However,  
I'm  
different  
from  
regular  
narcissists.

I  
love  
myself.

Meow

You're  
always  
cute,  
huh.

I'm home,  
Kotarou.

Meow

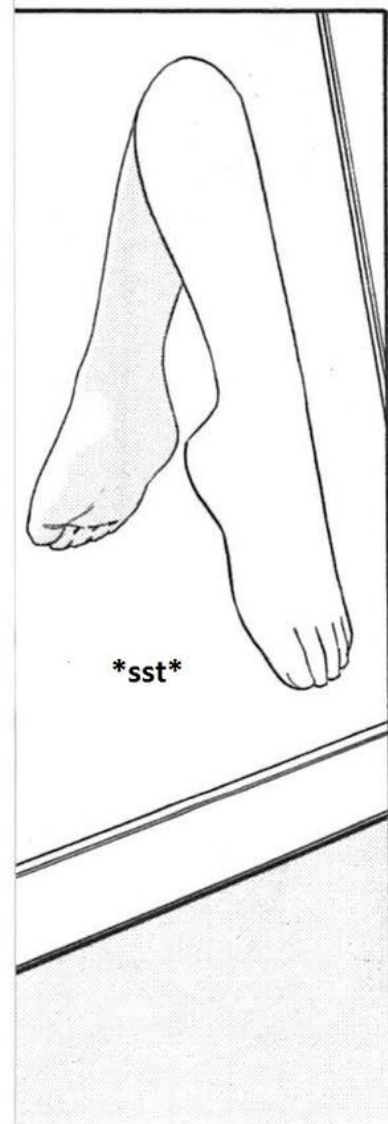

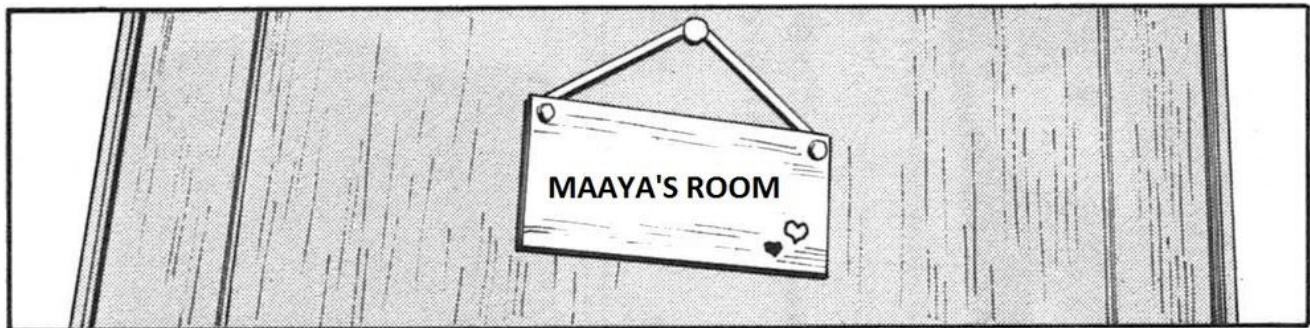

Maaya  
There's cake  
in the fridge.  
Mom.

Hi  
hi  
...

But not  
as cute  
as I am.

Meow

\*sst\*

There is a  
big full-  
length  
mirror in  
my room.

This  
mirror  
hides  
a big  
secret.

You won't know until tomorrow comes.

How was school tomorrow?

