Uh!!

It's normal for a big brother with a naughty sister like you, you know?

I'm just a little worried, that's all.

...

!

Give that to me, I don't want you to get hurt.

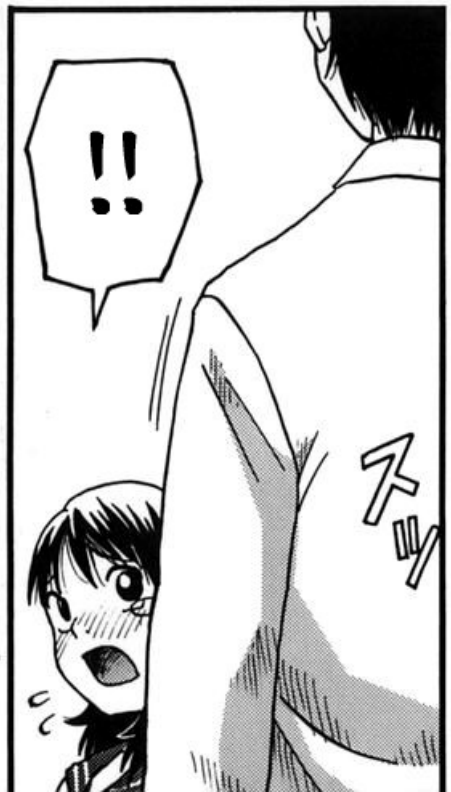

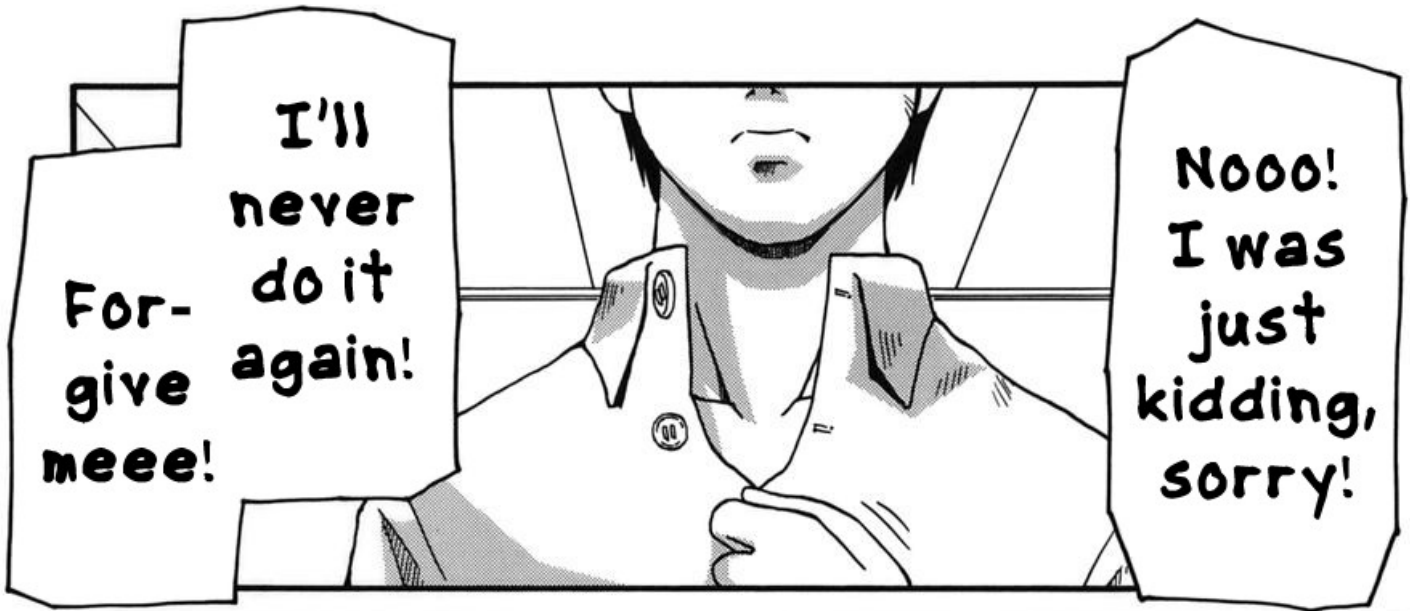

Come on.

