

Could it be any more bothersome?!

Panties sighted! Panties sighted!

Good grief!

but really all I'm doing is burning their picture in the camera in my mind

With a click and a snap, I press the shutter button in my head.

Yay

Well, since there's a very real possibility that I'd be taken for someone suspicious in this place, it's true that I'm somewhat reticent.

Waie!

So while pretending to read a book I occasionally look up like I'm admiring the scenery,

Oh!

I am, I am.

Are you even looking~?

There are parents around?

I'm so glad I stopped by here today before going back to the company.

Da~d!

See?  
Look how high I can go~!

Come on, you can go higher than that, can't you?

Anyway...

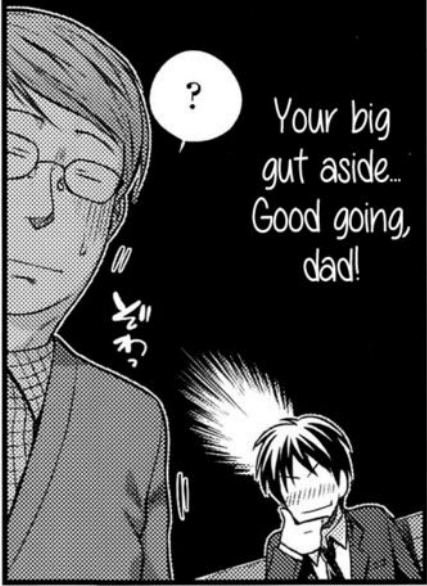

Damn, if the dad moved over just a little, I'd be able to see her panties!!

Wah! Stop! Stop~!

If you bend your knees like this and then kick back...

Twintails, a mini-skirt and a backpack?!

?

Your big gut aside...  
Good going, dad!

I'm in yet another place where I'd love to use my camera, but there are way too many people here...

Ouch!

Not to mention, since her father is an everyday middle-aged man, it only serves to make her look more like an adorable, well behaved girl!

Seeing a fashionable and cute girl in the later years of grade school getting along so well with her father really warms the cockles of my heart.

Gosh~!  
I'm getting down~

You're such a scaredy cat, Ayaka.

Daughter loves...

Here you go.

What am I going to do with you.

Geez~  
I can get up by myself!

What are you doing, Ayaka? Are you hurt?

Ahaha!  
My backpack got caught.

Panties!

Dad, you're touching her boobs! If you don't have some delicacy, she's gonna end up hating you, you know?!

Man, dads have it good. They can see panties whenever they want... Hey!

daughter loves father

...Wait!

Is he twirling his fingers?! Dad, are you rubbing your own daughter's nipples?!

daughter loves father

Oh, he was just tickling her... My dirty mind interpreted their father-daughter playfulness the wrong way.

Haha ha!

Dad! That tickles!

Wah?!

Ah  
Dad...!  
C'mon...  
♥

Tickle, tickle~!

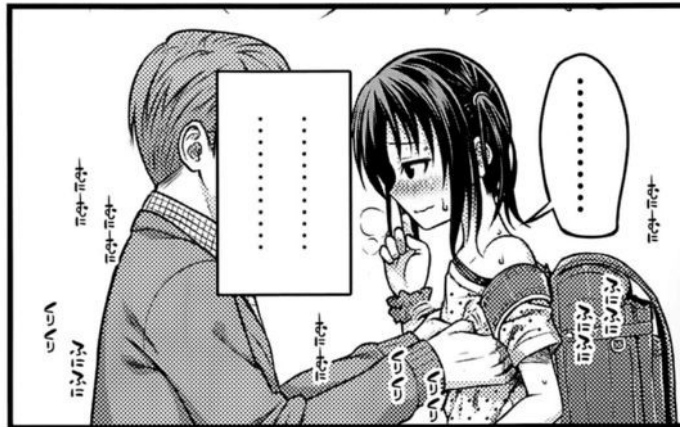

Of course that's all it is. They're family.

I said: that tickles~!  
♥

I'm the one with the mind in the gutter for suspecting them.

Geez~

.....

.....

Here, I'll clean it up for you. Stay still.

Nh!

Well, not like it'd be okay, even if they were in private.

Is this okay? The park is still full of people!

Nha

Nh?  
Ayaka, you have some dirt on your face.

Huh?

You're all set.

Hey! Hey! Can I go buy a can of juice from that vending machine?

Sure. Here's some money.

Nhf!

Come on. Take out your tongue.

Got it.

Thanks!

Now, for the finishing touch.