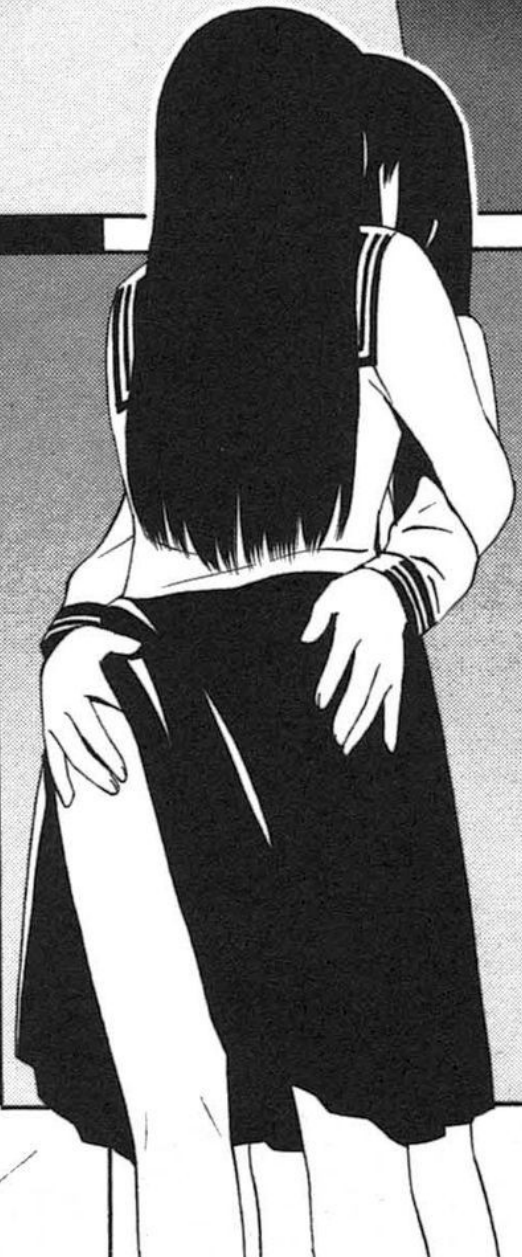

I don't know why.

I want some cake.

I know.

This mirror is surely a gift from God.

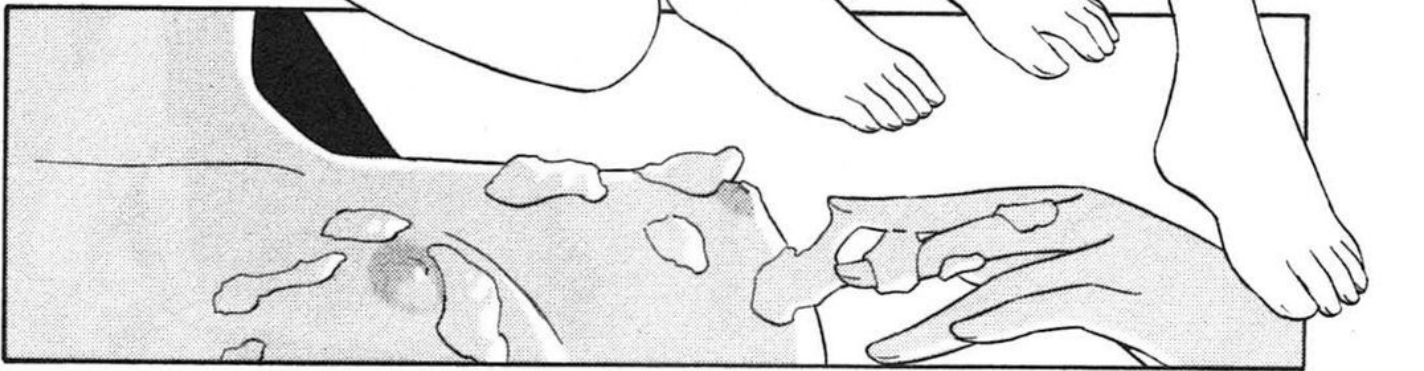

That tickles.

Because ...

I'm able to love myself.

Mmm ...

This  
cake is  
sweet.

He  
he  
...

But not  
as sweet  
as I am.