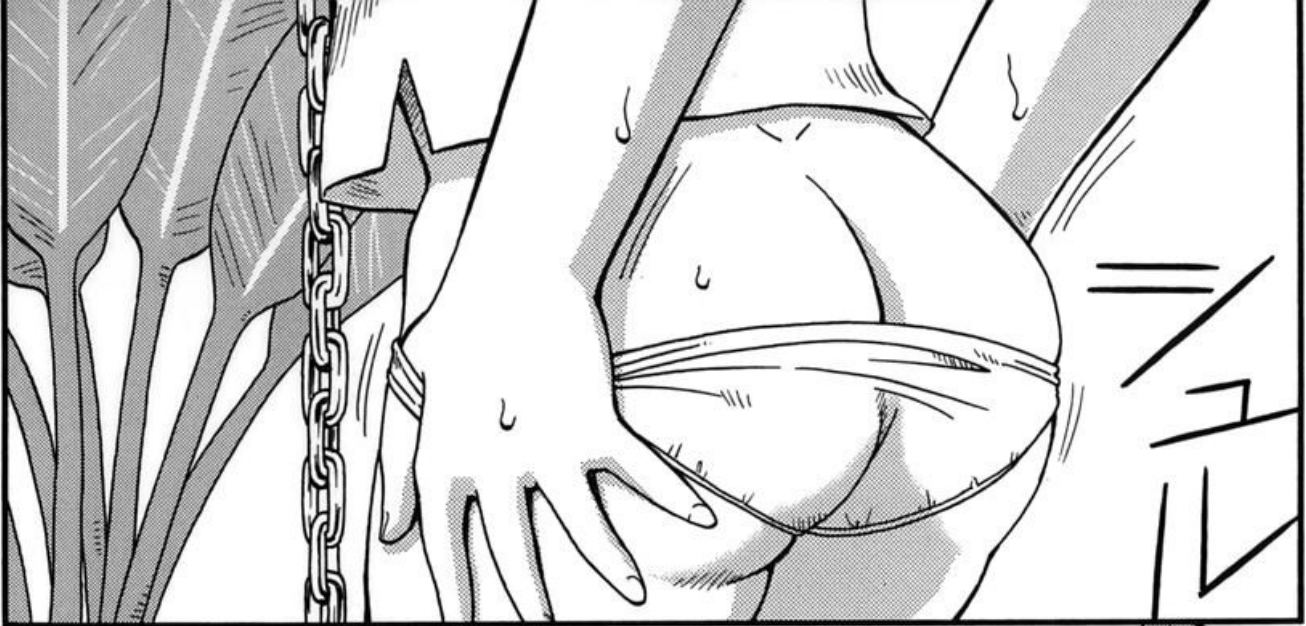

!!

I'll have to puni-

You're forcing my hand. If you still act spoiled...

