

Have you eaten anything?

y-
yeah.

You sure are quick.

Oh,
you're home already?

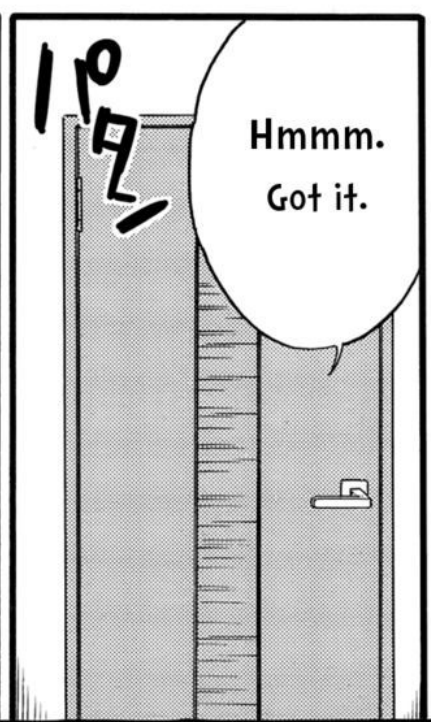

I'll just wait until mom comes home.

Ah, don't bother.

I have my part time work, so I'm gonna throw something together. Do you want some?

Did he leave?

Hmmm.
Got it.

Please talk using a small voice.

Or else Nii-chan's gonna catch on!

のびん

NNH-

Shhh!

it would be a pain in the ass if Nii-chan found out.

...It's not like I'm hiding it from him, but

Let's try talking to him already.

It doesn't really matter if Kou-chan finds out.

Eeh?

When it comes to brothers, there are some things that an only child wouldn't understand.

Even just earlier, he offered to make his little brother food. He's really kind.

I'm sure he'd kindly watch over us.

I don't think Kou-chan would really mind.

Besides, I'm getting tired of hiding this.

when it comes to you?

...Why would I feel guilty towards Aniki,

Like feeling guilty, or something?

Hmmph?

I know that, We are obviously childhood friends after all.

...Ah.

Aniki doesn't see you

as a woman or anything like that!

Eh? Well, the three of us did always use to play together...

Just so you know!