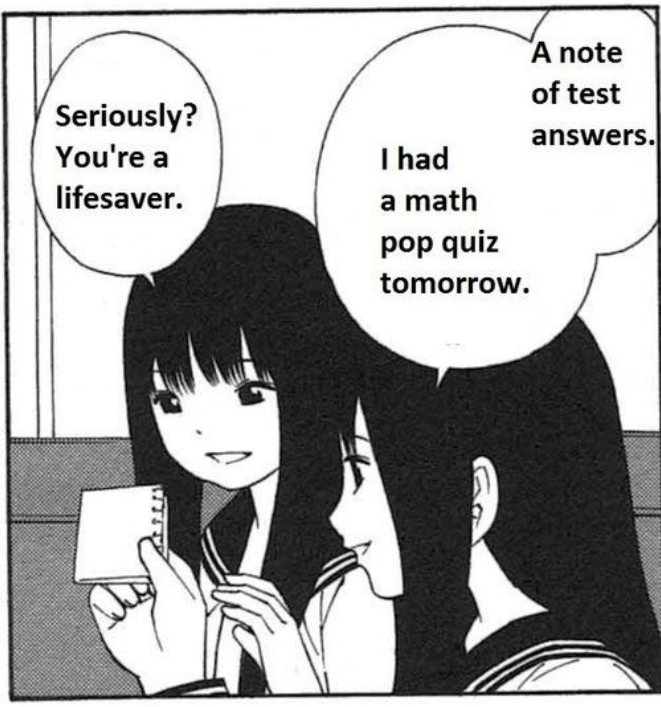

It's about time I go back.

This mirror can't take you to the future.

Yeah.

Seriously? You're a lifesaver.

A note of test answers.

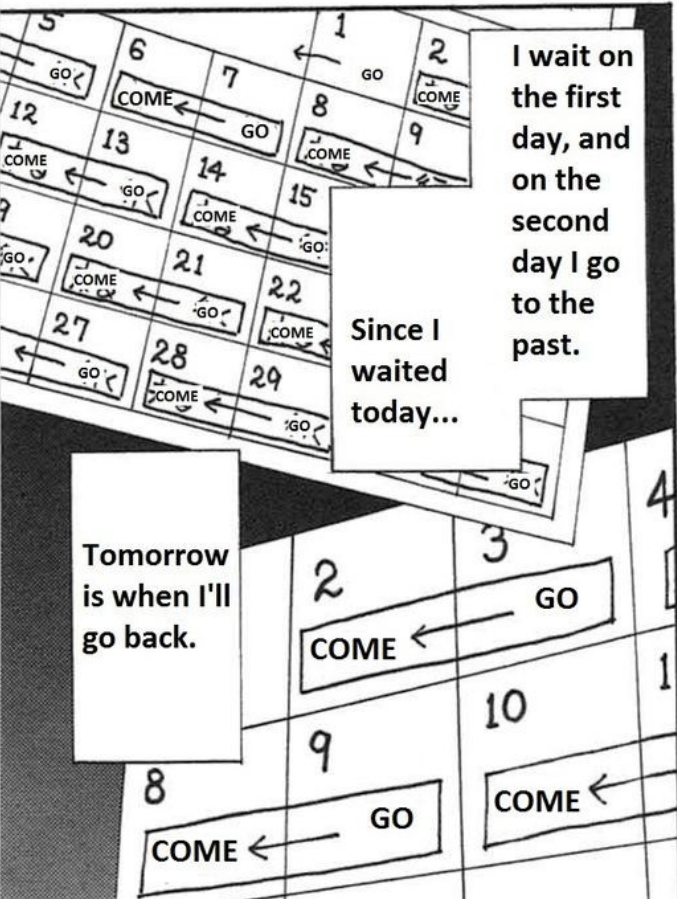

I had a math pop quiz tomorrow.

See you later, yesterday's me.

When I come from the future I have to return to the future.

I went back to the future.

I wait on the first day, and on the second day I go to the past.

