

明日は今日より価値が下がるんだ。体で払うなら早いうち返しねえと!!

You'll repay your debt with your body by working for me.

Very well. Come to my mansion.

Please, I just need some more time!

I'm sorry! I promise I'll pay it back!

I'm in debt.

I don't have a job right now and...

You don't just look like a sissy, you are a sissy! How many more times do I need to say it?!

Pay up right now, or else...!

You're unemployed...

You are unable to gather enough money to pay right away...

And we lack the liberty to wait for you. That is troublesome.

体で返して 借金返済代行 Repaying With My Body As A Replacement Maid

五月五日 Presented by SATSUKI ITSUKA

Ah!

Were you not listening? I told you to move your hands, did I not?

Ow! That hurts!

Perhaps you need to be physically educated.

Ow!

For the time being, you are my property.

Next time, I'll twist your nipples off.

Y-Yes, ma'am!

Ouch!!

I-I understand!! I'm sorry!

Listen to me! You are my maid!

My orders are absolute, understand?

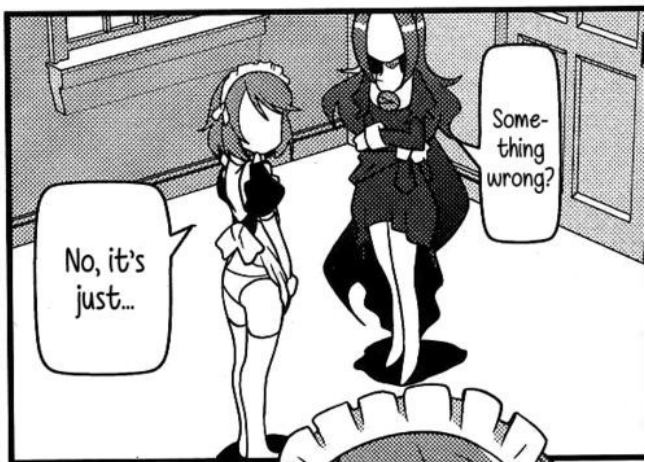

Which is why you'll be taking the role of a table.

Yes, it is quite bare.

Huh?! What do you mean by taking its role?

You are to become a replacement maid who will take the role of any object I require.

You are literally going to repay me with your body.

No, it's just...

Something wrong?

I was just wondering why such a spacious room was so empty. There isn't a table or chair in sight.

I-I'll do it!

If you're ready to repay me the full amount you owe in cash, that is.

You're free to object.

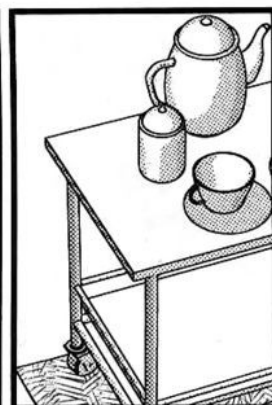

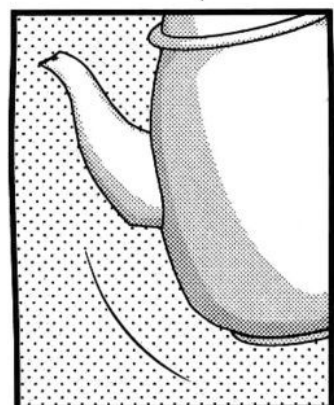

?

Umm... Like this?

Good. Then get down on all fours over there facing up.

Eek!

It's a tad too high for me, however.

...Yes.

As a chair, you manage to be quite comfortable.

Hmm? Is this the adjustment knob?

Ah... It hurts...! Don't pull on them...!

Those are my balls... Eep!

No...

Oh! I've just thought of the perfect thing!

Hmm, I'm having a hard time thinking of anything else I could have you be...

Already giving up?

Even the role of a chair was too much for you.

Hi!

Kyaa

Ow! Ow!
Please
stop!

As useless
as you are,
maybe you'll
still be able
to serve the
role of an
onahole.

Wa-!!
What is
that...?!

It will
never fit!
Owww!!

Ona
...?!

You don't
have to
move! I'll
use you as
I please!

I haven't
jammed it
all inside yet!
Relax your
anus!

I'm
going
crazy...!
I'm...!!

I can feel
a pleasant
tightness
through the
strap-on!

Look
at that!
You took
the entire
thing!
What an
obscene
hole!

Please
let me
go!!

Take
it out!
Take
it out!

You're
splitting
me in
two!!
