I'm-

Corruption's Finale
-Chapter One-
It was my first time ever living in a school dorm.
Standing on top of a quiet hill, Ousen Girls Academy.
I'm
Hozumi Moe!

You know there's another building behind Wakana Hall?
It's called Asagi Hall, I heard.
Huh.
Ousen was well-known in the past as a school for girls from well-to-do families.
I worried about fitting in, but whether in class or at the dorm, everyone was friendly.
WAKANA HALL
Come to think of it...
My roommate, Haruno-chan
There used to be more people living in the dorms,
but then the road was widened and more apartments were built.
Now everyone lives in the apartments.
So that's why there aren't many who live in the dorms.
I wanted to live in one too.
Begged my parents, but they said I was too lazy and rejected it.
haha.

My personality's like this,
so my parents thought living in the dorm would fix my shyness
but-
and pushed me into it,
You're glad you came, right?
Ran-senpai's wonderful right?
!!
My classmate, Rio-chan.
Hozumi-san!
You live in the dorms? That's unusual!
By the way, can I call you Moe?
On the first day your face was totally red during the introductions.
Ahahaha
Kyah! Don't say it, Haruno!

Hyahh!
Let's join one together! okay?
Hey, have you picked a club yet?

um...
er...
Oh...

Getting to know your upper-classmen is another benefit to dorms.
You're still in here, first-years?
It's our turn now.

Hey-kyah!
Since you're here, we'll wash your back!
Moe-san, help!
Oh! Ayane-senpai!

She's a bit airheaded.
is our dorm mother, Amagi Ryouko-san.
She's complimenting you.
And Chika,
the miso was made by me.
Misato-senpai did!? Then it's bad!
Sorry for making you help out all the time.
I can't just leave it to you.
Our meals would never be done on time.
Eh? Ah!

END-OF-DAY BELL
The days passed by in a blink of the eye.

Are you used to the Newspaper Club yet?
Yes! At first I didn't know what to do,
but researching things and listening to stories is so interesting!
It was soon time to wear short-sleeve uniforms.

Love-struck maiden, GET!
KYAH
hehe! The one all students have admired at some point in their time here, Iori Ran-senpai!
I'm from this school's middle school division too.
She was famous even back in the middle school division. No chance of seeing her outside school, though.
But that would be natural for her.

Huh?
Wow...
Hm?
So you didn't know?
She'll be the president in the future!
What...
...?
She's the daughter of the school board president.

N-NO! we never got a chance to talk about it!
They didn't tell you at the dorm? Maybe they're looking down on you.

Hearing that makes it seem like she's from a different world...
So that's how it was. She's really a high-class lady.

Hey... Moe.
How's life at the dorm?
Hm?
It's pretty fun!
The truth is, I was thinking of moving into the dorms.
Right now I live at home but it's a bit far from here.
But my mother told me not to enter the dorms.

Just an "if", okay?
If...
I see... So you're the opposite of me, then.
Hey, Moe.
If something strange happens in Wakana Hall,
I want you to tell me about it.
...?
Rustle
"Something strange"...
What does she mean by that?
Again... Haruno-chan goes to the toilet at night a lot.
.....

...huh?
Is she trying to sneak out while I'm sleeping?
Haruno-chan and... Ran-senpai!?

That's the passage to Asagi Hall.
It's unused now, so it should be locked, but...

Haruno-chan and Ran-senpai went out-

Those were the second-years, Mika and Rika-senpai...

You were invited too, Moe-chan? How surprising.
Hmm?
If you talk here you'll wake the others.

Hurry up.
Mika-senpai, Rika-senpai!
U-Um,

Stay here if you weren't invited.
You shouldn't go.

If you hated it,
just think of it as a weird dream.
That's all it was.

■ CHAPTER ONE, END.

-interval-

Riding Crop

Used for horse riding as its name suggests.
On the end is a leather tip, and that is the part that makes contact. In the story it has a soft tip for SM play, more of a pointer than something used for striking.