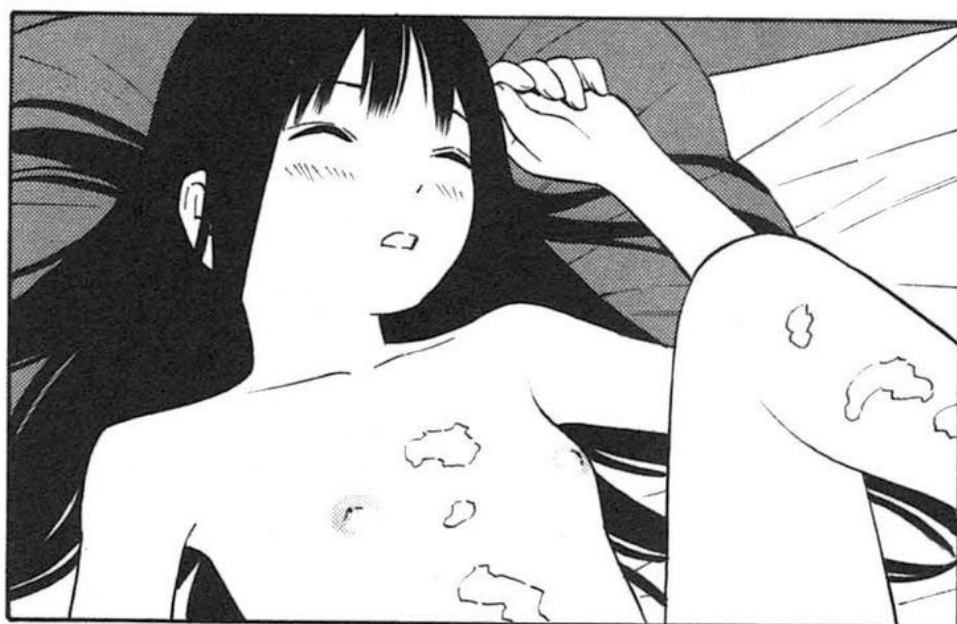

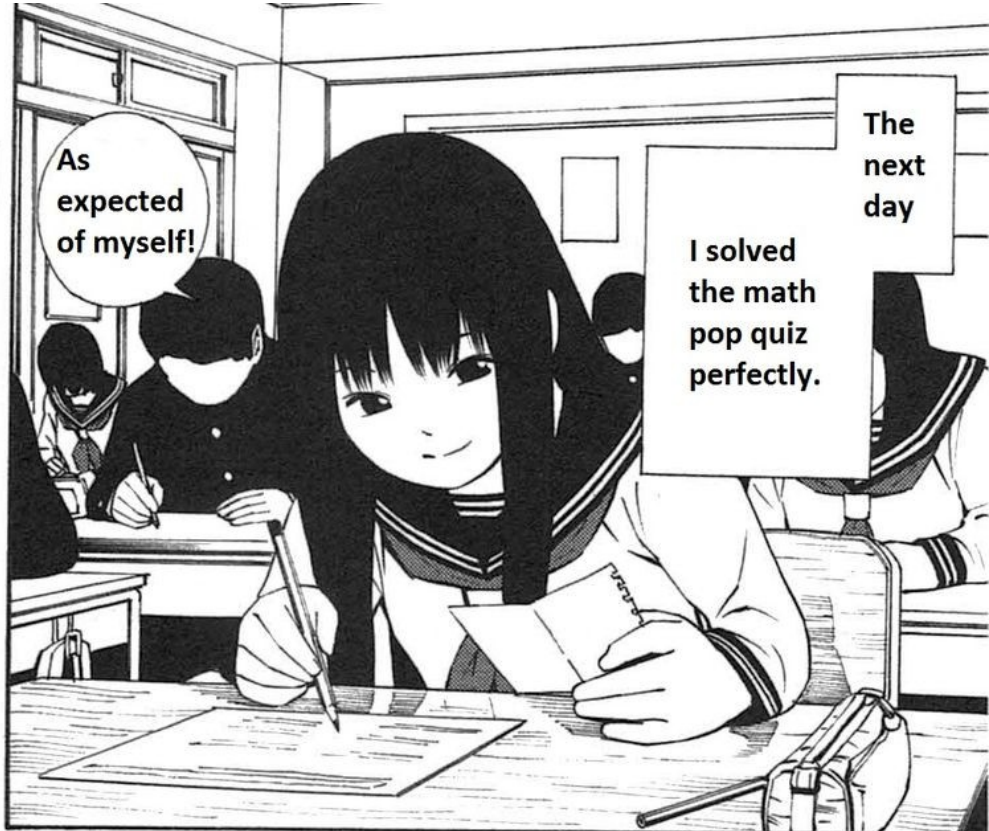

Since I waited today...

Tomorrow is when I'll go back.

I go back and forth between past and future in sets of 2 days.

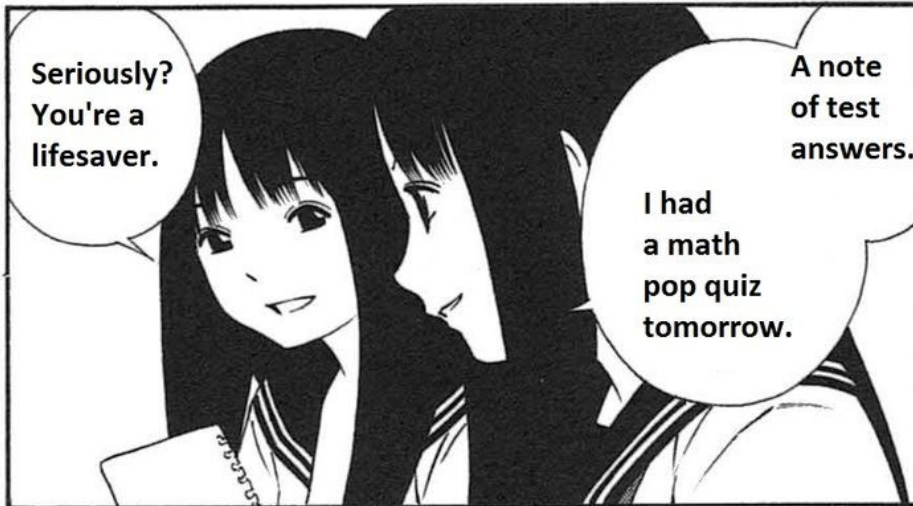

See you later, tomorrow's me.

Mmm

