

Please let me come along to a real battle-field!

Commander!

...You're too close.

...

I might... Approve of you...

If you manage to hit me on the head even once...

...Mm~

Why do you keep saying that-?!

And that's still too early for you.

Let's see...

Do-

...How can I have you approve of me?

Everyone's too bothered by it so we can't get any training done!

She's gotten even more annoying than before...

...Which means...

Ah, right. Jin-san's not good with women.

I have a secret surefire strategy for you!

Yo, Mao-chan!

Co-Come on~! Say something, Commander~!

I wouldn't have gone this far with anyone else but you, Commander.

But...

It's true that I really wanted your approval...

Eh? Didn't he approve of...

**Mao!**  
So you were there!

But because of that, I now have a new problem...

Ah, yes! Thank you very much! Jin-san and I started dating and we're planning on getting married!

**Huh?!**  
Aren't you two getting ahead of yourselves?!

How did it go? Did you try it?

Hey~! Mao-chan~!

THE NEXT DAY

HE APPROVED OF ME AS A WOMAN, BUT GETTING HIM TO SEE ME AS A PROPER MEMBER OF HIS UNIT WILL STILL TAKE SOME MORE TIME!  
**MAO**

What if you got yourself injured?!

You're a woman, so you have to take better care of your body...

You've had enough training for today! Get some rest!

Do your best, Mao-chan...

Geez~! I'm telling you, I'll be fine!

Eh-Eeehh?! I can still keep at it~!
