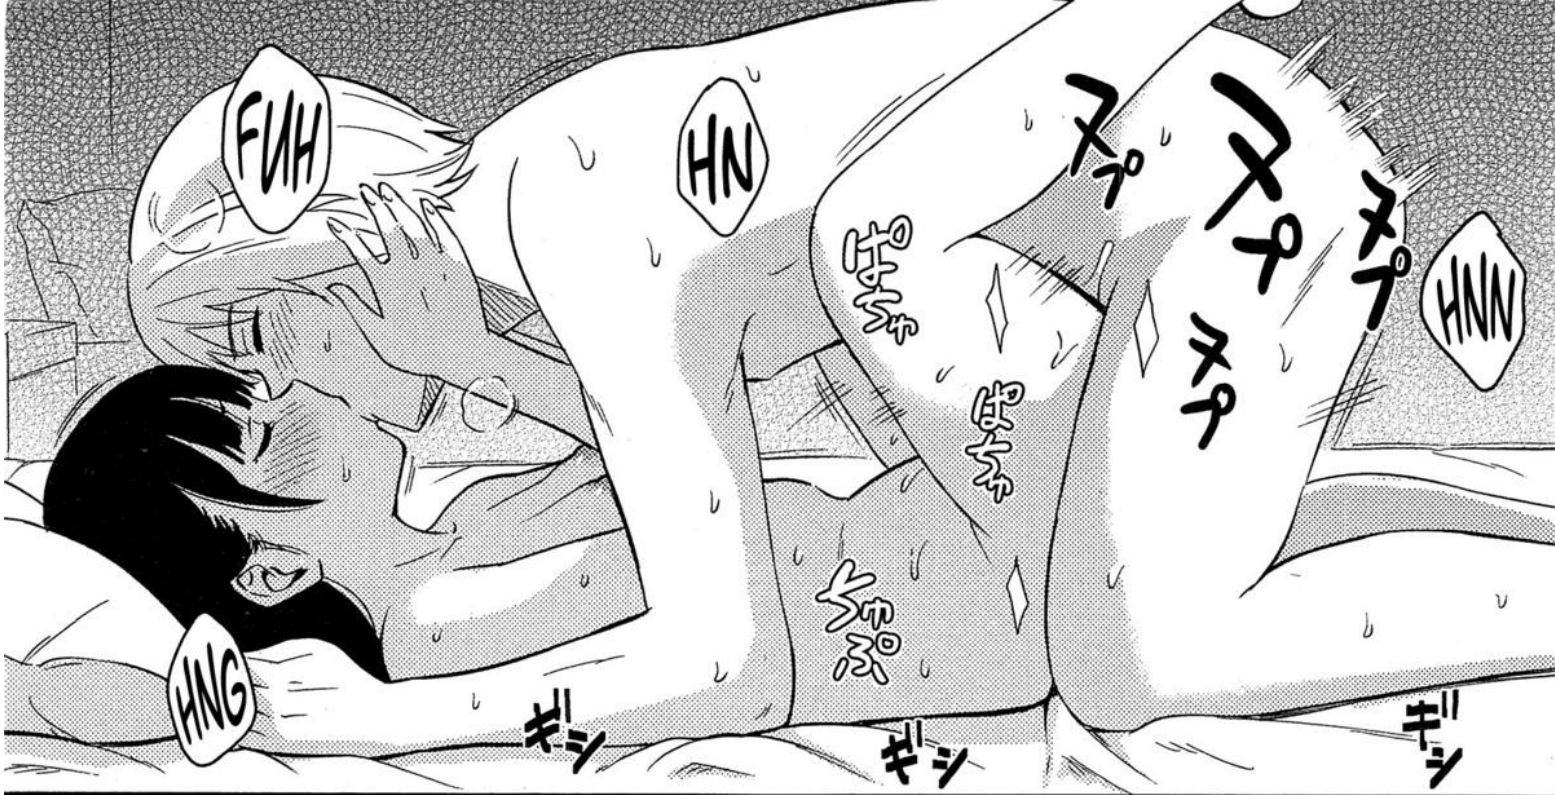

But I don't want to feel good by myself.

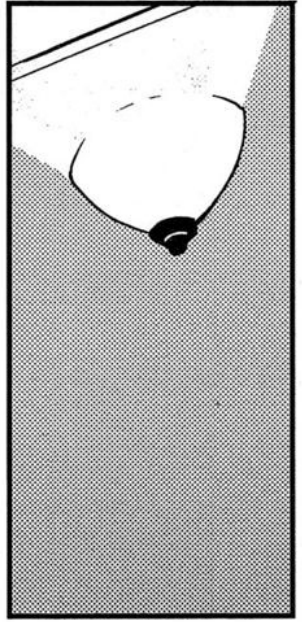

Eh?
But I...

I appreciate the thought...

Oh... Yeah, I felt like skipping class, too.

You stayed with me all day, didn't you...

...You liar.

I'm not lying.

Yeah.

...Let's leave it at that, then.

Wait for me...

Sei'i, you're slow!