I'm just so cute...

Seriously? You're a lifesaver.

A note of test answers.

I had a math pop quiz tomorrow.

and here.

What's this?

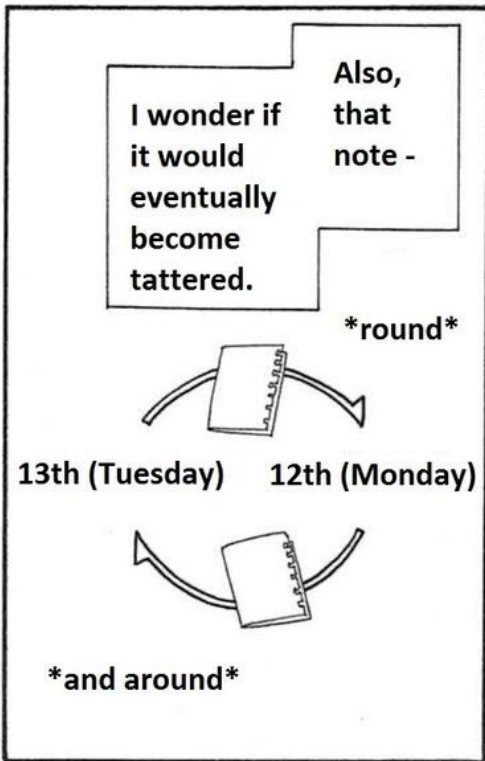

... Huh?

That's weird.

See you later, yesterday's me.

See you later, tomorrow's me.

MAAYA'S  
ROOM

I  
love  
myself.

