

C'mon...
Kiss me...

池咲ミサ presents 『禁断の果实』

That
luscious
scent, that
venomous
vividness...

Beware,
for you must
never reach
for it.

It's quite
all right, there's
no one here to
tell on us.

W-We can't...
Umm... It's
against school
regulations...

unbearable

ういも甘いその果実...
So sweet, yet so very bitter...

What
are you
doing?

...You
there!

but their
sensitivity
is satis-
factory.

Fuh

No

Your
breasts
are on the
smaller
side...

Rigloo

What
about you,
whose nipples
are as hard
as little
pebbles?

If
they're
like this,
then down
there...

Sensei,
you
perv...!

Oh?

Ahn

Hey...
Don't close
your legs!

No

As I
thought...

You're
soaked
through
your
panties.

You're not the slightest bit regretful, are you?

More...

You've become this drenched just from having my member rubbed against you...

...Hmph.

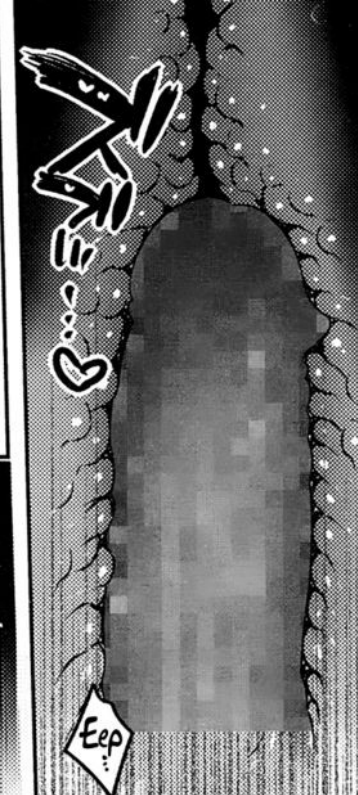

You nympho student slut...!

I believe more severe guidance is in order...

I've been
defiled...

I'm really
sorry...
Takumi-kun...

Do you
still love
me after
this...?

...Wha~t?

He hasn't
shown up
to class
since that
day...

That
Nitta
boy.

How much
longer are
you planning
to keep
this going?

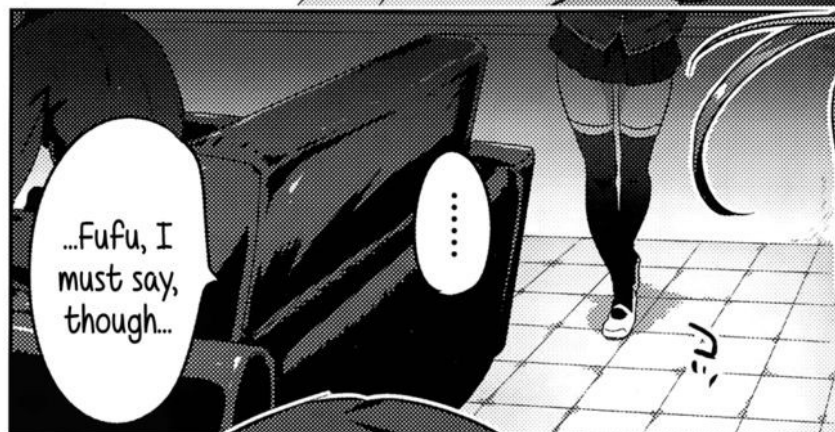

...You
deviant.
♡

Besides,
it's not like
you didn't
enjoy it
too.

This is
hardly the
time to start
acting like a
teacher.

...Fufu, I
must say,
though...

.....

There's
nothing
more
arousing!

Roping
an oblivious
guy into
watching
us have
sex...
