Are you
gonna be
alright?

You should really
think about giving up
on getting into the
dubious industry of
manga or anime or
what have you.

If you
keep going
down this
route, you're
gonna spend
another
year as a
deadbeat
uncle.

You can't
afford to
be picky
anymore.

I know...

Ah! It's uncle Takashi!

But that...

My brother has a daughter named Momona.

W-Who was that boy...

Ooh, Taiga-kun? He comes around all the time to play.

Y-You have a point there~ Haha...

I don't think we need to worry too much, they're only in grade school, after all.