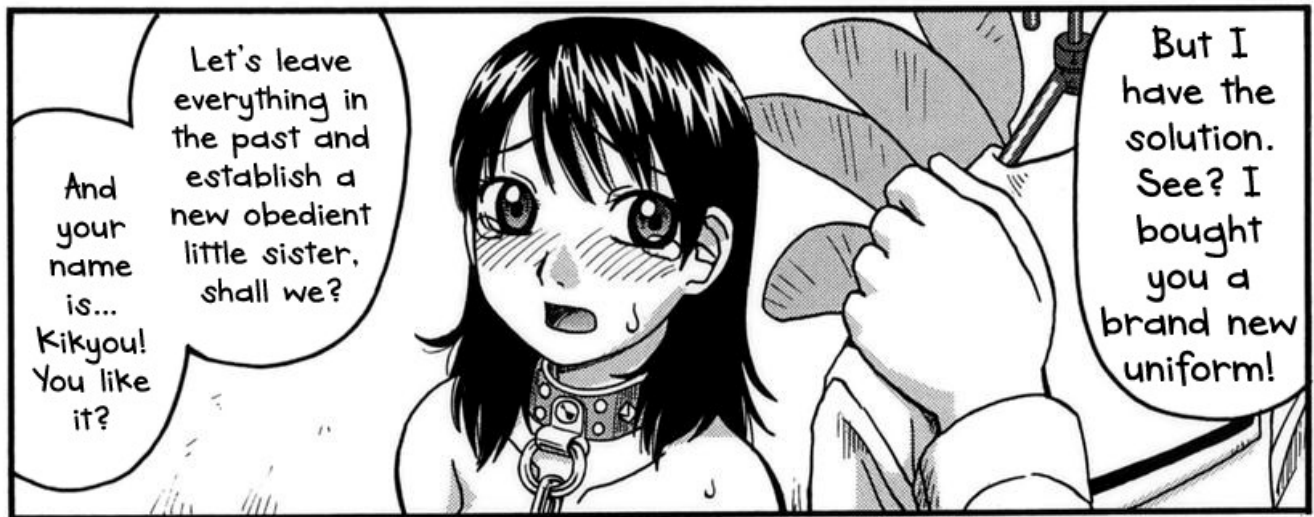

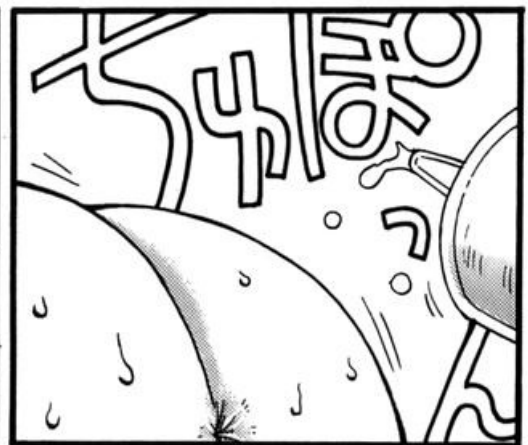

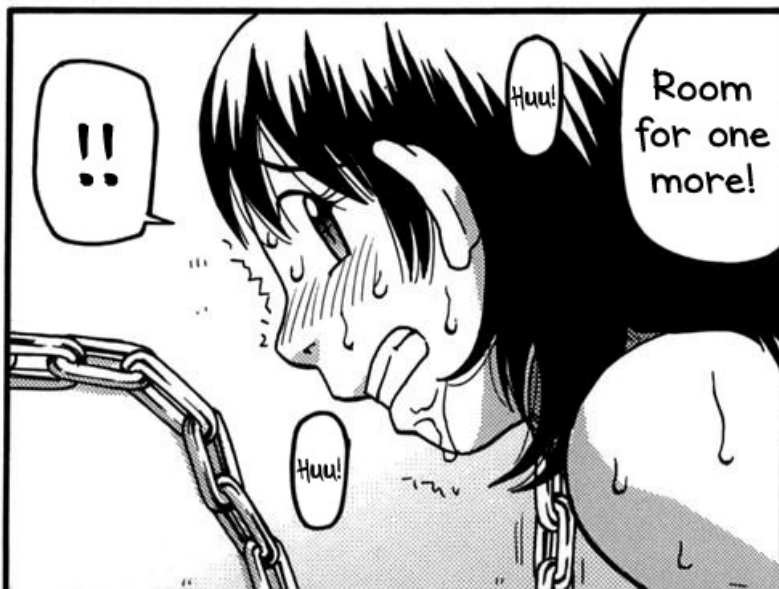

