

After booking a room at the hotel we headed to the university.

My name is Shino-miya Misako.

That day... I went with my son Kazuma to see his entrance exam results.

A safe pass due to his hard work.

His result was...

We were both delighted like children ...

Until that moment ...

Ours was regular mother and son relationship ...

When you said that...

You weren't serious, right?

Want to embrace you!

Before the result announcement I asked what would he like as a reward for passing...

I...

Of course I was, mom.

.....

And though I had vaguely noticed my son's desires...

I never thought he was this serious...

Kazuma said he wanted to make love to me.

Kazuma... You

I really love you!

Mom, my feelings aren't so half-baked.

Mom!

Kya!

Kazuma... Let's not do this after all

You're bound to meet a wonderful girl...

It's okay
Because I've been working hard for this day!
mom.

I truly love you!

My body won't last...

No, I won't.

After entering university I'm going to leave the house and live alone

Mom Finally became mine but we're still going to be separated.

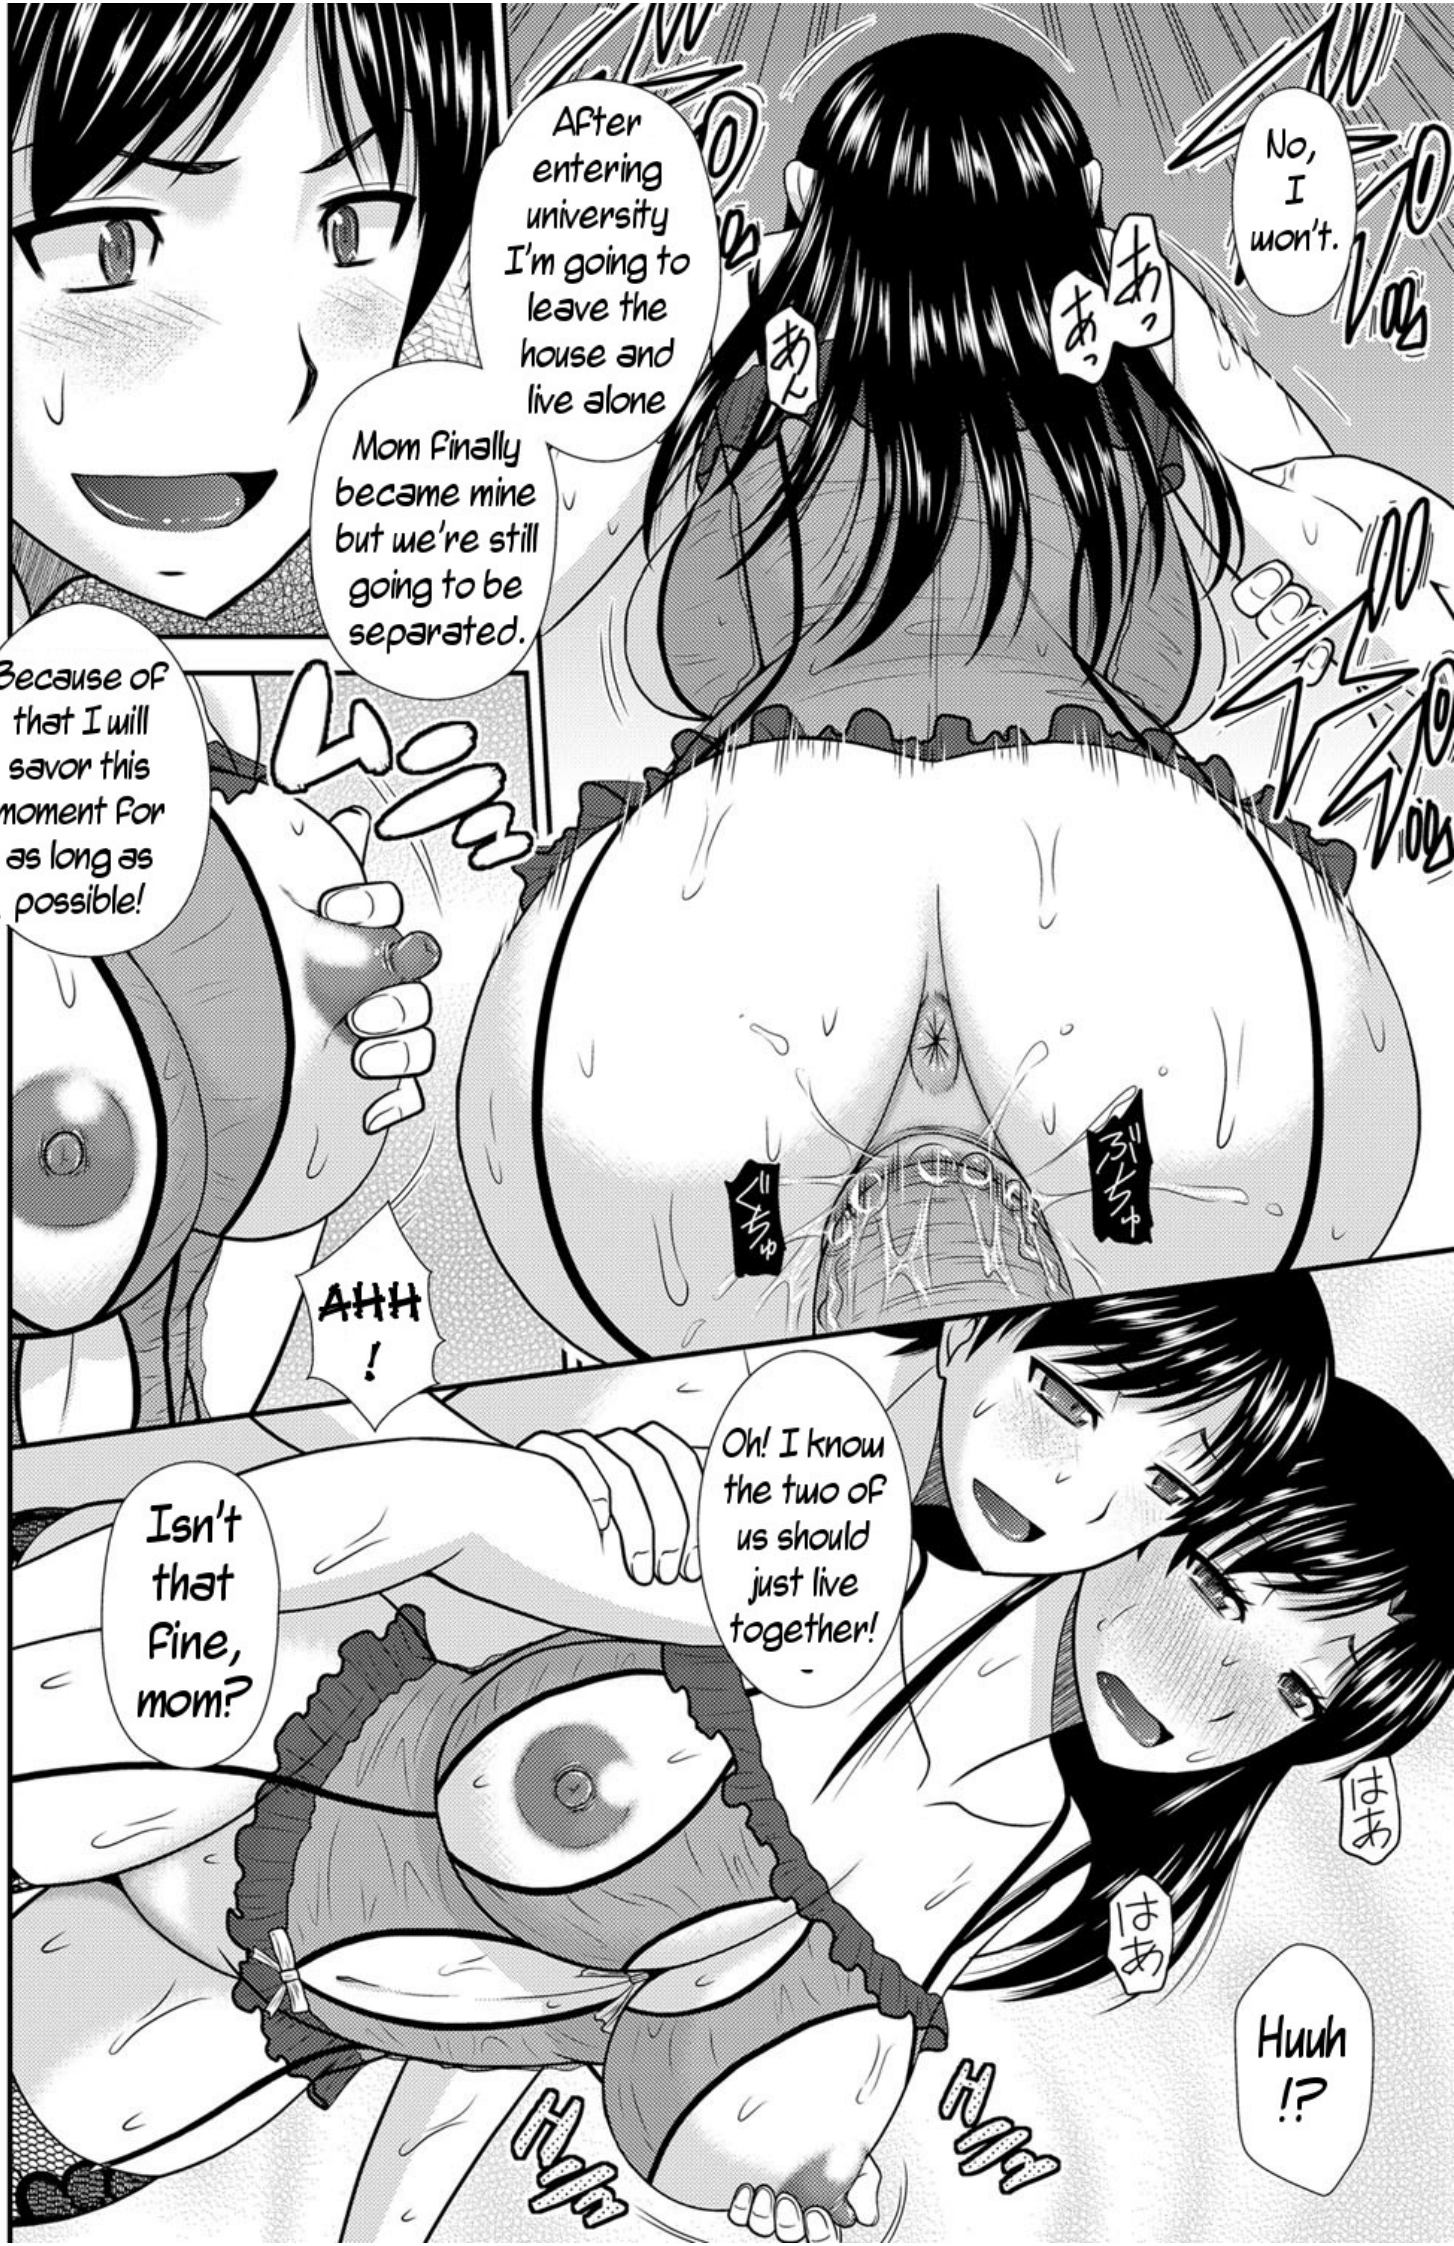

Because of that I will savor this moment for as long as possible!

AHH!

Isn't that fine, mom?

Oh! I know the two of us should just live together!

Huh!?

It's not that simple.

あん

O-don't be absurd, Kazuma ...

あ

We can always meet on weekends ...

Mom already belongs to me after all!

Come back to me every weekend!

Guess it can't be helped.

That much is fine... right?

AHN!

I became his possession both in body and soul.