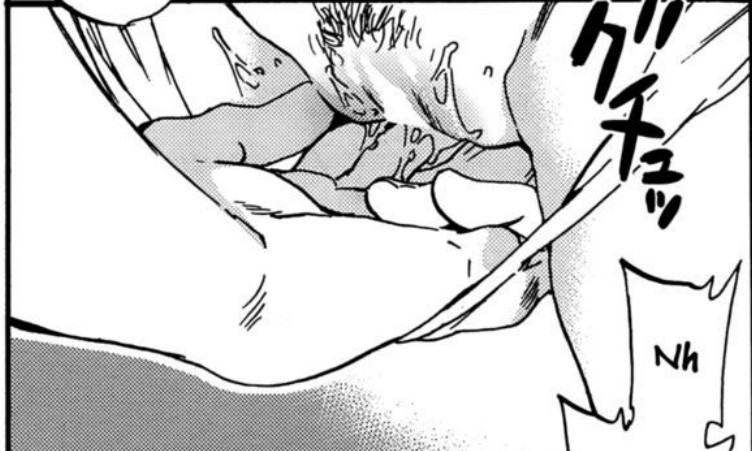

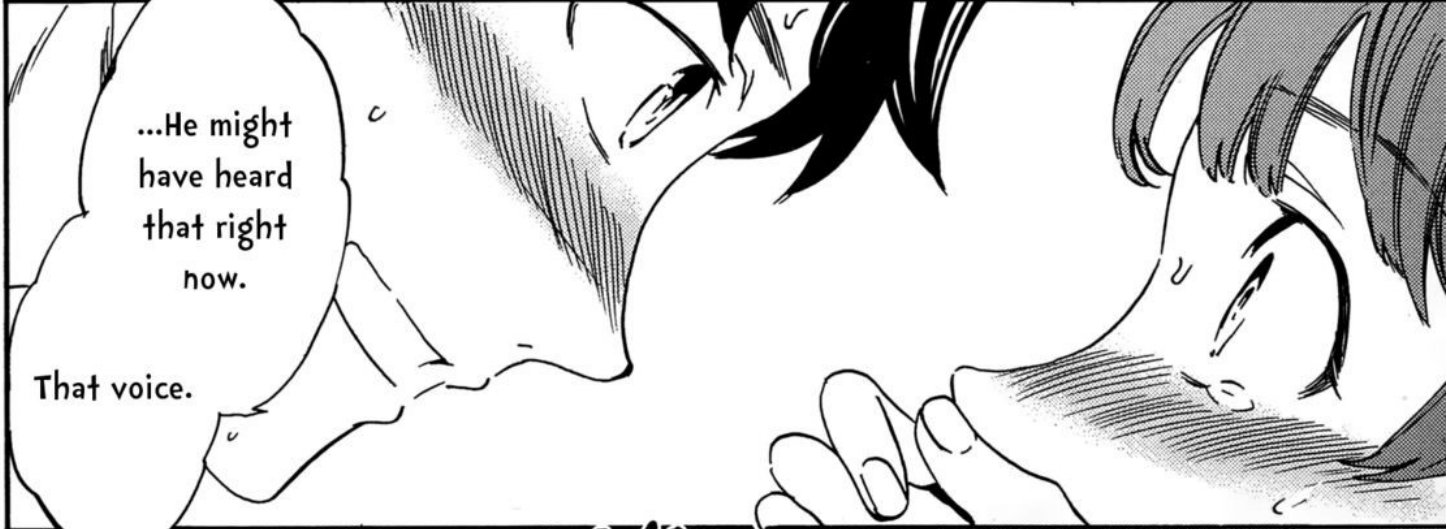

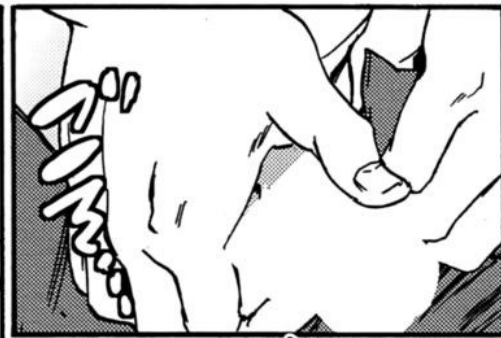

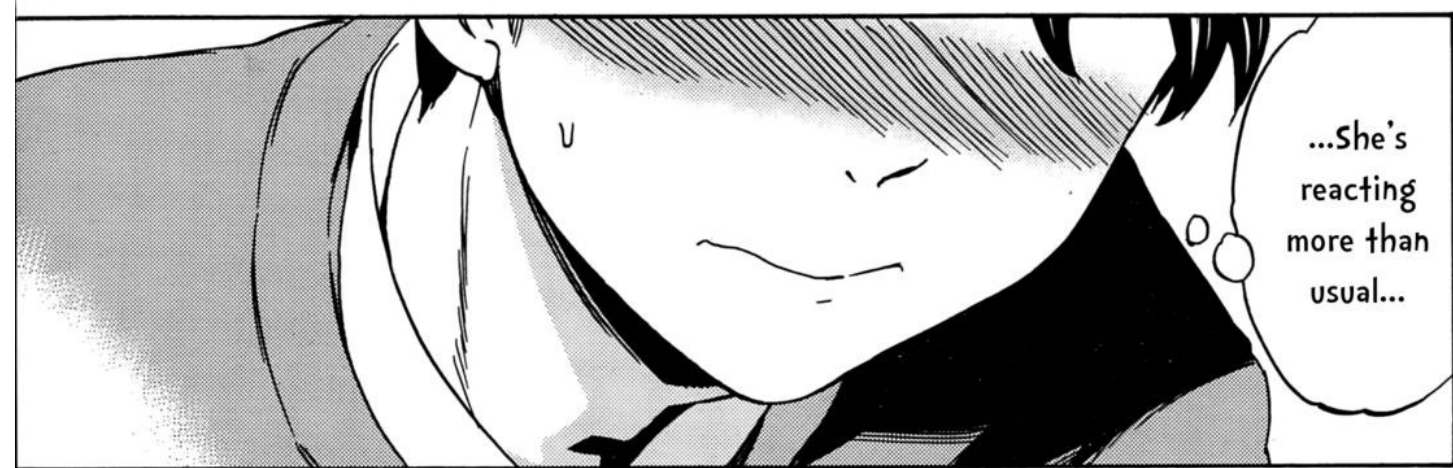

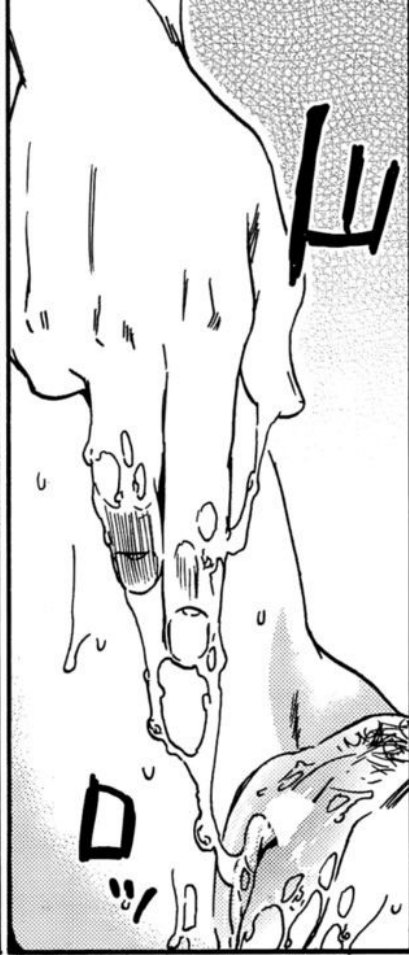

That's why it's "Aniki". Fufu.

I see, you're jealous.

let me do it with my mouth.

I don't

think I can hold down my voice, so

Eh

Mahiro...

...

Ah

I'm gonna head out for work.

I'll be home late, but just leave the bath water as it is for me.

Sure!

S-

Ouch

I'm pretty sure

Kou-chan wouldn't say things like that!