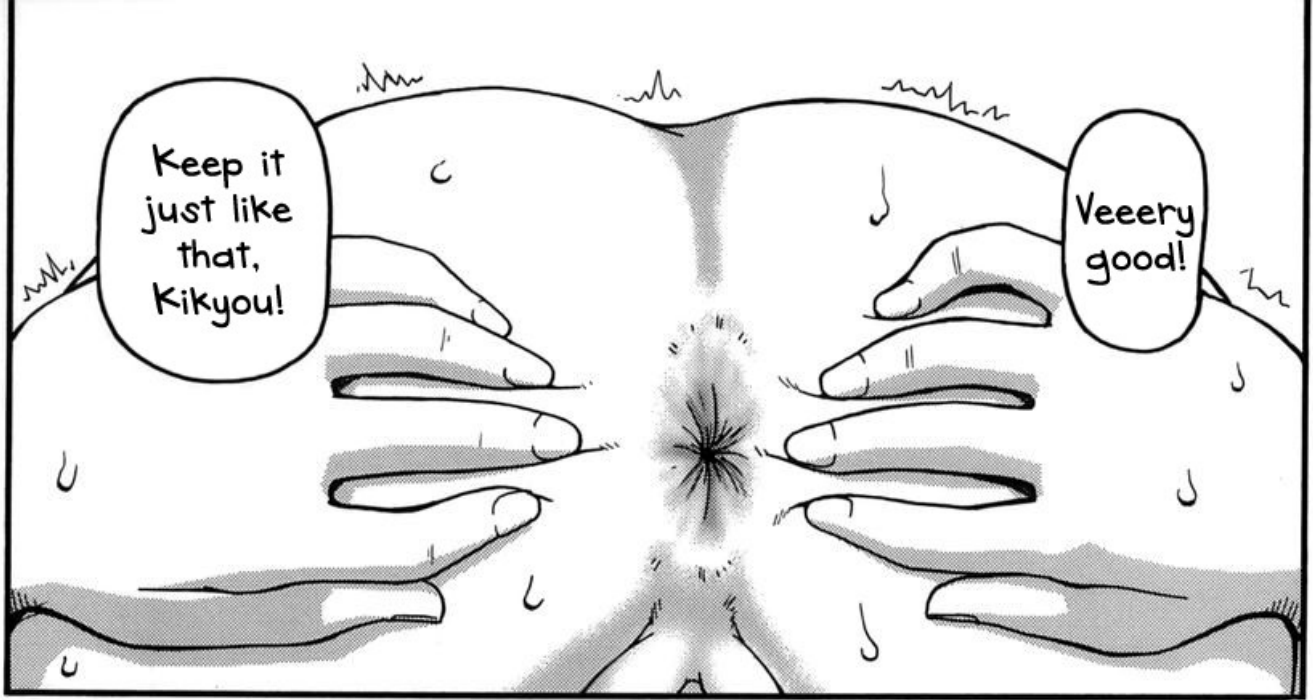

But it's not my fault. You should do what I say, ok?

