A mistake. Peeing in such a place puts him in grave danger.

By suddenly exposing your genitals in the open...

even a place like this is bustling with merciless and indomitable wildlife.

Oh, here comes a herbivore adult male walking alone, displaying his lack of awareness.

At first glance, it seems like a quiet park at night, but...

This episode, let us observe this untamed territory.

Aah! A carnivorous female cub has found him!!

Satsuki Itsuka
劇団 Theatre
#WildKingdom

五月五日

In the blink of an eye, she begins fellating him!

She sucks with such force that she even drinks his urine!

As soon as he sees an opening, the male makes a break for it, however...

without a moment's delay, the female chomps him from behind

This time, the female keeps a tight hold on his vital points, preventing his escape.

Sadly, he has been caught.

She proceeds to mount his face.

Buh

バキッ

ん

ん

Snickers Snickers

By climbing on top of the male and forcing him to inhale her scent, the female asserts her dominance over him.

The male has reacted As is in his unfortunately unchangable nature.

Come on! Come on!

Uh... Mh...

スニッカー

After seizing control, the young female will viciously and continuously violate the adult male until she eventually becomes bored of him.

This male was repeatedly drained of his semen to exhaustion until sunrise.

The wild is a harsh place indeed.
