蘭丸グラフィックス Vol.52

Tale of two lovers.

It's just there's someone special i want to make a meal for and i'd love it if you could help me make it. So can you help?

Hi, ummm...i was wondering if maybe you would like to come over to my place and help me with my cooking?

One day she came up to me after class, her face seemed a bit flush whenever she was talking to me.

Knock know, anyone home?

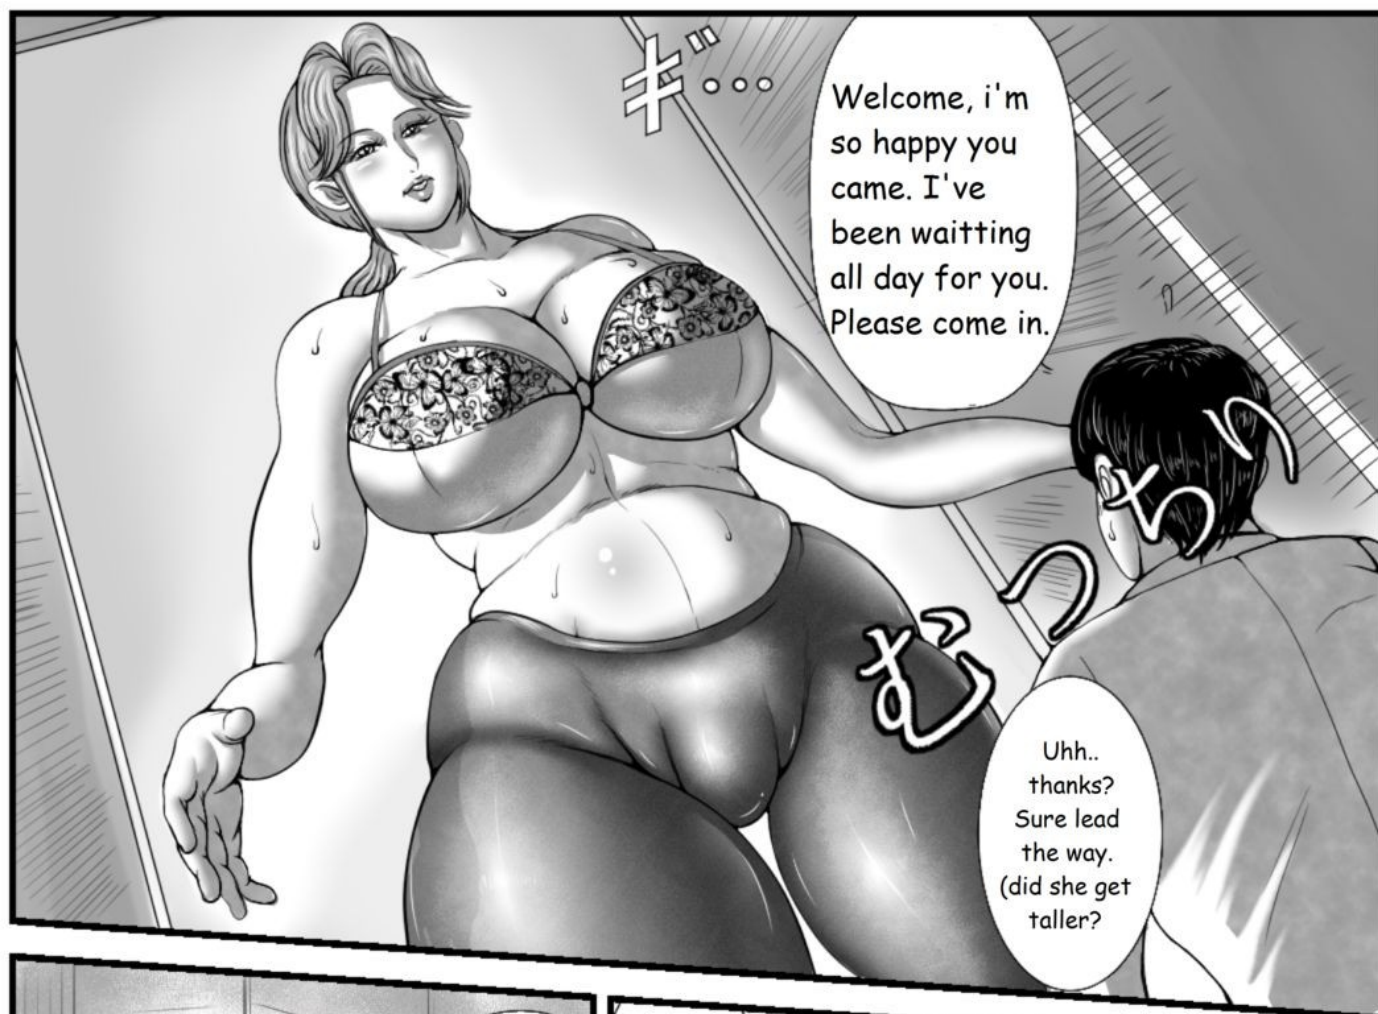

I was so nervous i came over 15 minutes early, i hope she doesn't mind.

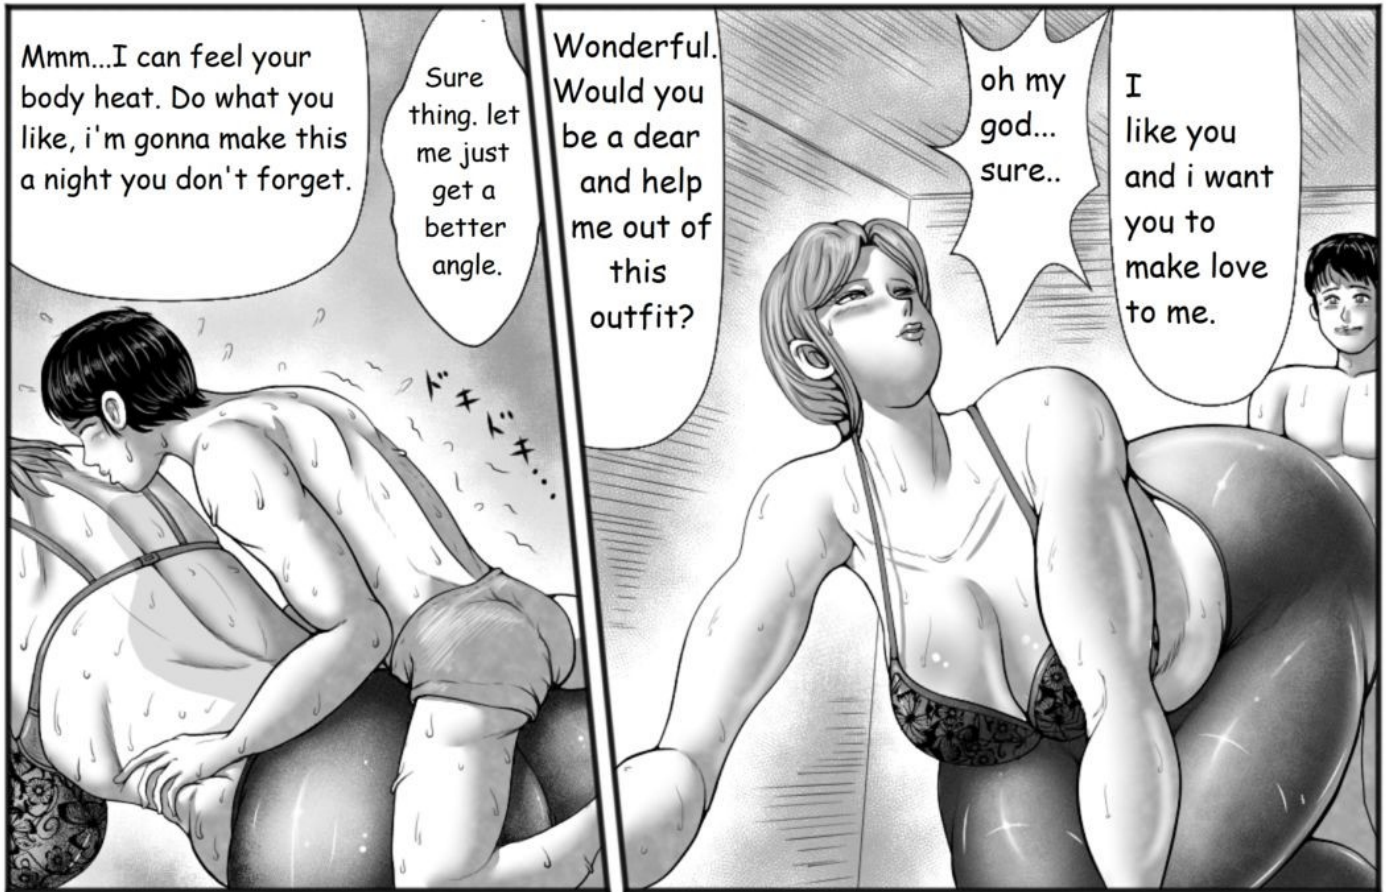

I was surprised she wanted my help. I had nothing else planned so i agreed.