So I want to  
embrace  
myself...

And I want  
to be  
embraced  
by myself.

24 hours back

And so I'll  
pass  
through  
and go to  
the day  
before -

OUT

IN

This is  
possible  
...

thanks  
to this  
magic  
full-  
length  
mirror.

- so I can be  
embraced by  
tomorrow's  
me.

I'm set coming and going every 2 days.

Tomorrow came and I once again went through the mirror -  
- to meet with yesterday's me.

Aaah...  
I'm happy.

\*slide\*

Eh?

Actually ...

We've got visitors coming today.

\*slide\*  
\*slide\*

Eeh!?

Great

they're here.

I'm 3  
days  
from  
now's  
me.

9th  
(friday)

8th  
(thursday)

I'm the  
day after  
tomorrow's  
me.

The  
mirror  
had  
another  
trick to  
it.

Wha...  
What  
does  
this  
mean!?

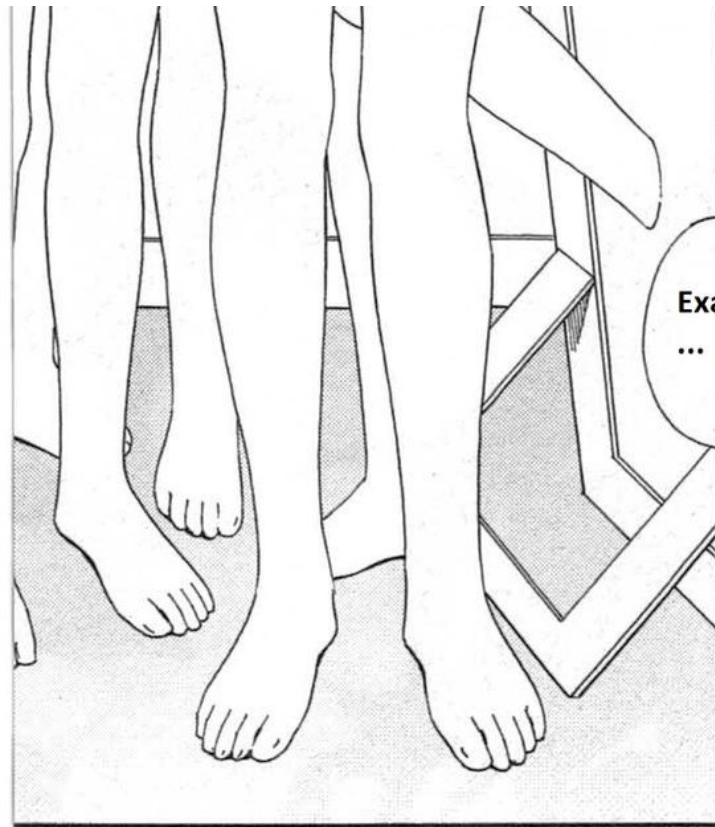

Then I  
discovered I  
could go back  
an extra day  
through the  
back of the  
mirror.

Ah...  
So that's  
how!

Meaning,  
we wouldn't  
be able to  
go farther  
back than 24  
hours into  
the past...

So when  
myself from  
the future  
goes back  
through the  
mirror we  
just return to  
our original  
time, right?

Exactly ...

So the future me's can all go back 24 hours again,

which means ...

A... As expected of myself!

For the time being I've gathered 10 days worth of myself.

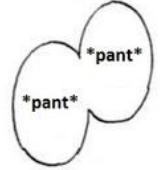

This  
is...

This  
is  
the  
greatest  
...

I love  
myself!

Look forward to 3 days later.

Hey, hey, 3 days later's me, how was school?