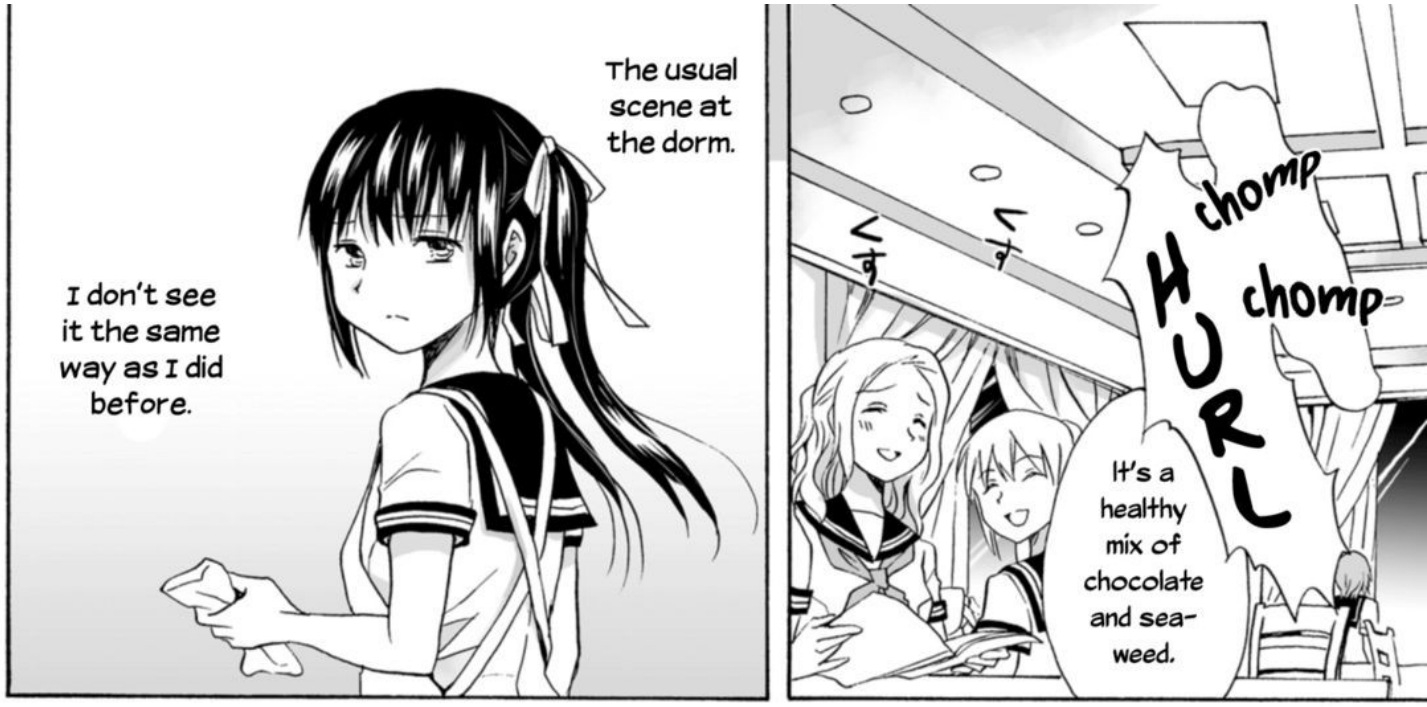

Bullwhip

Soft hiss, sharp pain. Well-known.
Difficult to use, for experts only.
Those not used to it will hit themselves or lash the neck which is dangerous.
Don't use it on others before you're good enough to hit where you aim.

