H.B.A-USAGI NAGOMU presents

I'm losing  
...  
all my  
strength  
...

Well,  
time to  
get to  
work,  
Lilia.

Will do,  
Lady  
Traff!

Hee

P-Please spare me...

It's still too early to beg for your life.

Wh-What are you-?!

I'm going to milk you until you're on the verge of death, after all. ♡

どどど

どどど

You're quite turned on despite that. You must not get home much.

St-Stop! I've got a wife and child...

Ufufu ♡ You look about ready to burst ♡ Soldiers really get backed up, huh? You're perfect prey.

どどど

はぁ あ..♡

How about both?

モ

にゅん♡

So... my mouth or my breasts?

Which shall I wring you out with?

たじろ♡

Semen is too valuable to waste, so unfortunately you can only cum inside this.

Did I get your hopes up? You got so hard.

...As if I'd do such a thing.

I need to wring out this no-good cock until it's dry ♥

What was that? Weren't you hoping for it even though you have a wife and child? What a hopeless cock ♥

Damn you... Humiliating me!

Sto-

Aah!

Go ahead, cum!

OOOH

Ah... Ah...

Fufu ♥ You're full of spirit, aren't you?

Fufu

Wah!  
Your  
cock's  
so big!  
♥

Allright  
mister!  
Please give  
me a lot of  
semen!

My pussy's  
so tight  
that you'd  
probably cum  
right away,  
wouldn't  
you?

I wonder  
what would  
happen if  
something  
this large  
were to  
go inside  
me?

Agh!

Haah

Haah

Too bad!  
♥

Do your best to cum if you want to stick it in my pussy, okay?  
♥

Hw  
♥

Hw  
♥

Mm Mmph  
♥ ♥

Haah♥  
How amazing♥  
You must really want to put it in my pussy to get this hard  
♥

わろお  
!!

!!

You gotta do better than that, or you won't get to fuck my pussy!

Oh?!

H4000...

You're thrusting your hips by yourself? I thought you said you didn't want this.

I can't stop my hips!  
Gonna die...  
Gonna dieeee!

Help...

Stop...

We gathered a lot today, huh?

I'm a young woman. My hands are good enough for some old middle-aged man's cock.

I had to give it my all, but you only needed to use your hands. Just what I'd expect from you!

Is that so?

Lilia. Didn't I tell you that sexual relations with humans is taboo?

Still, just showing off my pussy was exciting! I wonder if it feels good?

WHAT HE DOESN'T KNOW WON'T HURT HIM.

BUT WON'T THE KING FAINT WHEN HE FINDS OUT THAT IT CONTAINS SEMEN?

Mixing of human and magic components causes a powerful effect; they say it'll destroy you. Due to the difficulty of mixing them, we're the only ones who can deliver the king his precious elixir of immortality.

Yes, I understand... I'm a war orphan, I've only just started paying you back for saving me.

I'm saying this because you're important to me.

Ehehe♥ I'm hungry! We need to get home quickly so we can eat!

This time, I've gone through the trouble of preparing a particularly special prize for you.

Mmm. I've received this term's portion of the elixir.

I heard from the soldiers in the forest. They told me that the elixir contains semen that you took from them.

I-It's not what you think! Human semen is necessary to produce the effect...

Well then, gentlemen...

Huhu... Without her staff, the witch is like a helpless baby...

Damn it! Since they took my staff, I can't cast my spells properly...

THAT CAN'T BE TRUE!

How dare you make me drink semen?! I'll let you whores drink your fill of semen as well!

Kya!

LET THE WITCH HUNT BEGIN!

Lady Traff!

No!

N...

Kuh...

These are the soldiers from the woods!

Haha! I've been wanting to play with these ridiculous tits!

Ever since that day, I couldn't stop thinking about the feel of this.

I've dreamed of having my way with this tiny body!

クハクハク

にやにや

Ah! This tiny mouth is out of this world!

S-Stop! Human's semen is poisonous to mages!

I'm going to fill you up with my cum.

Gghh... Take it all down your throat!

Cum in!

Kuu... Don't touch me with those filthy things!

You think it's poison? Then let's test that theory. You're next in line!

Oohh, her tits are so soft!

MNGH?!

OOOOH  
I'M  
CUMMING!

Gehuh

Gaha

Wai-!

tell me...

acts as an  
aphrodisiac?!