Nh!

!?

Was he licking her face...? Is that how parents act with their children now?! Is it westernization's fault?

Y-You have a very cute daughter.

I suddenly started, stuttering!

Well, maybe it's because I'm raising her alone, but she turned out to be one selfish little girl..

Hey, nice weather we're having.

Huh? R-Right you are!

Hahaha! That's the only thing I can boast about, I'm afraid.

You seem to get along great, though...

They're a single father family?! Not good, my delusions are gonna run amok again...

Wah?!

Da~d!

Hey, now. Stop running before you hurt yourself.

I'm really sorry!

I-I'm sorry!

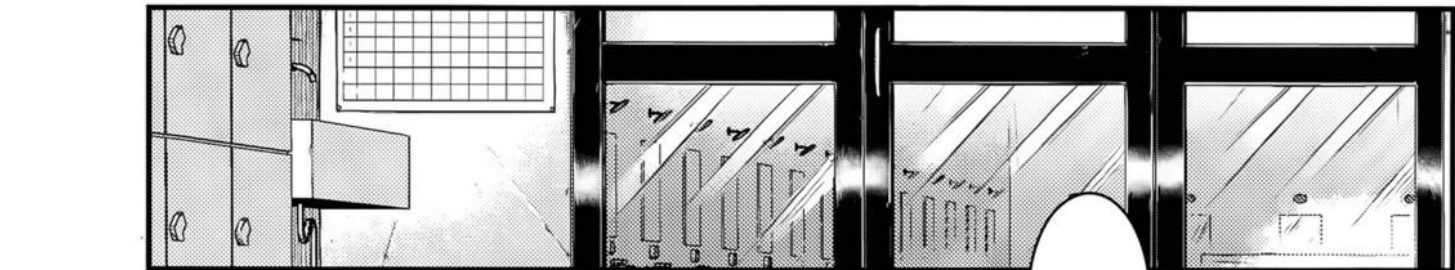

I-I'm so sorry! My daughter is an unbelievable clutz...!

Oh, it's fine. Don't worry about it...!

I'm getting an excellent peek at an elementary school girl's nipple for the first time in ages!

After all,

Phew~

Oh!  
Thank  
you.

I brought  
the shirt!

I'll leave  
it inside  
that  
basket,  
okay~?

Dad,  
you're okay  
with this?

Why is your  
daughter  
also coming  
inside?

I can  
see your  
daughter's  
nipples, you  
know?

Wait.  
Have you  
poured hot  
water on  
yourself?

I just  
saw your  
daughter's  
pussy, you  
know?!

And that's  
where she's  
sitting?!

ちゅ...  
...

I never knew this is what bathtime is like when you have a daughter...

No, I'm not!

Maybe they're just used to watching and being watched since their house is a bathhouse.

Hey, now. You're heavy.

Nevertheless, they're still a little too close for comfort!