Oh that's wonderful, let me right down my address for you.

Sure i'll help you out, we're partners after all.

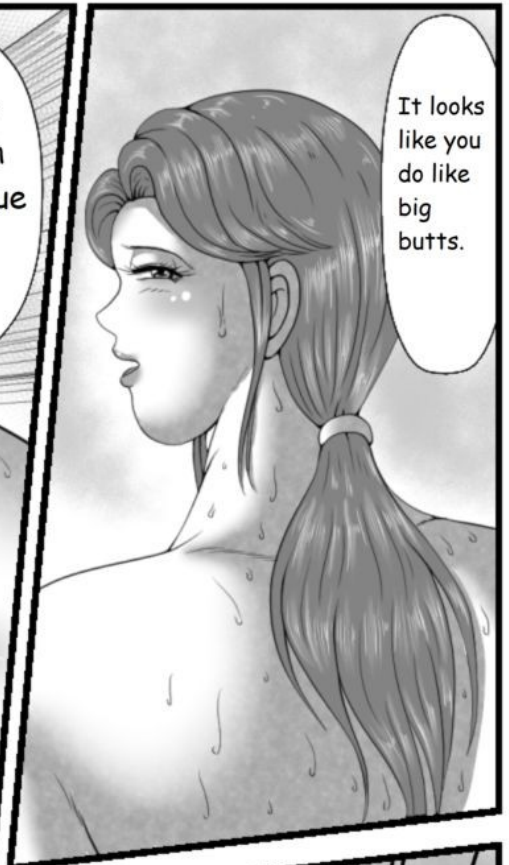

That's the spot baby, don't stop.

So much pressure

My dick is buried between her tits, it wants to be free and cum.

Her body is completely covering my own.

I love smother him. He's so small and helpless under me.

I'm glad you're enjoying yourself so much. I think it's time to finally reward you.

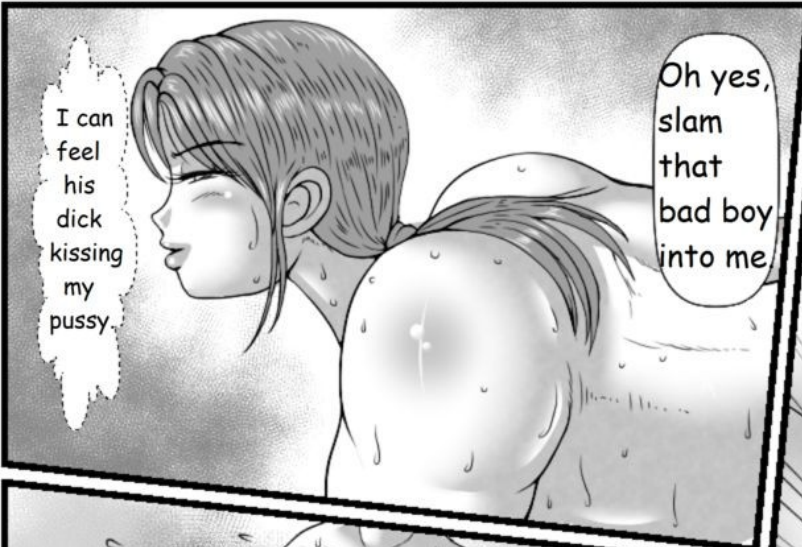

It's time for the main course.

Oh yes darling, you really know how to treat a girl right. I've never felt such pleasure.

I can feel his dick kissing my pussy.

Oh yes, slam that bad boy into me.

Oh god yes, there it is. Mmmm... so big

I think he noticed my ass growing and he seems to have loved being swallowed by it. He has stopped kissing my ass since we came.