Scourge

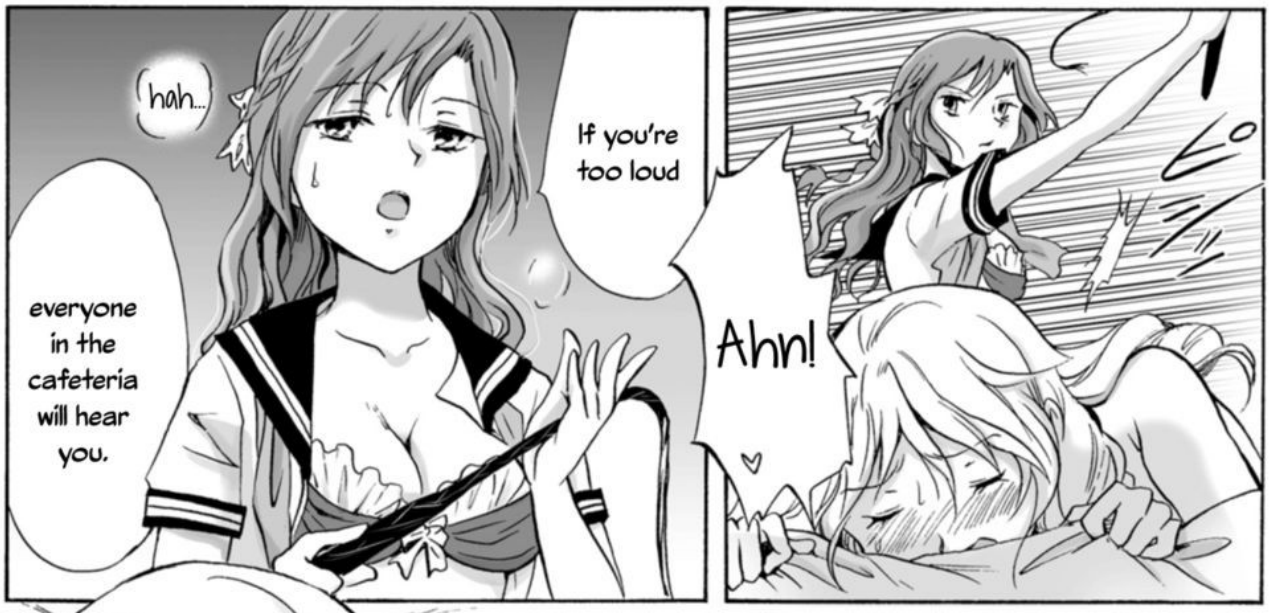

The power is distributed over the striking surface; it's loud, but doesn't hurt. A relatively safe to use whip.
Best used with light, repeated strikes.