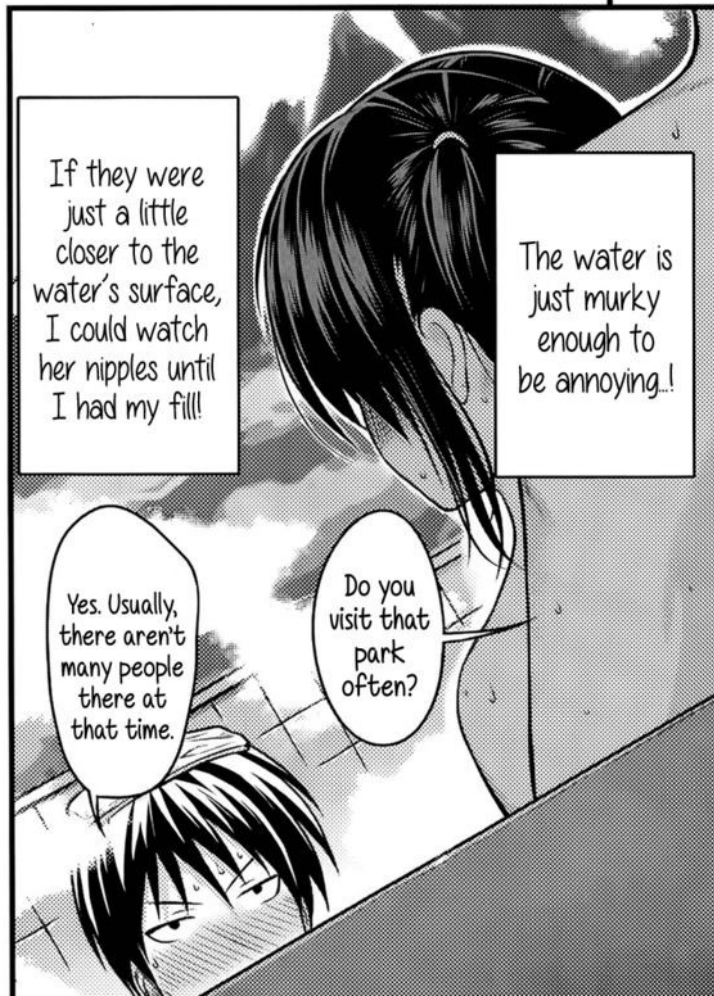

Oh, crap! They can see me glaring!

Haha...

Mh~!

You're already in the sixth grade, you can't keep acting so spoiled.

If they were just a little closer to the water's surface, I could watch her nipples until I had my fill!

The water is just murky enough to be annoying..!

Yes. Usually, there aren't many people there at that time.

Do you visit that park often?

Now that I look at her, the daughter's blushing. Maybe she does feel a little ashamed after all?

Hmm?! In that position, the dad's vision is blocked, so I can look at them as much as I want!

Y-Yes. It's just over on the main street.

Is your workplace close to here?

I see. That explains all those kids running around.

Today was visitation day, so their classes were cut short.

Damn! They're climbing up out of the water, just a little bit more and..!

Oh, I don't go there on weekends, so I didn't know.

The park is very lively on weekends.

her nipples will...

**not show up?!**

What are you casually doing under the water?!

Well, it Nh... is right around the corner, after all.

Ayaka plays there very often.

**Dad?!**

...

Wah!  
They're  
out of the  
water!

Miss  
daughter,  
your voice  
started  
leaking!

There used  
to be more  
playground  
equipment  
back in the  
day.

Do they  
think I can't  
see them  
because the  
water's so  
murky?

If you keep  
going, I might  
start something  
myself!  
Is that okay  
with you?

But it  
wasn't very  
safe, so it was  
a dangerous  
time.

Right...

You're  
splashing  
around like  
crazy!

.....

Huh?  
What's with  
the secrecy?  
  
I can hear you.

*Whisper*  
Is it  
becoming  
painful?  
Well, all  
right,  
then.  
*Whisper*

*Whisper*  
Dad...  
*Whisper*

*Whisper*  
What is  
it, Ayaka?  
You can't  
stand it  
anymore?  
*Whisper*

You're fondling her breasts completely outside the water, dad!

I can't quite see anything under the water, but I know he just put it in!!

He put it inside her!!

He's still trying to disguise it with small-talk?!

Good grief, I pamper her too much...

Alright, then! I'll play along!

Are you married?

I hope I have a child like yours one day.