Wh-

I'll tell you, Aniki isn't the kind of person you think he is.

He's only kind on the surface.

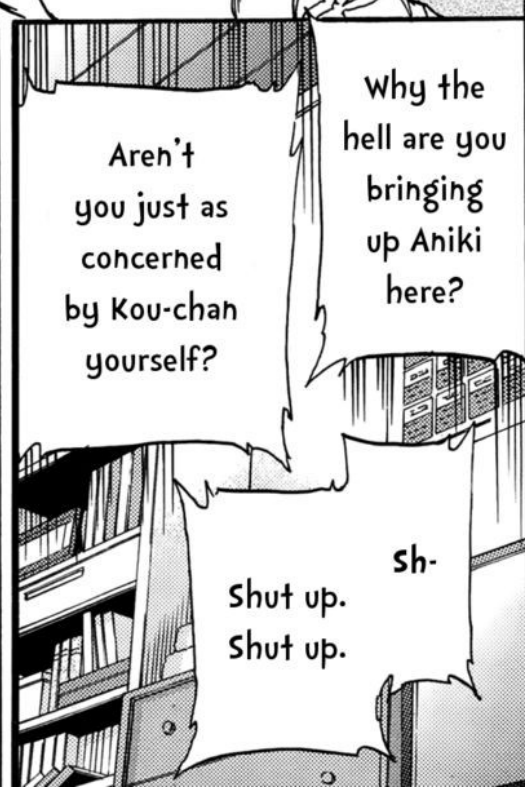

That guy is someone who always takes whatever I want and keeps it all for himself.

Aren't you just as concerned by Kou-chan yourself?

Why the hell are you bringing up Aniki here?

Shut up. Shut up.

Sh-

Wh-

What?

!!!

...Could it be,
Did you think that I would also be taken away by Kou-chan?

Who the hell would think something like...

D-dumbass!

You're the
dumbass.