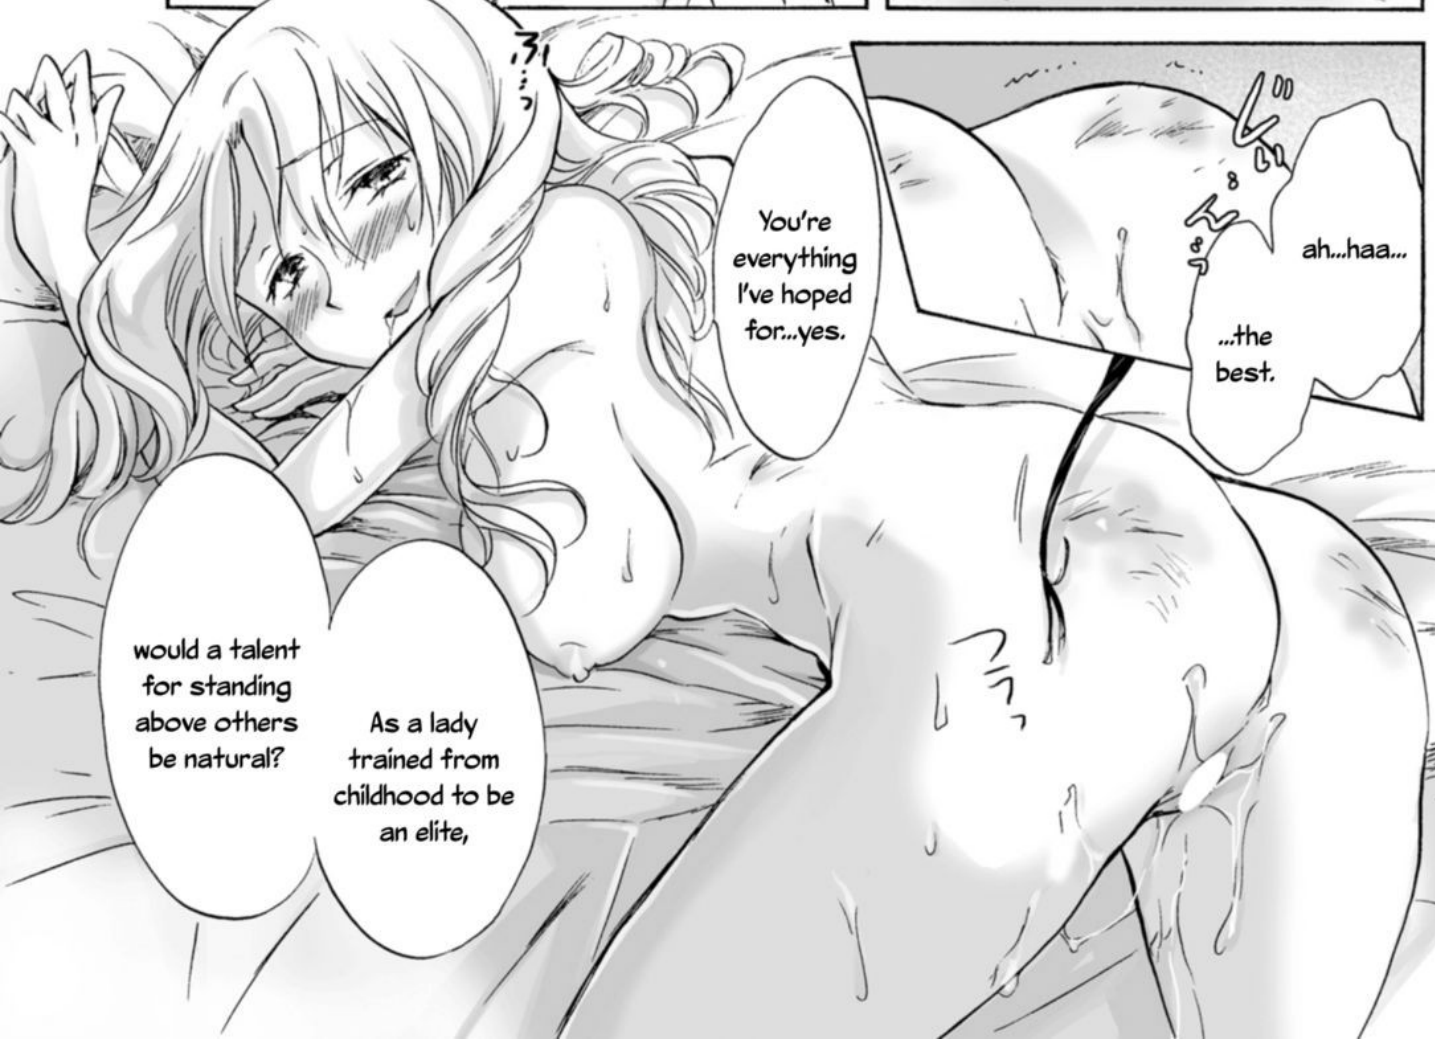

-Chapter Two-
That's wrong, Rihorin.

To be continued in Part Two.

[Afterword]
Thank you for purchasing this book.
I tried putting some S&M elements into the book this time.
I'd be happy if you enjoyed the exaggerated 80's feel of it.
This is my first time splitting a story into two parts,
but I hope you will read the sequel too.

Corruption's Finale Synopsis

Standing on top of a quiet hill
is Ousen Girls Academy.
Our shy protoganist Moe is about
to begin her new life in the dorms.

◇ ◇ ◇

Iori Ran, a senior, gives her a warm
welcome, and Moe is charmed.
But as a girl adored by all the students and
also the daughter of the school board president,
she seems out of reach...

◇ ◇ ◇

One night Moe spots Ran entering an
unused dormitory. Following her, she
stumbles into a secret gathering of students
in the basement. There she sees the students
freely pleasuring each other, and a completely
different side of Ran, who takes up the whip
to satisfy their desires.
While shocked, Moe sees a chance to
get closer to Ran, asking Ran take her.

◇ ◇ ◇

At the same time, Ran is in a relationship with
Ryouko, dorm mother and in charge of the
basement. With Ran's desire for Ryouko
going unfulfilled, a rift is starting
to appear between them.

◇ ◇ ◇

Moe, unable to ignore her feelings,
confesses to Ran
and begs for her touch once more.
Ran is shaken by her earnest passion,
but turns her away,
using her relationship with Ryouko
as the reason.

You haven't appeared at the newspaper club lately.

Did something happen at Wakana Hall?

Why are you so interested in Wakana Hall, Rio?

I've mentioned it before,
about how my mother told me not to move into the dorms, right?

She froze up when I said I wanted to move into Wakana Hall.
Told me not to without explaining why.
That's why I think
something happened to her as a student in the dorms...

My mother... Whether they were friends or ex-classmates,
there would always be women visiting during the day...

...I told myself she was just being friendly.

I've tried looking in the old articles at the club...
Rio-chan.
Sorry,
I don't know anything.
How long has it been kept secret,
this forbidden garden for girls at Wakana Hall?