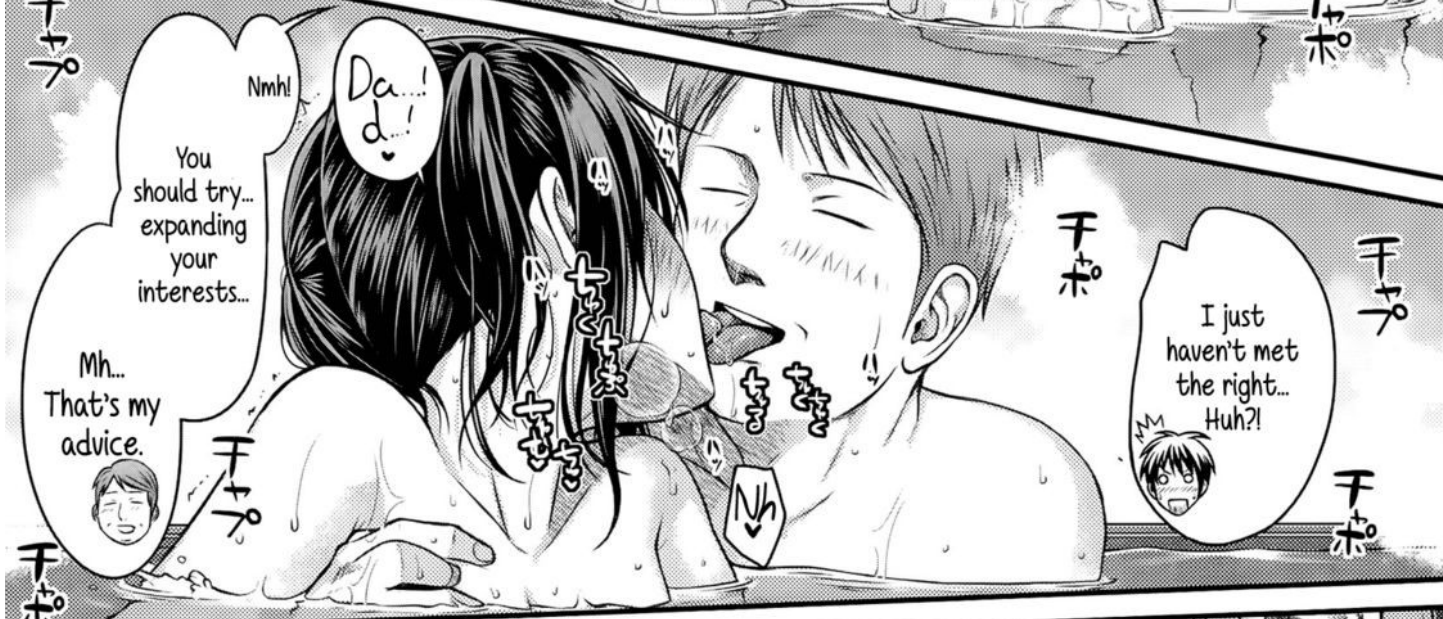

Is that the sort of thing you're into, dad?

Oh?  
You look like  
you'd be popular  
with the ladies,  
though.

Not  
yet, no.

Nmhl!  
Da...  
d...!

I just  
haven't met  
the right...  
Huh?!

is enough  
for you to  
stumble  
upon a  
change of  
scenery.

Just  
taking a  
step inside  
an unfamiliar  
alleyway in a  
familiar  
street...

You  
have a  
point...