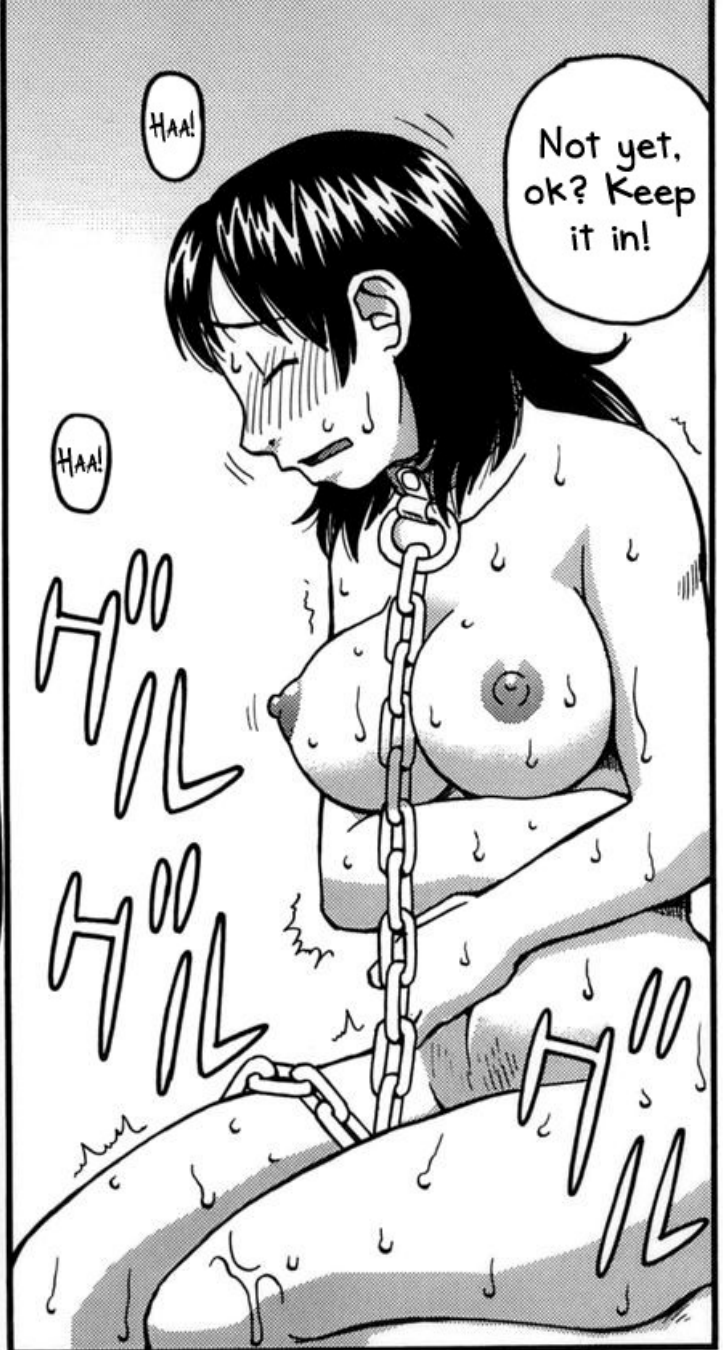

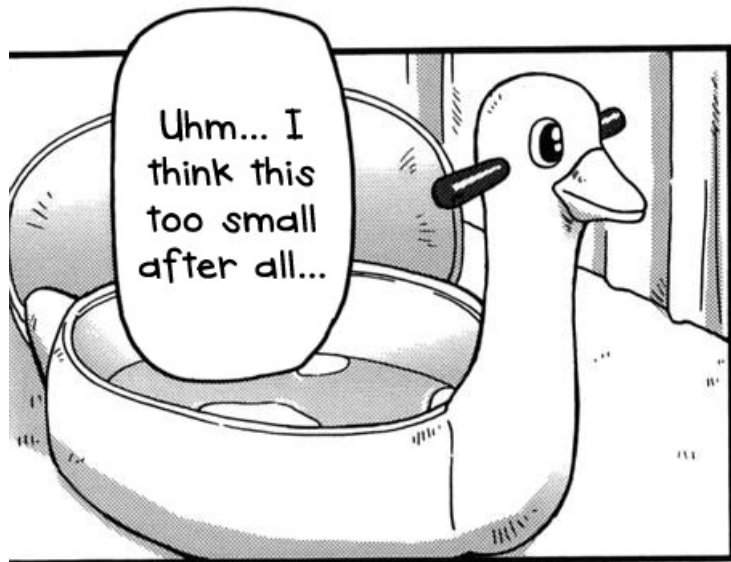

Did that hurt, Rinka?

I'm sorry, the only thing resembling a plug is this...

Yes, yes please! Use that as a plug!

GRIN

Ungh!

Quick, p-please! It's coming out!