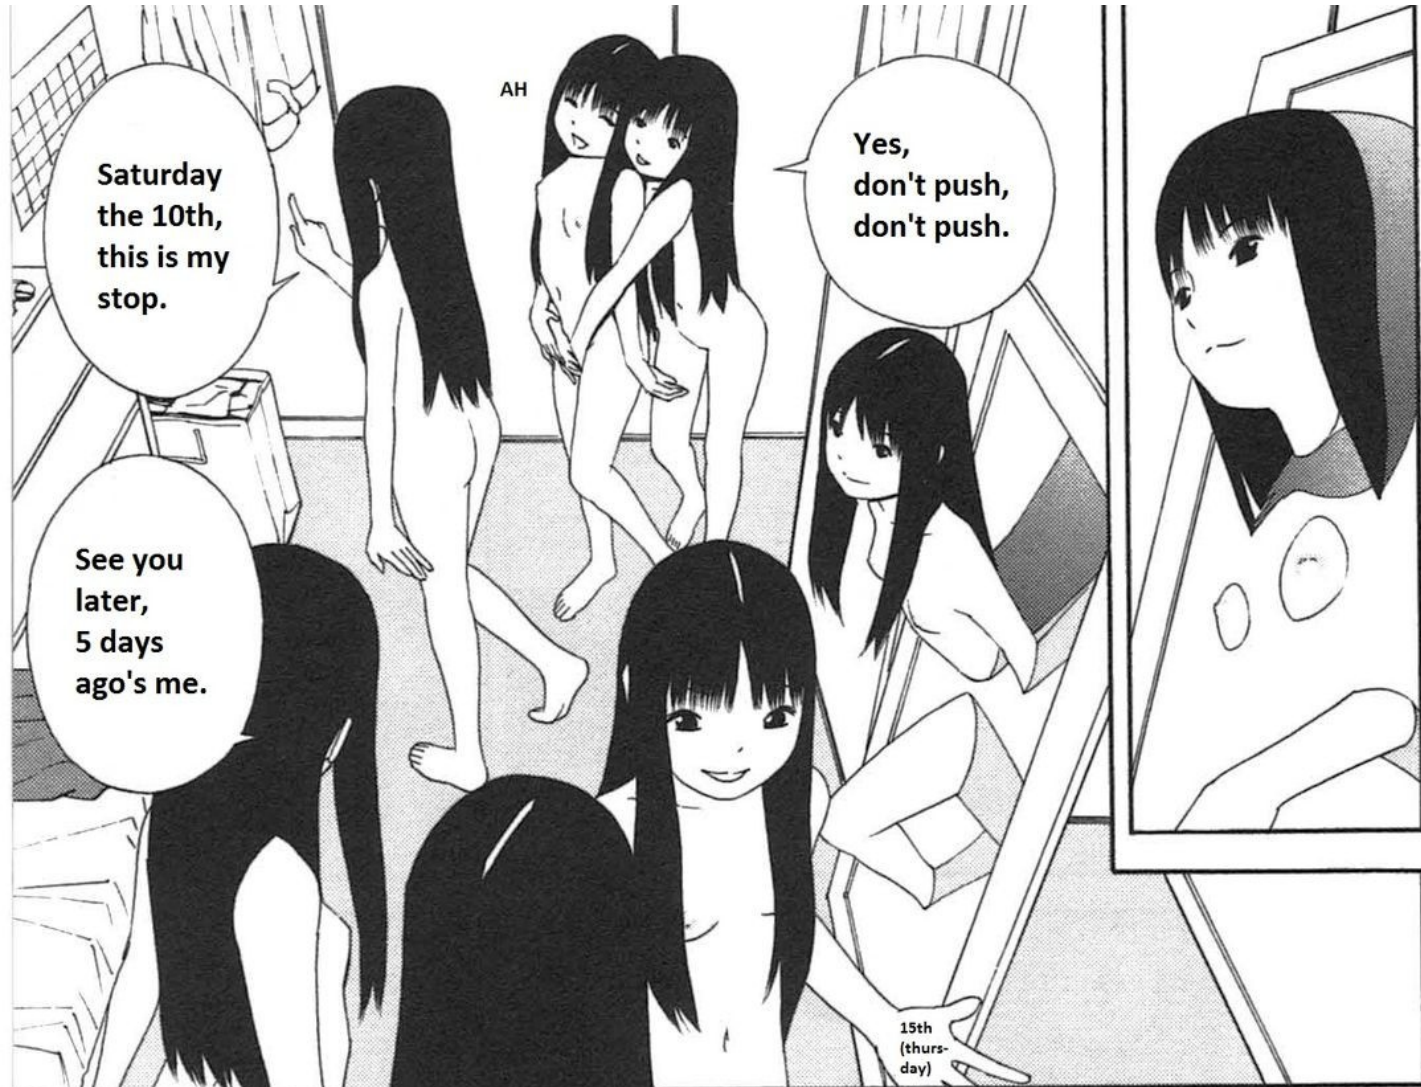

See you later, 10 days ago's me.

16th (friday)

See you later yesterday's me.

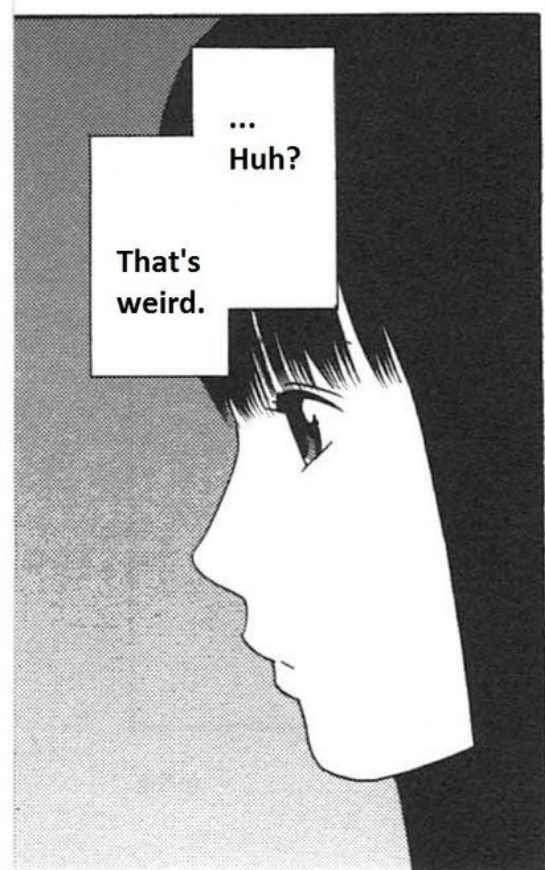

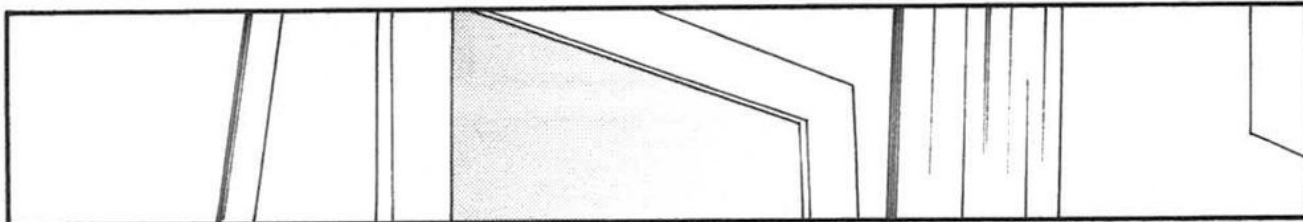

Saturday the 10th, this is my stop.

AH

Yes, don't push, don't push.

See you later, 5 days ago's me.

15th (thursday)

... Huh?

That's weird.

Hah ...

Everyone went back.

When the heck did I first notice it...?

I learned about it today from tomorrow's me...

At what point did I notice the back of the mirror.

?

?

.....  
?

I'm looking forward to the next 10 amazing days!

Nevermind, it's not that important!

お前さあ、

Well, maybe later!