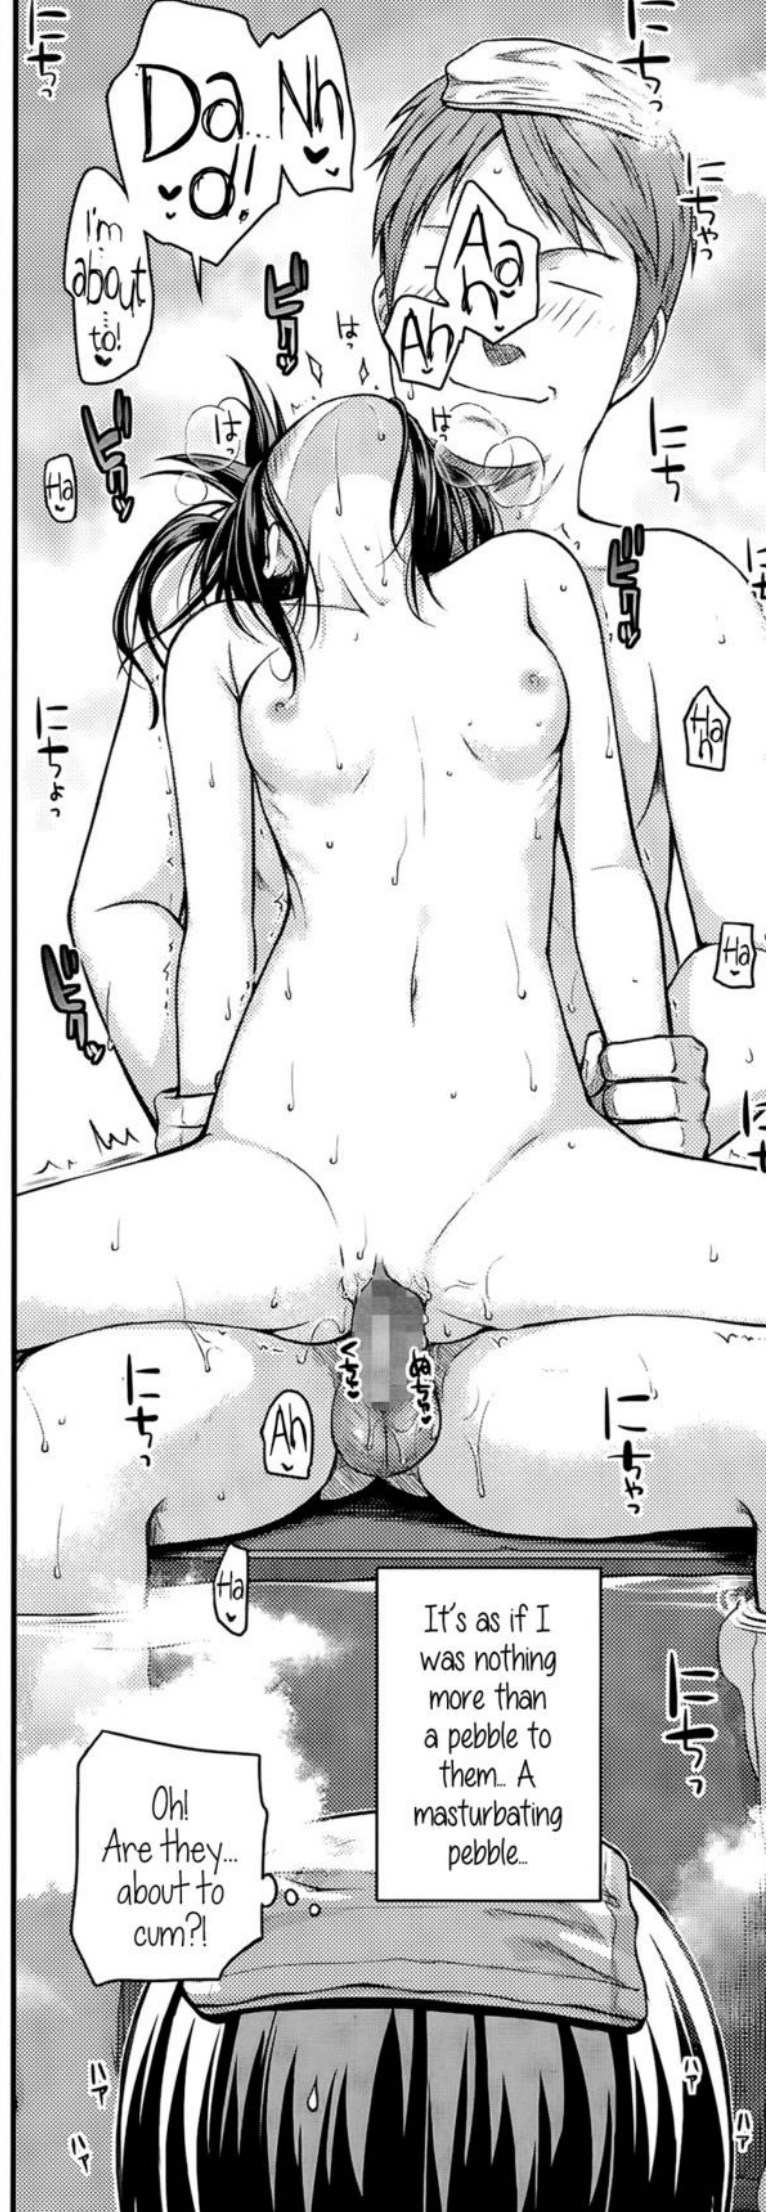

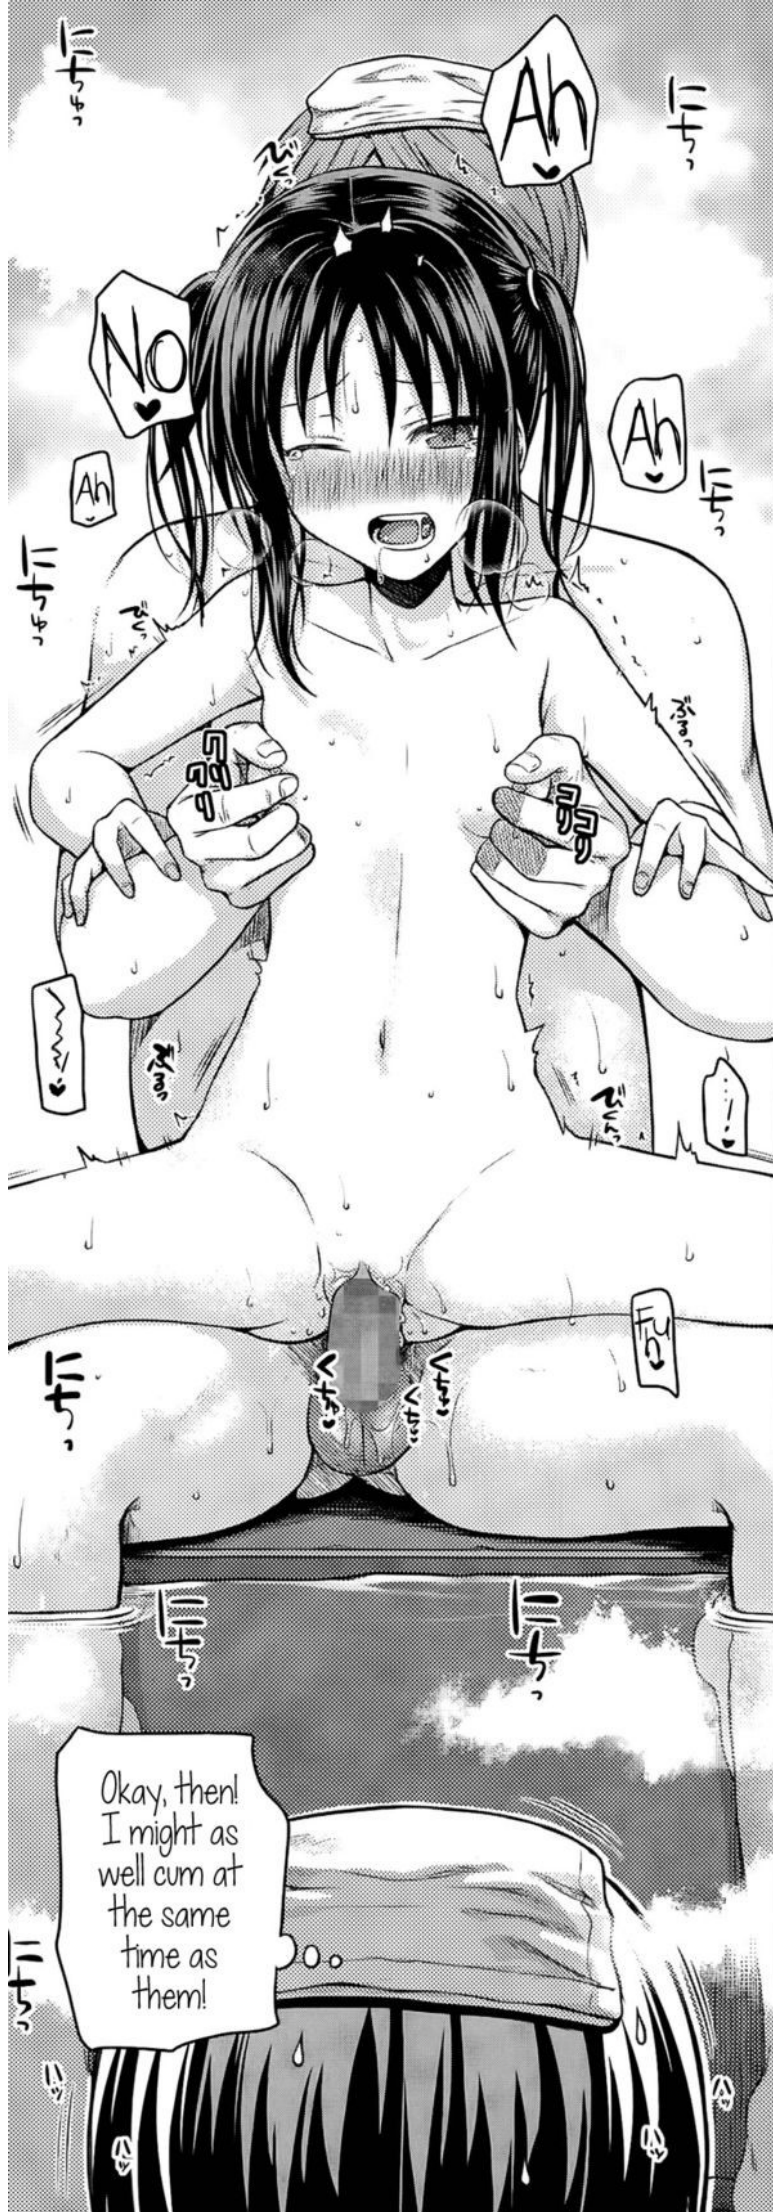

Dad...  
I love  
you.

now I think  
it's simply that  
they don't  
think of me  
as something  
they need to  
be shy around

I was  
wondering  
if they were  
exhibitionists  
at first, but...

Me too...

I-I'll help you!

Oh, boy... This water's gonna have to be changed.

Please, come again any time.

Well, goodbye, then...

Phew...

No... I got to drink an elementary schooler's piss!

Big steps... Macro-evolution...!

.....

I did nothing besides jacking off. Again.

**End**