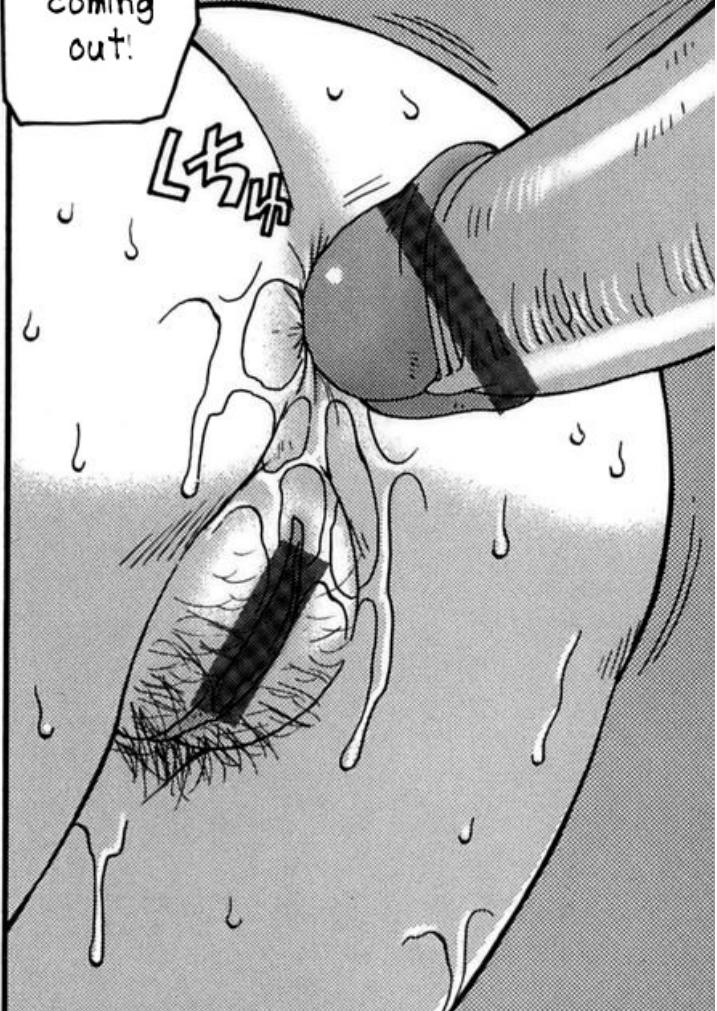

Come on, raise your butt a little higher. How could I refuse my cute little sister?

Let's go to the toilet. There, it's in now.

Come on, one last stretch.

HUFF!

If you stimulate your asshole it'll ease your constipation problem, ok?!

Dear Brother!

Yeah... I'm so happy!

This makes you happy, right?

You like it?

可愛い妹

When you are happy, my Kikyou, I'm also happy!

I'll make sure to scoop all that shit out!

Looks like you still have some inside you!

Squirt it all out.

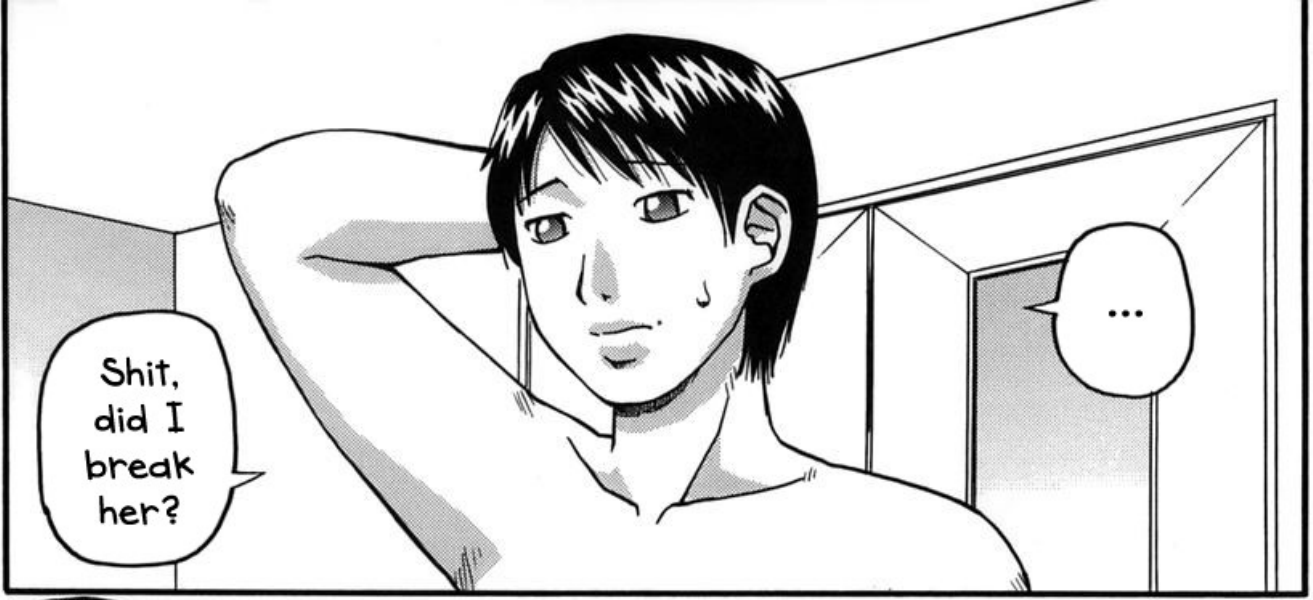

You're gonna feel better.

Do it, Kikyuu.
