イラマチオから飲精しまくってお腹いっぱいなんですけど「もうイヤ」というと止めてくれちゃうので、休憩を所望し二人の時間を長引かせるためにがんばる榎模杏姫

Let me rest for a bit.

You came so much in my mouth.

こんにちは！遠藤弘士です。今回のほむんはお医者さんですね。今までの娘は恥じらいの上に成り立ってる娘たちが多かったんですが、中にはエッチが大好きな娘がいてもいいんじゃないかと。ピッチじゃなくて(これ重要)。いざ始まるとがっついてくる感じですね。好きな人ととことん性コミュニケーションをとるタイプです。えろんえろんを主軸に描いてみました！！ではでは、お楽しみを～！！

Oh my... You're quite manly, aren't you... Er, never mind!!

Hmm?

Geez!! I'll have to collect the sample myself ...

Are you an idiot or something!?

Did you not read, right here, to bring a "semen sample"?

"You've been saving up for 3 days," you say? Even so, what am I supposed to do now?

I don't feel anything unusual... Pulse seems normal... (mumble, mumble)

Wait a sec, isn't throbbing an awful lot?

Let's start with the next examination to check the mucous membrane.

For this one, I'll use have to use my mouth, okay.

Like the strict, dependable doctor she is, she recommended that you get a full physical examination. She's familiar with all branches of medicine, but andrology and gynaecology are her specialties. "You always seem to miss something, don't you?" She loves to have sex, but she's not a slut. She the type who enjoys herself only with someone she loves. But, due to the nature of her job, she's always filled with unsatisfied desire. Once things get going, she loses all self-control and will use whatever means necessary to squeeze out every ounce of satisfaction!

This is your second time cumming so why is there so much.

Geez!! Now I've got no choice but to swallow it all!!

I swallowed enough to fill up last time, but if you've got this much, it can't be helped.

AHH

Huh? No way!! Hold on!?

think

think

Even so, this amount is too unusual!!

It's even thicker than last time, too ...

Looks like I better investigate with my own personal equipment!!

I'm ready now, so inject as much as you can.

Hng!?
Nng...

IT'S SO BIG

MY INSIDES

TOO ROUGH!

I'll be nice and tight for you, so go as hard as you like.
I like it rough, after all.

This... I love this feeling of the hole in my body being plugged.

MY WOMB IS BEING POUNDED

あはあは

あはあは

It's drilling so deep inside me.

Ahh I can feel my insides being squished flat.

More, I want more.

Don't pull out! Let's just keep going for another round!

Ah it's so warm inside me! I'm almost there myself.

I'll massage this secret acupressure point so hurry up and get fully erect again. ♥

At a time like this, for crying out loud ...

Wait... Why are you down now?

Hold on... Hey, wait!!

No way, no way!! No way that thing will fit!!

YOU'LL SPLIT ME APART!!!

Hehe ♥ you're even manlier than before.

Something this big going inside me seems like it would break me. ♥

But... Seeing a dick this big makes me happy I was born a girl! ♥

Stylized purple sound effects or text at the bottom of the page.

I've been feeling it so much, I'm going numb...

I'm...

But the part where we're connected is super sensitive!

My head feels floaty.

No way!? What!?

What the? Something is coming.

What is this? This pleasure.

THIS IS THE FIRST I'VE EVER FELT IT

You've been cumming continuously?

You've been ejaculating this whole time?

Since then, you

I'M
CUMMING

I'M
GONNA
CUM

IT'S
COMING

IT'S
SO
GOOD

It's like thick jelly, packed inside all the way to the back.

Our juices have gotta all mixed in together though...

I can't use this for the exam.

I know it's kind of weird for me to say this, as a girl, but...

quite a lot of cum can fit in here, huh?

Thanks for your hard work. That's it for today's physical exam!!

Getting cummed inside at the same time brings orgasms to a whole new level of satisfaction. I feel so refreshed.

Honestly, it felt sooo good!! Thank you for the experience.

Store up as much as you can, okay?

We'll do some even wilder stuff next time.

In ten days we'll have to do a re-examination

Which is why ...
