

There's nothing around here~!

Not a single Convenience store or arcade in sight!

Goood!

Huh~? More like boring~!

It's exactly because we don't have that non-sense that we can enjoy a quiet, peaceful summer.

Zip it, we haven't come to your grandma's in a long time.

You'll just have to learn to make your own fun.

Excuse me!

kind of
awkward,

And the nipples are so tender!

I can't get enough of these!

Her tits are sexy as fuck!

No...!

It's so delicious!

You got a good bitch this time! Even her sweat is sexy!

Don't act like you hate this when you're just as excited as us!

And her pussy's dripping wet!

Swallowing
my cock

down your
throat...

I don't recall what happened next very clearly, but I do remember the men being very gentle.

Mako-chan filmed lots of videos to remember that night by.

Summer memories...

So I would love to go back with everyone.

I had a lot of fun at that summer festival.
