But he's great at basketball, which only angers me more!

He's a pervert and a creep, so why don't the seniors get mad at him?

Mm~h
I can't get myself to like that coach one bit!

!?

Guess who!

AKA

What?
I'm just massaging my adorable club member's pectoral muscles!

Don't "guess who" me! You're the only one who'd try to pull something like this, Coach!

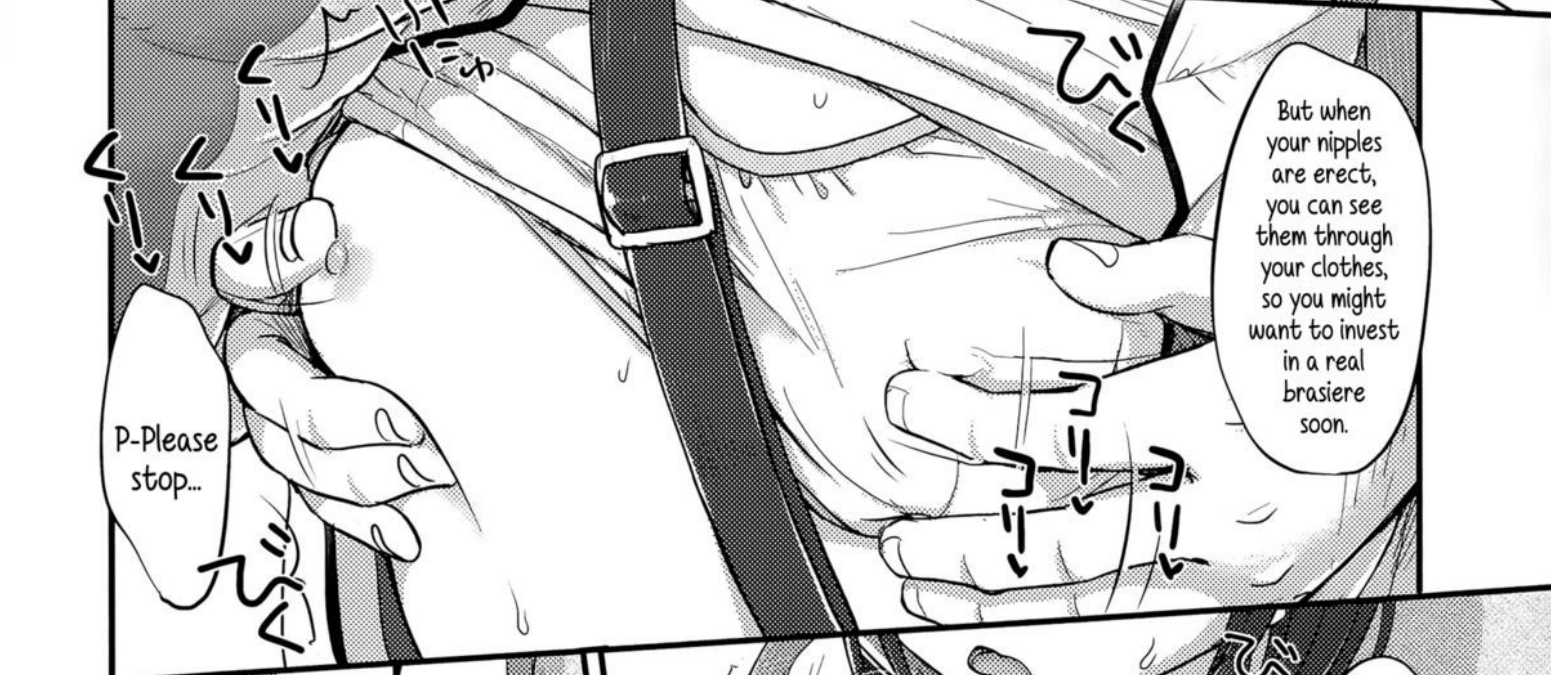

You guessed right!

Stop fooling around!

Being a coach doesn't give you carte blanche to do whatever you want!

Yelp!

Mnh! ♡

No hairs yet, huh? It's gonna be fun watching you grow.

Hya!

Among the first years, you're the one I have most hopes for.

...You won't fool me...

No

Noo

That's! Because I was practicing until just now!

It's sweat ...

Oh! You're wet!

Feels good, doesn't it? I'm pretty confident in my fingers.

I'd have to be to be a Basketball club advisor.

D-Don't...

quit your day job...

Are you sure? But you're positively drenched.

No! Not there!

Ah!

Uuh...

I-I can barely stand...

Coach...

C'mere,
I'll give you
some special
training just
for you.

Your panties
are soaked

sweat!
Let's take
them off.

No!

Fujita, you're
a girl, so you
have to be
more careful
about these
things.

Ah!

Fuee!

Ha

Ha

Coach is enjoying it...

That feels great, Fujita!

Like this...?

Y-Yeah. You're a quick learner, Fujita. I expected nothing less of you!

What should I do with his penis, though...

Lick it with your tongue and stroke it with your hand.

Yesh, coach...

Look for your opponent's weak point and then strike!

You can apply this concept to basketball as well.

What am I doing...? I don't even know anymore...

My head's starting to feel dizzy... Being licked might not be that bad...

Regardless, I have to do my best...!

Ah! Ah!

You're doing good, Fujita! But I won't lose either!

Done!

And unroll it from the top down to the base.

Pinch the tip so you don't let air in...

In the name of sports-manship.

Ah...

Then we'll start after I'm wearing this.

Listen... This is my first time, so...

Don't worry. Leave everything to me.

Ah!

Ah...

Ha

Sst

O-Okay...

Sst

Relax and take deep breaths...
